TEACHERS DAY REPORT

5 September 2016

The birth anniversary of Dr. Sarvapalli Radhakrishnan was celebrated by NSS unit, SKNCOE. A teacher has greater influence in shaping the life of an individual even more than his/her parents. In our country's culture teachers have been given a place above the almighty god. To express the gratitude towards such teachers, the NSS unit of the SKNCOE organized the cultural programme which consisted of stage play, dance, and musical band.

The programme started at 4.00 pm in the cultural center with worship of goddess of wisdom, 'Sarasvati' and 'Dr. Radhakrishnan' by Dr. K.R. Borole, vice principal, SKNCOE. The first performance was given by the musical team. The dance performances consisted of both classical and western styles which were performed by the different students. The script based on the life story of Dr. Radhakrishnan was enacted at the end of the programme. Dance, music and skit made the day explicable. Students took great efforts and ensured that teachers enjoy every minute of the programme.

After the cultural programme all the teachers were felicitated by giving the plant of 'Tulasi'. The student co-ordinator Bhushan Shimpi discussed the life of Dr. Radhakrishanan and Chanakya and what should we get from their life journey. The speech was the motivating part of the programme which

enhanced the feeling of respect about the teaching profession in everyone's heart. The vote of thanks was given by Vedant Ghate to all the teachers for their courage and enthusiasm about the teachings. The programme was ended by singing 'Vande Mataram'.

The programme was well co-ordinated by Bhushan Shimpi and Vedant Ghate. The happiness on the face of the teachers really made the programme

"Trees represent beautiful and resilient life which symbolizes an exquisite nature at its best. You may not plant millions of trees but if you can take care one single tree with love and care, which will make you great.

With this thought NSS unit of Smt. Kashibai Navale College of engineering, Pune took an initiative and implemented an idea of Tree Plantation on the occasion of World Environment Day in collaboration with Kartavya Welfare Trust and STES NSS units. This activity Started on 7th June 2020 under the guidance of program officer of NSS SKNCOE Prof. Sanjay Pingat Sir.

This year due to this pandemic we can't go out so we came up with different manner by taking #treeplantationchallenge. In this activity all the volunteers were asked to plant a tree or make a seed balls and sow it nearby house with all safety precautions and then take a photo or video and posting it on social media with "@nss_skncoe" tag. Also, volunteers were asked to nominate their friends to do the same. Process of making seed balls was also explained through the video and ppt.
