Sinhgad Institutes collaborates with Amazon Web Services Academy for cloud platform learning programme

Pune, May 12 (UNI) At a time when Covid-19 has thoroughly shaken up the education sector and forced institutions to look for ways and means of tackling the ongoing crisis, Sinhgad Institutes has become one of the chosen few premier educational institutes in India to partner with Amazon Web Services (AWS) Academy to offer a cloud platform learning programme.

Department of Computer Engineering of Smt Kashibai Navale College of Engineering (SKNCOE), Vadgaon, has initiated the process to be a part of this training programme, an official release said here on Wednesday.

This innovative programme will give students of SKNCOE Sinhgad Institutes access to AWS

Academy, thereby providing them the resources needed to accelerate the cloud-related learning
that drives innovation in fields such as artificial intelligence, voice and facial recognition,
gaming, medical advancements and more.

Please log in to get detailed story.

Educator Enablement program - AWS Academy, 26th Sept

1 message

Rawat, Amit <arrawa@amazon.com>

22 September 2017 at 11:32

To: "krborole@sinhgad.edu" <krborole@sinhgad.edu>, "CPOC-2 Singhad Prof. Patil" <pramod.patil@sinhgad.edu>

Respected Dr.Borole sir,

Greetings from AWS Academy!

I am delighted to share with you that under your guidance and support, we are able to coordinate the 'Educator Training' program in Pune.

The training shall start from 26th September to 29th September at Hotel Crowne Plaza, Pune city center. 16 participants from 8 institutes from Singhad group shall attend this training.

Other faculties are also joining from Jammu, Indore, Delhi and Jaipur,

It will be an honor if you could spare some 30 minutes to be with all of us on day 1 (26th Sept). Your presence shall boost the morale of the participants and shall encourage them to participate actively in the program. This being the first AWS Academy training in India, it would become more special if the day could start with your note.

Request you to kindly grace the occasion with your presence.

Best Regards

Amit Rawat

Report on

India's First Four Days Hands on Training Session

on Amazon Cloud Architect Solution

by

AWS Academy (Amazon Web Services)

PRINCIPAL, Smr. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

About Training Program

AWS Academy is a global program that provides educational institutions and educational non-profits (collectively, "institutions") with access to AWS-developed and authorized curricula so they can more easily offer cloud computing courses to their students. By participating in AWS Academy, institutions can help students become proficient and certified on the use of Amazon Web Services (AWS) technology.

AWS Academy curricula are developed and maintained by AWS. Each curriculum addresses different subject areas, such as the AWS Academy *Cloud Computing Architecture* curriculum, and consists of 55-60 hours of content comprised of course manuals, e-learning content, hands-on labs, knowledge assessments, and project work. Content is designed to be delivered over a semester or a minimum period of 6 weeks. The curriculum is packaged in a modular format that must be delivered to students as synchronous learning in either an instructor-led or virtual classroom environment.

Each curriculum is designed to prepare students for AWS certification. Students are provided with access to free certification practice exams and discounted certification exams that are aligned to the curriculum. AWS Academy curriculum must be delivered by educators who have completed the AWS instructor accreditation requirements for each curriculum they teach.

The said training was conducted by AWS Academy under academic collaboration with Sinhgad Institutes. The total no. of 16 Educators from our 8 different Engineering colleges of STE'S are appointed for this training session.

The AWS Academy training for Cloud Architect Solution is held between 26/09/2017 to 29/09/2017 at Hotel Crowne Plaza City Center, Bund Garden Road Pune.

Inauguration Function

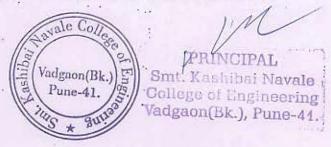

Inauguration of Four days AWS Training & Certification Programme by Amazon Web Services at Hotel Crowne Plaza, Pune Station. There are total 26 participants from all over the India among them 16 Faculty from Sinhgad Institutes, 2 faculties from Pimpri Chinchwad College of Engineering, 4 faculties from Acropolis Engineering College, Indore, 2 faculties from Suresh Gyan Vihar University, Jaipur and 2 from Model Institute of Engineering and Technology Jammu and Kashmir. These faculties are trained on Amazon Cloud Architect Solution which is essentials for Cloud Architecture Deployment and Design during this entire training.

From Amazon AWS Academy Mr. Amit Rawat, India Academic Relations Head is present for the program on first day from STE'S Dr. K. R. Borole, Vice Principal, Smt. Kashibai Navale College of Engineering and Dr. P. N. Mahalle, Professor and Head, Department of Computer Engineering, Smt. Kashibai Navale College of Engineering, is Present for Inaugural function. From PCCOE Dr. Nilesh Uke, Professor Department of Information Technology is also present for the function. Program coordinators Prof. Bhagwan Thorat and Prof. Pramod Patil, Department of Computer Engineering, SKNCOE, Vadgaon coordinated the entire activity.

Course Contents of the Training session

Description

Cloud Computing Architecture is an AWS Academy curriculum designed to help students develop technical expertise in cloud computing and prepare them for the AWS Certified Solutions Architect Associate certification exam. The curriculum is delivered through instructor -led classes, hands -on labs, and project work. Students have access to course manuals, online knowledge assessments, hands-on labs, a free practice certification exam, and a discount voucher for the certification exam.

Curriculum Outline

UNIT 1:

Introduction to Cloud Computing

- What is Cloud Computing?
- Leveraging Cloud Computing
- Cloud Economics and Total Cost of Ownership

UNIT 2:

Getting Started with AWS

· AWS Compute, Storage, and Networking

Lab:

Creating Amazon EC2 instances with Microsoft Windows

Lab: Build Your Virtual Private Cloud (VPC) and Launch a Web Server

Lab:

Working with Amazon Elastic Block Store (EBS)

•AWS Security, Identity, and Access Management

Lab:

Introduction to AWS Identity and Access Management(IAM)

AWS Database Options

Lab:

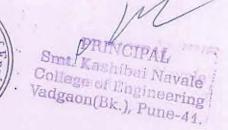

Build Your Database Server and Interact with Your Database using an Application

Vadgaon(B) Pune-41

•AWS Elasticity and Management Tools Lab:

Scale and Load Balance Your

Architecture

UNIT 3:

Architecting on AWS

Part 1: Introduction to System Design

- AWS Essentials Review
- Designing Your Environment

Lab:

Deploy a Web Application on AWS Group discussion

Forklift an Existing Application onto AWS

• System Design for High Availability (Part I & II)

Lab:

Making Your Environment Highly Available

Part 2: Automation and Serverless Architectures

• Event Driven Scaling

Lab:

Using Auto Scaling with AWS Lambda and Lifecycle Hooks

Automating Your Infrastructure

Lab:

Creating an Amazon VPC with AWS Cloud Formation

Mid curriculum project

- Decoupling Your Infrastructure
- · Designing Web Scale Storage

Lab:

Caching Static Files with Amazon CloudFront

Lab:

Implementing a Serverless Architecture with AWS Managed Services Group discussion:

Build an Environment for a New Web ApplicationPart:

Well Architected Best Practices

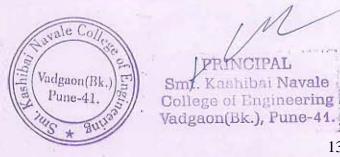

- Introducing the Well Architected Framework
- Well Architected Pillar 1: Security
- Well Architected Pillar 2: Reliability .

Lab: Multi Region Failover with Amazon Route 53

- Well Architected Pillar 3: Performance Efficiency
- Well Architected Pillar 4: Cost Optimization

Lab:

Launching EC2 Spot Instances with Auto Scaling and Amazon Cloud Watch

Part 4:

Deployment and Implementation

- Troubleshooting
- Design Patterns and Sample Architectures

Lab:

Using AWS Services to Enhance a Web Application Final project

Recommended

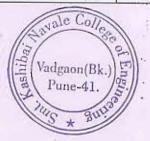

- AWS Certification Exam Readiness Workshop(e-learning)
- · Testing Center Information and Expectations
- · Exam Overview and Structure
- Content Domains and Question Breakdown
- · Topics and Concepts with Content Domains
- Question Structure and Interpretation Techniques
- Practice Exam Questions

Sinhgad Institutes collaborates with Google Cloud: now **Authorized Google Cloud Facilitator**

Pune, May 5 (UNI) Sinhgad Institutes has collaborated with Google Cloud to offer the Google Cloud Ready Facilitator program, a Google Cloud initiative designed to help students kick start a career in cloud and get hands-on practice with Google Cloud's platform, a statement said on Wednesday.

Smt. Kashibai Navale College of Engineering, SKNCOE, Vadgaon Campus, is now Authorized Google Cloud Facilitator, Department of Computer Engineering of SKNCOE Vadgaon initiated the process to be a part of this reputed cloud ready training program.

The Institute stated that It is a proud moment for Sinhgad Institutes to be counted amongst the few renowned engineering colleges who have been listed as Authorized Google Cloud Facilitator. Through this program students of Sinhgad Institutes can become Google Cloud Facilitators and not only gain in-depth knowledge about Google Cloud technology but also enable others to do so. The program introduces students to cloud computing, cloud-native application development, big data and machine learning using Google Cloud and also help to build their leadership skills. Persistent efforts of Dr. Parikshit N. Mahalle, Head of Department of Computer Engineering and Prof. Pramod Patil, Assistant Professor along with student facilitators Abhijeet Kahore and Satya Narayan Sahoo on behalf of Sinhgad Institutes SKNCOE, Computer Department Vadgaon brought success to this laudable initiative.

The students will get live training by Google Trainers on Cloud Architect and Hands on Labs also. The students will get International certification and recognition by Google. Skill Badges. Goodies will be offered by Google to certified students. The skill badges and certification earned by students have International Recognition

Pune-41

Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

20 / 292

Sinhgad Institutes SKNCOE, Vadgaon will receive future offers from Google Training Programs. Dr. Mahale expresses heartfelt gratitude to the motivation and support from Founder President Prof. M. N. Navale Sir, the entire Management of Sinhgad Institutes, Principal and Vice-Principal of SKNCOE and his colleagues. He says, "Till today we have successfully enrolled 500+ SKNCOE students to this program and we shall enroll many more in future. As of now the number of students enrolled is 570, new registrations 110 and number of badges earned is 100. We will post much higher figures on student achievements on this platform in the near future." Says Abhijit Kahore, one of the student facilitators, "When I wanted to prepare for a career in cloud computing, I had no idea what to do, how to discover new learning opportunities. Thanks to Sinhgad Institutes, my College SKNCOE and my wonderful Professors for developing this program and for connecting me. It is a proud moment for me. I am now ready to support other students as a Cloud Facilitator." Satya Narain Sahoo also feels very proud and privileged. He says, "I feel thrilled to be counted amongst the first Google Cloud Facilitator of Sinhgad Institutes - a historic and proud moment for me. Google Cloud is global leader in delivering a secure, open, intelligent, and transformative enterprise cloud platform. Demand for cloud-ready talent is rising every day, with more than probably 80% of all IT departments across the globe requiring cloud-ready talent. Surely, dream career in IT awaits us."

Dear Prof. Pramod,

Thank you for being a part of the Facilitator program earlier this year and helping us drive cloud skills in your institution. To strengthen our partnership further, we would like to invite Smt.Kashibai Navale College of Engineering, Pune to participate in the Google Cloud Career Readiness program.

We know that as part of the Facilitator program, not everyone got a chance to become a part of it due to limited number of seats. Hence, we will be providing your students access to Google's leading edge, enterprise-ready curriculum and learning resources for FREE to help

College of Engineering Vadgaon(Bk.), Pune-24

https://mail.google.com/mail/u/0/?ik=e7696f1b1d&view=pt&search=all&permthid=thread-f%3A1710247988186755107&simpl=msg-f%3A1710247...

them get started on the path to achieving the industry-recognized Associate Cloud Engineer certification!

Selecting faculty

We are seeking two (2) faculty nominees who will spearhead the program in your college. (You can nominate yourself as we'll) They should:

- Ideally be interested and committed to learning Google Cloud within 8-12 weeks. We welcome faculty who teach Cloud as part of the curriculum.
- Offer training and hands-on learning sessions to students enrolled in the program.
- Identify and highlight success stories of students which can be turned into testimonial videos or blogs.
- Be available to share feedback about the course and progress of the program

Selecting students

Google Cloud Career Readiness program is aimed at pre-final year CSE (or related) students only. In the initial phase, the program is open to a maximum of fifty (50) students per college (25 each for both faculty).

Students chosen for the program must display a high level of commitment and interest in learning Google Cloud and completing all the required courses and labs within 8-12 weeks. Previous students who participated in the facilitator program but did not receive a seat or new students ones who are familiar with basic concepts related to operating systems, networking, databases and programming are good candidates for this program.

GoogleCloudReady Facilitator

#GoogleCloudReady

Congratulations! You are now a Facilitator.

Celebrate on Social

Dear Prof. Pramod,

It gives us immense pleasure to tell you that you have been selected as the **GoogleCloudReady Facilitator** for your institution. You are one of those select few across India who will help us make students in your institute #GoogleCloudReady & explore a career in a cloud-first world.

What is GoogleCloudReady Facilitator program?

Through the program, you as well as your peers will gain strong industry skills with hands-on labs that will help you launch a career in cloud. Also along the way, to keep you and your peers motivated, we will have rewards at different milestones:

College of Engineering Vadgaon(Bk.), Pune-41.

https://mail.google.com/mail/u/0?ik = e7696f1b1d&view = pt&search = all&permthid = thread-f%3A1709595144597782873&simpl = msg-f%3A1709595.27/12992

- · A certificate of appreciation from Google to you.
- Google Cloud branded goodies bags, tshirts, hoodies and much more for you as well as your peers.
- And even a Google Nest Mini.

Not to worry! We'll train you

To make sure that you are well equipped to help your peers, you will be trained **directly by Googlers** on the program's content for a month before you start. Please find your training schedule below. All sessions are online and we will add them to your calendar beforehand to keep you updated. It's **COMPULSORY** for you to attend each one.

| Session | Date & Time |
|--|-----------------------------|
| Training Session 1: Program Introduction + training on the 1st Track | 8th Mar 2021 5:00 PM IST |
| Training Session 2: Training on the 2nd Track of the program | 15th Mar 2021 TBD |
| Training Session 3: Training on the 3rd Track of the program | 22nd Mar 2021 TBD |
| Final Kickoff Session: Sharing tips & tricks and other important program information | 30th Mar 2021 TBD |

Note: The timelines are tentative and we will notify you & update your calendar once finalised.

Prepare for your trainings

Your trainings will be conducted on our hands-on labs training platform called Qwiklabs. To take those labs, you need credits! Follow the steps below to create an account, take your first lab and get a 1 month credits pass for the program.

- Go to Qwiklabs and create an account. (Remember to use this email ID to sign-up)
- Once created, go to the link below, start the lab and complete it in order to get your 1 month credits pass. (It will take 15-20 minutes after you complete the lab for the pass to be provisioned)
- If you face any issues or didn't get the pass, please reach out to support@qwiklabs.com with the below link and they will help.

Complete the lab

Subject: [FINAL REPORT] GoogleCloudReady Facilitator - your student progress report is here To: compatil@sinhgad.edu>, <abhijeetkatore007@gmail.com>, <sahoosatya051@gmail.com>

GoogleCloudReady Facilitator

#GoogleCloudReady

Your student progress report is here!

Visit Program Site

Dear Facilitators,

The GoogleCloudReady Facilitator Program 2021 has officially been concluded. It has been such an incredible journey and we applaud you for all of your efforts and hardwork. Thank you so much for taking this task of helping students become #GoogleCloudReady. Read through the general program updates and your milestone progress below.

General Updates & Reminders

Find your daily updates and reminders about the program below. Smt

• The program has now ended - As of right now, we have stoppedn(Bk.), Pune-41. counting any new quests/skill badge completions of the students

Vadgaon(Bl

- and your milestone count is officially final. You can see the milestone that you have earned and identify the prizes that you are eligible for in the kick-off deck given in the resources section below.
- Information about student prizes -We have already made an announcement on this in our Google Chat community. We will be sharing further details very soon. Please do remember to ask your students to be patient.

Here is your progress report!

See the aggregate numbers for your report below to get a quick view of how your students are doing and what's your progress for the prize milestones. To see individual student progress and reports, please refer to the CSV file attached with this email.

| Metric | Value |
|-------------------------------------|-------|
| No. of students enrolled | 665 |
| New registrations (since yesterday) | 0 |
| No. of Quest completions | 3006 |
| No. of Skill Badge completions . | 1516 |
| No. of wrong applications | 58 |

See the progress for your milestones below!

You've done it! You have successfully completed the ultimate milestone in the program. Give yourself a huge round of applause - this was not an easy task and you came out with flying colors. And yes, not to forget, each one of you are now entitled to a Google Home Mini as well along with other exciting prizes and the certificate from Google. Remember: the main motive of this program is to help students build a career in cloud. So keep on helping students. Happy Facilitating! :)

Milestone #1: Drive 400 Quests & 200 Skill Badges 🏆

ale Co 100% Completed 600/600 Milestone #2: Drive 800 Quests & 400 Skill Badges 💯 Vadgaon(B 100% Completed 1200/1200 Milestone #3: Drive 1600 Quests & 800 Skill Badges 🏆 College of Engineering Vadgaon bk.), Pune-41. 100% Completed

2400/2400

Ultimate Milestone: Drive 2400 Quests & 1200 Skill Badges 🏆

100% Completed

3600/3600

Use the following resources to engage students and drive completions

- · Bookmark & refer your facilitator guide (kick-off session deck) bit.ly/crf21-kickoff-deck. It has everything you need.
- · Engage students via messages & emails. You can find templates for the same in the deck above starting from slide 53 - 55.

As always, please feel free to ask any questions or queries by replying back to this email or on our Google Chat community*.

See you in the cloud,

Akshit & the GoogleCloudReady Facilitator Team

To, The Principal

Smt. Kashibai Navale College Of Engineering Vadgaon Pune

03-08-2021

We are delighted to provide your Institute a Certificate depicting the Training you undertook for students. You engaged many learners right through this period (June 2016 – July 2017) in taking the IIT Bombay- ST courses and acquiring powerful IT knowledge.

This is under the partnership agreement between Smt. Kashibai Navale College Of Engineering Vadgaon Pune and IIT Bombay-ST (SpokenTutorial) Program powered by National Mission on Education through ICT, MoE, Govt. of India.

Again, in deep acknowledgement of your stellar efforts. We wish to collaborate many more times in this manner with you.

1. Amit Rawat

He is Team Lead for Head start Network Foundation and Host Startup Saturday Pune @ Head Start Network Foundation. He completed his Bachelor of Commerce in Economics, Statistics from University of Pune. He is working as Mentor, Business Strategist, Strategic Investor @ Startup Mentor & Technology Consultant India. He is Core Team Member, and Social Media Administrator @ Pune International Literary Festival. His skills in Computer Science field Social Media, Windows Server, Software Project, Technical Presentations, Active Directory, Operating Systems, Net, Networking, Troubleshooting, Vendor Management Experience, Vendor Management, Team Management, Strategy, Wireless Networking, CCNA, Testing, Social Networking, Business Strategy, Pre Sales, Servers, Software Project Management, Cloud Computing. His role in as a mentor in Head start is Strategy planning for customer acquisition, exponential growth, building founding teams, defining metrics and operational efficiencies, mentoring & coaching leadership teams, solving complex problems, cross border products and platforms are areas of interest.

About Headstart Mentor, Headstart Mentor is a hands off mentoring session for entrepreneurs, facilitated by Headstart. Our intention is to get qualifying startups coached by the industry's best and to build a pay-it-forward culture in the startup circuit. It is an' INVITE-ONLY' meetup which aims to provide a structure to 5 qualifying startups to find solutions to their problems by interacting with brilliant peers and experts in their industry. A Mentor session lasts for 2 hours and is organized on specific domains (like Healthcare, EdTech etc.) or horizontals (like sales, fund raising etc.). There is nothing you have to pay to get mentored, but you have to make a promise - to pay it forward by mentoring younger startups when you are ready and have an opportunity.

Mentoring Startups (early stage) in areas of :

- ✓ DEA VALIDATION, MVP/POC, GOTO MARKET, SCALING...
- ✓ Making the idea applicable in changing scenarios
- ✓ Building Business plans BUSINESS MODEL
- ✓ GOTO MARKET STRATEGY Marketing campaigns (ONLINE & OFFLINE)

ale Col

Vadgaon(Bk.

l'une-41

✓ PITCH DECK PREP & INVESTOR CONNECT

2. Nikhil Gosavi

He is an Indian Tap Dancer, Dance Choreographer and a Music Composer. He was born in Nashik, trained in New York and currently based at Pune. He regularly delivers online dance lessons in Tap Dance, Bollywood and Hip Hop to a global student base ranging between New York, Mumbai and Tokyo. Nikhil Gosavi is a captivating performer who has won the hearts of audiences around the nation. After completing the International Student Visa Program in Dance from New York (2015), Nikhil has worked tirelessly to develop a unique style and technique, as well as to collaborate on various projects with artists from around the world. After returning to India, Nikhil found Bollywood To Broadway Entertainments as an effort to unify artists, make dance accessible and establish 'Broadway' in India. Ever since, Nikhil has directed projects and performances with Hip Hop, Kathak, Bharatnatyam, Tabla, and Sarod artists in India. Nikhil is constantly on the search for new and exciting opportunities. He has trained 2500+ students worldwide and choreographed for 150+ corporate shows and weddings. Nikhil has now become the most sought after specialist choreographer in the corporate and wedding scenes of India and the USA.

3. Pawan Rochwani

Pawan has successfully established Platform for Artists in thirty different cities and has worked with more than 30,000 artists from all around the country. His main aim at PFA is co-creation and collaboration. In his early days as a community builder, he made headlines with innovative ideas like PFA Art All Night, Art Getaways, etc. While the country was struck by the pandemic, he launched an online flea market, UNSEEN 3.0 & UNSEEN 4.0 which featured 80 local business owners and helped them reach a larger audiences and find a voice in this rapidly digitised world. Another flagship project of PFA is UNREAD, an anthology comprising works of 99 writers from all over the country, launched annually. Pawan also hosts a weekly podcast called When We Met, where he dives into the world of content and tries to empower creators by informing them of ongoing trends.

Pawan is the Lead of Community, Events and Partnerships at Pepper Content. He also routinely hosts webinars and discussions at Pepper and is the host of Pepper Spotlight.

Pawan also mentors students at MyCaptain on social media blogging, entrepreneurship

Vadgaon(Bk.)

Pune-41.

Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

83 / 292

marketing, and many other topics. Apart from this he also writes a weekly Newsletter Relatively Correct. The essence of everything Pawan does can be captured by the words, "Community Builder". He is extremely proud of the ever-expanding creative community in India and at PFA. He has immense faith in this community and wants to help it reach its truest potential. He strives to empower every artist and help them find space in this highly competitive creative world.

As the lead of three important verticals, I have diverse responsibilities but some of the most prominent ones are. Maintaining and nurturing relationships with Pepper's diverse community of creators, organisation members, community partners, stakeholders. Produce engaging and creative marketing materials with assistance from the Marketing Director. Planning, Strategising and Organising Virtual and Offline Events that will lead to Community Building as well as Business Growth. Hosting the podcast Pepper Spotlight to interact with industry leaders from the content space. Managing campaigns like Next Big Creator Awards to uplift the overall creator ecosystem of the country.

4. Prajakta Koli

Prajakta Koli is an Indian YouTube celebrity she is also a blogger and rapper who specializes in creating comedy videos about everyday life and events. It has its own YouTube channel, which has 3.5 million subscribers, more than 500 videos and sponsorships of different brands. She was born in Mulund and brought in Thane, Maharashtra in Marathi Family. She did schooling Vasant Vihar High School in Thane and She Completed her graduation in Mass Media from V.G. Vaze College of Arts, Science and Commerce. During her schooling she was a very active girl she used to participate in all events in school. Before Youtube She wants to become Radio Jockey and in the Final Years of Graduation she started doing an internship as Radio Jockey in Fever 104 FM. but Radio Jockey career couldn't work out her. One of Her office colleagues suggests to him about Youtube. She started his channel MostlySane in 2015 and the rest is history.

She is an Indian actress, Radio Jockey and YouTuber. She is primarily known for her video posts on her YouTube channel MostlySane. Born on 23 June 1993, she completed her graduation in Mass Media from V.G. Vaze College of Arts in Mumbai. The actress rose to fame in no time with her bold and cheerful personality she portrayed on her videos. She has

Speakers Details:

Mayank Bhattacharya

Mayank Bhattacharya is an Indian social media star who has gained popularity through the eponymous Instagram account. With over 65847+ followers Mayank Bhattacharya adguon(Bk.

Vadgaon(Bk.), Pune-41 92/292

deemed as one of the popular influencers in India. Mayank Bhattacharya has set the username on Instagram as @themayankbhattacharya. Born on , , Mayank Bhattacharya hails from India. Established in 2014, Mayank Bhattacharya's Men's Essentials is India's first Men's Image Consultation and Style YouTube Channel. It is the place for a man's holistic growth via Image and Style. If you are an aspiring man seeking to transform yourself into a true blue 'Modern Gent', Men's Essentials is the perfect place for you! Welcome on board. The show is hosted by Mayank Bhattacharya and produced by TMB Studio Productions Pvt. Ltd.

The story goes like this; After having produced 400+ videos on Classic Men's Style and Image, the one common comment Mayank witnessed in his YouTube channels was "THE ABSENCE of a SOLID QUALITY T-SHIRT" for the modern Indian Men. Frustrated by the unpleasing fit, poor fabric and the sheer lack of a reliable Indian brand specialising in Basic Men's clothing, Mayank Bhattacharya set out to create one of his own. Thus in July 2018, TMB Basics was born and with a record sold out sale in less than 48 hours, he knew he had a purpose to serve. You see, TMB Basics is here to make a man's image and style an easy and effective process in communicating his best self. You may not find the latest-in-fashion here but rest assure, you WILL DEFINITELY FIND the BEST in Men's Style here. And for everything else that doesn't sail your boat of perfectionism, we are just an email or a message away to hear your feedback and do everything in our control to produce the best timeless elements of men's style. We are on a path to transform a million men's image and style and we would much appreciate your sincere support in helping us do the same. Our goal at TMB Basics is quite simple - Simplify your style and make 'LOOKING GOOD' easy. Founded by the Indian Entrepreneur and Content Creator Mayank Bhattacharya, TMB Basics's sole goal is to curate the timeless elements of Men's Style.

2. Nipun Dharmadhikari

Nipun Dharmadhikari is a popular public figure for his amazing skill of acting, writing and directing Marathi movies. Nipun was born in 1987. He is one of the young Drama artists and producer working on the Marathi stage. Basically he was born in a disciplinary academic household. He was admitted to Brihan Maharastra college of commerce (BMCC) in 2013 as it was very popular for its cultural activities. He stated his first acting career by acting in the plays for Purushottam krandak, which was Pune's coveted inter-collegiate theatre and activities.

Pune-41.

Smt. Kashibai Navale College of Engineering Vadgaon(8k.)

Vadgaon(Bk.), Pune-4/93 / 292

competition. He is known for the revival of Sangeet Natak (Musicals) and long five act plays. His first contact with arts came when he did an impromptu performance of the Marathi play, Varhad Nighalay London La in front of his class, in school. The teachers found out and he then began performing for annual days and other public events. He was a student of Brihan Maharashtra College of Commerce, where he was studying to become a chartered accountant. In 2003, Dharmadhikari started acting in plays for Purushottam Karandak, Pune's intercollegiate theatre competition.

He started Natak Company in 2008, which produces Marathi plays. His maiden venture was the play Cycle, where he directed Amey Wagh. In 2009, he was seen in the Marathi film, Harishchandrachi Factory. He went on to direct two plays, the first one being Lose Control, which dealt with sexual fantasies of three teenagers; while the second one was Never Mind, starring Spruha Joshi. In 2013, Dharmadhikari also wrote for the Hindi romantic comedy drama film, Nautanki Saala!.

In 2015, Dharmadhikari was also featured in Forbes India's 30 under 30 list. In the same year, he was also seen in Highway, where he was seen playing a football fan. He was again featured on Forbes Asia's 30 under 30 list in 2016. He hosts the satirical talk show Casting Couch with Amey & Nipun on the YouTube channel, Bharatiya Digital Party, which started the same year. He made his marathi movie directorial debut through Baapjanma (2017). He also went on to direct the national award winning film, Dhappa. He was the guest of honour at Vinodottam Karandak in 2017. He has also directed award winning plays like Sharam Gayi Toh, 36 and Dalan.

3. Neeraj Rajput

Working as Associate Editor (Defence & Strategic Affairs) at ABP News. Covering military & security issues right from highest battlefield in world, Siachen to Tibet plateau on China border, Surgical Strike against Pakistan & air-strike on Balakot to undersea in submarine and at 35 thousand feet in air. My job (which is more a passion) has taken me to most fortified border in the world, DMZ on North-South Korea to largest military base, JBLM in US and twice to Russian military bases which were once considered as non-existent to the world. I am among selected defence journalist who have flown in cockpit of India's first indigenously

Vadgaon(Bk.)

Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pun94/292 developed attack helicopter, Light Combat Helicopter (LCH). A 'Defence Correspondent Course' alumni being organised by Ministry of Defence, Govt of India. Presenter of ABP News digital series on defence & security issues. Earlier worked as Chief Reporter (Crime) for about 06 years in the same channel & its earlier avataar (formerly STAR NEWS). My stint with journalism began with English daily, NATIONAL HERALD, and then switch over to electronic media with B.A.G. Films ('RED ALERT' on STAR NEWS) and then with SAHARA T.V.

4. Paula McGlynn

Paula McGlynn is Co-Founder of the Marathi content brand Bharatiya Digital Party (BhaDiPa) and CEO of it's parent company Gulbadan Talkies Pvt Ltd. BhaDiPa started making fresh, new and original content in Marathi in 2016 when there was no Marathi content in the digital space. Last year BhaDiPa revived the Marathi stand-up comedy scene and has expanded into several content genres including Travel & Lifestyle (Bha2Pa), News & Politics (Vishay Khol), and two shows available on MX Player "Pandu" and "Once a Year". BhaDiPa has become a voice for young Maharashtrians and has created an eco system of over 1 Million loyal followers.

Paula McGlynn is a model and actor from Canada who was born and brought in Vancouver. She did her schooling and college from her native place. Soon after her college, she headed into modelling industry followed by trying her luck in acting; she headed to Mumbai to enter in Bollywood or regional industry. She took the decision to shift to Bombay was in the wake of having a number of Indian friends in Canada who encouraged her to head to this city to make her career in this field. However, she coming to India, she worked in Fuzz Mix Media Productions as film director. When she came to India in 2013, it wasn't that easy for her to get the desired role. Though she got some small time options and soon she got in touch with the Marathi movie making company called Gulbadan Talkies. As the director was looking out a girl from overseas, who visit India falls in love with the country and its culture she was seen the perfect choice for the film Pindadaan by Prashant Patil. She has taken lessons for the film.

She took all her time to master the language so that she can give the best of her emotions over the silver screen. Twice the recipient of the SEU Mobility fund for her research on the film industry, Paula McGlynn has strong networks between both the Indian and Vancouver

Vadgaon(Bk.) Pune-41.

film industry and has started the BC – Indian Film & Media Initiative, a volunteer effort to increase business between the two industries.

5. Pushkar Aurangabadkar

Pushkar Aurangabadkar is an Entrepreneur, Author, Faculty, Trainer, Mentor & Artist. Pushkar is an IIM Calcutta alumnus and is the Founder Director of Milastic Education Private Limited. He started his career with a US based company in the Oil and Gas field and later established his entrepreneurial venture in the Education Segment. Pushkar is an IIM Calcutta alumnus and is a Rotary International Vocational Excellence Awardee for 2019. He is the Founder Director of Milastic Education Private Limited. Cultural Night

Speaker Details:

1. Anisha Dixit

Anisha Dixit is an actor who like all came to Mumbai in search of opportunities but unlikely couldn't find her breakthrough in Bollywood. One day while travelling in an auto-rickshaw to meet her friend, she was clicking selfies and making videos which later on she found very interesting. That made her wonder why not use an auto-rickshaw as a backdrop for her videos and selfies as auto-rickshaw represents India big time. She uploaded her first video on 17th November 2017 like a Ram Leila movie. She began shooting around rickshaws by inviting nearly 20-30 rickshaw wala Bhaiyas. This Rickshawali girl is popular with a girl-centric comedy channel on YouTube where she uploads videos of her day-to-day activities along with sketches and funny Vlogs every Tuesdays and Fridays. Before creating her YouTube channel, she was an actress in numerous films and theatre productions in Switzerland, the USA, India, and Germany. She completed her studies at the LeeStrasberg Theatre & Film Institute in Los Angeles, California. She is fluent in English, German, Hindi

Vadgaon(Bk.) Pune-41.

and also semi-fluent in French.

She kept her name literally while traveling in a Rickshaw. Knowing the fact that there are tons of Rickshawala's and no Rickshawali is what inspired her to start her YouTube page. Her ultimate goal is to humor individuals and make them laugh wholeheartedly. Anisha strongly desires to inspire the Indian youth to be strong, confident and work hard towards achieving their dream. She wants to make people around her laugh and wants to portray that even girls can be chill and can accomplish everything they dream of if they put their will and determination into it strongly. She creates all her content for all the 10 to 35-year olds. She debuted her acting career with a Punjabi movie titled Punjab Bolda which was released in 2013. She was also associated with Karim Jovian who was featured in one of her videos "American tries Indian Chaat – Pani Puri for the first time". With a huge YouTube fan base of 2.33M subscribers, she has performed LIVE on stage for a huge audience at the YouTube fan fest 2018 and has also be featured on CNN Business, with a worldwide telecast. Apart from presenting a talk at TEDx, she has also been published in numerous publications including Mumbai Mirror, Cosmopolitan, Bombay Times, India Today and Harper's Bazaar.

2. Ayush Mahodaya

He is working as Business Development and Product Manager for CarlQ company. He is experienced evangelist with a demonstrated history of working in the automotive industry with strong operations professional with a Bachelor of Engineering (BE) focused in Computer Science from University of Pune. CarlQ is the new connected car ecosystem where car owners are empowered with data to demand the highest attention and services. CarlQ platform connects cars to their owners, and to the various service providers such as auto manufacturers, OEM, car insurance providers, auto dealership, auto workshop, roadside assistance providers, breakdown service provider, government agencies etc. CarlQ can help infrastructure providers and city planners to take maximum advantage of 'Internet of Things'. CarlQ is India's first connected vehicle platform. CarlQ facilitates OEMs, Insurance providers and telecom players to make optimum use of data generated by the vehicles and improve their customer experience. CarlQ is the platform of choice for mature enterprises looking for an advanced and scalable solution. We are a part of Varroc, a Tier 1 automotive component manufacturer incorporated in 1988 with successful listing on the Indian Stock Exchange in July 2018. Varroc designs, manufactures and supplies a diverse range of auto components to most of the Indian 2W, 3W and 4W OF MS.

Vadgaon(Bk.)

3. Himanshu Goyal

Mr. Himanshu Goyal is an entrepreneurial leader with a track record of building, leading high impact, high performance organization that identify, create to lead in new markets to deliver growth. Mr. Goyal has been a Co-Founder of 2 Startups, Delivered and led 4 Product launch, 1 acquisition. He has always been fascinated with how things work from gadgets to hardware and software. His early passion for tinkering paved the way for his commitment to tech innovation and formed the basis of his core belief: continuous reinvention is how businesses disrupt and lead. Mr. Goyal's first professional experience with disruptive technology happened at Wipro, where he worked with key software product brands just as the new platform changed everything about internet-based software. He went on to lead some of the major initiatives at IBM, Digite, DPS and Wipro.

Along the way, he contributed to transformation with key customers in enterprise technology, nurtured a love of photography, became a devotee of digital technology, and discovered an appetite for creating Digital Curation Business at DPS. As a child, Mr. Goyal spent countless hours programming on his first PC, the BBC Micro. Later, he left his BBC Micro behind to earn a bachelor's degree in Computer Science. Mr. Goyal spends time in discovering new places, teaching and pursuing landscape photography. He has been a member of the Western Region Skills & Higher Education Committee of Confederation of Indian Industry (CII) for 2008-16. Formerly on Board of Studies member for Rajasthan Technical University, Madhya Pradesh Technical University (RGPV), Uttar Pradesh Technical University ((APJAKTU).

4. Nilesh Komatwar

Nilesh Komatwar, a 21 year old resident of Pune, Maharashtra and he run a digital agency namely DigitalNil which helps entrepreneurs, startups and freelancers to grow digitally by endorsing their talent and realizing their full potential with them. Nilesh is the founder of Quamatwar DigitalNeil Nilesh started his digital marketing journey at an early age. Before Nilesh entered the booming industry, Nilesh was in a commercial area and failed to launch a product. Nilesh worked in a business consulting company in Pune, India and met with many

/adgaon(Bk.) Pune-41.

skilled entrepreneurs and startup founders. Now Nilesh is building a network with 100+ entrepreneurs. Nilesh Comrade had to face failure and he saw many entrepreneurs and startups failing which they received more pity. Through his experiences, Nilesh Kammatwar found that most entrepreneurs fail because they can not contact the right customers. So Nilesh decided to make his own firm and do online business. With the aim of introducing digital marketing lesson, Nilesh started giving intuitive lecture in MIT, Pune. Nilesh Komputwar has a strong connection to online branding and digital marketing.

5. Raj Shamani

Raj Shamani is a growing Instagram Influencer along with being entrepreneur, business founder, business consultant, social media marketing advisor, personal brand building advisor and many more. Raj Shamani is an experimental speaker, who is more comfortable in trying new things and failing than succeeding at once by following the same process again and again. A second generation entrepreneur that has years of experience of failing, making mistakes but ultimately succeeding in developing small businesses with his inspiring ideas.

Shamani is a young and talented business professional and he has experience working in almost every industry through his speaking engagements and personal interactions. Much of his previous experience comes with working with second-generation business entrepreneurs who are working with their families within a business. Shamani strongly believes in offering the family business mindset even with large corporations. Making sure that a business can offer this type of people-centric service while still utilizing modern ideas, ways heavy in his business experience. By sharing his inspiring story of the way that he helped his father grow his business by 10x within just six months he has been able to reach out to a number of arch partners worldwide with their own business operations.

He can bring a wealth of experience to the business world including support as an educational writer and speaker. He has also been featured on platforms like ABC, FOX, Medium, Yourstory etc. And contributes about his ongoing journey of everyday successes and failures on different platforms and his own Q&A show called Voices. Raj Shamani also hosts his own podcast in which he regularly provides ongoing advice to brands and young upcoming leaders. The title of this podcast is Figuring Sutwith Raj Shamani. Throughout his

Vadgaon(Bk.)

Smt. Kashibai Navale College of Engineering

292

ongoing affiliations and speaking engagements, he has had the pleasure of working with companies like Babson College and Forbes. Through his educational resources, Raj hopes to reach out to new generations of entrepreneurs vying to innovate with their brands.

As a celebrated speaker, Shamani is a 3-time Tedx speaker. He has been responsible for delivering 100 keynote addresses in 23 different countries at the age of 21. As a regular speaker and presenter, Shamani was appointed as a United Nations representative. With his work at the UN, he represents one of the youngest Indian representatives to ever speak in Vienna. He has given speeches on how to become an influencer in the business world as well as how owners can directly profit from their passions by expanding their businesses over time.

CONQUERING THE WORLD NOW GETS EASY

SINHGAD OVERSEAS CELL

www.sinhgad.edu

Lets face it, not everybody makes it.
Burning the midnight oil, toiling under the pressures of understanding and innovation.
Assimilating every thought you come across. Yes, it is not easy. The doors to an international career close out on many.

But you are special. You have it in you. We chose you to rule the world. Come, the international journey begins here.

aring

Sinhgad Technical Education Society (STES) has been established with an objective to provide quality education programmes in multiple disciplines. Today, STES and its associate Shikshan Prasarak Mandals run 117 institutions acrass various campuses in the state and impart education to over 70,000 students.

The locations of these campuses are in pallution-free, lush green and picturesque environment conducive to learning.

In a short spon of 20 years, we have established our identity as one of the premier educational institutes and created a niche for the "Sinhgad" brand, not only in the state of Maharashtra, but in the entire country. In process we have invested in faculties and infrastructure to expand access to quality education and evolved aur governance structure to enable quick response to pramising knowledge imperatives. The result of all the above has been the delivery of quality human resaurce, to suffice the local needs.

PROF. M. N. NAVALE M.E. (Elect), MIE (I), MBA Faunder President, STES

The emerging global scenario seeks the convergence of academic resources beyond political boundaries and an increasing recognition of overseas travel and experience. To match up to and to excel in such a global world, students will be required to possess exemplary skills. I am pleased to know that an Sinhgad Overseas Cell (SOC) is being started in the Sinhgad Technical Education Society to nurture the global aspirations of our students. The SOC will enable careers in a networked world and nurture student potential in sync with available global opportunities.

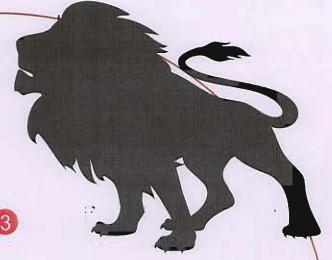

I encourage students to leverage maximum advantage from this incredible opportunity to develop and find a fit within the global environment and culture.

A wise man will make more oppourtunities than he will find.

> Francis Bacon, The essays

PRINCIPAL Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-44.

125 / 292

DR. (MRS.) SUNANDA M. NAVALE B.A., M.P.M., Ph.D., Founder Secretary, STES

STES has been set up to serve the ; increasing demand for quality managers in the corporate world whilst striving for excellence and working towards its core value of inclusive growth for the greater good.

The pedagogy at STES has been focusing on developing global managers who prove to be a right fit with the fast changing business environment, which is choracterized by rising uncertainty, complexity and speed of socio-economic, technological and political changes. The success of future managers will depend on their agility in responding quickly to uncertain situations, adaptiveness in dealing with complex and multi-cultural global environment and ability to innovatively leverage the opportunities arising with advent of fast changing technologies will enable careers in a networked world and nurture student potential in sync with available global opportunities.

I encourage students to leverage maximum advantage from this incredible opportunity to develop and find a fit within the global environment and culture.

STES remains committed to its already established goodwill and promises to continue to bring glory to the nation. It aims to develop into a modern Centre of Excellence in education and research in the national and international arena.

A major step towards the development of global work force is the Sinhgad Overseas Cell (SOC), which we are proud to establish in STES. The SOC will open the window for global outreach for our students.

I am sure the students will rally around this initiative, which strives for their "global tomorrow".

> Everything comes to us that belongs to us if we create the capacity to receive it.

Rabindranath Tagore

Vadgaon (Rk.) Pune-41.

As we move forward in this century, Indian economy is taking a mighty leap in driving the global economy.

This has been possible only due to the extraordinary "brains" delivered by hallmark institutes like STES.

At STES, a conscious effort is being made to bring industry and academia on a common platform to create a learning environment enriched with theory and practice; one which will lead to the fulfillment of global requirements of human resources.

MR. ROHIT M. NAVALE Vice President (HR), STES

And we are only in the process of further development! In pursuit of knowledge, with an endeovor to empower the students to become human resource assets and contribute globally, STES is opening its Sinhgad Overseas Cell (SOC). The best in the field of academics and industry have applied their minds in designing the SOC, which is unique, stimulating as we I as vigorous and demanding.

I am certain students will find the SOC to be the go-to place to accomplish their global dreams.

Kites rise highest against the wind, not with it.

Winston Churchill

Baasting of the most competent and equally passionate faculty in the country, attracting the brightest young minds empawered by excellent infrastructure facilities, STES has created an environment that is competitively intense and intellectually satisfying.

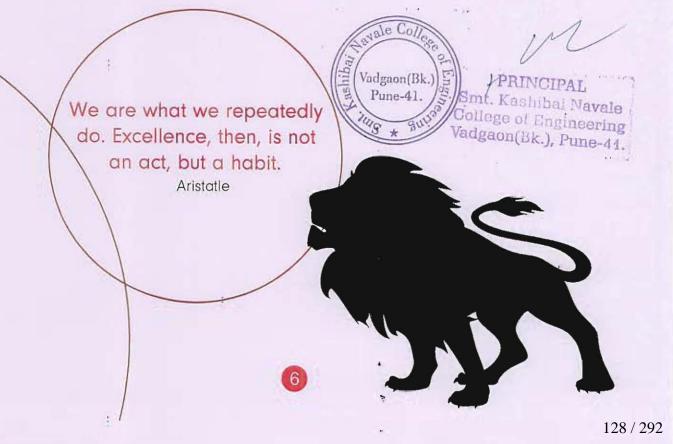

The changing scenario across the world in fundamental ways of glabolization and the advancement of technology has shrunk the world and revolutionized the scope of, and redefined trends in Engineering, Management and Computer Applications. At STES, a need was identified to create an environment conducive for building salid foundation of knowledge in research, technology supremacy, personality development and enhancement of creativity through motivation and drive.

MISS.RACHANA NAVALE Vice President (Admin), STES

In line with this vision, under the aegis of STES, we take the opportunity to endorse Sinhgad Overseas Cell with the objective of developing "globally proficient" trainees by nurturing their latent talents. An exposure will be provided at the Sinhgad Overseas Cell to develop into a centre of excellence in suitably shaping global careers of our students in the rapidly changing environment.

I am confident the SOC will stimulate the students to rise up to the global level.

Introduction

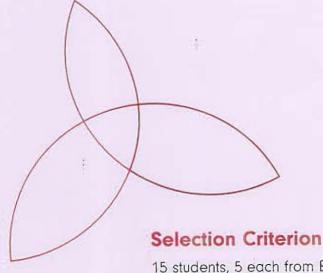

Sinhgad Institutes, a truly revolutionary establishment, believes in holistic development of the students to enable them to not only sustain but excel in the "Global Warld". Sinhgad Institutes has always been at the fore front when initiating out of the box ideas, which can assist the students in enhancing their skills and qualities and set them aside from the pack of students from other technical institutions.

The Sinhgad Overseas Cell (SOC) is one of the many such initiatives started by the Sinhgad Institutes. The aim of the SOC is to place the students from Sinhgad Institutes in universities / industries abroad, either for higher studies (PG / Ph.D) or for trainings / internships / full time work opportunity.

Placement abroad is not just about giving competitive examinations such as GRE/GMAT/TOEFL/IELTS. First and foremost, a student needs to have exceptional soft skills. They need to have some research output to showcase his/her research / innovation skills. Finally, and most importantly, their technical skills must meet the global benchmark; else, they will find it difficult to sustain the pressure when the overseas placement commences. SOC will not only train the student in soft skills as well as technical skills but also supervise in the technical tasks undertaken. The outcome of this will be a student with exceptional qualities; one who can be placed abroad; most importantly, one who can match up and excel in the global world.

to the second de la contract de la c

15 students, 5 each from Engineering, Sciences & Management background, will be inducted in to the SOC ever year. The selection process for those to be inducted into the SOC will follow the steps given below.

Step 1: Application Filing – Interested candidates will submit the Application Form along with the Statement of Purpose (SOP). They will request the "referee" ta submit the Letter of Recommendation (LOR) to the SOC office.

Step 2: Entrance Examination – Shortlisted candidates will sit for the entrance examination which will test the logical and domain specific knowledge.

Step 3: Presentation of Statement of Purpose - Shortlisted candidates will undergo a personal interview, wherein they will present their SOP, orally.

Vadgaon(Bk.)

Training modules

Training Modules: Students inducted in to the SOC will be trained in the following four modules.

- Communication Skills: Reading, Writing, Listening & Speaking in English
- 2. Personality: Behavioral & Dressing
- Country Specific Skills: Listening & Speaking; Cultural & Geographical
- 4. Technical Skills: Research & Development; Projects & Innovation; Software & Hardware

Training in the above modules will be provided in groups as well as on individual basis. While the duration of the training program will depend on the quality and the copobility of individuals, it will run anywhere between 1-3 months.

Supervisory phase

Post-training, students will be assigned a supervisor who works in the "technical area of interest" of the student. Under the guidance of the supervisor, students will undertake a task: either a research project, case study or an industry problem. Based on their performance in application of the troining modules, in the task undertaken, assessments will be made and corrective measures will be implemented. The supervisory phase is not a duration specific activity. A student will remain in this phase until he makes a successful landing, abroad. During this phase, 3rd party assessment will be undertaken to gauge the improvement in soft skills. The improvement in technical skills will be assessed in the form of successful completion of the technical task undertaken. Quality of the research popers published will be the additional criteria of assessment, which the students from Engineering and Sciences will have to satisfy.

Placements

In the last semester of their degree program, after successful completion of the training as well as the supervisory phase, students from Engineering and Science background will be placed in foreign universities for higher studies (PG / Ph.D). In addition, the SOC will make an attempt to provide opportunities to those interested in full time work in foreign countries.

Students from Management background will be provided with summer internship in institutes / industries abroad.

Respected Sir / Mam,

To begin with, I would like to thank the respected Principal Sir of your institute as well as you and your team of faculty and students for organizing a seminar on the topic of higher studies and foreign language. The response at the seminar was overwhelming. In next couple of days, I will write back to you in detail about the execution with respect to GRE / German / Japanese training.

Like mentioned in the seminar at your institute, we are organizing first, of many to come, admission conclave on the 30th of August at the Activity Center in Vadgaon Campus. Following universities from the USA will be presenting themselves at the conclave.

- 1. Oklahoma State University
- 2. University of Texas at Arlington
- 3. Rochester Institute of Technology
- 4. University of Maryland at Baltimore
- 5. State University of New York at Albany
- 6. The University of Toledo
- 7. New Jersey Institute of Technology
- 8. University of Bridgeport
- 9. State University of New York at Binghamton
- 10. Dallas Baptist University

The conclave will open at 3 PM on Thursday the 30th of August. The venue is: Activity Center, Ground Floor, SKNCoE, Near SloM, Vadgaon Campus.

I kindly request you all to have this message shared with all students and request everyone to attend in huge numbers. We will be able to make this first conclave a big success only with your support.

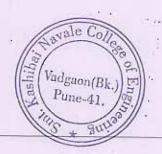

Please feel free to call me for any further discussions on the topic.

Thank You

Dr. Jayesh L. Minase

Respected Sir / Mam,

To begin with, I would like to thank the respected Principal Sir of every institute, the institute coordinators, the faculty and most importantly the students for supporting the education abroad as well as the foreign language training activity.

Very happy to inform you all that 616 students attended the higher studies-USA conclave at the Sinhgad Activity Center on the 30th of August. The university representatives as well as the team from Imperial Education was overwhelmed by such tremendous response which they did not receive any where else!

Other than a successful conclave, we had fruitful discussions on various ways we could collaborate with these universities for mutual benefits. And, like every of our visitor appreciates, our guests at the conclave thoroughly enjoyed their stay with us and appreciated our campus, its facilities and the hospitality we extended.

The conclave saw representation from following 10 universities from the USA:

- 1. Oklahoma State University
- 2. University of Texas at Arlington
- 3. Rochester Institute of Technology
- 4. University of Maryland at Baltimore
- 5. State University of New York at Albany
- 6. The University of Toledo

Students visiting the conclave have requested for many such conclaves to be arranged in near future. Also, students have requested for GRE as well as German and Japanese language training to be started at their institute. Over the next week 1 will share details on this aspect. Also, 1 request you to inform all the interested students that, as of today, we have 30 plus universities from USA / UK / Europe / Australia lined up for conclave over the next 2 months.

Vadgaon(Bl

In the coming week, two seminars are scheduled:

1. Higher Studies-USA seminar involving Wayne State University and Colorado State University is scheduled at 10 AM at RMD Warje campus on the 4th of September

2. Higher Studies-Europe seminar involving two universities from Finland and Estonia respectively is scheduled in the afternoon at SCoE on the 4th of September

Please share this information with interested students. Also, I request institute coordinators for higher study abroad activity to share list of interested student to coordinator of host institute for the respective seminar so that seats can be reserved in advance.

Once again, I thank you all for your support. Will share photographs from the conclave, on google drive in a day or two.

Thank You

Dear All,

In continuation to the execution of the GRE/German/Japanese training programs, I kindly request you to share the registration sheet, attached here with, with the students of your institute. The details required of the student are:

- 1. Name
- 2. Branch
- 3. Year
- 4. Mobile No
- 5. Email Address
- 6. Training Interested in

Kindly get the sheet filled and mailed back to me by EoD, Friday 7th of September. Kindly note that per institute there should be one sheet only.

For any further discussion please feel free to ring me.

Thank You

Jayesh

Dear All,

After successfully organizing the first ever higher studies conclave, Sinhgad Institutes is organizing second such conclave involving 6 reputed universities from the USA on the 25th of September. Following universities from the USA will be presenting themselves at the conclave.

- 1. Northern Kentucky University
- 2. Marquette University
- 3. New York University
- 4. George Washington University
- 5. University of St. Thomas
- 6. Wayne State University

The conclave will open at 2 PM on Tuesday the 25th of September. The venue is C3 building of Sinhgad College of Engineering, Vadgaon (Bk).

I kindly request you all to have this message shared with all students and request everyone to attend in huge numbers. We will be able to make this conclave a big success only with your support.

Please feel free to call me on 8605947681 for any further discussions on the topic.

Thank You

Subject: Organization of orientation seminar for higher education in Estonia

Respected Sir.

You are kindly requested to organize an orientation seminar on "Higher Education in Estonia" for interested students from engineering institutes on your campus. Team from StudyEstonia, with whom Sinhgad Institutes has a MoU, will deliver the seminar. Per campus only one seminar, of one hour duration, needs to be organized. The schedule for the same is as below.

| Sr. No | Name of Campus | Date of seminar | Timing of Seminar | Organizing Institute |
|--------|------------------|-----------------|-------------------|----------------------|
| 01 | Vadgaon-Ambegaon | 24/09/2019 | 10:00-11:00 AM | SCoE |
| 02 | Kondhwa | 24/09/2019 | 12:30-1:30 PM | SAE |
| 03 | Narhe | 24/09/2019 | 3:00-4:00 PM | SITS |
| 04 | Warje | 25/09/2019 | 10:00-11:00 AM | RMDSSOE |
| 0.5 | Lonavala | 25/09/2019 | 12:30-1:30 PM | SIT |

You are kindly requested to assign a coordinating faculty for the seminar and share the details of the same to the undersigned by EOD, 23rd September. Also, you are kindly requested to promote the seminar with other engineering institutes on your campus for interested students to attend in big numbers.

Thank You

Respected Sir,

As you are aware, Imperial Overseas has been associated with Sinhgad Institutes for last three years. They have helped us organize university specific seminars as well as admission conclave on "Higher Studies USA" since last two years. Also, this year, Imperial accepted our invitation to be one of the sponsors at Sinhgad Karandak 2020.

This August, we will again be organizing admission conclave for Higher Studies USA. Thus, to enlighten all the students of third year engineering, across all branches at your institute, I kindly request you to schedule "information seminar/s" any date between 11th to 31st of March 2020. Considering the quantum of students at Sinhgad Institutes, Imperial is happy to provide multiple speakers so that seminars can be run smoothly and in parallel, if required.

For execution, Mr. Akshay Bhandari, 8291894256, will be the SPOC from the Kothrud office of Imperial. I kindly request you to assign a SPOC from your institute who could connect with Mr. Akshay for smooth execution of this seminar activity.

I would be more than happy to assist with any further discussion on this topic.

Thank you for your continuing support.

About Sinhgad Sports Karandak - It started as a series of events for students studying under the aegis of Sinhgad Institutes and has transformed over the years into a festival that showcases talent from different colleges both in and outside of the Sinhgad Institutes family. Thousands of students throng to various campuses of Sinhgad Institutes during Sinhgad Sports Karandak which is now becoming one of the most awaited events in the college year.

Sinhgad Sports Karandak mode its first appearance in the year 2006. Since then, there has been no looking back. It all nipped in bud due to the passion of the dynamic leadership of the Sinhgad Institutes, Dr. [Mrs.] Sunanda M. Navale (Founder Secretary) and Mr. Rohit M. Navale (Vice-President HR). Sinhgad Sports Karandak is a wide spread of various sports events both indoor and outdoor. It is organised for inter-campus, inter-collegiate and international students.

SSC help students to develop work and life skills including:

AGENT OF THE REAL SHIP OF THE STATE OF THE S To design to design the concept of the college experience of the college experience are indopended in the large that the college experience are and experience are surrounded in the college experience are and experience are surrounded in the college experience are and experience are surrounded in the college experience are an experience are are an experience are an exper SIGNOR OF THE COLOR OF THE COLO Tower, the state of the educations state of the educations of the

The Idea of SSC

Student organizations and clubs provide an outlet for students with similar interests to explore their interests through meetings; sponsorship of activities that bring awareness to the campus: and the coordination of other activities that help to establish a bond between the group members. Through participation in these organizations, students gain valuable skills that will prepare and sustain them once they have left Sinhgad Institutes.

SINHGAD STUDENT COUNCIL

Report on

Blood Donation Camp (2019)

After due deliberations it was decided to organize the Blood Donation Camp on 16 July, 2019 at SKNCOE Student Activity Center. Sinhgad Student Council, Rajeshahi Pratisthan and Sou. Venutai Chavan Polytechnic organized the "Blood Donation Camp" in collaboration with Smt. Kashibai Navale Medical College and General Hospital, Narhe.

The blood donation camp was inaugurated by the hands of Shri. API Satish Umbare, Sinhgad Road Police Station. Dr. K.R. Borole, Dean of Student Life, Principal of Sou. Venutai Chavan Polytechnic Dr. Mrs Mrunalini Jadhav and Vice Principal Mrs. Sujata K Biyani. Prof. Jayesh Minase, Prof. Dhananjay Khankal were present for the event. PI Datta Gaikwad and API Vikram Dighe visited the camp. Students and the staff participated enthusiastically and by 3.30 pm, 70 bottles of blood were collected.

On the same day we had set up an eye donation camp of "My Home India" under the guidance of Shri. Jaywant Jadhav, coordinator of My Home India. Around 40 staff and students pledged to donate their eyes.

The event was co-ordinated by Mrs. Rupali V. Patil and Mrs. Shailaja Ahirao (Staff co-ordinators) Parth, Vaibhav and Abhishek (Student coordinators).

The tag line of Blood donation camp was:

"Care a little, Share a little-Donate Blood!"

SAE ISS Aero Design Challenge 11th – 13th July, 2018 Anna University, Chennai

The event was held on 11th to 13th July, 2018, the crowd of around 1000 and total of 200 teams participated for SAEISS Aero Design Challenge 2018. The Event focus on innovation and advancement in the field of Aerodynamics, to encourage the youth towards futuristic approach towards defense and surveillance. Team Stallion Aero of Smt. Kashibai Navale College of Engineering participated under the guidance of Dr. N. P. Sherje and Prof. A. M. Umberkar and achieved runner-up in regular class and 2nd runner-up in micro class also a best technical presentation for,micro class. List of participants as follows:

INTRODUCTION:

STES Racing is a Formula Student Team of Sinhgad Technical Education Society, Pune India dedicated to design, manufacture and test a Formula Prototype racecar. We have been participating since 2013 in different formula student competitions held in Lincoln, Italy, Japan. The cars we have built until now are based on the concept of Gandhian Engineering. The philosophy helps us building the car for more performance at lower cost for a greater number of people.

THE COMPETITION:

Formula Student is a student engineering competition held annually in various countries worldwide. Teams comprising of students around the world design, build, test, and race a small formula style race car. The cars are judged on several criteria based on their performance, safety, reliability, documentation, and potential business skills.

The competition is broadly divided in 2 different categories where overall capabilities of car is evaluated both statistically and dynamically comprising of a grand total of 1000 points.

| Efficiency | |

OBJECTIVES OF TEAM:

Design for Manufacturability and Assembly: The vehicle is designed in such manner that the manufacturing of the vehicle will be simple and cost-effective.

Reliability: Overall target of testing for each season is decided to be more than 400km to check reliability of components.

Design for Weight Reduction: Being in a competition where weight plays a major role, we strive to reduce it each year by making certain design changes which in turn increases our efficiency and performance in various areas.

ACHIEVEMENTS:

Since the inception of our journey in 2013 we had the hunger to learn and compete amongst the best teams over the world. Formula Student Lincoln and Michigan in USA, Formula Student Italy, Formula Student Japan, and Formula Bharat were the events we participated. Over these years we have evolved immensely in terms of both knowledge and rankings. Currently we are ranked 9th all over India and plan to achieve the podium in upcoming events.

Here you can look at some of our achievements from past years.

SEASON 2016-17 (FSAE JAPAN):

- •5th in Business Logic Case
- Lightest Indian Car at **FSAE JAPAN**
- Highest Ranked Indian Team at the Event

SEASON 2017-18 (FSAE JAPAN):

- · Lightest Indian Car at **FSAE JAPAN**
- Fastest Team to clear Technical Inspection

STES RACING Formula Student Team

SEASON 2018-19 (FSAE ITALY):

- •5th in Business Logic Case
- •25th in Cost Report
- •31st in Design

SEASON 2019-20 (FSAE LINCOLN and FORMULA BHARAT):

- •7th in Design
- •23rd Overall

Vadgaon(Bk.)
Pune-41.

SEASON 2020-21 (FORMULA BHARAT VIRTUALS):

This year had been the most challenging season for us as a team ever, considering Covid19, the event switched to a virtual event, where there were drastic changes in its format, but the team pulled through, and this year we've had the biggest jump in ranks across all events in Formula Bharat, which resulted in the Team being featured in various news publishers including **Times of India**.

Pune's STES racing team of Sinhgad Institutes ranks amongst the top 10 in Formula Bharat 2021

Last updated on - Mar 4, 2021, 00:15 IST

Whether it is representing India on an international forum like Robo Wars held in China, International Rocketry Competitions held in the USA, Formula Student Racing competitions in Germany, Japan, Italy, USA or entry into Under 19 Cricket Team India, World Chess Championships, Hackathons and so on, students of Sinhgad Institutes have always brought home laurels.

MAEER'S MIT Group of Institutions, Pune and Doordarshan India have been co-hosting the prestigious ROBOCON India (robotics contest) since 2005. This contest gives a platform to the engineering students from across India to showcase their skills in robotics.

The International ROBOCON is hosted by the Asian Broadcasting Union (ABU) in a different country each year. The winner of ROBOCON India represents India at the International ROBOCON.

ROBOCON is an interesting and innovative game-cum-intellectual exercise for budding engineers, determined to innovate and create machines to produce the desired results. Participation in this activity is an end-to-end competitive experience from concept design of a system of robots programmed to perform according to the rules of the game played on a high precision technical contest area. The aim is to complete the task based on the theme declared by the host country of International ROBOCON.

We appreciate you for fostering the spirit of competition and supporting your student for participating and showcasing their talent, excellent team work, spirit of innovation & creativity in ROBOCON India every year.

We wish you the very best for all your future endeavours.

METEOR 2016

Meteor a Robotics workshop organized by Team Robotics of Smt. Kashibai Navale college of engineering. The purpose of this workshop is to motivate engineering students to do something 'hands-on' in their field. Students are introduced to the field of robotics in this workshop. Team robotics has been conducting this workshop for the last 10 years. Over the years, our team has also been changing the technology that is taught during the workshop

While we all are working together for this various competition we even host a Robotics and Automation workshop for the engineering Fresher's mostly focused on introducing them to robotics and giving then a hands on experience. We provide Robot to participant students. Which have different operating modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

This workshop is now at state level platform in where participants from all around the state come. We even have guest lecture by various industrialist of the fields such as Mechanical design and manufacturing, electronic circuitry, and computer programming.

During the workshop, there are guest lecturers of technical leads of companies like Schmaltz India Ltd. Janatics & Pneumatics, Drona Aviation which are having products used in the field of Robotics and Automation. The students get to know about the companies and their contribution in this field which creates an industry interaction of students. It was guided by Dr.S

Jocab who is MD of Schmaltz India Ltd and Mr. N.G.Joshi Sr.General manager of Janatics Pneumatics Ltd.

Students are also advised to do some changes in their rovers post-event as per their interest and curiosity. The team also helps such students by solving their doubts in such cases.

Speaker- Dr. Jacab (Managing Director, Schmalz India Ltd.

METEOR2017

Meteor is a Robotics & Automation workshop organized by Team Robotics of Smt. Kashibai Navale college of engineering, Vadgaon since 2010. This workshop is platform for Mechanical design and manufacturing, electronic circuitry, and computer programming are explained as a part of research and development.

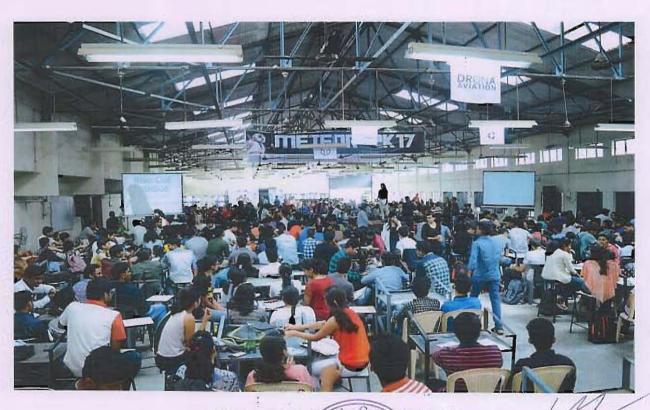

In the workshop we provide Robot to participant students. Which have different operating modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

During this workshop, we organized few guest lecturers for students. The guest lecturers are technical leads of companies like Pari Robotics, Janatics pneumatics, Drona Aviation many other speakers, which are having products used in the field of Robotics and automation. This workshop is a platform in where participants from all around the state come for career in Robotics and Automation. Nearly 450 students are participated in this event

METEOR 2018

Robotics which is a mixture of electronics and movable parts, motors and accessories which is been provided by Team Robotics, STES Kashibai Navale College of Engineering, Vadgaon(Bk.),is organizing a 2-day Robotics workshop 'Meteor 2K18' on 29th-30th September 2018, attracting an attendance of nearly 232 students from across the state each year. Meteor, as a workshop has been successful in inculcating among the budding engineers, the current needs of the related fields and industry. Meteor also allows the keen youngsters to develop ideas and provides the platform for innovation. We give knowledge of different operating modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

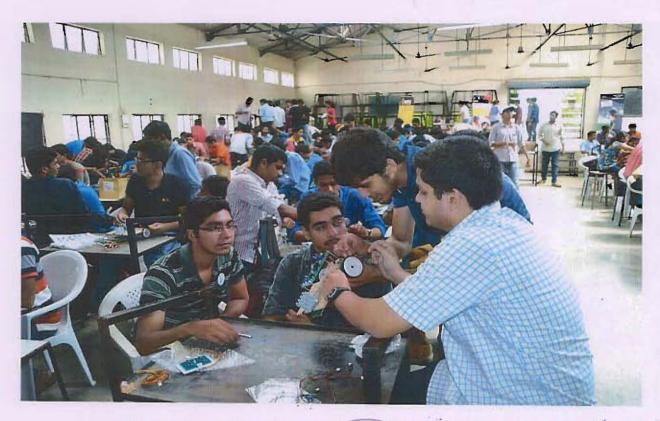

METOR has help a lot to motivate the robotics development. It has help student to built from scratch using microcontroller and self made PCB board. It has also made available self learning kit, readymade kits as well as self building kits. These kits are designed for various robotics needs of users.

We would appreciate support of STES management for giving all facilities to us.

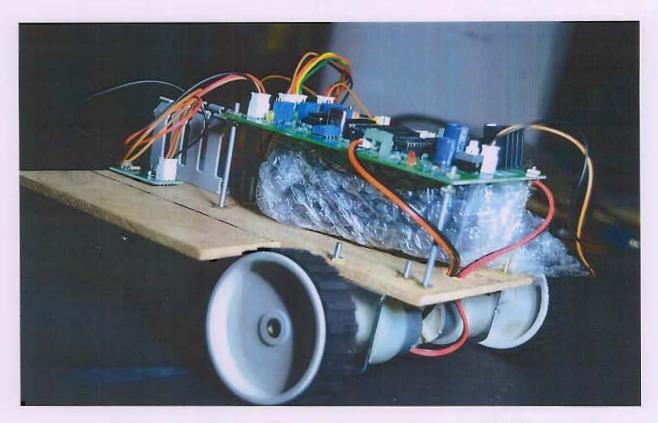

METEOR inaugurated by Mr.P.L.Patil (Additional Collector Pune district) with Dr.G.G.Khot (Asso. Dean Rahuri Agri.University), Dr.K.R.Borole (VicePrincipal)

Meteor 2019

Meteor is a Robotics workshop organized by Team Robotics of Smt. Kashibai Navale college of engineering. The main purpose of this workshop is to motivate engineering students to do something 'hands-on' in their field. Students are introduced to the field of robotics in this workshop. Team robotics has been conducting this workshop for the last 10 years. Over the years, our team has also been changing the technology that is taught during the workshop.

The design and development of a basic rover are explored by the students in this workshop. Mechanical design and manufacturing, electronic circuitry, and computer programming are explained as a part of explaining the functionality of the rover. The components and instructions for making of the rover are given to students from which they build their rover.

The event is organized on a high scale making it one of the largest robotics workshops in Pune. 128 students participate in this event from almost 28 engineering colleges in Pune. Our students give training to participant of Robot which is operated by different modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

Vadgaon(B)

During the workshop, there are few guest lectures for students. The guest lecturers are technical leads of companies like Baumer, Schmaltz, Janatics & pneumatics, Drona Aviation which are having products used in the field of robotics and automation. The students get to know about the companies and their contribution in this field which creates an industry interaction of students. Students are also advised to do some changes in their rovers post-event as per their interest and curiosity. The team also helps such students by solving their doubts in such cases.

The event also has a competition at the end of the workshop. Students have to complete on the tracks given by the organizer using the rover made during the event. This helps to have a fun ending for the event and keeps the motivation of students to do something new and special in their field.

METEOR2019 Inaugurated by Vice Principal Dr.K.R.Borole.

Student Training Program(STP)

"To enhance quality of the students by empowering them with skills those are globally at par"

STP - Overview

Objectives :

- · To enhance the employability skills
- · To prepare student for entrepreneurship
- To prepare student for higher education in India and abroad

Features :

- Integration into the curriculum
- · Lecture recordings on K- point Server by senior faculty
- Need based training for the students
- Good blend of class room and hands on training
- AMCAT assessment

Sinhgad Engineering Institutes Student Training Program

Introduction:

Worldwide, the advancement in technology has not only revolutionized the scope of engineering education, but also redefined the expectations from engineering graduates. At STES, a need was identified to start an innovative "Student Training Program" that would help the students to build a personality equipped with exquisite technical and non-technical skills. With this in mind, a state of the art Student Training Program is being implemented from the year 2013. While the allm of this program is "to enhance the quality of the students by empowering them with skills those are globally at par", the objectives of this program are to:

- Enhance the employability opportunity,
- · Proporo students for entrepreneurship and
- Prepare students for higher education in India as well as Abroad.

Program Details:

This training program, the duration of which is 120 hours that spread over 7 semesters, is to be undertaken by the student from the start of the First Year of Engineering. The details of the program are mentioned in Table 1.

Unique Features:

The unique features of this program are mentioned below.

- Integration in to the curriculum: Training incorporated into the curriculum to help prepare and evaluate the students in technical and non-technical skills.
- Lecture Recordings: As a part of STP, subject wise, all lectures are recorder by expert faculty on K-point server. This is an LAN based resource to help the students learn and revisit the concepts discussed in class.
- Need based training: Training provided is based on the need of the student
- Expert faculty: A good blend of class room and hands on training provided by expert faculty
- AMCAT assessment: Training need and outcome assessed using AMCAT, a job test preferred by many industries.
- Portal presence: Students will be provided a three year presence on AMCAT portal to seek placement.

Table 1: Semester wise program details, Student Training Program

Semester I, II Introduction to Student Training Program

- · Motivational Lectures
- Quantitative Aptitude and Logical Reasoning Tests
- Audio backed Lectures by expert faculty with video illustrations for all 10 subjects

Semester III Training on Soft Skills

- SWOT Analysis, Goal Setting (Personal and Career), Personality and Stress Management, Behavioral Skills, Listening, Reading (Technical and Non-technical), Writing (Letter, Resume, CV, Report), Speaking (Public speaking, Group Discussion)
- AMCAT Assessment: To be used to assess the need for training in soft skills
- Quantitative Aptlrude and Logical Reasoning Tests
- Audio backed Lectures by expert faculty with video illustrations for all subjects

Semester IV Training on Communication Skills

- Listening, Reading (Technical and Nontechnical), Writing (Letter, Resume, CV, Report), Speaking (Public speaking, Group Discussion)
- AMCAT Re assessment: To be used to evaluate the communication skills of the student
- Quantitative Aptitude and Logical Reasoning Tests
- Audio backed Lectures by expert faculty with video illustrations for all subjects

Semester V Training on Technical Skills & Aptitude

- Training and refreshing of Technical Fundamentals
- Aptitude Training from corporate trainer
- AMCAT Assessment: Score will be used to assess the need for training in technical skills
- Quantitative Aptitude and Logical Reasoning Tests

Semester VI Research Methodology and Aptitude Training

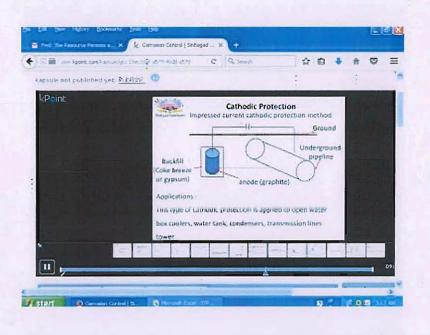

- Aptitude Training from corporate trainer
- · Training on Research Methodology
- AMCAT Re-Assessment: To be used to evaluate skills and may be used for placement purpose
- Quantitative Aptitude and Logical Reasoning Tests

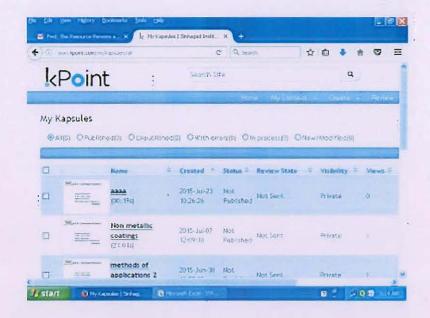

Semester VII

Value Addition Program & Interview Preparation

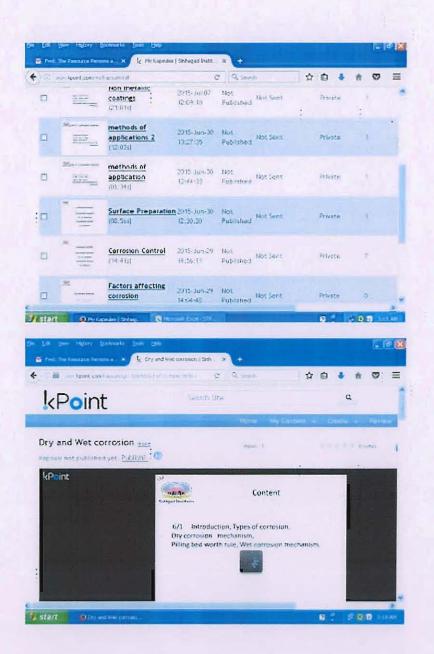

- Training and Practice of Group Discussion and Personal Interview by corporate trainer
- Value Addition Program: Training on latest technology by expert trainer from industry
