Students who require a student visa should apply to the Irish Naturalisation and Immigration Service. Application may take up to 6 weeks to process. Please refer to www.inis.gov.ie for details.

S. K. ... Pune - 411 0041.

All non-EU/EEA nationals are required to register with the Gárda National Immigration Bureau (GNIB) within 30 days of their arrival in Ireland. Before registering with the GNIB, students are required to register with the University and collect a letter confirming their student status from the International Affairs Office at NUI Galway, upon registration with the University.

Proof of medical insurance is required for study visa applications and from registering with the GNIB. Medcover is a medical expenses insurance policy available exclusively to international students travelling to Ireland from overseas to undertake a course of study can be purchased online at www.odon.ie/nuigalway

Estimated Cost of Living

In addition to the cost of tuition outlined above, we recommend international students to budget approximately €1,200 per month to cover all other associated costs, including housing, food, study materials, recreation, etc. For more information on living costs, student housing and student life at NUI Galway, please refer to our website at www.nuigalway.ie/international-students.

Methods of Payment

International Students can pay their deposit or tuition fee from their home country in one of two ways:

Option 1: TransferMate(Recommended for non-EU Students)

Non-European Union (EU) students are strongly advised to pay their tuition fee through the TransferMate website <https://nuigalway.studentfees.ie/>. TransferMate payments usually take less than 48 hours and the receipt is accepted as proof of payment of tuition fees by the Irish National Immigration Service (INIS) for study visa applications and at the point of entry to Ireland. TransferMate also avoids international bank charges and because you pay in your own currency, the University receives the exact amount owed.

Bank:	Bank of Ireland, 43 Eyre Square, Galway
A/C No:	28454143

Information for International Applicants

Under the UK Visas and Immigration regulations students from certain countries will need a student visa to enter the UK, and both the student and the University will need to comply with specific immigration rules. Please visit the following website to find out if you need a visa and for further information about the visa application process: <https://www.gov.uk/government/organisations/uk-visas-and-immigration>.

International students who have indicated in their application that they require a visa will be issued with the required Confirmation of Acceptance for Studies (CAS) for their visa application after they have accepted this offer and met all the conditions listed above, including paying a compulsory deposit (where applicable). CAS's are typically generated no earlier than 90 days before the start of your course.

International students can find pre-arrival and other useful information on our International Student Support website: <http://www.bristol.ac.uk/international/>. If you would like further information about the language programmes at the University of Bristol you can find details at <http://www.bris.ac.uk/languagecentre/efl/summer/pre-sessional.html>.

Programme Deposit

You are required to pay a compulsory deposit of at least £ 1500 but may pay up to the full cost of the tuition fee for the first year.

The deadline for the payment of the deposit is 15 May.

You must pay your deposit by the deadline date, however, we recommend you pay your deposit as soon as possible. The payment of a deposit is likely to ease your application for a visa, if you require one, and will also help to avoid delays in the production of your Confirmation of Acceptance for Studies (CAS) for use in your visa application. The appropriate support for your visa application will not be issued by the University until this deposit has been paid.

Students whose fees are being paid by an external organisation or sponsor (for example, a government department, company or charity) are not required to pay a deposit. The organisation paying your fees will be invoiced and requested to pay the full fee once you have registered on the programme of study.

You can pay this deposit online at <http://bris.ac.uk/online-payments/deposits> using a credit or debit card. Alternatively you can pay through our PaytoStudy account at <http://www.bristol.ac.uk/paytostudy>. PaytoStudy is an international payment solution which offers competitive exchange rates. Where PaytoStudy has a local bank account, all wire fee charges will be eliminated and you will be able to pay in your local currency to a local bank account.

The deposit is non-transferable and non-refundable except under the circumstances outlined in the Deposits Refund Policy which is available at <http://www.bristol.ac.uk/international/fees-finance/refunds/>. You may pay your deposit in advance of meeting the conditions

https://app.askadmissions.co.uk/AyApplicantMain/fl_ApplicantDesn.asp?AYID=93D8011-D521-4266-954E-3BA0C579E7B&mode=decision&i...

We are glad you will be joining our dynamic community of graduate students. UNC Charlotte is a growing institution and much of that growth is in graduate education.

Dear Aditya Madhav Sawant,

I am pleased to inform you that the admissions committee in Computer Science has found you academically qualified for admission for Fall 2019. I am doubly pleased to be able to inform you that you have been selected to receive a Graduate Student Grant. This grant will cover 30% of your tuition costs through completion of the master's program in Computer Science. Congratulations on this additional distinction! However, we cannot issue our official letter of admission and appropriate visa forms until you have sent the necessary funding documents.

As you know from our application booklet, we must have supporting documents as evidence of adequate funding. You must show evidence of having secured sufficient funding for at least the first year of graduate study. **For a privately-sponsored applicant**, acceptable evidence of such funding consists of a certified current bank statement on official bank letterhead, signed by an authorized bank official, indicating the amount of sufficient funds that exist to meet at least first-year expenses. **A government-sponsored applicant** must submit an original award letter (or a certified copy of an award letter). The letter must state the annual amount of the award in U.S. dollars. All financial documents must be written in English and valid within one year of the start of the semester. When sending documentation of adequate funding, photocopies of financial documents are acceptable, and you may email them to grad@syr.edu. Be sure to write your name, date of birth, name of the program you are applying to, and your SUID number 672622856 on all documents you send.

The cost of one year (twelve months) at Syracuse University is determined based on the number of credits your program expects you to take, your living habits, cost of living changes and possible changes in tuition and fees. At the Cost of Attendance web page you will find the estimated cost of attendance, including all university costs and living expenses for one year of study.

If you have questions about your admission, please direct them to the program to which you applied. When communicating with the University about your application, please refer to your unique, nine-digit Syracuse University identification number (SUID):672622856.

I hope that we soon have the pleasure of being able to offer you admission and welcome you to our graduate community.

Sincerely,

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

CALIFORNIA STATE
UNIVERSITY
EAST BAYCOLLEGE OF
BUSINESS &
ECONOMICS

Hi Saurabh,

Congratulations on your admission to the Master of Science in Business Analytics (MSBA) Program and welcome to California State University, East Bay!

For newly admitted students in the MSBA program, we have reviewed your transcripts and have enclosed an evaluation form of the pre-requisite requirements and MSBA course requirements. This evaluation form was prepared in the CBE Graduate Programs Office. Please note the coursework to be completed, units and grades assigned, and catalog year you are governed by. It is important to retain this evaluation form with your CSUEB documents. If you update it each term when you receive your grades, you will quickly find out what you have left to complete in the program. If you feel we have overlooked any courses you have completed or if you have a question regarding this evaluation form, please contact the Graduate Programs Office by email at cbe_grad@csueastbay.edu or by phone at 510-885-2419.

In addition to the MSBA pre-requisites and course requirements, the California State University system requires that graduate students demonstrate competency in their writing skills. To satisfy this requirement, CSUEB requires all graduate students to take a Writing Skills Test *during their first semester of attendance*, unless they have satisfied this requirement as an undergraduate student or have scored 4.5 or higher on the analytical writing portion of the GMAT or GRE. Further information regarding the WST requirement can be found at <http://www.csueastbay.edu/ge/native/uwsr.html>. Test registration is handled through the Testing Office here on campus. You can contact the Testing Office at (510) 885-3661 or visit their website at <http://testing.csueastbay.edu> for upcoming exam dates and fees for the exam. Please note: you may NOT take the test at the Concord campus if you have taken it during the same term at the Hayward campus. Also, if you do not take the test on the date for which you registered you may submit an email request to the Testing Office to reschedule once without paying or receiving a partial refund.

UNIVERSITY
of
GREENWICH

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specified above. You will shortly receive a second emailed offer letter which will include your 'Student ID' which you will need to arrange payment of the pre-registration deposit and to accept your offer of place. If you have not received this email and you wish to pay your deposit, please contact your agent who will obtain the 'Student ID' from the university or email international@gre.ac.uk

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and terms and conditions can be found at www.gre.ac.uk/students/international/finance or by contacting international@gre.ac.uk

For students assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI - X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at <http://www2.gre.ac.uk/current-students/regs/?a=1441173>.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at <https://www.gov.uk/browse/visas-immigration/student-visas>

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are 'in London' and our Medway Campus is 'outside London'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Rohan Joshi,

Congratulations! It is our pleasure to offer you a Provisional admission to the Master of Science in Computer Science for the Fall 2016 semester in the Volgenau School of Engineering. You should take pride in this admission and we are certain this will be the first of many great accomplishments you'll achieve with George Mason University!

The conditions of your provisional admission selected by the faculty/staff in your program are outlined below:

Take the following course(s) indicated (CS 530, CS 531, and INFS 519) or their equivalent and pass with a grade of "B" or better in the first course(s) taken. Once the classes have been completed, proof of completion must be submitted to the department to remove the provisional status. (The course(s) INFS 519 will not count towards the degree program). Or take foundation qualification exams. Visit the departmental website to find out the exam schedule and details. Failing the test may require that you take additional coursework to remove the provisional qualifier for admission; proof of completion must be submitted to the department to remove the provisional status.

As a first priority when starting this graduate program, you must satisfy the provisional conditions of your admission. Once you have satisfied the conditions specified above and submitted all admission credentials, the provisional qualification will be removed from your student record. This removal will come with written confirmation from the college, school, or Associate Dean or Director. If you do not meet the conditions outlined within the first 12 credit hours (or a more restricted time frame, if specified, by the department/program in details above) you will be terminated from the program. All applicants admitted provisionally are in degree-seeking status, and course work taken appears as part of their graduate-level transcript. Students in provisional status may not take courses in the consortium or elsewhere or transfer graduate course work into their program until the provisions of admission have been met. While the provision is in effect, graduate students whose registration includes undergraduate courses are considered full time if they meet the undergraduate standard by being registered in at least 12 credit hours per semester.

In order to accept our offer and get started as a new, Mason student you must:

1. Confirm your Intent to Enroll as a Mason student

In order to do so, select the Enroll Now button on the upper, right-hand corner. This is a necessary step to register for courses. Once you have confirmed your enrollment, within 24-48 hours you will receive an official notification from our office with instructions on registering for your courses.

2. Visit our mandatory, New Student Checklist at <https://www2.gmu.edu/admissions-aid/newly-admitted-students>.

There you can:

- Get directions on submitting final transcripts, if necessary
- Review the upcoming university calendar for class start dates
- Learn how to get your Mason email account

HEAD
Department of Computer Engineering
SKNCOE, Pune - 411 0041.

- Learn how to get your student ID, parking passes, immunization requirements and much more

Below are additional items you'll need to know as you begin here at Mason:

- Your Mason ID or G-Number is G01030564. Please keep track of this and use it whenever you contact the university, either by phone, email, or in-person.
- Your academic advising contact is Dr. Richard Carver (rcarver@gmu.edu)
- Your tuition classification is Out of State (International for F or J1 visa)
- The date of your formal offer of admission is 03/29/2016 12:00 AM

Funding decisions for Graduate Assistantships and Teaching Assistantships are not made by Graduate Admissions. If selected for either position, you will be notified by your graduate department, outlining any academic requirements of your acceptance and status of assistantship funding.

Each student is responsible for knowing Mason's rules, regulations, requirements, administrative and academic policies. Visit <http://catalog.gmu.edu/> for our full list of policies. Please do not hesitate to contact our office if you have any questions.

Stanford University

SUMMER SESSION

Dear Chinmay Datar,

Congratulations! We are pleased to offer you admission to Stanford University for Summer Session 2017. Summer Session is a selective program that facilitates enrollment in Stanford's Summer Quarter. Once you complete the required acceptance process, you will have the opportunity to build your own program of study from the more than 170 courses offered by 40 departments within the schools of Humanities and Sciences, Earth, Energy & Environmental Sciences, and Engineering. Summer courses feature smaller class size, accessible instructors, and a diverse student body. We know that you'll benefit in many ways by spending your summer at Stanford, and we look forward to welcoming you this June!

DATES AND DATA

Students who will be living on campus for the summer are expected to move in to residence on Saturday, June 24. All students (commuting and residential) are required to attend orientation on Sunday, June 25, and classes begin on Monday, June 26. For students enrolled in our standard, eight-week courses, finals will be held on Friday and Saturday, August 18 and 19. For students enrolled in one of the special, nine-week courses, your final will be on Friday, August 25. Complete information about Summer Session is available online at our website: summer.stanford.edu. As a reminder, your enrollment as a visiting student applies only to the 2017 Summer Quarter and does not imply regular admission to Stanford in the future. In addition, your admission does not contribute toward candidacy for a degree at Stanford.

ACCEPTING YOUR OFFER OF ADMISSION

Before you decide whether or not to accept your offer of admission, it's important to fully understand the program you will be attending this summer -- including relevant policies, timelines, and expectations. The best way to do this is by reviewing the information provided on your Application Status page, under the header Important Documents to Read. It's there that you'll find three critical documents: your "Program Handbook," the "Residence Agreement," and a worksheet labeled "Your Summer Session Checklist." We cannot stress enough the importance of reviewing these materials as you consider spending your summer at Stanford. Please note that the Important Documents to Read section will be amended with updated information throughout the period leading up to your arrival on campus. Make a point to reference this section on a regular basis, and to watch your email inbox for important and timely messaging from the Summer Session Office.

To accept your offer of admission, look for the Forms header on your status page. Click on the "Reply to Offer of Admission" link, and follow the prompts. Once this form is received, your Application Status page will update and new forms and requirements will present themselves for completion. You must complete and submit all forms and requirements to be eligible to receive a Stanford ID number.

Please understand: your spot in the program is NOT CONFIRMED until the Summer Session Office has issued you a Stanford ID number. Your Stanford ID number is required to enroll in courses. Access, Stanford's online Registration interface, opens for course enrollment on April 9, 2017.

I-20 (CERTIFICATE of ELIGIBILITY for NONIMMIGRANT F-1 STUDENT STATUS)

The Summer Session Office has determined, based on the information you provided as part of your application, that you require a Stanford-sponsored I-20. Your acceptance process will include uploading visa related documents. These documents include the "Proof of Funding" statement and photocopy of your current passport identification page. You can read more about this topic by opening the "Visa Requirements" document that will be listed in the Forms section of your Application Status page. You may also refer to the information provided online at the Summer Session website:

<http://summer.stanford.edu/programs/international/international-requirements>. International students who require a Stanford-sponsored I-20 must enroll in a minimum of eight units of coursework during the Summer Quarter. It may take approximately two weeks for Stanford to generate your I-20, so be sure to allow enough time to receive your I-20 documents, schedule your appointment with the U.S. Embassy, and obtain your student visa prior to coming to Stanford for the Summer Quarter.

If you decline your offer of admission, we thank you for completing the "Reply to Offer of Admission" form, and extend our best wishes for your summer plans.

We hope you will enjoy the stimulating Stanford environment and the challenges offered in our courses. If you have any questions, please use the Contact Us form at <http://summer.stanford.edu/contact-us> to get in touch.

Sincerely,

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.
