RATION KITS DONATION ACTIVITY BY NSS UNITS OF
SKNCOE, SCOE, SCOS AND NBN IN
COLLABORATION WITH KARTAVYA WELFARE TRUST
(DURING COVID-19 LOCKDOWN)

As we are aware of the current pandemic situation caused by the **COVID-19**, there is a nationwide lockdown not only in India but also worldwide. So, due to this situation the mostly affected are the people who do labour work or such kind of work for which the people get daily wages. But, due to no work, the people are not getting daily wages which is ultimately resulting in their daily need of food. As they are not able to earn money, they are not able to buy themselves the food. So, to work for these people who are needy, all the NSS units of SKNCOE, SCOE, SCOS and NBN in collaboration with Kartavya Welfare Trust have stepped forward for the needy people by donating the essential food ration kits. The donation took place in overall 5 stages. In total 588 ration kits were donated in all these 5 stages. For this activity to be successful, funds in terms of money were accepted. The response was great from each and every volunteer. The total funds received were INR 180,147/-.

For this fund raising, the volunteers of NSS SKNCOE contributed whole heartedly. Total 124 volunteers of NSS SKNCOE donated the amount of INR 50,277/- in total in the funds. The stages of donation not only took place in

areas of Pune but also of Aurangabad. The stages took place in the areas such as Katraj, Wakad, Karvenagar, etc.

All the stages took place from 21st of April 2020 till 12th of May 2020.

All the stages and the number of kits distributed per stage are as follows mentioned in the tabular form:

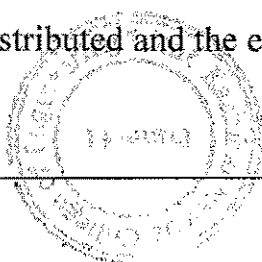

Stage No.	No. of Kits distributed
Stage 1(21 st April 2020)	135
Stage 2(27 th April 2020)	200
Stage 3(1 st May 2020)	119
Stage 4(3 rd May 2020)	30
Stage 5(12 th May 2020)	104
Total no. of kits -	588

Similarly, the expenses per stage are mentioned below table:

Stages	Expenses (INR)
Stage 1	39,500/-
Stage 2	57,600/-
Aurangabad	6,200/-
Stage 3 and Stage 4	42,130/-
Stage 5	34,717/-
Total Amount -	1,80,147/-

Thus, in total 588 kits were distributed and the expenses for these kits was equal to INR 1,80,147/-

In all these stages, volunteers carried out the activity in a very neat and proper manner. The distribution in all the stages was carried out with proper social distancing, sanitization, etc.

Contribution of the volunteers of NSS SKNCOE is mentioned as follows:

No. of Volunteers who donated	Amount donated in total
124	INR 50,277/-

All the volunteers worked in a proper co-ordination to make this activity successful. The volunteers also appealed to step forward and help the needy. The Program Officer of NSS SKNCOE, Prof. Pingat Sir guided the volunteers in a very well manner to make this activity successful.

MASK MAKING ACTIVITY
(DURING COVID-19 PANDEMIC)

Due to the current situation that is Corona (COVID-19) Virus outbreak, NSS SKNCOE conducted **MASK MAKING ACTIVITY** for the people who were unable to afford masks. The activity was held from 5th May to 20th May. This activity was carried out in association with other colleges under Savitribai Phule Pune University. The contribution of girls from Sumati Balwan also helped us a lot. According to the current situation every volunteer of NSS SKNCOE carried out this activity from their home. Total 80 volunteers came forward to successfully complete this activity.

Volunteers made masks and distributed them among the people. Total 3518 masks were made. From which 3318 masks were made by NSS Volunteers and 200 masks were made by the girls from Sumati Balwan. The masks were successfully distributed among the people. All the NSS Volunteers participated in this activity with a lively spirit. The contribution shown by the volunteers needs to be acknowledged. The activity ended successfully under the noteworthy guidance of Prof. S. P. Pingat. This activity was a great initiative for the people who were unable to afford masks to protect themselves from coronavirus situations.

TREE PLANTATION

(VIRTUAL ACTIVITY DURING COVID-19)

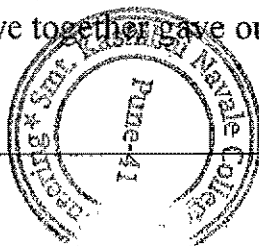

Trees represent beautiful and resilient life which symbolizes an exquisite nature at its best. You may not plant millions of trees but if you can take care one single tree with love and care, which will make you great.

With this thought NSS unit of Smt. Kashibai Navale College of engineering, Pune took an initiative and implemented an idea of Tree Plantation on the occasion of World Environment Day in collaboration with Kartavya Welfare Trust and STES NSS units. This activity Started on 7th June 2020 under the guidance of program officer of NSS SKNCOE Prof. Sanjay Pingat Sir.

This year due to this pandemic we can't go out so we came up with different manner by taking #treeplantationchallenge. In this activity all the volunteers were asked to plant a tree or make a seed balls and sow it nearby house with all safety precautions and then take a photo or video and posting it on social media with "@nss_skncoe" tag. Also, volunteers were asked to nominate their friends to do the same. Process of making seed balls was also explained through the video and ppt.

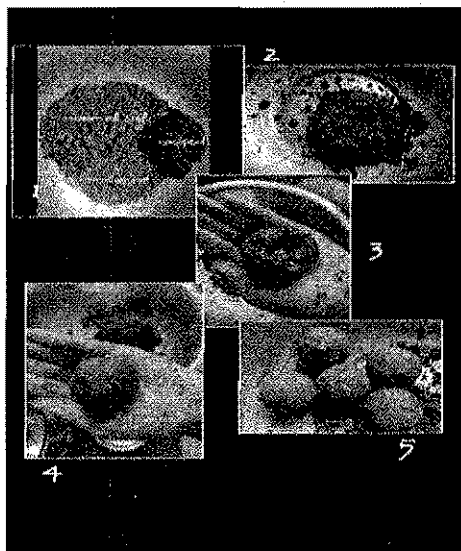

In this activity total 41 volunteers took part with enthusiasm. Total count of trees planted is 310 and 9 seed balls are made. All the volunteers were effectively involved in this activity and gave their little and long-term efforts to save the earth. So, in this way we together gave our small contribution which

MAKE IN INDIA

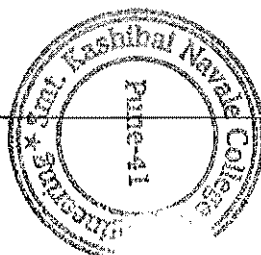

The NSS unit of Smt. Kashibai Navale College of Engineering, Pune, organized 'Make in India' activity from 3rd July to 14th July, 2020. Each and every volunteer enthusiastically participated in this activity. The main motive behind this Make in India activity was to create awareness among the people about the Indian products. In total, 64 volunteers participated in this activity.

Due to pandemic and lockdown situation, we were not able to go out and perform this activity. So, we implemented different effective ideas like making posters, using slogans and cartoons to show the current situation of Indian market and to work on it. We even have started to work on a short film titled, "Mission Make in India". The Program Officer of the unit Prof.S.P.Pingat Sir also guided the volunteers in the positive direction and encouraged all the volunteers to actively take part in the activity.

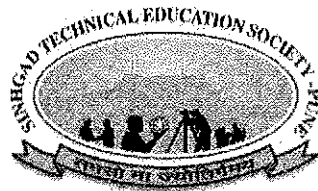

In this way, we together gave our small contribution about using Indian products and services through this activity. Make in India activity was successfully completed.

KARGIL VIJAY DIWAS WEBINAR

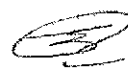

The NSS unit of Smt.KashibaiNavale College of Engineering, Pune in collaboration of NSSunit of Sinhgad College of Engineering, Pune organized a webinar on 26th July 2020, on the occasion of 'Kargil Vijay Diwas' at 11:30 A.M. The speakers for the webinar were Veermata Anuradha Gore (Writer and Litterateur) and Maj.Milind Tungar (Rtd.Army Officer). This webinar was conducted on the online platform, Microsoft Teams. To enlighten more people with the importance of this day, the webinar was kept open to all. In total, 147 attendees witnessed the webinar. The importance of the day was explained in a very well manner by Gore Madam which was crystal and clear, for everyone to understand it easily. The other speaker, Maj.Tungar Sir made familiar everyone with his exceptional experiences during his service in Army. Also, in the honorable mentions, Brig.Sunil Bhode (Rtd.) guided everyone with his words about the importance of the day and regarding the doubts of the attendees.

The Program Officer of our NSS unit Mr.Sanjay Pingat Sir also guided the volunteers with his valuable words. In this way the activity came to a successful end.

15TH AUGUST WEBINAR

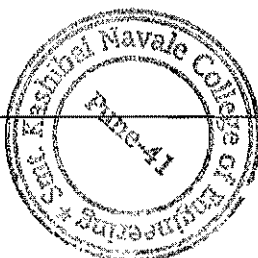

The NSS unit of SKNCOE organized an online webinar on the occasion of 15th August, 2020 i.e. Independence Day. This webinar was organized for the publication of NSS-SKNCOE's magazine and also for the trailer launch of "MISSION MAKE IN INDIA" Short Film along with the important guidance of the chief guests for all the volunteers. The timing for the program was from 11:30 A.M. to 1:00 P.M. Google Meet was used as the online platform for this session. In total, 79 volunteers attended this webinar.

The chief guests for the program were Dr.Shivaji Pacharne (NSS SPPU District Co-Ordinator), Prof.S.P.Pingat (Program Officer NSS SKNCOE), Prof.S.M.Jadhav (MECH. Dept.), Prof.S.B.Ranaware (EnTC Dept.), Prof.P.R.Walunj (MECH Dept.) and Prof.C.M.Sapkal (EnTC Dept.).

The program initiated with *Lord Ganesha Vandana*, after which all the volunteers and chief guests by standing at their respective places, sung the National Anthem.

Thereafter, NSSSKNCOE's first ever magazine '*Indradhanushya*' was virtually launched in the presence of chief guests and then, then took place the trailer launch of NSS SKNCOE's first ever short film '**MISSION MAKE IN INDIA**' on YouTube. Thereafter, the chief guest of the program, Dr. Shivaji Pacharne guided the volunteers in a very positive way. He presented his crystal clear views in front of the volunteers, from which the volunteers had got so much to learn from. He also appreciated the volunteers for the magazine and the trailer launch of short film as these were the milestones in the history of NSS SKNCOE. Further the program moved forward with the guidance of our Program Officer Prof. S.P. Pingat Sir who delivered a motivational speech to all the volunteers which definitely motivated all the volunteers very positively. Thereafter, the vote of thanks was proposed by one of the volunteers to all the chief guests for giving their valuable time and guidance to all the volunteers and also to everyone present. In this way the program came to a successful end.

NATIONAL SPORTS DAY

"Fitness is not a destination; it's a way of life."

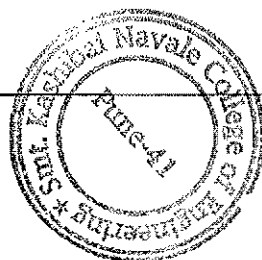

Fitness is not only one of the most important keys to a healthy body; it's the basic of dynamic and creative intellectual activity. The NSS unit of SKNCOE organized a National Sports Day activity on **29th August 2020**, to pay tribute to **Sir Major Dhyam Chand** well-known as **Magician of Hockey**, on his birth anniversary and also create awareness among volunteers of NSS unit about the importance and usefulness of physical health. Activity was conducted for 3 days i.e., 29th, 30th and 31st August 2020, virtually at home due to Covid-19 pandemic situation. All volunteers were given a fitness challenge which is as follows:

For boys:

- 1) 20 Push-ups
- 2) 30 Squats

3) 1 min Plank hold

For girls-

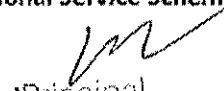

- 1) 15 modified push-ups
- 2) 20 Squats
- 3) 45 sec Plank hold

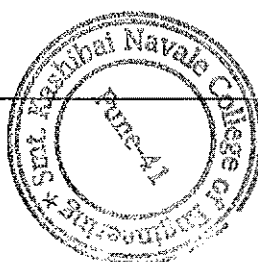

The volunteers were asked to record the video while performing above challenge and post it on social media and tag NSS SKNCOE official account i.e., @nss_skncoe with #sportsdaychallenge2020 and also nominate fellow volunteers. All volunteers enthusiastically accepted the challenge and added glory to the activity. In this way, activity was successfully conducted within three consecutive days. Total of 43 volunteers participated in this activity. The Program Officer Prof.S.P.Pingat Sir encouraged everyone to actively participate in this activity. In this way, the activity was successful.

INDUCTION PROGRAM

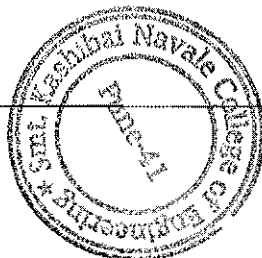

"Start where you are. Use what you have. Do what you can."

A great, fruitful description of NSS SKNCOE was given by the NSS volunteers to the new recruits. The program was held on 5th of September i.e. Sunday. The program commenced at 2:30 P.M. and the program was held on online platform, Microsoft Teams. The new recruits were present in a pretty appreciable amount which consisted of 180 new volunteers and 51 old volunteers. So, in total, 231 volunteers attended the program.

The volunteers were blessed by the Chief guests of the program, Dr.Prabhakar Desai (NSS SPPU Co-Ordinator) and Prof. S.P.Pingat (Program Officer, NSS SKNCOE). The list of chief guests also included Prof.S.M.Jadhav (MECH. Dept.), Prof.P.R.Walunj (MECH. Dept.), Prof.S.B.Ranaware (EnTC Dept.) and Prof.C.M.Sapkal (EnTC Dept.).

The program was initiated with the '*Vandana*' of Lord Ganesha presented by one of the volunteers. All the guests were welcomed with a great enthusiasm by the volunteers. After that the program was continued with the PPT presentation of all the activities done by NSS SKNCOE in the previous academic year. The presentation was given by our Program Officer S.P.Pingat Sir, which was narrated in a very efficient and illustrative manner.

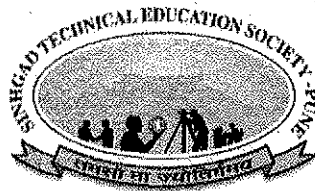

Then, the program progressed ahead with the eloquent speech put forward by the chief guest Dr.Prabhakar Desai. He presented his views very clearly and in a straight forward way, which definitely made an impact on the volunteers in a positive way. Some videos were also shown to the new recruits and the videos were a great way to present the milestones achieved by the unit and those videos definitely left a positive mark on the new recruits. Further, few alumni volunteers also shared their experience and motivated all the volunteers to excel in the journey of NSS. The program finally came to an end with a presentation of poem on 'NSS' by a volunteer who then proposed the vote of thanks to all the guests, volunteers and everyone present for the program.

DEBATE ACTIVITY

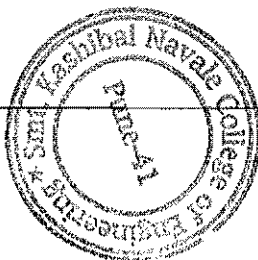

The NSS unit of Smt.Kashibai Navale College of Engineering, Pune, organized a Debate activity dated on 9th and 10th of September 2020. Total 63 participants were involved in this Debate activity. All the volunteers were distributed into 14 groups for the better co-ordination and the management of the activity. For day-1, i.e.9th of September, the activity of 8 groups was conducted and the activity of remaining 6 groups was conducted on day-2, i.e. 10th of September. The activity was conducted on online platforms such as Google Meet, Microsoft Teams, etc. Two judges were present with each group for the analysis of new volunteers. The new volunteers were judged on the basis of topic knowledge, confidence, way of speaking and many more.

Topics for the Debate were:

1. Make in India - Can India Be Independent Soon in Terms of Production? (Yes/No)
2. Is India Successful in Fighting Against COVID-19 Till Now? (Yes/No)

NSS DAY CELEBRATION

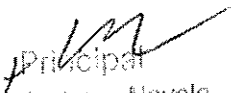

"The secret of getting ahead is getting started."

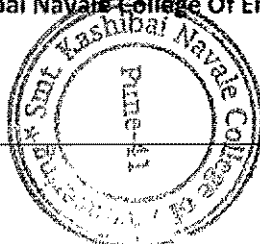

NSS SKNCOE organized an online **GET TOGETHER** on the occasion of 51st NSS Day which is celebrated on 24th of September and this year the Unit of NSS SKNCOE has successfully completed its 5 years after the foundation. But, due to certain circumstances, we organized the program on 27th September 2020 i.e. Sunday. The timing for the program was from 3:30 P.M. to 5:30 P.M. and the volunteers were present in a substantial amount which consisted of 145 volunteers. Online platform (Microsoft Teams) was chosen for this year's NSS Day celebration program.

The guests for the program were Mr.Amit Gogawale (NSS District Coordinator), Mrs.Sneha Gaikwad, Prof.S.P.Pingat (Program Officer, NSS SKNCOE), Prof.S.M.Jadhav (MECH Dept.), and Prof.P.R.Walunj (MECH Dept.) Prof.S.B.Ranaware (EnTC Dept.) and Prof.C.M.Sapkal (EnTC Dept.).

The program was started with Lord Ganesha Vandana. Thereafter, few alumni volunteers such as the Co-Founders of the Unit, Sanket Bhandare and Shubham Phaujdar had an interactive session with all the volunteers. Also, another alumni Nirup Kumar Sathpathy guided the volunteers in a positive way with his kind

TREE PLANTATION ACTIVITY

As we all know, the whole world is facing the problem of global warming and to recover from such a problem, planting trees has become one of the most important aspect for the current situation. Trees are the foremost source for production of oxygen and they also help us to reduce the level of carbon dioxide.

The NSS unit of SKNCOE organized Tree Plantation activity on the auspicious occasion of Gandhi Jayanti from the duration of 1st of October to 3rd of October 2020. The activity took place in the personal premises of volunteers due to COVID-19 outbreak.

Under the virtual guidance of Program Officer S.P.Pingat Sir, total 65 trees were planted by the volunteers, following all the safety guidelines during the pandemic. Also each and every volunteer holds the responsibility to nourish and maintain the allocated plant.

All the volunteers had definitely felt happy and had a proud moment for them happy and experience proud after the plantation, as it really feels great to do even a little positive thing in the contribution of nature. Hence the activity came to a

CANCER AWARENESS & HEALTHY LIFESTYLE
WEBINAR

The NSS unit of Smt. Kashibai Navale College of Engineering, Pune organized a webinar on 'Cancer Prevention and Healthy Lifestyle' in collaboration with "Sanjeevani Life Beyond Cancer" on 14th of October 2020. As we know, Cancer which is a deadly disease, cause for 1 in 6 deaths. So, in order to create awareness about this, the webinar was organized for the volunteers. The speakers for the webinar were Ms. Sumki Begam Madam. The webinar was conducted on the online platform ZOOM. The timing for the webinar was 4:00 P.M.

In total 78 volunteers attended the webinar. The webinar was found to be so meaningful and it was quite an eye opener for everyone as the webinar focused on each and every aspect which would cause the way for cancer to open up and also, the speaker madam also explained about how to bring healthy changes in day to day life or one's overall lifestyle which would prove to be beneficial in long run for one's health. Also present guests for the webinar were Prof.S.M.Jadhav, Prof.P.R.Walunj, Prof.S.B.Ranaware and Prof.C.M.Sapkal.

GROUP DISCUSSION ACTIVITY

"Discussion is an Exchange of Knowledge,

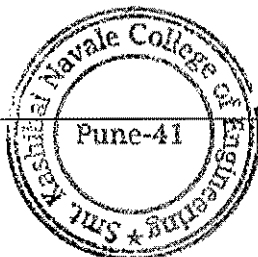

Having a Good Discussion is like having Riches"

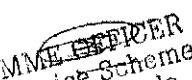

NSS SKNCOE organized an online group discussion activity, in which all the volunteers participated actively and expressed their views. The activity was conducted on 23rd October and 24th October, 2020. The activity commenced at 5:00 and ended at 6:00 P.M. Total 89 participants were involved in this group discussion activity. All the volunteers were distributed into 13 slots, for the better management of activity. On day-1, i.e., 23rd of October, the activity of 7 slots was conducted and the remaining 6 slots were conducted on Day-2 i.e. 24th of October.

The Group Discussion was conducted on various online platforms, such as Microsoft Teams, Google Meet, Zoom, etc. Three judges were allotted to all the slots for analysis of new volunteers and proper execution of the activity. All the upcoming volunteers were judged on confidence, speaking skills, way of representation, and their knowledge on that topic and many more. Discussion was held in English as well as Hindi language.

Topics for the discussion were as follows:

1. What are the causes for increasing rape cases and how can they be stopped.
2. New Education Policy and E-Learning.

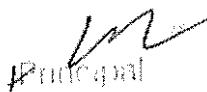

All rules and instruction were given to volunteers before the start of discussion. Each and every volunteer participated actively and presented their views with lots of enthusiasm and spirit. Everyone represented their opinion very well and coordinated with each member of their slot.

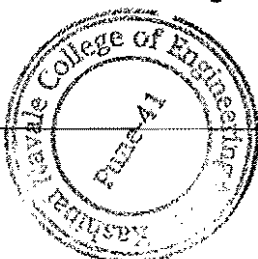

Group Discussion Activity was conducted for interacting with other volunteers, to analyze their communication skills, discussing about the current affairs related to topic given, improving their way of representation, confidence, and for having a healthy interaction. The activity was conducted under the Guidance of our NSS SKNCOE Program Officer Prof.S.P.Pingat Sir. In this way, the Group Discussion activity was completed successfully.

WEBINAR: LIFE OF SWAMI VIVEKANANDA

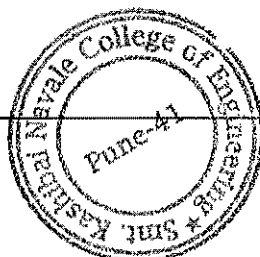

The NSS unit of Smt. Kashibai Navale College of Engineering, Pune organized a webinar on 'Life of Swami Vivekananda' on 5th of November 2020. The timing for the webinar was 5:00 P.M. The speaker for the webinar was the alumni of the NSS unit Mr. Sandeep Bhandare. The webinar was conducted on the online platform ZOOM.

In total 73 volunteers were present for the webinar. Before the actual start of the webinar by the speaker, a program of appreciation of the Short film team of "Mission Make In India" was also carried out by few senior volunteers to appreciate the team and also encourage all the volunteers to carry on such good work in future as well. The short film team was felicitated with the certificate of appreciation and as well as the family members of the team members were also provided with the certificate of appreciation, so as to felicitate for their support and dedication for the short film as well.

Then, with the actual progression of the webinar took place as the speaker Mr. Bhandare after showering kind words on the short film team, made the teachings of Swami Vivekananda familiar with the volunteers. The speaker progressed with one aspect at a time of Swami, so as the volunteers could easily

FARAL DISTRIBUTION DRIVE

The NSS unit of Smt.Kashibai Navale College of Engineering, Pune organized a Faral Distribution Drive from 12th of November to 20th of November, 2020, with the motto of making this Diwali, happy for the less fortunate ones. The volunteers of NSS SKNCOE gave visit to **Sumati Balwan Orphanage** on 12th of November. The volunteers distributed the packages of *faral* to the children present over there. The visit given to the orphanage was completely followed by the COVID-19 precautions and guidelines.

The volunteers not only distributed the faral packages to the children, but also had an interactive session with them. The management of the orphanage also co-operated very well with the volunteers for the visit. The children of the orphanage were filled with joy and were so excited as they were interacting with the volunteers. The volunteers, present at their native places, distributed faral packages, treats, etc, to the needy people in their vicinities. Near about, 32 volunteers took actively part in this donation drive and total of 17 packages of *faral, treats*, etc., were donated by the volunteers.

BLOOD DONATION CAMP

"A single pint can save three lives; a single gesture can create a million smiles. Make blood donation your responsibility."

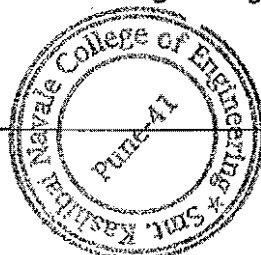

The NSS unit of Smt. Kashibai Navale College of Engineering, Pune, organized Blood Donation Camp in collaboration with LOVE CARE SHARE Foundation on 24th of January, 2021 in association with Smt. Kashibai Navale General Hospital Blood Bank, Ruby Hall Clinic Blood Bank, Poona Serological Institute Blood Bank in the college campus premises.

After this pandemic year of COVID-19, this was the first time the unit organized a blood donation camp. As we know, still the COVID 19 is not yet completely finished, still there are few peoples suffering from this, so in this situation the blood donation camp was really very helpful for the hospitals, blood banks and health care units as they were having shortage of blood bags. The whole event was successfully managed by taking all precautions of COVID-19.

The blood donation camp started at 9:00 am with short inauguration ceremony. The Chief Guests for inauguration ceremony were **Mr. Rafik Jamadar Sir** (Instructor NDA), **Shri Vijay Kumar Shah Sir** (Shri Vishwa Kalyan Pratishthan), **Shri Shubham Ved Pathak Sir** (Veer Vidya Academy), **Advocate**

Hitesh Patil Sir (Shivaji Nagar Section Court), **Dr. K. R. Borole Sir** (Vice – Principal of SKNCOE college), **Prof S. P. Pingat Sir** (Program Officer of NSS SKNCOE), **Prof S. P. Patil Sir** (Principal of NBN college), **Prof. Bharti Ghavane Sir** (Program Officer of NSS NBN), **Prof .Hiramant Kamble Sir** (Program Officer of NSS SCOE), **Dr. Rajendra Raj Guru Sir**, **Ritesh Patil Dada**, and all departments **HODs of SKNCOE** college were also present at inauguration ceremony.

The camp was successfully planned and managed by about 26 volunteers of NSS SKNCOE. Volunteers were divided into three slots according to timing. Volunteers in each slot again divided into working teams like refreshment, nursing, registration, certifications teams. Before the commencement of camp, proper instructions were given to the volunteers about nursing, donor registrations and certification by the doctors. There were nearly about 197 blood donor who took part in blood donation camp which included students as well as teachers.

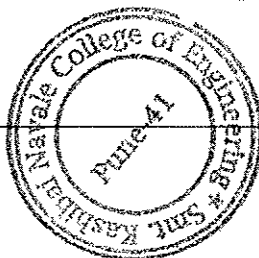

The most successful moment for the camp was the donation of O- blood straight away from the blood donation camp to a new born baby in the case or emergency to the hospital, nearby Pune Station.

After the blood donation, a certificate of appreciation and refreshment was given to each donor as a token of gratitude. The chief guest appreciated the NSS Unit and the donors for their effective involvement. The blood donation camp was concluded at 4 pm.

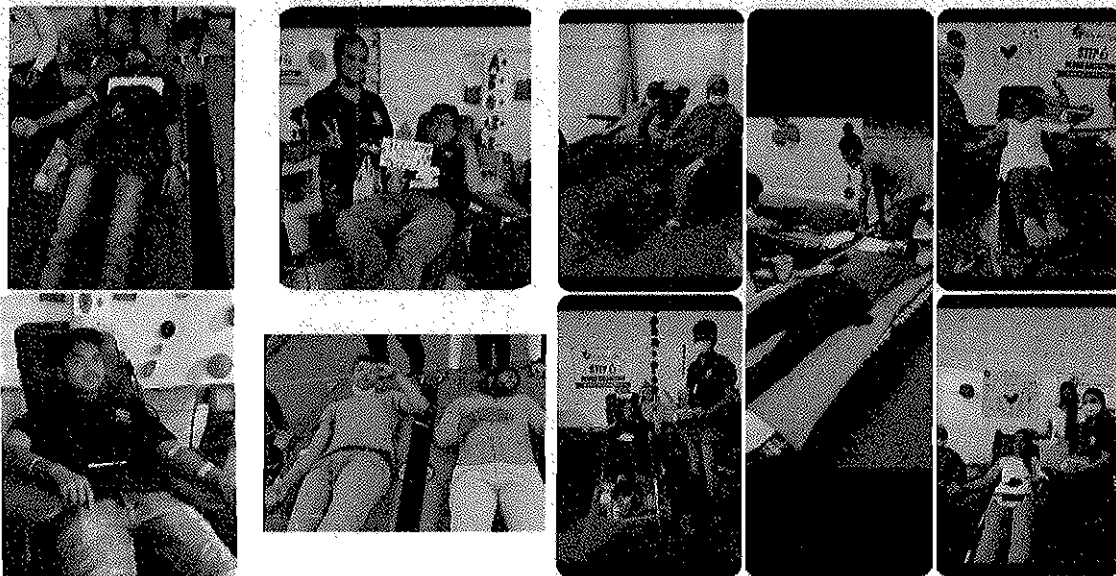

Few of our volunteers who were not present in Pune had also donated blood nearby their residence which was also a great achievement for us. In this way, by conducting the camp under the guidance of NSS SKNCOE Program Officer Prof. S. P. Pingat Sir, this activity came to a successful end. The NSS SKNCOE unit achieved the motto of NSS '**NOT ME BUT YOU.**' The whole event received great success and inspired others to serve the humanity.

TREE PLANTATION DRIVE

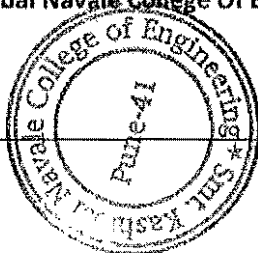

"Plant a tree and get oxygen for free."

On the occasion of the Republic day (26th January 2021), a tree plantation drive was conducted by the NSS unit of Smt.Kashibai Navale College of Engineering, Pune at the Taljai Hills. The activity initiated at 9:15 A.M. All the volunteers gathered at the parking of SKNCOE new building. Thereafter, all the volunteers sang the National Anthem with great pride and energy in themselves. Then, all the volunteers departed for the Taljai Hills in the group as per assigned to them. Also, each and every group of the volunteers was assigned a group leader.

The chief guests for the activity were Dr.A.V.Deshpande (Principal, SKNCOE), Dr.K.R.Borole (Vice-Principal, SKNCOE) and the HoD's, Dr. Nitin Sherje, Dr. Parikshit Mahale, Prof.Mahesh Alandkar, Dr.Sonal Jagtap and Prof.Ravi Borhade.The activity was followed by the guidance of the Program Officer Prof.Sanjay Pingat Sir. Punctuality was given at most importance. In total, 42 volunteers took part in this activity and 16 saplings were planted.The saplings of Hibiscus, River Tamarind and others, were planted in this activity. Each group had

GROUP DISCUSSION

N.S.S. S.K.N.C.O.E. organized a Group Discussion activity dated on 8th March 2020 on the occasion of International Women's Day. Total 40 participants were involved in this Group Discussion activity. All the volunteers were distributed into 8 groups for the better co-ordination and the management of the activity. The activity was conducted on online platforms such as Google Meet, Microsoft Teams, etc. Two judges were present with each group for the analysis of new volunteers. The new volunteers were judged on the basis of topic knowledge, confidence, way of speaking and many more.

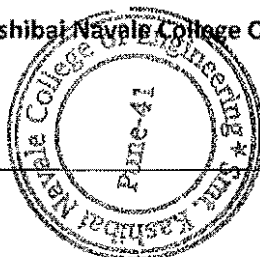

Topics for the Group Discussion were:

1. Women In Leadership
2. Women Education

Before initiating the Group Discussion, all the rules of Group Discussion were explained. Everyone presented their views very well with lot of enthusiasm and interest. Also both topics were equally discussed by the newly joined volunteer.

INTERNATIONAL YOGA DAY

NSS SKNCOE conducted YOGA SESSION on the occasion of INTERNATIONAL YOGA DAY on 21st June 2019. The activity venue was Smt. Kashibai Navale College of Engineering, E&TC Dept. 1st Floor at 9:00 a.m. NSS volunteers along with teachers, professor's and local civilians actively participated in this activity. The student count was 25 and staff count was 34 which lead the foundation start for the activity to begin.

The activity started with the felicitation of the Yoga Instructor Miss. Purva Sahane, who is a certified trainer of Yoga. The felicitation was done by the dignitaries of SKNCOE i.e. Vice-Principal, HOD's and other staffs. After the felicitation, the yoga begins with warm-up exercises, followed by the yoga asanas. Various asanas like Trikonasana(Triangle pose), Kursiasana(Chair pose), Bhujangasana(Cobra pose), Paschimottanasana, Sukhasna, Bhramari and many more were conducted. All these asanas were followed by Surya Namaskar which was taken 3 times. The whole activity last for around 1-2 hours.

GUINNESS WORLD RECORD
SAPLING COLLECTION ACTIVITY

On 23rd June 2019, Savitribai Phule Pune University and NSS combinedly organised a most historical activity of distribution of most number of saplings which was going to be a GUINNESS WOLRD RECORD.

On this day, our honourable CM Devendra Fadnavis shows his attendance for this activity. Along with him, some other political dignitaries like Guardian Minister Girish Bapat, SPPU Vice-chancellor (Kul Guru) Dr. Nitin R. Karmalkar were present on the stage.

The activity began with the distribution of T-shirts and cap to all volunteers which was representing our National Flag having colour Saffron(Strength and Courage), White(Peace and Truth), Green(fertility, growth and auspiciousness of the land) and Blue. Some snacks were also provided to all the volunteers. Also a unique barcode band was attached to all the volunteers left hand wrist. After wearing the given coloured T-shirts, all volunteers went towards the ground for the historical event.

JEJURI WARI

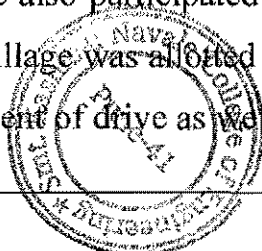

SWACHH-WARI SWASTH-WARI NIRMAL-WARI HARIT-WARI

Every year around 10 lakh Warkaries across Maharashtra join the procession from Alandi and Dehu to Pandharpur. They cover around 250 km in 20 days. Every year improper disposal of human waste leads to the environmental degradation of the areas surrounding the route of procession. But this year the picture was different.

At least 35,000 student volunteers from 5 different universities under the aegis of Savitribai Phule Pune University were accompanying the Warkaries and were cleaning up the villages, where the Warkaries reside. The drive is being conducted under 'SWACHH-WARI SWASTH-WARI NIRMAL-WARI HARIT-WARI' initiative by NSS students. The entire activity was held from 22nd June to 15th July, 2019.

NSS unit of Smt. Kashibai Navale College of Engineering Pune with total 41 NSS volunteers were also participated in the drive held between 30th June to 1st July 2019. Jejuri Village was allotted for SKNCOE with 7 other colleges from SPPU. All arrangement of drive as well as one day stay

and meal of NSS volunteers was done by Sharadchandraji Pawar College, Jejuri.

On 30th June 2019, at 9.45 am all volunteers started their journey towards Jejuri with lot of enthusiasm and aim to contribute towards making the journey of Warkaries more fulfilling and easier. At about 1:30 pm they reached at Sharadchandraji Pawar College. After taking meal all 8 colleges were gathered on ground and biodegradable leaf plates were handover to them. Around 1.5 lakh biodegradable leaf plates were distributed by NSS volunteers among Warkaries to have their meal.

NSS volunteers holding leaf plates for distribution to Warkaries

On 1st July, in morning about 8 am all volunteers went to the different places in the village to collect all the waste generated. The biodegradable leaf plates were collected in separate bags. These collected leaf plates and the waste generated during the procession will be transfer into organic manure by 70 colleges and Gram Panchayat, which will distribute among the farmers.

NSS volunteers cleaning the garbage and dumping it in a dig

Along with these activities street plays on environment issues performed by other college groups as well as tree plantation was also done on Wari route by NSS volunteers. In this way the drive completed successfully under the guidance of SKNCOE NSS Programmer Officer Prof. S. P. Pingat and Prof. Sagar Ranware. At last on 1st July, at around 3 pm all SKNCOE NSS volunteers move back towards Pune. The happiness and satisfaction of the work done in Wari was seen on everyone's faces.

In this way, working in Wari procession makes students not just participate in a socially productive work, but also gives them an experience of a tradition in the state that has been practiced for 100's of years.

TREE PLANTATION ACTIVITY

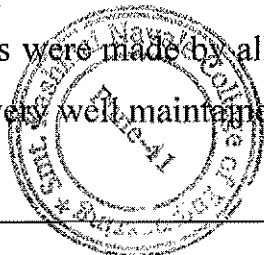

"If you plant a tree, you plant a life" and so was done by the NSS unit of Smt. Kashibai Navale College of Engineering Pune on 6th July at Taljai. The activity started at 8:30 am and all the volunteers were prepared to achieve the target of planting 100 trees on Taljai hills. There were total 70 volunteers. The activity was open to all. It was good to see huge number of non - NSS members as well.

All volunteers gathered near SKNCOE new building and groups were formed so as to maintain the discipline. All groups were given different names of trees like Chandan, Banyan, Babul, Neem, Bamboo, etc. so as to keep the volunteers acquainted with names of different trees. All the groups were provided with the tree saplings of Sarval, Chinch and Karvand. The tree saplings were]

provided by the forest department by Ghadge mam.

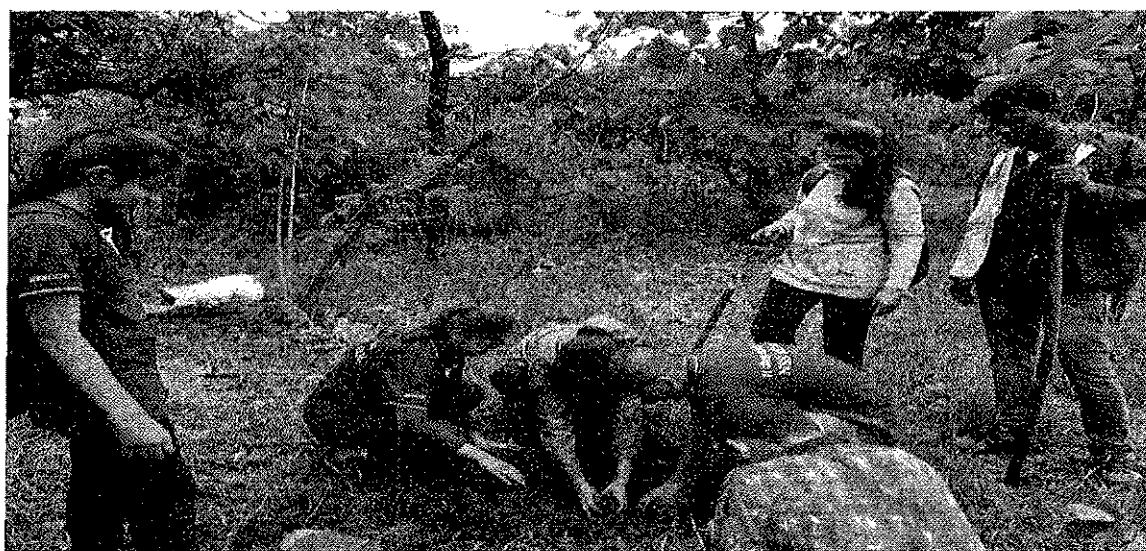

Each group had their group leaders those who kept on guiding them throughout the session. Great efforts were made by all the volunteers to make the activity successful. Discipline was very well maintained by complete unit.

INDUCTION PROGRAM

"Start by doing what's necessary, then do what's possible and then suddenly you are doing the impossible." A great presentation of NSS SKNCOE was given to the new recruits by the NSS volunteers. The program was dated on 22nd July, 2019 i.e. on Monday. The program started at 2:30 pm and the new recruits were present in a substantial amount which included 162 new volunteers. E&TC seminar hall was chosen as the venue for this year's induction program.

The guests list consisted of Dr. Shivaji Pacharane (NSS District Coordinator), Vice Principal of SKNCOE Dr. K. R. Borole, Program officer of NSS SKNCOE Prof. S. P. Pingat, Prof. R. H. Borhade (HOD IT dept.), Dr. S. K. Jagtap (HOD E&TC dept), Dr. P. N. Mahalle (HOD Computer dept.), Prof. Chitra Sapkal Ma'am and Prof. S. B. Ranware of E&TC department. The program was started with the lighting of lamp by the guests. All the guests were felicitated as they arrived. After that the program was continued with the NSS song which was followed by the PPT presentation of the activities done by NSS

The program was progressively moved ahead by a motivational speech given by the guest Dr. Shivaji Pacharane. The speech given by him had a great impact on the minds of the new volunteers. Dr. K. R. Borole and Prof. S. P. Pingat also directed the new volunteers very well. Further the new volunteers were amused by the experiences shared by the NSS volunteer Nirup Kumar Sathpathy.

Also, various games were taken for new recruits by NSS volunteers. The main motto behind the game was to teach them the power of Teamwork. After this, a short video film of NSS camp journey was shown to new recruits. The program finally ended with communicative interaction between NSS volunteers and the new recruiters. The crowd was very well handled by the NSS volunteers.

GROUP DISCUSSION ACTIVITY

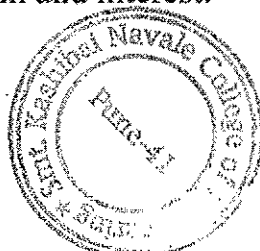

N.S.S.S.K.N.C.O.E. organized a group discussion activity dated on 26th July, 2019. Total 116 volunteers were involved in this group discussion activity. There were total 9 panels. Two coordinators were present with each group for the analysis of new volunteers. These new volunteers were judged on the basis of topic knowledge, confidence, way of speaking and many more.

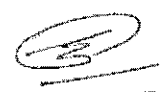

Topics for the Group Discussion were:

- 1] Water crisis in India
- 2] Mob Lynching.

Even number panels got the topic Water Crisis in India and odd number panel got the topic Mob Lynching. Before starting of the group discussion event all the rules of group discussion were explained. Everyone explained their topics very well with lot of enthusiasm and interest.

SWAMI VIVEKANANDA BOOKS EXHIBITION
CUM SALE ACTIVITY

On the occasion of 125th Anniversary of Swami Vivekananda N.S.S.S.K.N.C.O.E. arranged exhibition cum books sale activity along with a talk of Dr. Shirish Limaye Sir, who is a volunteer of Ramakrishna Math and an Associate Professor at Symbiosis College of Arts and Commerce since last 36 years.

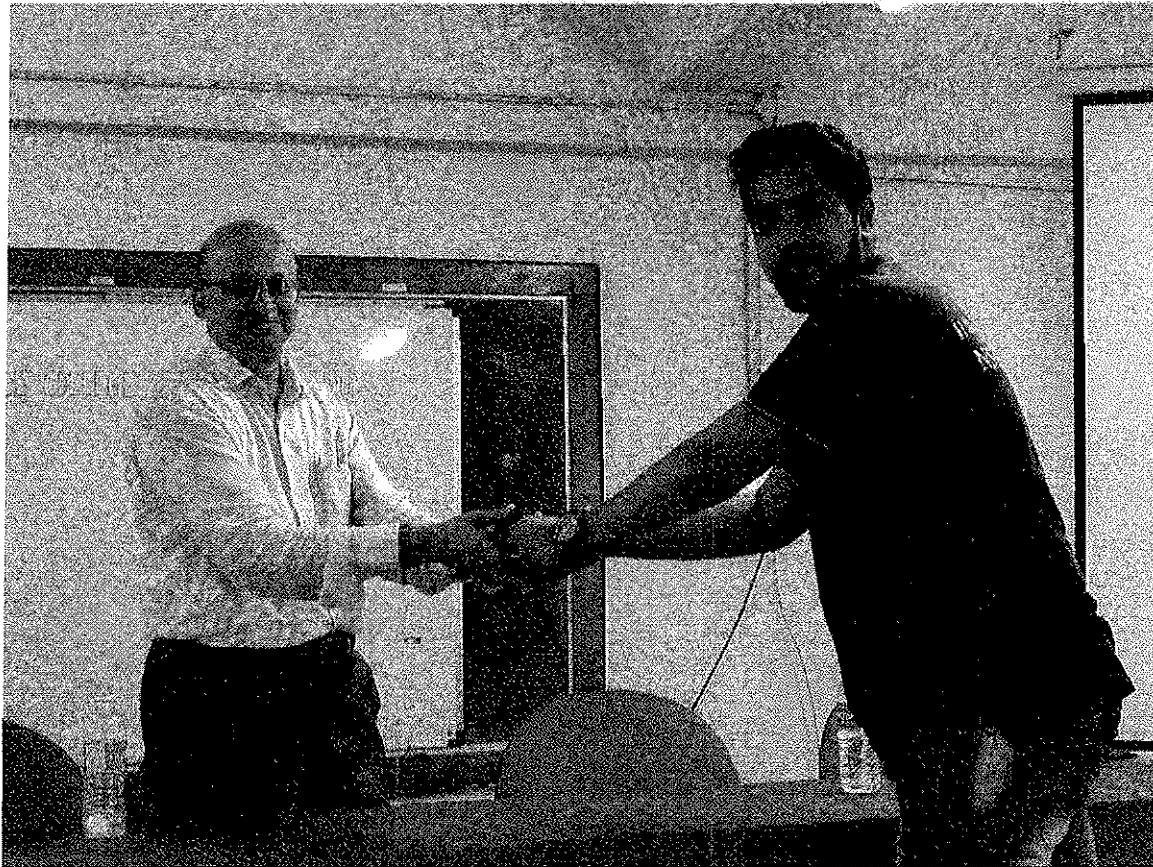

The activity began at 9:00 am as 4-5 volunteers from Ramakrishna Math came to college with van full of books based on Swami-Vivekananda's life and teaching. They set up their stall for selling the books and the prices of books were also reasonable. Many students brought the books of their choices.

The speaker Dr. Shirish Limaye was welcomed with a sapling by one of our volunteers and thereafter, started his session on 'The Life and Teachings of Swami Vivekananda' at 2:30 pm.

CLEANLINESS DRIVE

“The objective of cleaning is not just to clean, but to feel happiness living within that environment” and so was done by the FE students in their induction program on August 10, 2019. Their objective was to cover the cleaning of whole campus and keep it clean.

The FE students were adequately guided by the NSS volunteers and the staff members. The FE students were present in a huge amount. There were approximately 200 FE students present for the cleanliness drive. The activity started at 9:00 am in morning. The FE students were divided into 9 groups with each group having an NSS volunteer as their leader and also one faculty with each group.

Before starting with the activity, the students were given proper instructions and were also provided with gloves to pick up the waste. Each group was given a landmark within the campus to clean and almost whole campus was covered among the decided landmarks. The participation shown by the staff was a thing to be acknowledged. There was full support by the staff members without which the activity would not have been such a great success.

FIT INDIA ACTIVITY

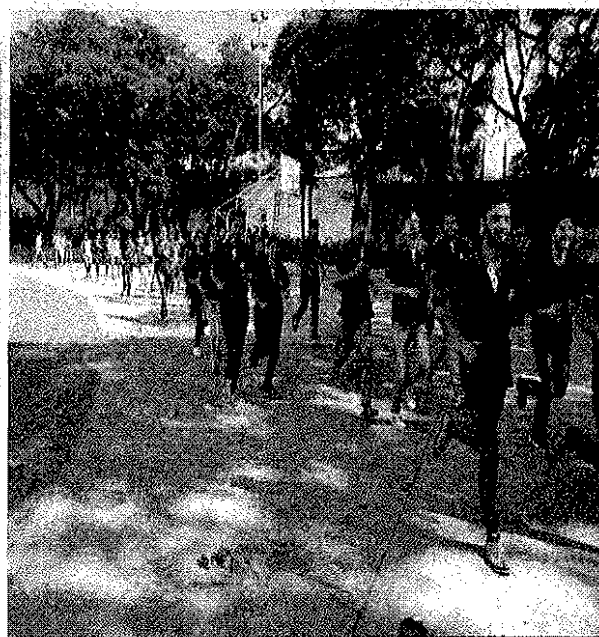

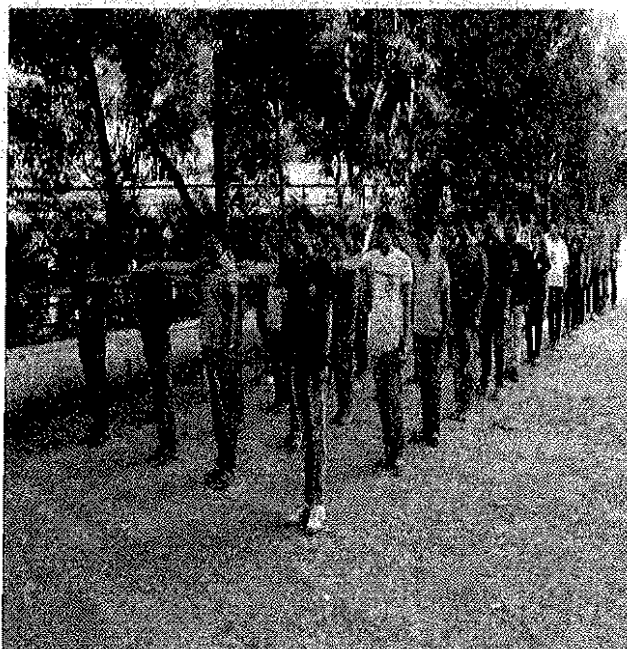

In accordance with the "Fit India Campaign" launched by the PM Narendra Modi ji NSS SKNCOE celebrated National Sports day event on 29th August with great enthusiasm. The event started at 3:30 pm. All the NSS volunteers actively participated in the event. The activity was coordinated by the NSS volunteers itself. Different types of sports were arranged by them on the Spring Dale ground. The sports meet opened with an oath taken by Prof. Pingat Sir and the volunteers.

Moving ahead the volunteers were divided into four teams. Various sports were taken by the volunteers like cricket, kho-kho, and many more. The memories of the sports event were indelibly printed on the hearts of the volunteers. The volunteers really enjoyed a lot and dispersed with a sincere hope that such sports events should be organized time and again giving the volunteers a chance to display their sports talent and for a good refreshment.

Volunteers of NSS SKNCOE stage a street play on “why the deterioration of young generation?” During Ganesh festival 2019. Volunteers performed 11 street plays at various chowks and apartments. Volunteers also covered various social issues. This activity carried between 3 to 12 September, 2019.

Traffic...!!! A big problem in day-to-day life. Same scenario occurs on the last day of Ganesh Utsav i.e. Ganesh Visarjan. So, to avoid a chaos and for smooth traffic, we the volunteers of NSS SKNCOE helped the Police for running smooth traffic flow in various crowded areas like Sarasbagh Chowk, Dandekar Bridge, Vadgaon Bridge, Dhayari Fhata and many more. We were also appreciated by the Police Inspector on duty in those areas.

BLOOD DONATION ACTIVITY

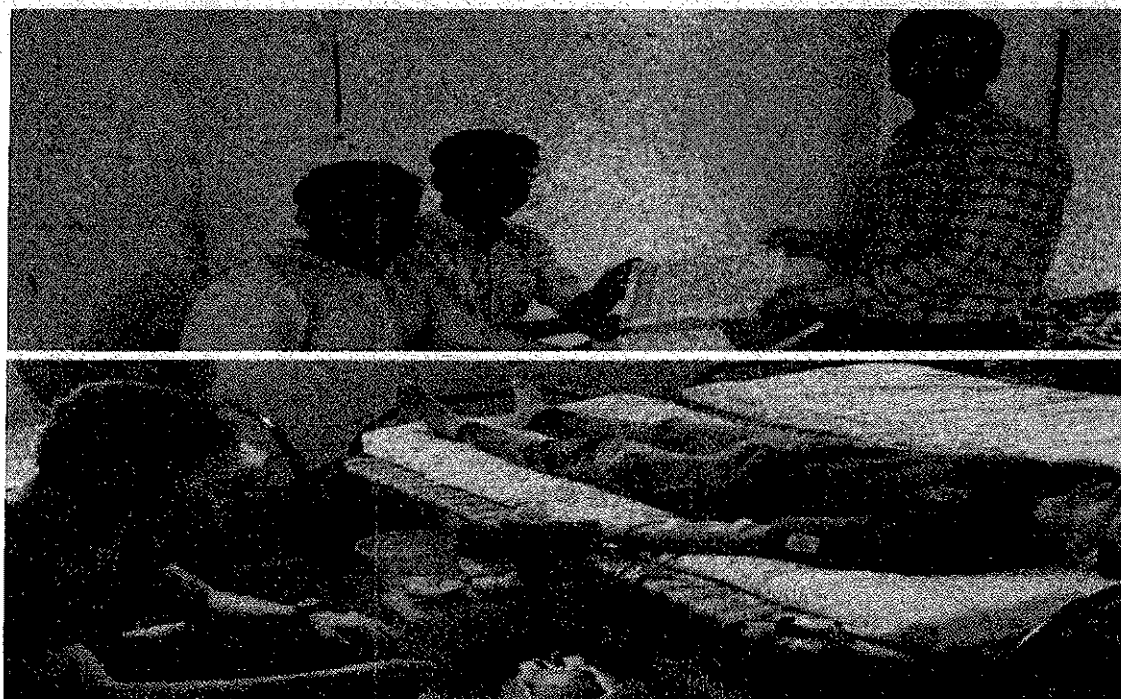

Human blood is an essential element of human life with no substitute and blood donation is among the highest service one can render to humanity. With this thought NSS unit of Smt. Kashibai Navale College Of Engineering , Pune organised a Blood Donation Camp in the college premises on 19th September 2019 in association with Smt. Kashibai Navale General Hospital Blood Bank.

The blood donation camp started at 9:00 am with short inauguration ceremony. Vice-Principal of SKNCOE Dr. K. R. Borole was the chief guest of the inauguration ceremony. Also HODs of all departments were present at the time of inauguration ceremony. The camp was successfully planned and managed by about 68 enthusiastic volunteers of NSS SKNCOE. Volunteers were divided into three slots according to timing. Volunteers in each slot again divided into working teams like campaigning, refreshment, nursing, registration, certifications teams .Before camp was started proper instructions were given to the volunteers about the nursing, donor registrations and certifications by the doctors. There were nearly about 72 blood donors who took part in blood donation camp which included students as well as teachers.

RAINWATER HARVESTING ACTIVITY

Rainwater harvesting is the accumulation and storage of rainwater for reuse on-sites, rather than allowing it to run off. It can be collected from rivers or roofs and in many places, the water is redirected to a deep pit or a reservoir with a percolation.

With this thought NSS unit of Smt. Kashibai Navale college of Engineering, Pune took an initiative and implemented idea of rainwater harvesting in STES (Sinhgad technical education society) campus near Shivneri boys hostel. All the permissions needed for the activity were done by volunteers. On 21st September there was inauguration ceremony and vice-principal of SKNCOE Dr. K. R. Borole was the chief guest along with NSS program officer Mr. S. P. Pingat and other staff as well.

From 22nd September (day 2) the work started with full of enthusiasm. There were three slots of two hours each in all and the volunteers were divided in different slots from 9 am to 4pm. Dimensions of a dig was 14 feet in length, 7 feet width and 7 feet depth. All the equipment's were provided.

Volunteers doing Rainwater Harvesting Activity

This hard work based activity was more a plumbing job than a technical job, as all the outlets from the building, mess, terrace are connected through a pipe to an underground tank that stores water. The activity ended successfully on 23rd September (day 3) 35 volunteers were present on day 2 and 42 volunteers on day 3. The fund needed for activity was given from STES. Estimated cost was Rs. 52,300/-. The chief guest appreciated NSS unit for their effective involvement. In this way under the guidance of NSS SKNCOE program officer Prof. S. P. Pingat Sir NSS SKNCOE achieved the motto 'NOT ME BUT YOU'. This harvested water can also be used as drinking water, long term storage and for the purpose such as groundwater recharge. Rainwater harvesting is one of the simplest and oldest methods of self-supply of water for household usually financed by the user.

Thus, the rainwater harvesting activity was a great success and inspired others to serve the humanity!

GUEST LECTURE (POLICE INSPECTOR SIR)

On TRAFFIC MANAGEMENT

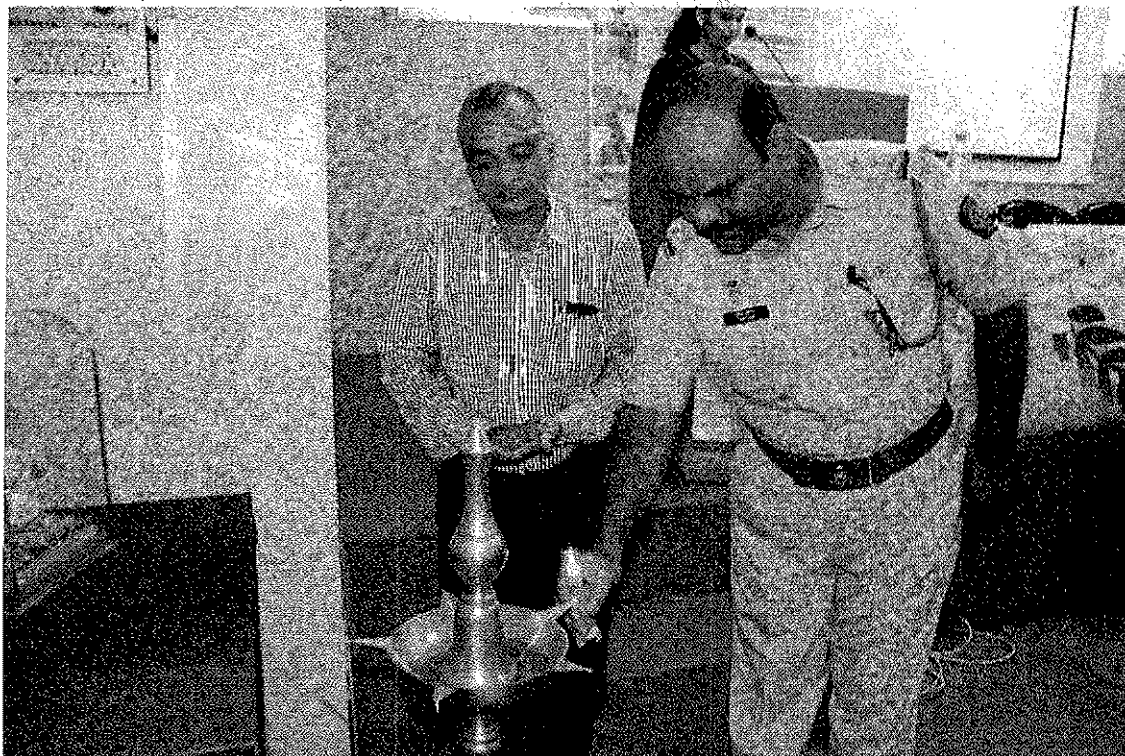

The activity began with the lighting of the lamp with the hand of our Hounrable Guest Police Inspector Rajesh Puranik Sir and our Vice-Principal Mr. K. R. Borole Sir. Thereafter, our Vice-Principal Sir felicitated the Guest by giving a sapling.

As we all know that due to increasing population the demands of vehicles also increase, due to this traffic in a Metropolitan city like Pune is a big concern. Such concern had a huge impact on the development of the city as well as on the life of human beings. Considering the concern, we the students of NSS SKNCOE UNIT had organised a seminar dated on 25th September 2019 for the college students regarding the rules of the traffic management. This seminar is conducted by Hon. Police Inspector Rajesh Puranik Sir.

Rules which is to be followed by the citizens are well explain by him with the help of PPT's and videos. Apart from this, he also guided the college students for their bright future. Our beloved Vice Principal Mr. Borole Sir also have a valuable conversation with the students and volunteers.

CONSTITUTIONAL DAY ACTIVITY

The ministry of Social justice and empowerment on 19th November 2015 notified the decision of Government of India to celebrate 26th day of November every year as constitution day to promote constitution values among citizens. As per guidelines received by the NSS India to each NSS unit of colleges throughout the India, NSS SKNCOE celebrated 70th constitution day on 26th November 2019 under the guidelines of Government of India. NSS Volunteers including teachers of the college, all Head of departments, Vice Principal Mr. K. R. Borole Sir have attended this session.

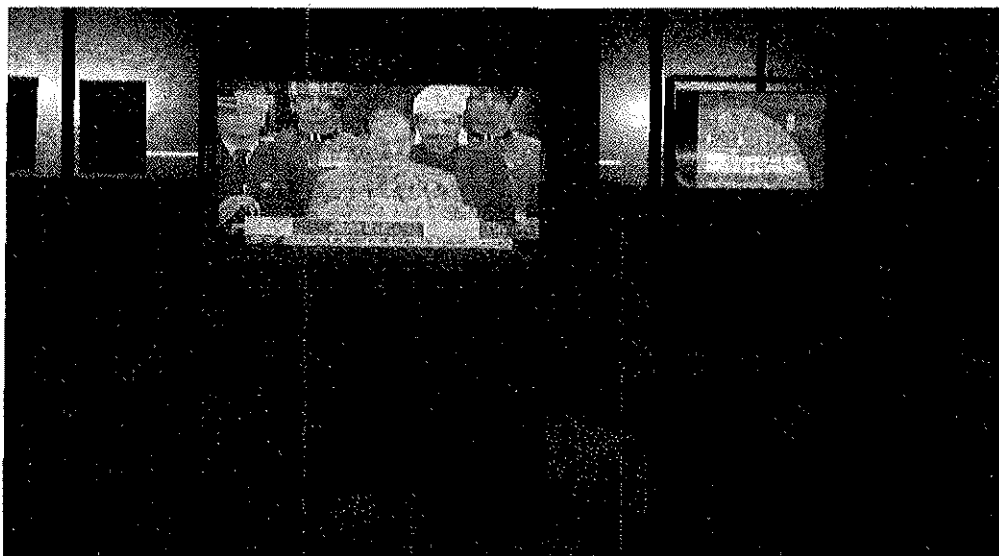

Live-telecast of the program which is held at the Central Hall of Parliament is presented to the volunteers in mechanical seminar hall of college.

On this occasion, Preamble is distributed to the volunteers and teachers. And, then Preamble reading was carried out at the end of the program. This activity is well coordinated by Shivam Mondhe and Prashant Kasbe under the guidance of program officer Mr. S. P. Pingat Sir.

WINTER CAMP

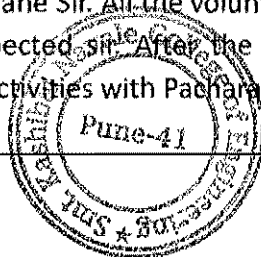

NSS unit of Smt. Kashibai Navale College of Engineering, Vadgaon-Bk, Pune-41 organized a special winter camp in the adopted village named Varoti (Bk) from 05-01-2020 to 11-01-2020. The main motto of this camp was based on to solve the water crises of the village. The volunteers of NSS also performed many awareness programs and street plays on topics like women empowerment, blind faith, prosperous village. They also performed many activities like cleanliness drive, soak pit, etc.

Day-1

(5 January 2020):-

The forenoon session of the Day began with a Procession by volunteers in the village. Volunteers railed into the streets of the village to create awareness among the villagers about the ensuing special camp program in their village for a period of one week. This was followed by the cleaning of base camp by the volunteers. Cleanliness was given due importance by all the volunteers. Followed by that all the 50 volunteers were divided into 5 different groups, 10 in each by the respective coordinators for a systematic management of various kinds of activities. These 5 different groups were given names of mountain ranges like Himalaya, Aravalli, Vindhya, Saputara and Sahyadri respectively. After that there was an opening ceremony in the evening session where the volunteers had interaction with the villagers. Village authorities welcomed the team of volunteers into their village and assured them all sorts of co-operation needed in making the special camp a success. This was followed by a guest lecture by Dr. Shivaji Pacharane Sir. All the volunteers got goose bumps after hearing the motivational speech by the respected sir. After the session was completed the volunteers discussed the camp agenda and activities with Pacharane sir.

NSS volunteers interaction with villagers

Day-2

(6 January 2020):-

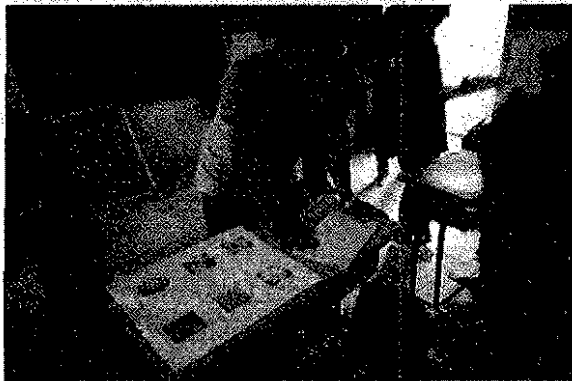

In the dawn of the second Day the volunteers were all set for giving their best to solve the water problem of the village. The volunteers were strictly told to wake up at 6 early in the morning and those who were failed to do so were punished severely as punctuality and discipline was strictly monitored over there. Followed by that morning exercise was conducted to keep all the volunteers fit and healthy throughout the camp. After completing the morning exercise session of one hour the volunteers and coordinators gathered together and sung National Anthem and NSS song. Further after the breakfast and tea time all the 5 teams were assigned different tasks. The courage and spirit of the volunteers was truly appreciating. The **Zhara** work was started from the first day of field work from 8:00 a.m. to 12:00 p.m. The volunteers took out all the stones and other stuff beneath the fountain and tried to make the surface over there plain and the same session was continued from 3:00 p.m. to 5:00 p.m. Also, some team of the volunteers were successful in creating a soak pit near the house of the villagers. While one of the team went to the only school in the village and introduced themselves to the school students. The volunteers also took drawing competition among school students as a part of fun activity.

In the following session, Street Play was organized in front of all the villagers on the topic "**Our Village, Prosperous Village**". It was quite a brain storming session. The villagers looked quite influenced by the Street Play. Many different ideas for employment were given to the villagers through the session of Street Play.

Morning exercise of volunteers

Zhara work with village people

NSS volunteers teaching to school students

Volunteers learning to work in kitchen

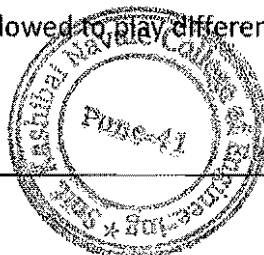

Volunteers performing Street Play in front of villagers

Day-3

(7 January 2020):-

In the dawn of the third day again following the daily routine of morning sessions the volunteers were all ready to go for the field work. Some of the teams continued with the **Zhara** work while some teams gave up a start to the initial step of the **Check Dam Construction** for which they did the stone arrangement over there for a stability of the bags which they were going to place on them. While the other four teams were busy on the field work one of the team was said to interact with the school students in the village. The team went to the only school in the village and gave introduction to computer to the children over there. NSS volunteers already made different charts and presentations for the easy understanding of the school students. They even took laptop over there to make them understand practically. In the evening session volunteers were also allowed to play different games for their relaxation.

Day-4

(8 January 2020):-

The forenoon session of the fourth day began with the morning exercise which was followed by the completion of the **Zhara** work while the **Check Dam Construction** was on its next stage of the filling of the bags. A total of **417 Bags** were filled for the **Check Dam** and **365 Bags** for the **Zhara**. Also, since the Village board of Varoti, BK was completely faded and unrecognizable the volunteers decided to paint it properly and make it look in a recognized manner. While the School team over here gave the village students a chance to operate their laptop for practical implementation. Parallel to this some of the team of volunteers kept on working to construct soak pits in the village. While the volunteers were successful in creating **14 Soak Pits** till the last day of camp.

Day 5

(9 January 2020):-

As per the daily routine, after morning exercise and singing of the national anthem and NSS song, cleaning of the base camp i.e. the school premises was also done.

After the breakfast all the 5 teams proceeded for the **SHRAMDAAN**. The kitchen team coordinators stayed at base camp for the preparation of lunch. For the **ZHARA** work i.e. check dam construction, 3 teams were assigned consisting of 30 volunteers along with 5 coordinators. While, 1 team of 10 volunteers constructed 3 soak pits in the village along with 2 coordinators and 1 team was at the **DAM** site for the filling of bags with soil with 2 coordinators. All the 5 teams worked for 4 hours i.e. from 8:00 A.M. to 12:00 P.M.

After the work session, all 5 teams and its coordinators returned at the base camp and had their lunch. Then in the next work session between 3:00P.M. to 5:00 P.M., 3 teams along with coordinators completed the construction of the check dam at the **ZHARA** site. Total 365 bags of soil were used for the check dam construction. The storage capacity for the check dam is roughly around 60,000 liters of water. While 1 team constructed 2 soak pits in the village and 1 team was at the **CHECK DAM** site in the river stream for the filling of bags with soil. After this work session, a street play related to '**ANDHSHRADDHA**' was performed by group 1 of street play team consisting of 11 volunteers in front of the village temple. The day concluded with dinner and review meeting.

Day 6

(10 January 2020):-

As per the daily schedule, all the volunteers reported at the base camp sharp at 6:00 A.M. The morning exercise and the singing of the national anthem along with the NSS song was carried out. The school premise was also cleaned.

After the breakfast, 4 teams of 40 volunteers went on for the '**SHRAMDAAN**' along with the coordinators. While one team of 10 volunteers stayed at the base camp to prepare lunch. 1 team out of the 4 teams constructed 3 soak pits in the village. Whereas the remaining 3 teams worked for the construction of the **CHECK DAM** at the river stream site. The coordinators guided all the volunteers as well worked with them on the field which boosted both the confidence as well as the energy of all the volunteers.

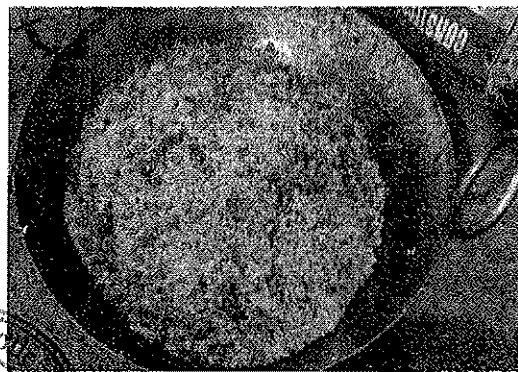

After the end of work session of 4 hours (from 8:00 A.M. to 12:00 P.M.), a **DENTAL CHECK-UP CAMP** was set up for the villagers as well as all the volunteers for free of cost. Then for the work session (from 3:00 P.M. to 5:00 P.M.), one team along with the kitchen team coordinators contributed for the preparation of dinner for the whole unit. The construction of the **CHECK DAM** at the river stream site was completed by 3 teams of the volunteers with the coordinators. In total 417 bags were required for the construction. The total storage capacity of this dam was found out to be around nearly 1,00,000 liters of water, this would definitely prove beneficial for the villagers as they could use this water for nearly 1-2 months more in summer which will definitely solve their problem of water scarcity up to an extent. While 1 team constructed 2 soak pits at various location in village. That means in total 5 soak pits were constructed on this day. After this work session, a street play regarding "**WOMEN EMPOWERMENT**" was presented by the 3rd group of the street play team, this street play gave a very strong message to the villagers as well as created a mark in the villager's heart.

An interactive session was then carried out between the volunteers and the coordinators as well as the seniors whose presence was very valuable as well as memorable. Everyone enjoyed a lot in this session, although everyone was eagerly waiting for dinner. After a lot of hard work on the field, the volunteers enjoyed their dinner and then a meeting was carried out in which all the work done today was discussed and the day was concluded.

Day 7

(11 January 2020):-

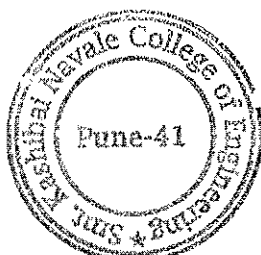

All the volunteers followed their daily schedule even though of everyone's active participation in previous day's late-night talk and the fun games. After taking the breakfast, the activity of the village cleanliness was carried out by 2 teams with coordinators. Another 2 teams constructed 3 soak pits on this very last day in the village. Then, all the volunteers along with the coordinators went on to the survey of all the works done in the village. Everyone was happy with the work done. The satisfaction could be seen reflecting on each and every volunteer's face. After that at the base camp, a sweet and short felicitation ceremony was organized by the villagers to give farewell to the volunteers. The base camp was then cleaned. A short guest lecture was also given by Mr. Ajit Deshpande Kaka. Deshpande Kaka works along with Jnana Prabodhini (a well-known NGO in Pune and nearby region). Deshpande Kaka has been working about the water scarcity problems in tal. Velhe for past many years. His guidance proved to be an important as well as helpful for all the volunteers. The camp was then wrapped up. We left the village by 2:00 P.M. and then reached the college by 5:00 P.M.

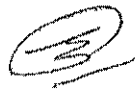

A total of 60 volunteers including the coordinators worked for an average of 50 hours during the week. In all these days the guidance and presence of our Program Officer Prof. S. P. Pingat was a valuable one. A great appreciation and gratitude to Prof. S. M. Jadhav Sir, Prof. S. B. Ranaware Sir, Prof. C. M. Sapkal Mam and Prof. Pratibha Walunj Mam for accompanying us in this memorable and successful camp and sharing their words of wisdom with us.

AGED BLIND WOMEN HOME VISIT ACTIVITY

On 26th January 2020, SKNCOE NSS organised an activity, visit to "SHIRDI SAI BABA HOME OF AGED BLIND WOMEN". The Home is managed by Poona Blind Men's Association.

As on 26th January i.e. Republic Day of India, near about 70 volunteers were present at Spring Dale School Ground for the flag hoisting ceremony. All the volunteers attended the flag hoisting ceremony with great pride. There after the volunteers left for the Aged Blind Women Home, which is located near to Sinhgad Road. The volunteers reached the Home at 9:30 A.M. The volunteers reached the Home with joy. Inauguration ceremony was organised by the volunteers to boost a positive attitude in the women present at the Home.

The management staff at the Home supported the volunteers gratefully which resulted in a good way for the women. The volunteers sung various songs for the women. The women in response also sang songs. Not only the volunteers but also the women sung songs with enthusiasm. The volunteers had an inter-active session with the women. The women were filled with joy as each and every volunteer had an interaction with them and they had not witnessed a visit with this number of volunteers. The inter-active session continued for about 1-2 hours. Then after, the volunteers had organised special treat for the women. The volunteers had brought sweets and fruits for the women.

The volunteers served the women, treats by themselves in their lunch session. Overall the session was joyful. The women were so happy by this visit. The satisfaction on each and every volunteer's face could be seen by this visit as the women were so happy.

No volunteer was willing to leave, but due to time restrictions, the session came to end at 12:00 P.M. The management staff supported the volunteers very well to carry out all the activity. The volunteers thanked the staff and greeted the women to take the leave. The activity took place under the supervision of our Programme Officer, Prof. Pingat Sir.

The event began at 4.00pm by garlanding the statue of Chhatrapati Shivaji Maharaj by former NSS SKNCOE member Sanket Bhandari and Janardan Dukale. Shivgarjana was given by all NSS volunteer in an energetic way. Anchor Satish Avadh called Sanket Bhandari. Later addressing to the NSS volunteers, Sanket Bhandari highlighted the virtues of Chhatrapati Shivaji Maharaj which he pointed out needs to be imbibe in the minds of individuals and particularly the youth, the student community. Thus, after attending Swaraj Chhatrapati Shivaji Maharaj laid trust on delivering good governing to the people. He said he treated equally all those who were associated with Hindavi Swaraj and also worked for the welfare of the weaker section irrespective of Cast and Religion. To mark the day long celebration various activities were conducted for guna pradarshan activity some of the NSS volunteers show their hidden talents.

At the end of the program the NSS street play team performed the street play on topic "Kaal Kalcha ani Aajcha". Around 70 Volunteers were present for the Shiv Jayanti Celebration and took part in activity enthusiastically. This activity was conducted under supervision of Prof. Sanjay Pingat (Program Officer Of NSS SKNCOE) and Prof Ranaware sir.

SINHGAD FORT
(CLEANLINESS & CONSERVATION ACTIVITY)

On 23rd February 2020, Savitribai Phule Pune University along with NSS organized an activity of "SINHGAD CLEANLINESS AND CONSERVATION" at the SINHGAD fort.

So, as per the guidelines given by SPPU, the NSS unit of SKNCOE was present at the base of the SINHGAD fort at 7:00 A.M., many other units of NSS from different colleges were also present for the same activity as the activity was conducted by SPPU. Then, all the volunteers started trekking on the fort. Each and every volunteer was energetically and enthusiastically ready to be the part of the activity. The dignitaries for the activity also were present for the trek along with the volunteers. All the volunteers reached the top of the fort at nearby 9:00 A.M.. A function was organized by SPPU at the top of the fort to guide all the volunteers about the activity. The main motto behind conducting this activity is to conserve the historical places in our country. So SPPU initiated for the cause with this activity. For the activity, near about 1300 volunteers were present representing NSS.

Volunteers Enthusiastically Taking Part In a Activity

For the guidance of the activity, dignitaries present for the function were SPPU Vice-Chancellor('KULGURU') Dr. Nitin R. Karmalkar, Program Co-Ordinator of SPPU NSS Dr. Prabhakar Desai and many other dignitaries were present. Dr. Nitin R. Karmalkar Sir shared his words of wisdom with all the volunteers and explained about the motto behind this activity. Dr. Prabhakar Desai Sir explained about the activity and guided the volunteers.

A "POWADA" session was also conducted for the volunteers to enlighten the pride in volunteers about the great personalities who had fought for the "SWARAJ". For the volunteers refreshment was also organized. Then all the volunteers were distributed t-shirts and caps. Then all the volunteers worked for the cleanliness of the Fort. Near about 20 bags of garbage were gathered by all the volunteers present for the activity. Even though it was noon, each and every volunteer worked enthusiastically. The total no. of volunteers from NSS SKNCOE were 24. Each and every volunteer worked enthusiastically though it be for the trek or the activity of cleanliness. A small felicitation program was also organized by the dignitaries to felicitate our unit of NSS

Day-2 (08-03-20)

In the dawn of the second day the volunteers were ready for field work with great Energy. The volunteers were strictly told to wake up at 6:30 early in the morning and those who were failed to do so were punished severely as punctuality and discipline was strictly monitored over there. All volunteers were divided in 10 different groups with respective group leader. Followed by morning exercises to keep all volunteers active and healthy throughout the camp. After completing the morning exercises, volunteers and co-ordinators gathered together and sung National Anthem and NSS song. Further volunteers were sent for field work, breakfast and tea was provided at the field. The session was from 7:15 am to 11:30 am. 15 CCT's were completed within this session. Some of the volunteers injured their palms as they don't have habit of dealing with such tools our medical team had taken care of it. As our coordinators and volunteers keep everyone motivated, they again joined their respective teams and continued the work. Same session was continued from 3:00pm to 6:30pm by digging 12 CCT's during the session.

In the following session, Street play was organized in the village on the topic "**काळ कालचा आणि आजचा**". The volunteers and villagers were quite influenced by the performance. On account of Women's Day volunteers felicitated the women and girls in the village with greetings.

(DURING COVID-19 LOCKDOWN)

As we are aware of the current pandemic situation caused by the **COVID-19**, there is a nationwide lockdown not only in India but also worldwide. So, due to this situation the mostly affected are the people who do labour work or such kind of work for which the people get daily wages. But, due to no work, the people are not getting daily wages which is ultimately resulting in their daily need of food. As they are not able to earn money, they are not able to buy themselves the food. So, to work for these people who are needy, all the NSS units of SKNCOE, SCOE, SCOS and NBN in collaboration with Kartavya Welfare Trust have stepped forward for the needy people by donating the essential food ration kits. The donation took place in overall 5 stages. In total 588 ration kits were donated in all these 5 stages. For this activity to be successful, funds in terms of money were accepted. The response was great from each and every volunteer. The total funds received were INR 180,147/-.

For this fund raising, the volunteers of NSS SKNCOE contributed whole heartedly. Total 124 volunteers of NSS SKNCOE donated the amount of INR 50,277/- in total in the funds. The stages of donation not only took place in

Smt. Kashibai Navale

National Service Scheme
Smt. Kashibai Navale
College of Engineering
Vadgaon(Bk.), Pune - 41

areas of Pune but also of Aurangabad. The stages took place in the areas such as Katraj, Wakad, Karvenagar, etc.

All the stages took place from 21st of April 2020 till 12th of May 2020.

All the stages and the number of kits distributed per stage are as fellows mentioned in the tabular form:

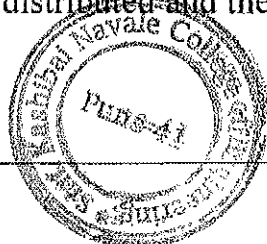

Stage No.	No. of Kits distributed
Stage 1(21 st April 2020)	135
Stage 2(27 th April 2020)	200
Stage 3(1 st May 2020)	119
Stage 4(3 rd May 2020)	30
Stage 5(12 th May 2020)	104
Total no. of kits -	588

Similarly, the expenses per stage are mentioned below table:

Stages	Expenses (INR)
Stage 1	39,500/-
Stage 2	57,600/-
Aurangabad	6,200/-
Stage 3 and Stage 4	42,130/-
Stage 5	34,717/-
Total Amount -	1,80,147/-

Thus, in total 588 kits were distributed and the expenses for these kits was equal to INR 1,80,147/-.

In all these stages, volunteers carried out the activity in a very neat and proper manner. The distribution in all the stages was carried out with proper social distancing, sanitization, etc.

Contribution of the volunteers of NSS SKNCOE is mentioned as follows:

No. of Volunteers who donated	Amount donated in total
124	INR 50,277/-

All the volunteers worked in a proper co-ordination to make this activity successful. The volunteers also appealed to step forward and help the needy. The Program Officer of NSS SKNCOE, Prof. Pingat Sir guided the volunteers in a very well manner to make this activity successful.

MASK MAKING ACTIVITY
(DURING COVID-19 PANDEMIC)

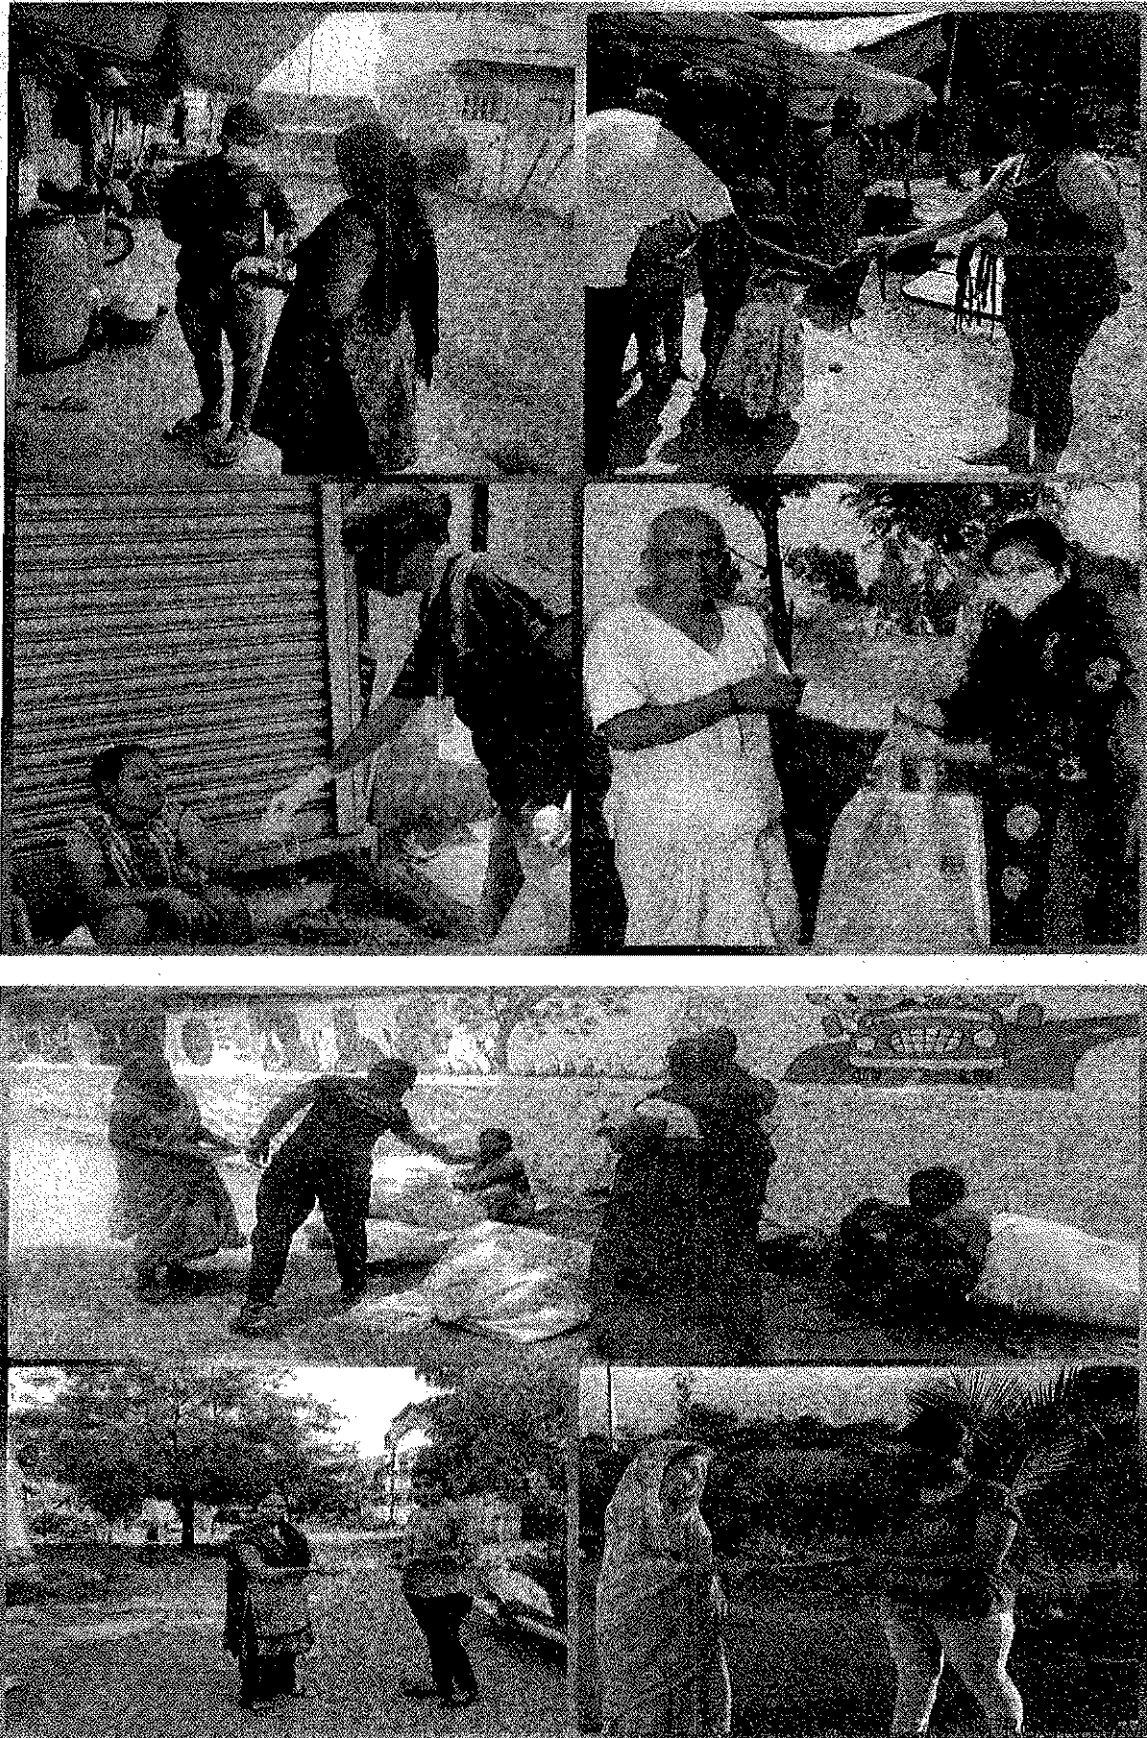

Due to the current situation that is Corona (COVID-19) Virus outbreak, NSS SKNCOE conducted **MASK MAKING ACTIVITY** for the people who were unable to afford masks. The activity was held from 5th May to 20th May. This activity was carried out in association with other colleges under Savitribai Phule Pune University. The contribution of girls from Sumati Balwan also helped us a lot. According to the current situation every volunteer of NSS SKNCOE carried out this activity from their home. Total 80 volunteers came forward to successfully complete this activity.

Volunteers made masks and distributed them among the people. Total 3518 masks were made. From which 3318 masks were made by NSS Volunteers and 200 masks were made by the girls from Sumati Balwan. The masks were successfully distributed among the people. All the NSS Volunteers participated in this activity with a lively spirit. The contribution shown by the volunteers needs to be acknowledged. The activity ended successfully under the noteworthy guidance of Prof. S. P. Pingat. This activity was a great initiative for the people who were unable to afford masks to protect themselves from coronavirus situations.

TREE PLANTATION
(VIRTUAL ACTIVITY DURING COVID-19)

Trees represent beautiful and resilient life which symbolizes an exquisite nature at its best. You may not plant millions of trees but if you can take care one single tree with love and care, which will make you great.

With this thought NSS unit of Smt. Kashibai Navale College of engineering, Pune took an initiative and implemented an idea of Tree Plantation on the occasion of World Environment Day in collaboration with Kartavya Welfare Trust and STES NSS units. This activity Started on 7th June 2020 under the guidance of program officer of NSS SKNCOE Prof. Sanjay Pingat Sir.

This year due to this pandemic we can't go out so we came up with different manner by taking #treeplantationchallenge. In this activity all the volunteers were asked to plant a tree or make a seed balls and sow it nearby house with all safety precautions and then take a photo or video and posting it on social media with "@nss_skncoe" tag. Also, volunteers were asked to nominate their friends to do the same. Process of making seed balls was also explained through the video and ppt.

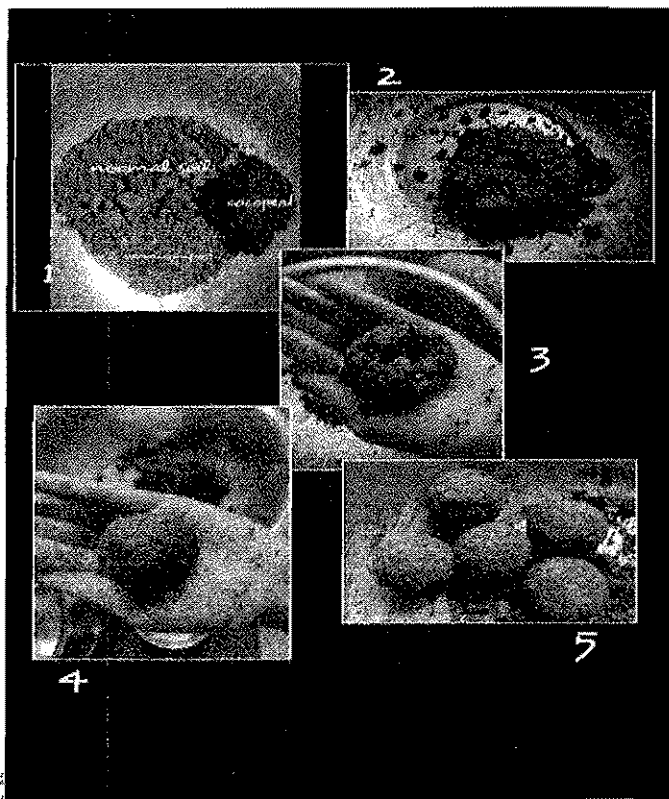

In this activity total 41 volunteers took part with enthusiasm. Total count of trees planted is 310 and 9 seed balls are made. All the volunteers were effectively involved in this activity and gave their little and long-term efforts to save the earth. So, in this way we together gave our small contribution which

PRAYAS YOUTH FORUM & SOCIAL AWARENESS FOUNDATION

2020

ANNUAL COMPUTER LITERACY & SOCIAL AWARENESS CAMP REPORT

SHENIT
(Ahmednagar)

Shri. Ravindra Nath Chitambar
Shri. Manoj Narayan Vavale
College of Engineering
Vadgaon (Bk), Pune-41

About Us

Prayas Youth Forum and Social Awareness Foundation is a non-profit organization est. in 2008 which prompts and supports education and development efforts in India. We at Prayas are making efforts towards bridging the gap between India and Bharat through contribution in different initiatives.

Prayas strongly believes in promoting literacy which is the need of present era. We work towards raising awareness about computer literacy among rural students and villagers. There are various career guidance sessions conducted to guide students about their career aspirations.

Free health and dental check-up camps are organized as a part of the program's health development campaigns in rural areas. Our activities are managed and monitored through well defined ideology with emphasis on transparency and accountability. Prayas raises funds through public contribution, commercial organization, etc. Prayas Youth Forum and Social Awareness Foundation is registered under society's Registration Act- 1860, under Government of Maharashtra.

Davandi

Davandi is type of street play which is kept informative and it is regarding the task that Prayas Youth Forum is going to conduct in that respective week. Davandi is the backbone of the Prayas camp because it helps us deliver a social message in most efficient way but also because it helps to develop communication between the volunteers. This year DAVANDI was followed by a GALBALA which created a strong atmosphere before the actual DAVANDI began. Davandi helps the villagers to get a better understanding of Prayas Youth Forum as they listen intently. It helps to boost the confidence of volunteers and improves their public speaking

Computer Literacy

As we are taking a step forward towards modern nation, digital awareness is must. when the cities are moving to using Computers for daily use, rural areas are still unfortunate to even have seen a computer. So as to overcome this gap Prayas organizes computer literacy sessions to aware students in rural areas about computer. 'Computer Literacy' is main motto of Prayas Youth Forum.

Students were very enthusiastic while interacting with us & they were excited to see a laptop for first time. They were very curious about how the computer works and how they can operate it. Students were taught basic knowledge about computer, MS paint, MS word, MS Excel, MS PowerPoint and higher grade topics such as Internet and IOT (Internet of Things). This effort is to ignite the willingness to learn computers and we support them as needed.

Page 5

Scientific Learning & Awareness

With the help of Scientific Learning, Prayas volunteers aim to generate the interest of learning Science in the minds of young students. The science behind everyday things is something young children are not aware of, and therefore it is our duty to spread awareness about such things. Most people in rural areas believe in superstitions which they pass on to their children. Due to this, there are a lot of misconceptions about everyday things in the minds of young children. We explained the scientific reasons behind such things and debunked many misconceptions and students realised the science behind such blind beliefs and pledged not to trust on such superstitions again.

The students were enthusiastic to learn Science and we got a great response from the students. Students were very happy to know and learn new things about everyday life. We explained some scientific concepts using scientific toys and students were so happy and enjoyed it very much. This session inspired many students to learn Science in a creative way.

Page 6

Career Guidance

Choosing the right career is very important for each and every individual. Prayas helps students to recognize their abilities and shows them a path to achieve their goals. Career Guidance is a crucial topic especially in rural areas where there are a very few resources available for the students. Due to this, many students don't get the right direction and may end up making wrong career choices. Prayas makes sure that all the students get the guidance they need and also solves all their doubts related to their chosen career. One-to-One career counselling was also conducted for 9th & 11th grade students so that individual attention could be given to each student. Counselling at the right age is an absolute need so that the students can choose a career according to their strengths. We, Prayas volunteers also donated a career path chart to all the schools that we visited so that the students in those schools can refer to them in the future. We believe that only when the youth is educated and is on the right track of their career, we can progress as a society.

Career Guidance
Volunteer

Blood Donation

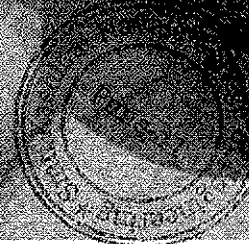

"GIVE BLOOD, GIVE NOW, GIVE OFTEN"

Many of us know that blood donors save lives every day through their blood donations so we at PRAYAS contributed to this good deed as well. BLOOD DONATION CAMP was organised on 14th FEB, 2020. This was one of the crucial activities conducted at the camp. The volunteers cleared every myth related to blood donations from the minds of the villagers. After that many people showed up with great interest and donated blood and genuinely felt good about it. The blood bank team from Akole carried out the task fantastically.

The Prayas volunteers also showed up at the donation from their busy schedule to show support to the cause and donate blood.

Page 8

Dental Checkup

As we know dental health is as important as fitness. So we provided free Dental check up for students as well as other villagers. Prayas volunteers and Sinhgad Dental College students collaborated to make this check up session successful. It was a great benefit to them as dental check ups are usually costly and not affordable for everyone in the village. Moreover, somewhere dental clinics are not available in rural areas. This event was organised on 9th-10th Feb 2020 at Ashramshala Shenit and Shelvihire village respectively

Around 500 people including students and villagers were given free Dental check ups. This dental camp was a huge success and efforts of volunteers paid off. We would like to thank Sinhgad college Dental team for co-ordination with us to make this camp successful.

Tree Plantation

Trees are our true guardians and tree plantation is the need of the day and we at Prayas are always keen on giving a momentum to this cause. Prayas volunteers planted one tree each school the visited. Importance of planting a sapling was delivered to students.

All teachers and students committed to take care of the planted sapling. Tree planting is not only helpful for the environment but also creating good memories between the Prayas and school.

Page 10

Various Competitions

Prayas had arranged various competition to encourage the students about the extra curricular activities. In soft skill competition, it included essay writing, drawing, quiz and speech competition. While in soft skills area, competitions included essay writing, drawing, quiz and elocution competitions.

All competitions were organized on 14th Feb, 2020 for all the students. During the activities we all volunteers recognized our co-ordination skills and team management. Prayasians will always remember the energy, excitement and aspiration of the students.

Prize Distribution

"A person who feels appreciated will always do more than expected." We organized prize distribution on 15th Feb, 2020 for appreciation of students. At 'Ashramshala Shenit', it was attended by students and their teachers. Students showcased their talent over the crowd by singing a poem and delivering speeches.

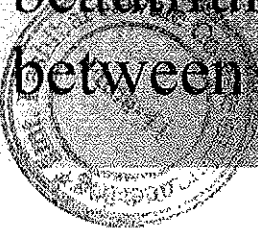

The best school was awarded with a trophy and winners in various events were awarded with trophies, medals and participation certificate. We aim to encourage students to develop interest in every field. After awarding them their dream to complete anything achieves the next level.

Volunteer Activities

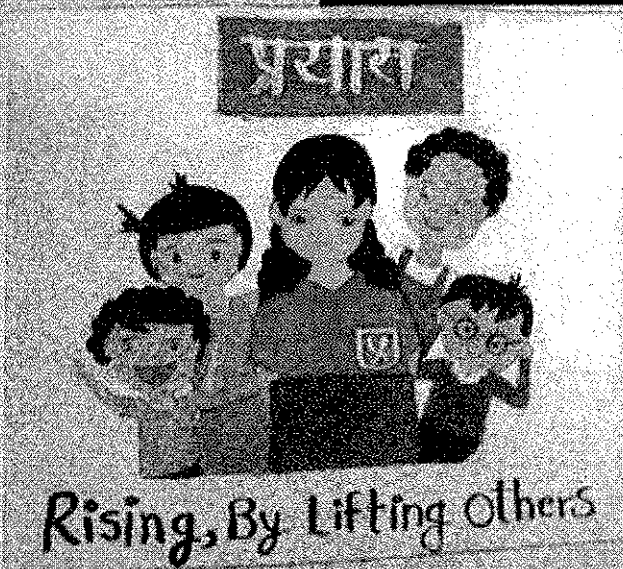

'Volunteer' activities refreshed the moods of all volunteers and also helped to know the skills of all volunteers. The activities were, discussion on given topic, solving map, etc. Multiple teams were formed between Volunteers for managing activity for given day. This helped Volunteers to work in smaller teams and manage from available resources. There was also representation of day skit by the respective teams. These activities showed how beautiful bond was there between each other.

PRAYAS SPPU TREE DISTRIBUTION AND PLANTATION DRIVE

(VENUE)
MAIN GROUND OF SPPU PUNE
(DATE)
23RD JUNE 2019
(Website)
<http://prayasyouthforum.org/>

SPPU TREE DISTRIBUTION AND PLANTATION DRIVE

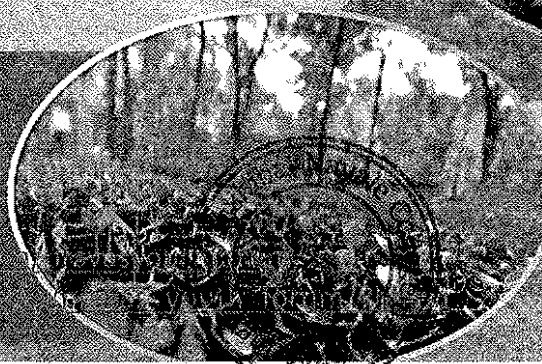

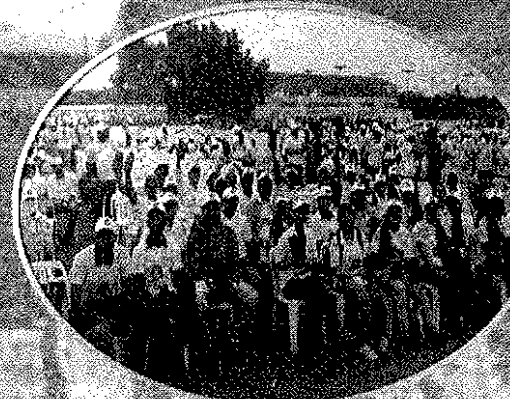

Pune : Prayas youth forum and social awareness foundation is a non-profit organisation which promotes and supports educational and development efforts in India. 'Prayas' meaning 'endeavour'. Trees are our true guardians and Tree plantation is the need of the day and we at Prayas are always keen on giving a momentum to this cause.

This year our enthusiastic Prayas volunteers indulged in the Tree plantation drive organized by SPPU in collaboration with NSS and various other social platforms. It aimed to make a record in Guinness world book. This drive took place on 23rd June, 2019 at the main ground of Savitribai Phule Pune University.

This campaign was inaugurated by our chief minister Mr Devendra Fadnis who also sensitized the importance of tree plantation through his motivational speech. Vice Chancellor of Pune University Dr Nitin Karmalkar and a number of other dignitaries were also present at the event. It witnessed the participation of hundreds of students from different colleges and social platforms who were all given a T-shirt, cap and a valuable SPPU Guinness world record certificate as a token of their involvement in the drive.

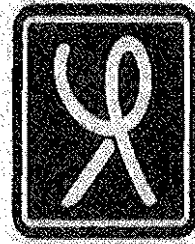

SPPU successfully marked it's record in Guinness World Book by accomplishing the distribution of 16731 saplings of Neem (Azadirachta Indica) in 2 hours 38minutes 30seconds at 11:15 am. The huge response gained at this drive gave a boost to propagate this cause on a wide scale through social media. We are immensely proud that Prayas was a part of this historical event.

"TREKKING AND CLEANING DRIVE"

PUNE| Prayas youth forum and social awareness foundation is a non- profit organisation which promotes and supports educational and development efforts in India. 'Prayas' meaning 'endeavor'. Our country India is a land of diversity. It has seen a number of great warriors and leaders who have left behind their legacy in the form of monuments. Immortalization of these monuments is our sole duty. One step towards this is by cleaning them.

[VENUE]
**SINHAGAD FORT,
PUNE**

[DATE]
15th September, 2019

[VOLUNTEERS PARTICIPATED]
35

Sinhagad fort is one such historical location which stands tall as a symbol of victory over evil. Thousands of tourists visit this fort every year and the premises tends to become unhygienic. As a result, today it has a new battle to fight- A battle against uncleanness. For this very reason, We, at Prayas Youth forum on 15th September, 2019 organized a "Trekking and Cleaning Drive" at Sinhagad fort.

It's main purpose was to clean and collect all the garbage that was found and place boards that requested people to keep the premises of the fort clean and therefore spread awareness regarding The Swacha Bharat Mission. All the volunteers were supplied with hand gloves and bags to collect all the garbage they found. This initiative taken by our enthusiastic volunteers was witnessed by a vast crowd, who was definitely influenced by our drive. At the end of our drive, the fort was well cleaned.

PRAYAS YOUTH FORUM AND SOCIAL FOUNDATION, PUNE-2019

"WARI STREET PLAY"

PUNE : Prayas youth forum and social awareness foundation is a non-profit organisation which promotes and supports educational and development efforts in India. 'Prayas' meaning 'endeavour'.

"Babagiri, Babagiri, Babagiri, Babagiri," volunteers of Prayas Youth Forum invites warkari of Pandharpur wari to play "Babagiri" based on cleanliness and environment protection. The play opens with a corrupt politician misusing money which sanction by government for infrastructures development for toilets and dustbins in village. Walkthrough to multiple scenario showing deuterating condition of village. After realizing his mistake, the politician launches a scheme 'Babagiri'. The basic intension of the play was to create awareness about cleanliness and hygiene. As the play continues further it also shades light on how to tackle environmental issues. Awareness towards using toilet, biodegradable plate, garbage disposal was conveyed in an effective way. Volunteers also perform Rap "Babagiri" to convey message of environment protection and cleanliness. Play ends with pledge to keep our surroundings clean and hygienic and spread the word of environment protection and hygiene to several citizens ahead.

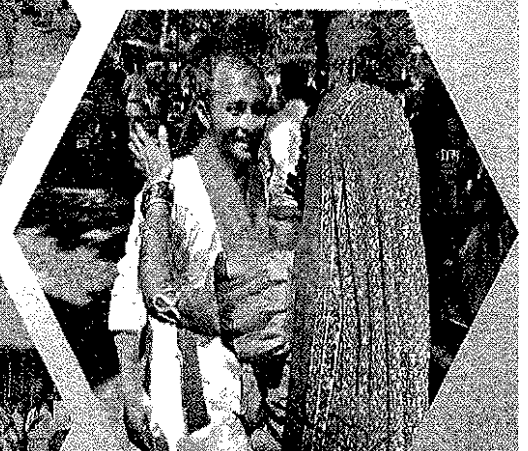

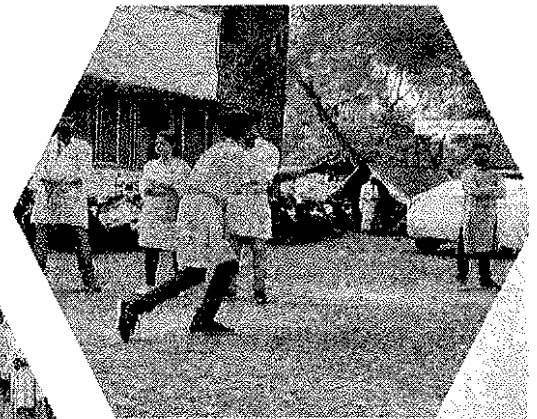

As street plays provide a wonderful platform to connect with people and what attracts Prayas Youth Forum is to get connected with people. In the similar way every year Prayas organizes various activities to support educational and developmental efforts in India. Prayas has always tried to Bridge the gap between India and Bharat (oftenly coined as rural India).

PRAYAS YOUTH FORUM AND
SOCIAL FOUNDATION,
"RISING BY, LIFTING OTHERS"

PRAYAS YOUTH FORUM AND SOCIAL FOUNDATION, PUNE, 2019

"GANPATI STREETPLAY 2019"

PUNE : Prayas youth forum and social awareness foundation is a non-profit organisation which promotes and supports educational and development efforts in India. 'Prayas' meaning 'endeavour'.

As we all know, Water is one of those natural resources without which, we can't even imagine about existence of Life. As a solution to this leading major issue, our PM Narendra Modi started River Cleaning Activity.

For Handful of Contribution to this holy work, Like every year This Year also Prayas Youth Forum in association with Sinhgad Technical Education Society performed Street Play on 'नदी राष्ट्रस्य महा अमृतम्'. In 13 societies and a village across Pune for 10 days of Ganesh Festival. Ganesh Festival is Celebrated all over our country with full devotion and joy. Relatives, Friends and Families come together on this divine and Auspicious occasion of Ganesh Utsav.

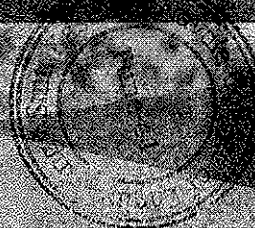

This year's subject for Street Play was 'River - Our National Treasurer' (नदी राष्ट्रस्य महा अमृतम्). The main aim of the Street Play was to spread the message that 'River is more than an amenity, it is a treasure' and to inculcate the thought of 'Keep rivers clean & Earth evergreen' in minds of Children and people. We motivated them to emerge Ganesh Idols in water tanks or buckets to avoid water pollution. We also convinced people, not to put the remains of an offerings made to dieties (निमोल्य) in the reservoirs.

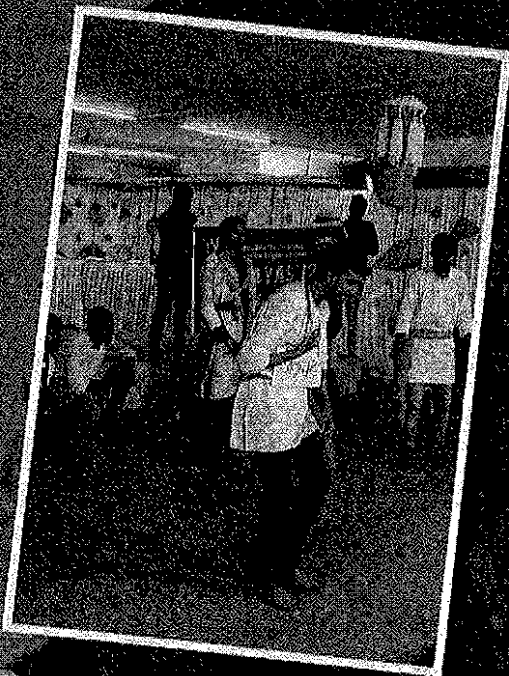

Volunteers endless endeavour, their dedication and devotion towards Street Play had been rewarded with an amazing response from people in various societies and little children saying the Holy Slogans of "Save Water Save Life". This Street Play activity tightened the sacred thread of Friendship among us. Every day the level of energy and enthusiasm was climbing the ladder of success. This Street Play activity was not possible without Impassioned guidance of our college Principal and Prof NP. Kulkarni sir. Prayas senior volunteers Swapnil Chavan, Nikhil Pathare had always been backbone in making the event to achieve a great success. Remains of offerings made to dieties, floral garlands can be helpful in organic farming.

We also came up with fantastic and innovative idea of donating "One book One pen" which will help the little ones in Flood prone regions of Sangli and Kolhapur.

Message from Trustee

Dear Friends,

One more year of learning from the grassroots, a series of Innovations and spreading in and out.

Education in rural India today faces a multitude of challenges. Problems like availability of technology, books, competition, basic facilities are becoming more and more severe. These and many other issues must be resolved to promote the importance of education.

We are still discovering many layers and aspects about our work and its impact on the last person we connect with. The Good news is that the idea is spreading, getting much more acceptance. It is growing bigger and deeper with the contribution of the masses in the cities, schools and villages. That gives us hope everyday.

Since the very founding of the Prayas Youth Forum, our fundamental mission has been to educate and technologically empower rural kids. I think "Once social change begins, it cannot be reversed. You cannot Un-educate the person who has learned to read. You cannot humiliate the person who feels pride. We have seen the future, and the future is ours."

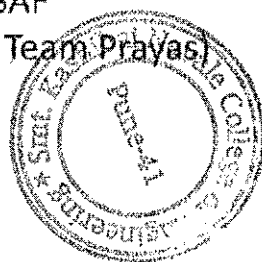

Join Us...

With Warm Wishes

Computer Literacy

As technology continues to advance, computer has become a part of everyday life. Thus, many people believe that computer literacy is vital to success in today's world. Computer literacy, also known as digital literacy, involves having a current knowledge and understanding of computer and their uses. Because the requirements that determine computer literacy change as technology changes, you must keep up with these changes to remain computer literate. With changing technology and need, Prayas team demonstrated, laptop and dekstop to Ashram schools and ZP Schools in Tal. Surgana, Dist. Nashik.

Career Guidance

Students studying at high school level are currently choosing a career basis parental, peer, and social influence. More importantly, a lot of them drop out of education post 10th class as they are not provided with any guidance. Also, there is a huge gap in aspiration and awareness of vocational career among the students. Seeing these issues, students were advised to identify their hidden talent through brain storming sessions. It has helped students to identify and select various streams like arts, commerce, science, vocational careers. This career guidance initiative is helping students to select career of their own choices.

Scientific Toys

Scientific toys are innovative toys that are designed exclusively to mix and blend education and fun. These toys are mainly designed to impart knowledge because they provide detailed and subtle facts on various aspects of life and physical sciences. They are mainly popular among the students who learn science and are curious to experiment on various scientific facts and data. Thus it helps a child to absorb more knowledge and ensures that the learning stays in the mind for longer time. Classroom teaching is not sufficient if you want your children to grasp more knowledge.

7000+

Students were demonstrated with Scientific toys and science behind it.

Street Play

Street Play is being recognized as a powerful tool for social change. Street plays are performed on important social messages. It is an effective tool of edutainment because it has effective components like relevance of topic, content of script, active participation of audience, strength of dialogues and physical movement which makes the play understandable through educating and entertaining audiences. Street play alone can never change the ills of the society, but at the same time entertainment part of it is something that works. A street play can be funny but at the same time hard hitting in your gut. Most of the theatre happening on the streets caters to people with different sensibility and therefore employing the tolls of music and poetry helps it to reach the audiences effectively.

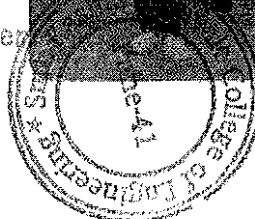

Street plays provide good and effective knowledge about different aspects and provide exposure of societal issues. Experience of involvement of young people in street play has clearly demonstrated that the process of planning, performance and post performance review enhances their life skills and motivates some of them to become catalysts of change.

With such moto prayas touched people on social issues like Sanitation, Save Girl Child, Swachh Bharat, importance of education, etc.

Sports & Soft Skill Competitions

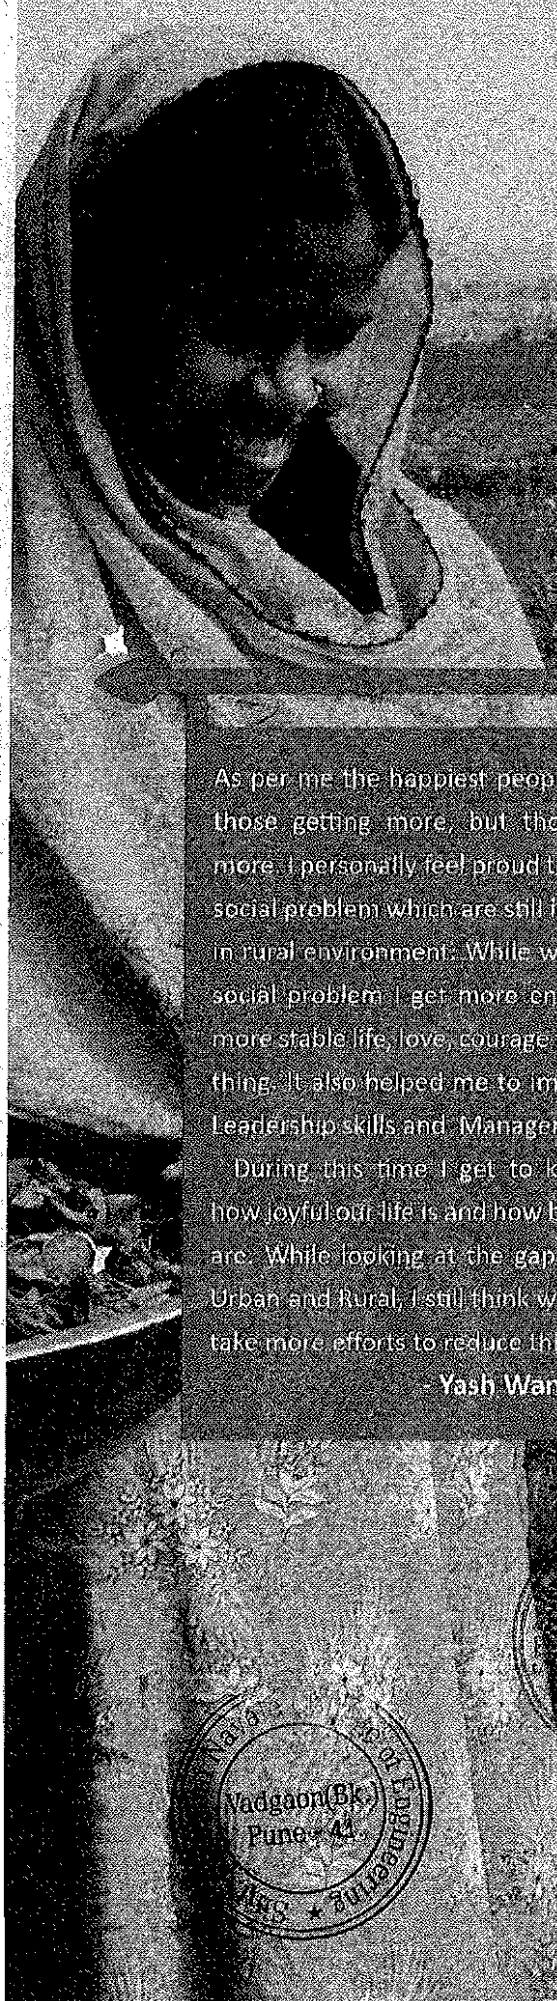

When students are physically fit, they will achieve more academically. Sport develops a sense of friendliness among the children and develop their team spirit. It helps children to develop mental and physical toughness. This is because sports improve their blood circulation and their physical well-being. Prayas organised sports competition like Kabaddi, Kho - Kho, Running and soft skills competitions like Essay, Elocution, Drawing which will help them to showcase there talent. All the participants were motivated by certificates and winners with prizes.

900+ Students participated in competition of 22 Schools.

Volunteers Testimonial

As per me the happiest people are not those getting more, but those giving more. I personally feel proud to work on social problem which are still in practice in rural environment. While working on social problem I get more enthusiasm, more stable life, love, courage to do anything. It also helped me to improve my Leadership skills and Managerial skills.

During this time I get to know that how joyful our life is and how biasful we are. While looking at the gap between Urban and Rural, I still think we need to take more efforts to reduce this gap.

- Yash Wankhedkar

Prayas is just an awesome experience. When we go in rural areas, we just see the things which we can see through naked eye but we can't experience that. Prayas taught me to experience hidden talent of kids. We live in a society where things are easily accessible but the situation in rural part is quite different. Prayas exposed me to situations which I would like change in coming as a social worker. Scarcity of water, Lack of education, lack of sanitation, etc.

- Mayuri Dukle

Never thought that a bunch of children living in remote areas can bring about a change in me. 'Prayas' gave me an opportunity to teach and learn from little brilliant minds sitting on the floor of schools with no chappals or shoes in their feet. I too dropped my shoes outside classroom. The floor was really rough. It was hurting my feet. But that wasn't the matter for those students. The enthusiasm and innocence in their eyes kept me going. We were sent to teach but we ended up changing ourselves. Each mind in a class of 40 students was special we just had to observe and learn.

- Kartik Rajurkar

WAY FORWARD

Collaboration is the key word for the upcoming year. To maximise national footprint of our programmes and strengthen ties with communities it is important to identify and partner with corporate, educational, social organisations and Villages.

In today's era technology will play a greater role in programme execution and monitoring. It will also be effectively deployed to improve the educational and agricultural initiatives.

Smt.Kashibai Navale College of Engineering, Women's Geievence Cell organized Half Day workshop on 'Self Defence', on 30th August 2019. Workshop inaugurated by Vice Principal Dr. K.R.Borole. Workshop conducted by Prof. S.M.Ingawale, Head Women's Geievence Cell and coordinated by Prof. Araddhana Deshmukh (Computer Engineering Department) along with ACE member Pallavi Parnaik, Mrigakshi and committee. Workshop session conducted by Bhagyashree Pisal (Black belt 1st dan)

Supriya supekar (Black belt). The world is changing there is a growing need for increased focus on self-defence and fitness. Bhagyashree provided many hints on "Self-defence should be taught to girls from a young age for their safety and protection, and it will surely help them evolve into stronger personalities. Moreover trainer also suggested for regular practice helps build determination, confidence, maintain physical and mental balance. It also helps overcome the high stress children face in their studies, gives strength and focus for an independent life, contributing to make our society better. Workshop attended by more than 60 girls of SKNCOE.

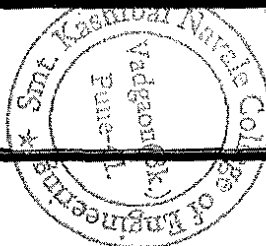

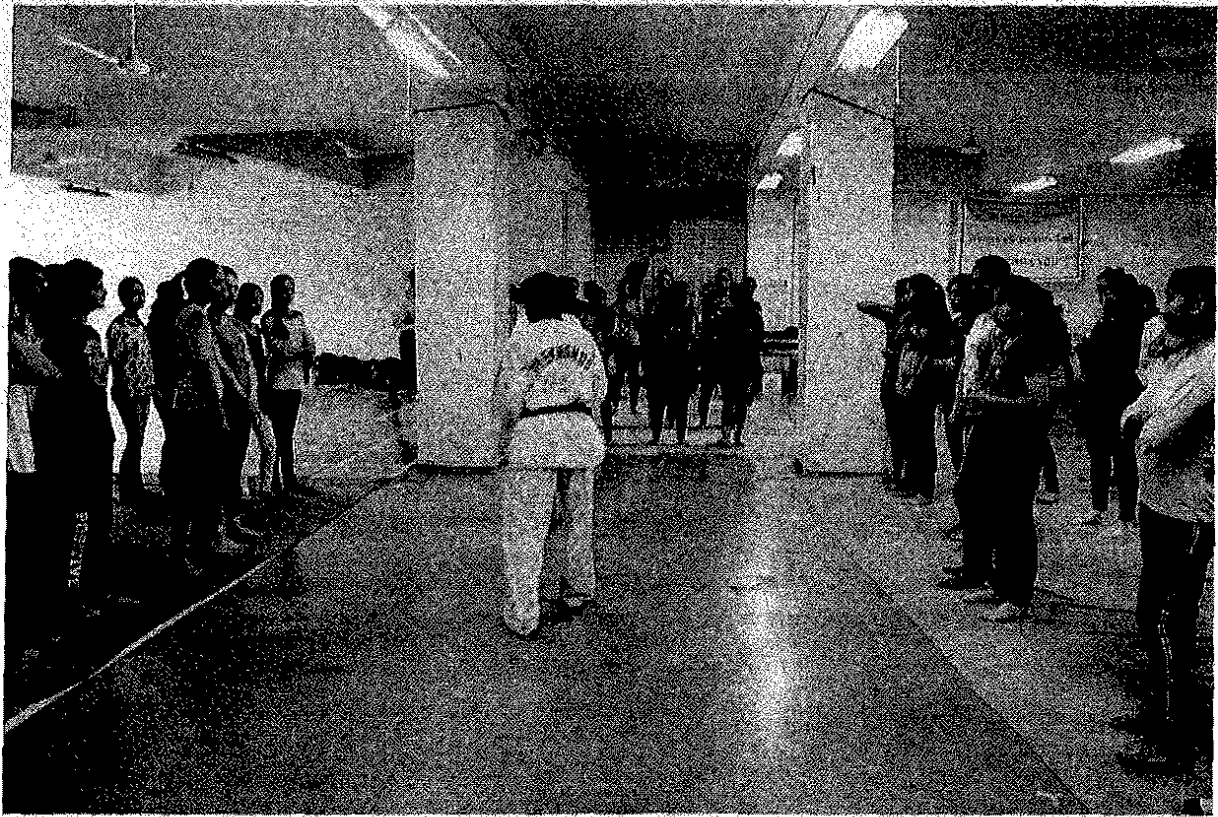

Women's Grievance Cell coordinated in SKNCOE by Prof. S.M.Ingawale (Head), Registrar Mrs. Kavita Borgave, Prof.Araddhana Deshmukh (Comp) Prof. S.S. Jahagirdar (E &Tc) , Prof. Saraswati Nagtilak (IT), Prof. Dr. Sawant (FE), Prof. Shewane (Mech). Thanks to SKNCOE Principal Dr. A.V.Deshpande sir and all Head of Department of SKNCOE for providing this opportunity to conduct this workshop.

DAY 1: 21st August 2018

All the volunteers were allotted specific places for campaigning. People were told about the activity and about the things which the Kerala flood victims were in really need of like medicines, packed food, clothes and many more. The volunteers went door to door and made people aware about the activity taking place.

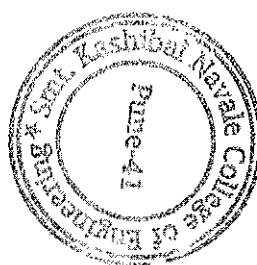

DAY 2: 22nd August 2018

The second day was completely the goods collection day. The volunteers collected all the goods donated by the people. The volunteers made Greetings which were given as a Token of Appreciation. We got a good Response to the activity from people.

The Eco-friendly Ganesh-Utsav was so successful that pollution of natural water sources due to lord Ganesh idols reduced significantly. Every year people in Vadgaon (bk) were facing trouble of idols and their residuals remaining in water sources. People promised to by only clay (shadu) idols from next year. NSS activity really made society proud and healthy. Ganesh utsav is holy tradition that is by, of and for the people. Let's all celebrate that spirit. Ganpati Bappa Morya !

NSS Volunteers with Traffic Police near Vadgaon Bridge

On 13th Sept. volunteers reported at 10:30 a.m. near cultural centre where all the instructions were given. After having a small breakfast all the volunteers marched towards **PMT bus stand**. All the volunteers eagerly waited for bus for more than one hour under a small tree situated near bus stop to hide themselves from 11 passed sun.

After reporting, volunteers were provided with a **whistle** and divided into a group of 7. Every group had different location under surveillance. Situations like public not listening, vehicles not clearing the place etc. arrived where managing was a bit tougher. Unity of volunteers along with police support helped them to keep every situation under control

The Ganpati Miravnuk started around 5 pm. Dhol Tasha pathaks and DJ systems attracted huge amount of public on road. This increased traffic and even road blocks at certain spots. According to the instructions volunteers started their work. Immense crowd at certain spots tested volunteer's patients and handing capability. Coordinating with police, volunteers were able to clear the traffic and give path for Ganpati miravnuk.

Day 2

(13th January, 2019):

The day started with jogging and exercise followed by yoga early in the morning at 6 am sharp. The schedule followed cleaning of school premises ,singing national anthem and NSS song. This was our daily morning ritual.

After breakfast and tea , the day proceeded with pre-planned activities(**SHRAMDAAN**). 4 out of 5 teams worked hard till lunch time whereas one team stayed at campsite and prepared food. One team out of the four field work teams build a bund and others removed mud out of existing bund. After lunch at 2 pm seniors visited the camp site for an interactive session of expressing knowledge and fun games. The evening was full of awareness programs in the form of street plays and interaction with villagers. The day ended with supper and a final review meeting.

Day 4(15th January,2019)

After daily exercise and jogging , the volunteers started with a trekking adventure on a hill nearby. The trek tested our limits of hiking but was a great refreshing experience. By 10 am all the team came down had breakfast and started with the **SHRAMDAAN**. The walls were yet to be cleaned with sand paper for painting them. Everyone including the teachers assisted in doing this job.

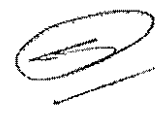

The evening session was conducted by Gogavle Sir with a rhythmic chime.The "LOKGEET" filled energy in the volunteers to work even more harder. After the session everyone continued with their work . Finally after that we proceeded with dinner and review meeting.

CCT Mini Camp 2019

National Service Scheme (NSS) unit of Smt. Kashibai Navale College of Engineering, Pune has organized a 3-days CCT Mini-Camp at Guhini Village that comes in Pune District, Maharashtra. It is imperative to mention that this Mini-Camp was in collaboration with SCOE NSS. As volunteers of NSS Unit SKNCOE regularly organize different activities in and around the campus, this time the volunteers planned to organize a Mini-Camp in the village which is adopted by NSS SCOE college. The objective of this camp was to solve the problem of shortage of water in Guhini village.

The volunteers excitingly participated in the discussion and planned the roadmap for camp along with guided supervision of Mr. Sanjay Pingat Sir, Program Officer, NSS Unit SKNCOE. The guardian staff that came with the volunteers was Prof S. V. Mahajan, Prof S. S. Suthar and Prof C. M. Sapkal. Count was of total 120 volunteers. They were divided into 12 groups. Each containing 10 volunteers. Groups were formed in such a way that one group should consist of volunteers from different department, different courses, different language and most important different college. Further, each group consisted both male and female volunteers. Leaders were selected from each group for better coordination and delegation of responsibilities. Camp started on 16th March 2019. All the volunteers were excited. As preplanning, our Technical team consisting of 10 volunteers went to Guhini a day before Camp i.e. on 15th March, they reached their

and on next day on 16th March early in the morning they started with the CCT marking work. Also, posters were prepared regarding the CCT Mini-Camp. Every volunteer was self-motivated and excited for the camp. And most important is that this camp was open to each and every student of SKNCOE and SCOE.

Day 1, 16th March 2019

Finally, the day everyone was waiting for, arrived. All NSS volunteers reported to SIOM back parking at 8:30 a.m. We departed at 9:30 a.m. We reached to the village around 1 p.m. Our stay during camp was at village Temple and School for boys and School for girls. Students settled in there with many unknown faces.

The responsibilities were assigned to Group leader and volunteers for proper working of the group. All volunteers cleaned the base camp and kept their belongings and within this time the lunch was ready for all volunteers. All volunteers had lunch, then took rest and lined-up at 3:30 p.m. Then the volunteers were divided into 12 groups with all unknown new faces. Target was of 1 CCT by each 10 groups. Finished the target by 6:30 p.m. and after being refreshed-up went to base camp. Took the rest, then interactive session was conducted giving information to all volunteers about the village their different problems and then all volunteers had dinner and after that went to sleep.

NSS Volunteers of SKN and SCOE for Mini-Camp

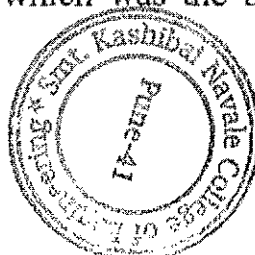

Technical Team doing marking of CCT

Day 2, 17th March 2019

All volunteers lined up at 6 a.m. sharp, those who were late was punished. Then the 120 volunteers were divided into 12 groups each of 10 volunteers irrespective of college, which was the best part of camp as the

volunteers got to know each of the individual volunteers on camp. Among the 12 groups, 10 groups were for digging CCT, 1 group was of Kitchen team who prepared the tasty food for the volunteers and the last but important group was of Technical team who used to do the marking of the CCT.

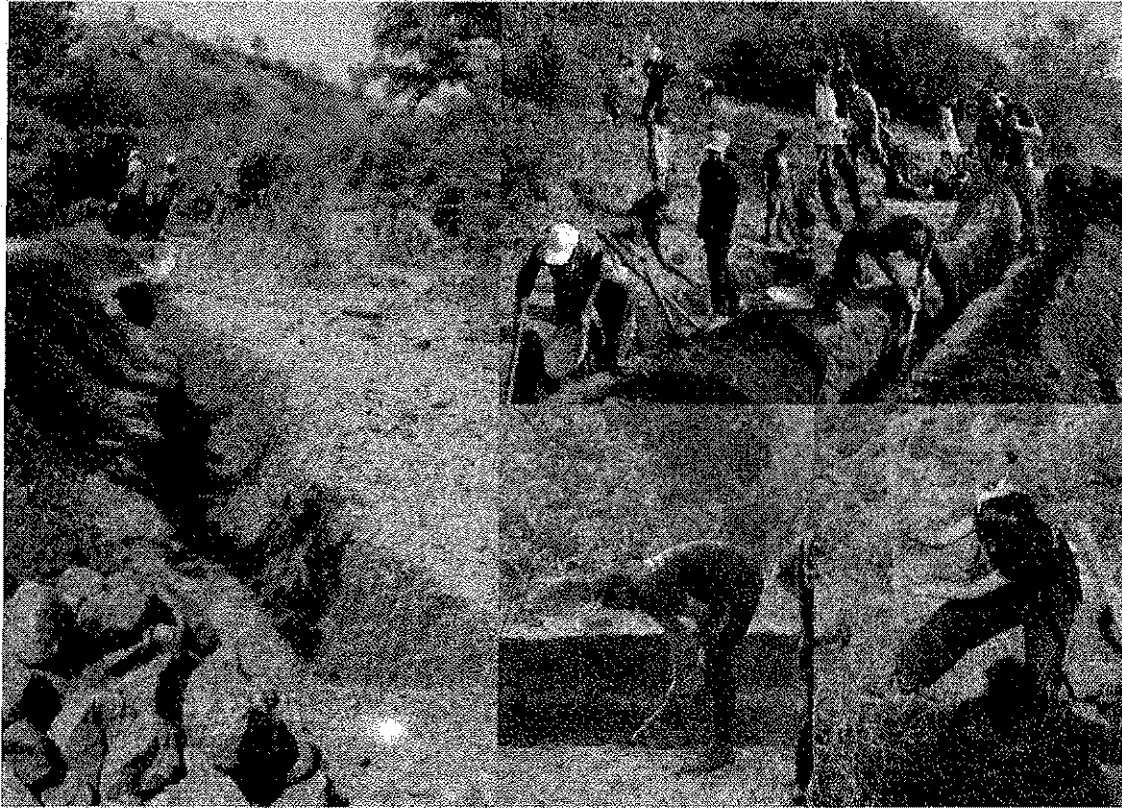

The work began at 7 a.m. with full of enthusiasm and positive energy in each and every NSS volunteers. So, we all NSS volunteers marched towards the location and started the work. Not only boys but also girls were as equally as boys in digging CCT. Girls were giving a neck-to-neck competition to boys in friendly way. The target for this session was of 2 CCT to be digged for each group. So, sticking to our target each group finish their 1st CCT by 9:30 a.m. and moved to 2nd CCT. Then all volunteers had breakfast made by kitchen team so that no volunteer could have any sort of problem. After that, 2nd CCT was also finished by 1 p.m. around. Then all volunteers had stopped their work, went to get fresh and then took the tasty lunch. Then there was a break for all volunteers so that they can take a proper rest and break ends up at 3:30 p.m. After break, all volunteers lined-up at 3:30 p.m. sharp, and again the volunteers were shuffled in different groups. This session target was 1 CCT by each group. The groups finished their work by 6:00 p.m., went to get fresh and then all volunteers formed a chain to fill the water for drinking and for cooking from Well to boy's base camp, which resembles unity of work and doing work in less time. Then there was a relax time for volunteers in which some played various games, some girls interacted with village people teaching them the Origami Artwork for extra income. Then all gathered for having dinner and after dinner there was a 'Bhajan' in temple, and volunteers took part in it in a very enthusiastic way.

Day 3, 18th March 2019

Then comes, the last day of camp. All volunteers lined-up at 6 a.m. sharp, again volunteers were shuffled in 12 different groups. Towards target was 1 CCT by each 10 groups. This target was finished early because of experience of digging before CCT's. After completing, all volunteers went to base camp, cleaned the base camp properly of boys as well as of girls. Then a small session of experience sharing happened, in which volunteers took part actively and shared their experienced. After that, Coordinators from SKN and SCOE shared their experienced and were felicitated by super seniors of NSS from being successfully conduction of 3-days Mini-Camp at Guhini Village.

At last, the buses came and we leave the village with happy faces of the villagers as well as of our volunteers.

Experience sharing and felicitation of Coordinators

This Mini-Camp was conducted in 4 sessions in which 120 volunteers dig 38 CCT which can hold 60,000 thousand liters of water (means 12 water tankers) and total labour cost, Hydrometer and other small expenses all including this, volunteers did Rs.1,50,000/- work in only 3 days. By digging these 38 CCT's 11-12 lakh liters of water is absorbed by water which inturns increases the ground water level.

ABOUT US

Prayas Youth Forum and Social Awareness Foundation is a non-profit organisation which promotes and supports educational and development efforts in India. 'Prayas' meaning endeavour. We at Prayas are making efforts towards bridging the gap between India and Bharat (widely coined as rural India) through contribution in different initiatives. We aim to achieve all round development of society by channelizing dynamic youth power. We believe in "Empowering Intelligence for Sustainable Change", change in every aspect. We work in areas like Computer Literacy, Women Empowerment, Health & Dental Checkups.

DAVANDI

Davandi is a type of street play which is performed on the first day of camp. In Davandi, we give all the information about Prayas and what we are going to do in their village in those 8 days of camp. Many villagers gather around and listen intently to each and every dialogue of Davandi. The impact that Davandi has on the villagers is tremendous and therefore all the volunteers work hard to make it successful. This year we performed Davandi twice in two different places in the village & we got a huge response from all the villagers who were present for the Davandi.

PRAYER

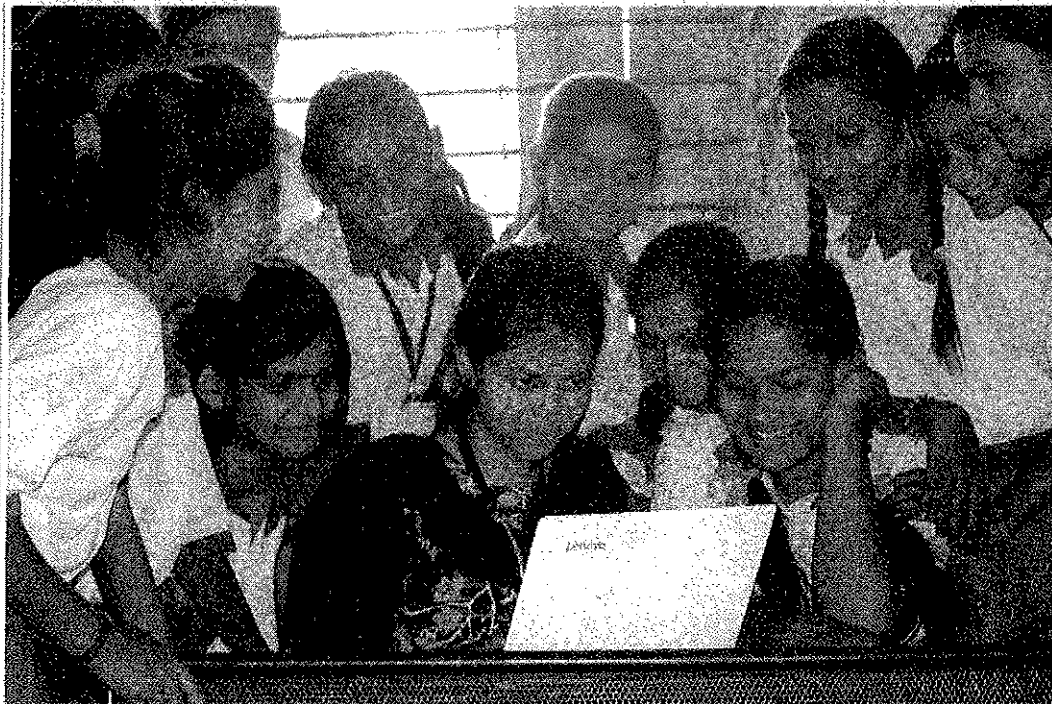

Every single day of the camp was started with the most important routine of the day which is meditation & the recital of prayer. All the volunteers used to gather together at 6 am everyday for the Prayer. This routine helped keep the volunteers rejuvenated the entire day. At the end of the camp, the prayer was something which each and every volunteer had memorised.

COMPUTER LITERACY

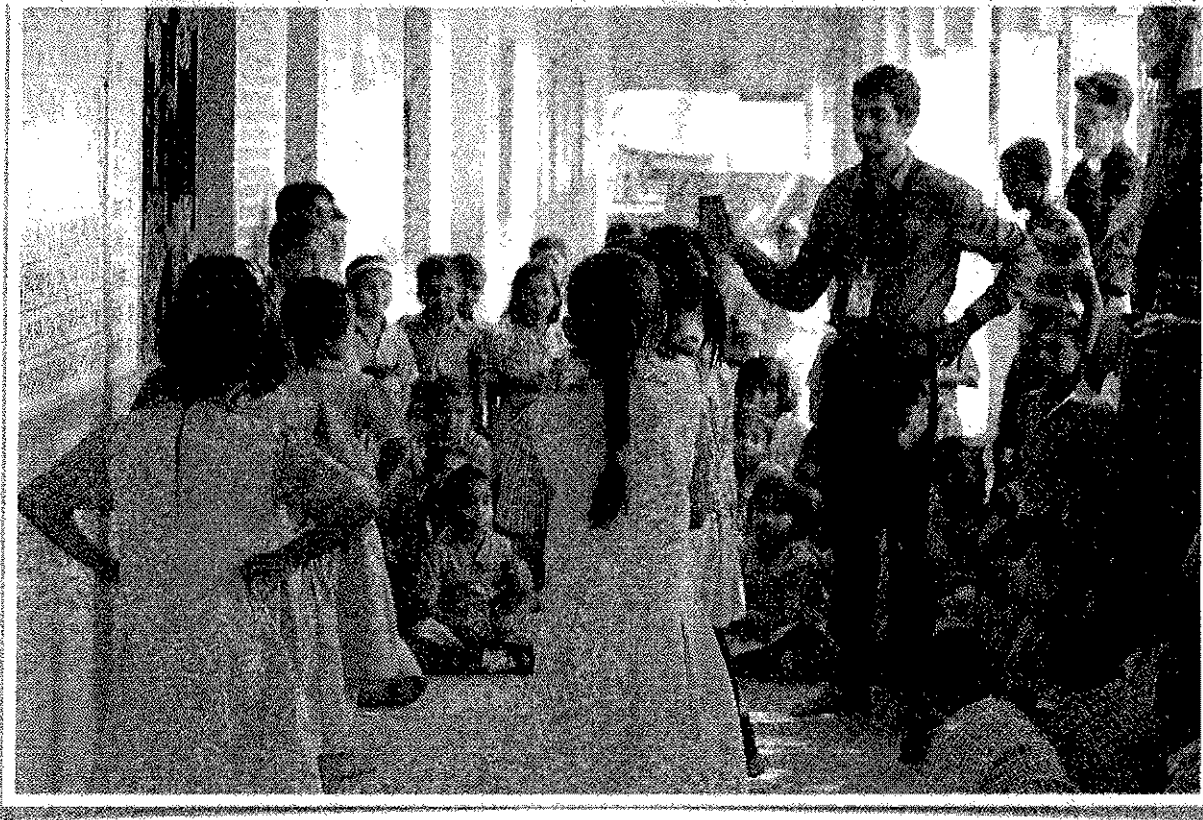

As we are progressing towards a modern India, 'Computer Literacy' or 'Digital Awareness' is the need of the hour. We at Prayas want to take computers to the root level and make the children in villages aware about the various technologies available for us today. The students were very enthusiastic while interacting with us & they were excited to see a laptop for the first time. It was a huge opportunity for the volunteers to teach something new to the students of the village. The students were taught about MS Paint, MS Word, MS Excel, MS Powerpoint and the higher grades were taught topics such as Internet, Internet of Things & Machine Learning.

SCIENTIFIC LEARNING

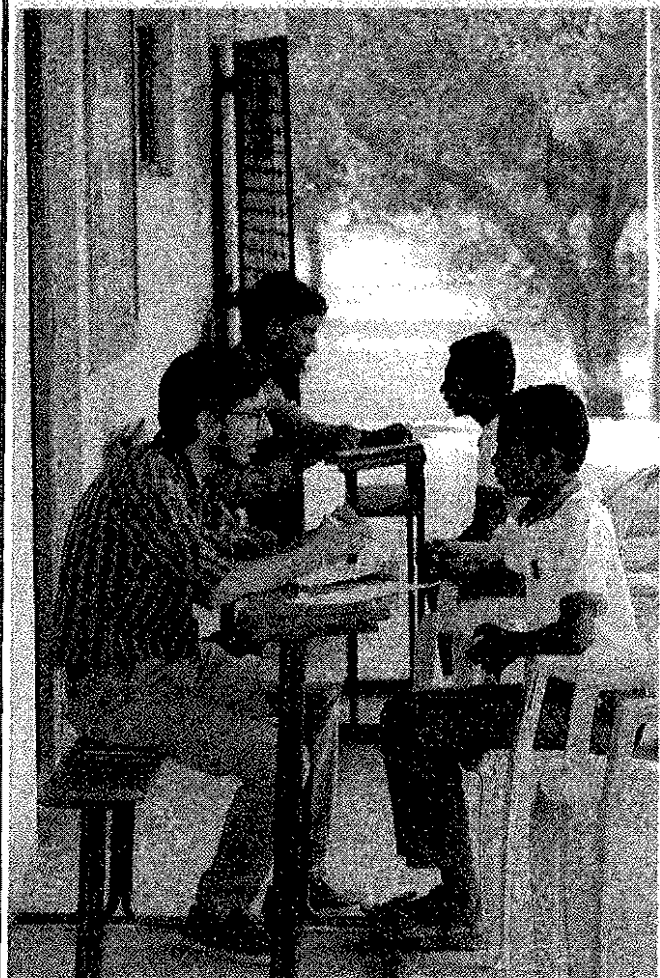

With the help of Scientific Learning, Prayas volunteers aim to generate the interest of learning Science in the minds of young students. The science behind everyday things is something young children are not aware of, and therefore it is our duty to spread awareness about such things. Most people in rural areas believe in superstitions which they pass on to their children. Due to this, there are a lot of misconceptions about everyday things. We explained the scientific reasons behind such things and debunked many misconceptions. The students were enthusiastic to learn Science and we got a great response from the students. Students were very happy to know and learn new things about everyday life. The topics which were covered in Scientific Learning were Solar System, Eclipses, Echolocation, Scientific experiments & toys. This session inspired many students to learn Science in a creative way.

Page 8 of 27

CAREER COUNSELLING

Choosing the right career is very important for each and every individual. Prayas helps students to recognise their abilities and shows them a path to achieve their goals. Career Guidance is a crucial topic especially in rural areas where there are a very few resources available for the students.

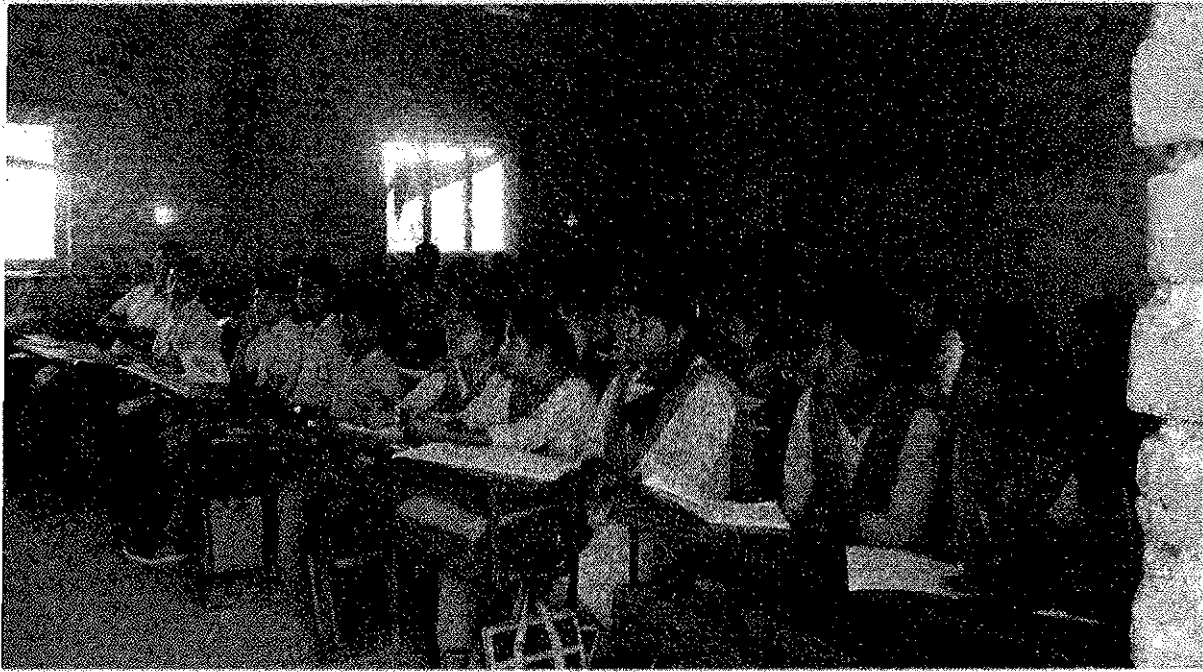

Prayas makes sure that all the students get the guidance they need and also solves all their doubts related to their chosen career. One-to-One career counselling was conducted for 9th & 11th standard students. Counselling at the right age is an absolute need so that the students can choose a career according to their strengths. We counselled 1000 students in collaboration with 'U2R' (Urban to Rural Mentoring) team and we also donated a career path chart to all the schools that we visited so that the students in those schools can refer to them in the future. We believe that only when the youth is educated and is on the right track of their career, we can progress as a society.

MEN-WOMEN EMPOWERMENT

Women Empowerment is a topic which is widely discussed in the recent years. But not many people talk about Men Empowerment which is equally important. Students of higher grades were taught about various issues related to them as well as the society. Men-Women Empowerment session helped the students to open up and discuss their doubts with the volunteers. The topics that were discussed included awareness about both mental as well as physical health. In rural areas, people usually don't talk about issues related to women, which can then cause many misconceptions about such issues. We want to break this barrier and make sure that each and every person has access to the right information. This is a very crucial topic and we are grateful to everyone who helped in making this session successful.

TEACHER TRAINING

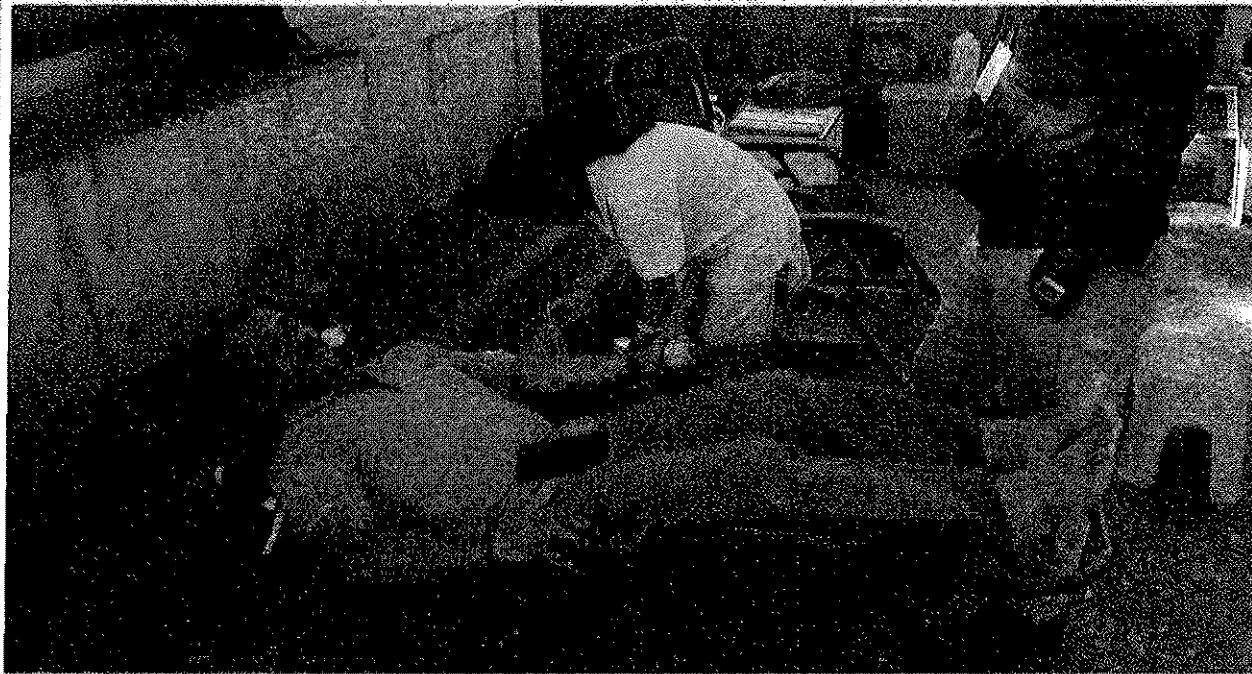

Teacher Training is a session which was conducted for teachers of the schools that we visited. Teachers were made aware about the usage of their mobiles in a more productive way. It included topics such as Gmail, Google Drive, Google Photos, Google Sheets & creation of blogs. We got a great response from the teachers and they wanted to know more about various topics. They also asked various doubts which they had and the volunteers solved them in an effective way. The motive behind this session was that only when the teachers are aware about the changing trends of technology, they can pass their knowledge to the students in their schools. We would like to thank all the teachers & principals of the schools for their cooperation in making this session successful.

BLOOD DONATION CAMP

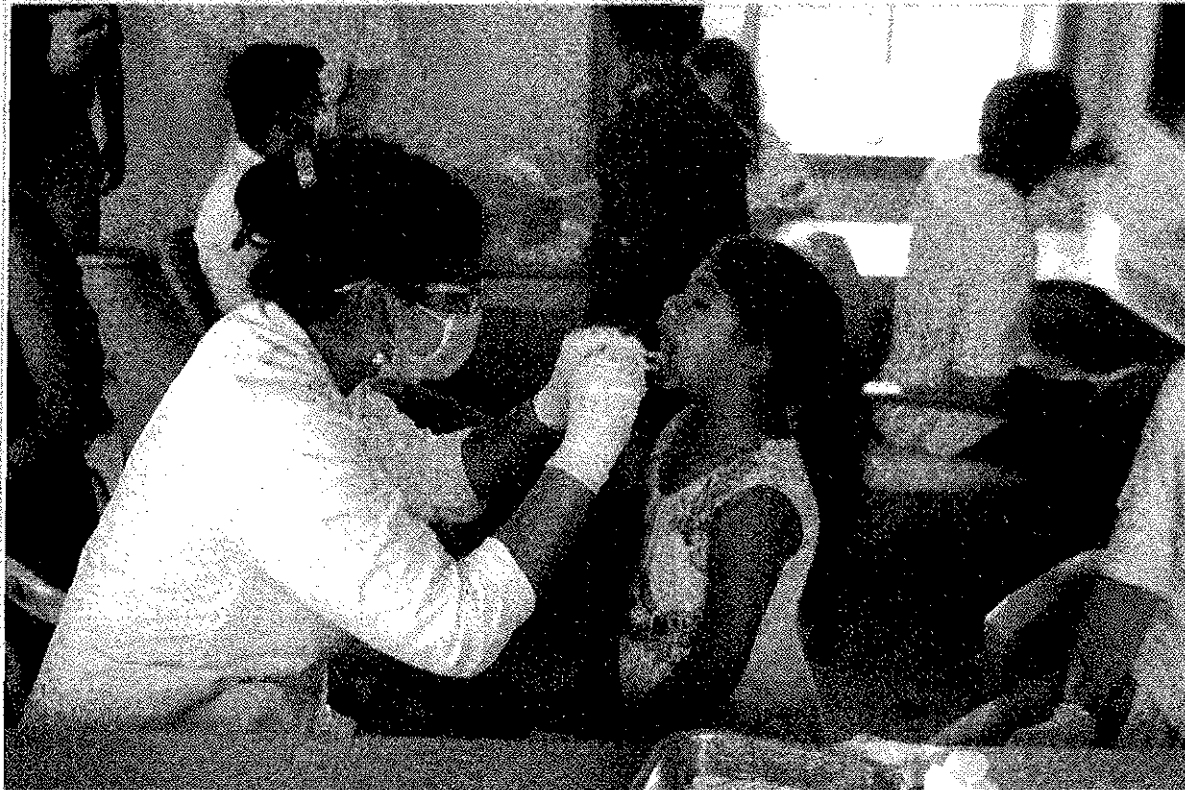

Blood Donation Camp was organised by Prayas Volunteers on 19th February 2019 on the occasion of Shiv Jayanti at Shaneshwar Mandir, Shani Shingnapur. Many villagers had misconceptions about donating blood but we, the volunteers made them aware about the benefits of donating blood. Blood donation is a noble deed and thus rural areas should be made aware about this great cause. Many Prayas volunteers also took part in this camp and donated blood.

FREE DENTAL CHECK-UP

Prayas volunteers and the Sinhgad Dental College students collaborated to make this check-up session successful. We provided free dental check-up for students as well as other villagers. It was of great benefit to them as dental check-ups are usually costly and not affordable for everyone in the village. This camp was organised on 21st February 2019 at New English School, Mula Karkhana & Shaneshwar Madhyamik Vidyalay, Shani Shingnapur. Around 1000 people were given free dental check-ups. This dental camp was a huge success and the efforts of all volunteers paid off after seeing such a positive response. We would sincerely like to thank Sinhgad Dental College students who conducted the check-ups and coordinated with us to help make this dental camp a huge success.

TREE PLANTATION

The environment is considered as our most helpful ally as it contributes towards making the life of human beings easier. Therefore, it is our job to take care of the planet we live in and to reduce wastage of natural resources. We, Prayas volunteers have taken a small step towards helping our environment which is planting a sapling. We planted trees in each and every school that we went to and taught the students about the importance of conservation of natural resources. The students as well as their teachers were extremely supportive and they promised us that they will take care of the environment. Tree Plantation is small step which makes a huge difference and hence each one of us should take an oath that we will take care of our surroundings and our environment.

SHIV JAYANTI EVENT

Shiv Jayanti is widely celebrated across India on 19th February every year. In Shani Shingnapur, it was no different, the whole town was lit up for the occasion. The main program which included speeches, plays & songs related to Chhatrapati Shivaji Maharaj took place near the Shaneshwar Mandir. Around 12 Prayas volunteers participated in the event. We had organised a play related to social issues as well as a Powada for which we got tremendous appreciation. One of our volunteers also gave an impactful speech for which he got a huge response as well as praise from the audience. We, as volunteers also learnt about crowd management while walking in the Shiv Jayanti parade. We are very grateful that we got a chance to perform in front of such a huge audience and also for the immense support of everyone in Shani Shingnapur.

VARIOUS COMPETITIONS

Prayas had organised Sports & Soft Skills Competition Day on 23rd February 2019 for all the students from various schools of Shani Shingnapur. The sports competitions included Running Race, Kho-Kho & Kabaddi and the Soft Skills competitions included Essay Writing, Drawing, Quiz & Elocution. All the volunteers coordinated with each other and we learnt a lot about team management. The students who participated were enthusiastic about the competitions and there was an immense response for each and every competition that was held. Students should be taught that along with academics, they also need to develop an interest in extra-curricular activities and we should encourage them to take part in such competitions. The energy of the students was something which no volunteer will ever forget.

PRIZE DISTRIBUTION

After the Sports & Soft Skills Competition Day, Prayas had organised a Prize Distribution Ceremony for the winners as well as the participants on 24th February 2019. It was attended by many students as well as their parents and teachers. The students waited eagerly when the winners were announced and they also showcased their talent by singing poems and giving speeches. The best school was given a trophy and all the participants were given certificates of participation. We need to encourage more students to participate in sports and other extra-curricular activities so that the students are developed in all fields.

VOLUNTEER ACTIVITIES

Volunteer activities played a major role in every volunteers' life during the entire camp. The activities conducted were designed in such a way that it helped the volunteers to develop various skills such as team work, communication skills & coordination. Some of the activities were Discussion & Debate, Interpreting the given Picture, Knowing the words in our Indian Constitution, etc. After participating in such activities, we were refreshed as well as we learnt many new things.

VOLUNTEERS' TESTIMONIALS

Never did i know that i would meet people
without filters,
Never did i know that people could stain
hearts in just 8 days,
Never did i expect scattered warmth and
care from strangers,
Never did i know pieces of papers, cuttings
from cards were lazers of happiness,
Never did i know hugs from those tiny souls
were supplements to my heart,
Never did i know sharing plates was the seed
of friendship,
Never knew that resting was a regret while
others worked,
Never knew losing things wasn't a loss,
Never knew that i could pluck and present
my words in seconds during those short
activities,
Never knew that overworked paralysed
bodies could work with extra spirit each day,
Never knew that my necessities were so
little,
Never knew drowning in dirt could still make
one feel so clean,
Never knew that a day was all it took to
mould minds,
Never knew that Prayas could penetrate
one's heart,
For me, it was a Prayas of discoveries.

ACKNOWLEDGEMENT

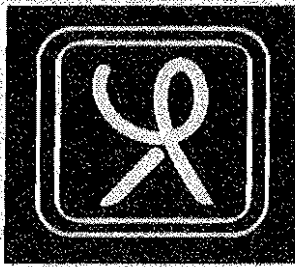

We would sincerely like to thank Savitribai Phule Pune University for their consistent support in all Prayas activities and in making this camp successful. Also, we are sincerely grateful to Sinhgad Technical Education Society (STES) for believing in us and giving us this opportunity to conduct camp in Shani Shingnapur.

We are grateful to Kulkarni Sir, who guided us throughout the year in all different activities and provided great support for camp with his presence. We would like to thank Mr. Photphode Sir and Mr. Birajdar Sir who were with us during the entire camp helping and sharing their knowledge with us. We would also like to thank Velapure Sir (SITS), Pawar Sir (SKN), Dhyaneshwar Sir (RMD), Gawalee Sir (NBN), Swati Ma'am (NBN) for their guidance. We would also like to thank each and every volunteer of Prayas as their efforts helped make this camp a successful one.

All the volunteers gathered at SKN parking at 8:15 am. The volunteers were in huge number. Around 200 volunteers participated in the plantation drive. They were split into two groups. One group set off to work and Donaje while the other worked at Taljaai.

The volunteers worked with great enthusiasm. Humanchain was created at Taljaai location to transport the saplings from office to the planting location. Holes were dig by the volunteers for plantation and then the saplings were planted.

2. Eco-Friendly Ganesh-Utsav

The N.S.S. unit of SKNCOE organized an event 'Eco-friendly Ganesh-Utsav' during Ganesh festival. This event was a large series of activities carried out by NSS team in collaboration with National Chemical Laboratory (NCL) and Pune Municipal Corporation (PMC).

Duration of event:

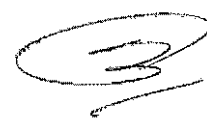

- Commencement-25th august 2017
- Completion - 4th September 2017

The aim of the event was to create social awareness about the pollution caused due to the immersion (visarjan) of Ganesh idols in the rivers, lakes, wells or other natural water sources.

The event contained series of activities like street plays, One to one communication with residents, rally and Pamphlet distribution. NSS volunteers performed street plays in various societies, public places. The theme of the street plays was eco-friendly immersion of Ganesh idols to preserve our natural water resources.

College of Engineering
Vadgaon(Bk.), Pune - 41.

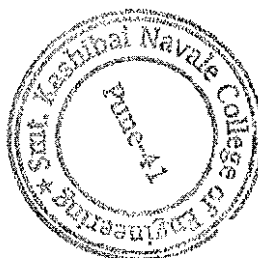

PROGRAMME OFFICER
National Service Scheme
Smt. Kashibai Navale
College of Engineering
Vadgaon, Pune - 411 041.

The message conveyed via volunteers was to prefer clay (shadu) idols instead of plaster of Paris (POP) Ganesh idols. In case of POP idols, the immersion should be carried out at home using ammonium bicarbonate (ABC) powder in proper proportion with water. The powder packets were made available at PMC ward offices. One of PMC ward office was very close to our activity zone making our activities more effective.

The details of street plays performed in societies are as at follows. The residents agreed to use new eco-friendly methods of immersion and appreciated the enthusiasm of NSS volunteers.

4. Blood Donation Camp

The NSS blood donation camp was organized on 16th september, at Student Activity Centre SKNCOE with the help of Smt. Kashibai Navale Hospital, Pune. It began at around 10 am and continued up to 5 pm. The campaign gathered a large number of Staff and students who voluntarily donated their blood as well as random stream of donors throughout. The people who participated in this event were happy in helping out the society in the way they could.

It was a wonderful experience spreading awareness and motivating the students. Besides college campaigning, we also promoted the drive by holding the posters with different slogans like DONATE BLOOD SAVE LIFE and encouraged as many students as possible in campus. As a result, there was an overwhelming response from the donors with their participation in this noble cause. In order to acknowledge each donor for their contribution, donors were distributed certificates provided by Sinhgad Blood Bank. They were also provided with refreshments not to feel dizzy or weak after donation.

5. CLEANLINESS DRIVE

29th September 2017

The NSS unit of SKNCOE organised a cleanliness campaign at Ambegaon (Bk.), Pune. Volunteers of the NSS unit planned the campaign and actively participated. Volunteers started work at 7 am under the supervision of Prof. Sanjay Pingat (program officer NSS SKNCOE). Morning walkers also appreciated the activity by the NSS unit. In a span of three hours, students picked up wrappers, bottles, straws and dry/useless vegetation.

6. NSS Special Camp Report

NSS Cell, SKNCOE at Donje Village, Pune.

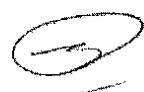

15th to 21st Jan 2018.

National Service Scheme (NSS) cell of Smt. Kashibai Navle college of engineering, Pune has organized a One Week Special Camp at DONJE Village that comes in Pune District, Maharashtra. It is imperative to mention that the DONJE has been adopted by our college. As volunteers of NSS Cell SKNCOE regularly organize different activities in and around the campus, this time the volunteers planned to organize a special camp in the village which the college has adopted. The objective of this camp was to begin the interface with community and contribution to the upliftment of people therein.

The volunteers excitingly participated in the discussion and planned the roadmap for camp along with guided supervision of Mr. Sanjay Pingat sir, Programme Officer, NSS Cell SKNCOE. There was a total of 50 volunteers. They were divided into 5 groups. Each containing 10 volunteers. Groups were formed in such a way that one group should consist of volunteers from different department, different courses and different language. Further, each group consisted both male and female volunteers. Leaders were selected from each group for better coordination and delegation of responsibilities. Camp started on 15th January 2017. All the volunteers were excited. As preplanning, volunteers prepared for street play regarding 'Women Empowerment' and 'Child Education'. Also posters were prepared regarding the subject. Every volunteer was self-motivated and excited for the camp.

Day 1, 15th Jan 2018

Finally the day everyone was waiting for, arrived. All volunteers reported to college at 7 a.m. We departed at 7.30 a.m. Our stay during camp was at village 'Grampanchayat' office. There were 2 widely spaced rooms. Students settled in there with many unknown faces.

The responsibilities were assigned to Group leader and volunteers for proper working of the group. Out of 5 groups, 4 groups were assigned for building 'VanraiBandhara' and group 1 was assigned for cooking lunch for everyone. Along with all the required tools 4 groups left. At the workplace everyone was instructed about the work they were about to do. Total of 2 Bandhara were almost built. At the time of return everyone was a bit tired as well as happy with satisfaction. Then it was time for regular school activity. In evening volunteers performed 'Street play' in front of all villagers.

VanraiBandhara construction

Street Play

Day 2, 16th Jan 2018.

The day started with yoga exercise early in the morning. After breakfast all volunteers gathered in groups and plan for the entire day was discussed. Out of 5 groups, 1 group was assigned for completing 'VanraiBandhara' and 3 groups were assigned for making Continuous Contour Trenches on 'Vanrai Hill'. At the end of the work 6 trenches were constructed and both Bandhara were completed. After having lunch we carried out regular school activity successfully. In the evening students played Cricket, Football and other outdoor games. Before dinner motivating guest lecture was assigned for volunteers.

Inspection of CCT work

DAY 4, 18th JAN 2018

The day started with yoga exercise early in the morning. As planned all 4 groups prepared for CCT. Then 4 groups went to work place. Volunteers had breakfast at workplace itself and then started work without passing time. At the end of the day we completed almost 17 trenches. After having lunch we carried out regular school activity which resulted in motivation of students. In the evening students played Cricket, Football and other outdoor games. Before dinner guest lecture was arranged for volunteers. After this lecture we had an interactive talk with young female leader Mrs. Pooja Parge, who is elected as first women Z.P. member from their village. This interaction was important regarding our social activities.

7. Old-age Home Visit

The N.S.S unit of SKNCOE organized an Old-age home Visit on the auspicious occasion of 69th Republic Day of India on 26th January, 2018. The old-age home which we visited was Abhalmaya Old Age Home and Hospital care Centre. It is located in ManikBaug, Sinhgad Road. It is a charitable trust set up by Dr Aparna Deshmukh.

OFFICER
e Scheme
Navale
neering

All the volunteers gathered at Cultural Center at 11:30 am after attending the Flag Hoisting in front of Amul Café at 7:30 am. The volunteers were in a massive number and filled with enthusiasm and charisma. Around 50 volunteers participated in the Oldage home Visit event.

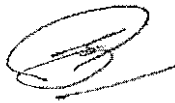

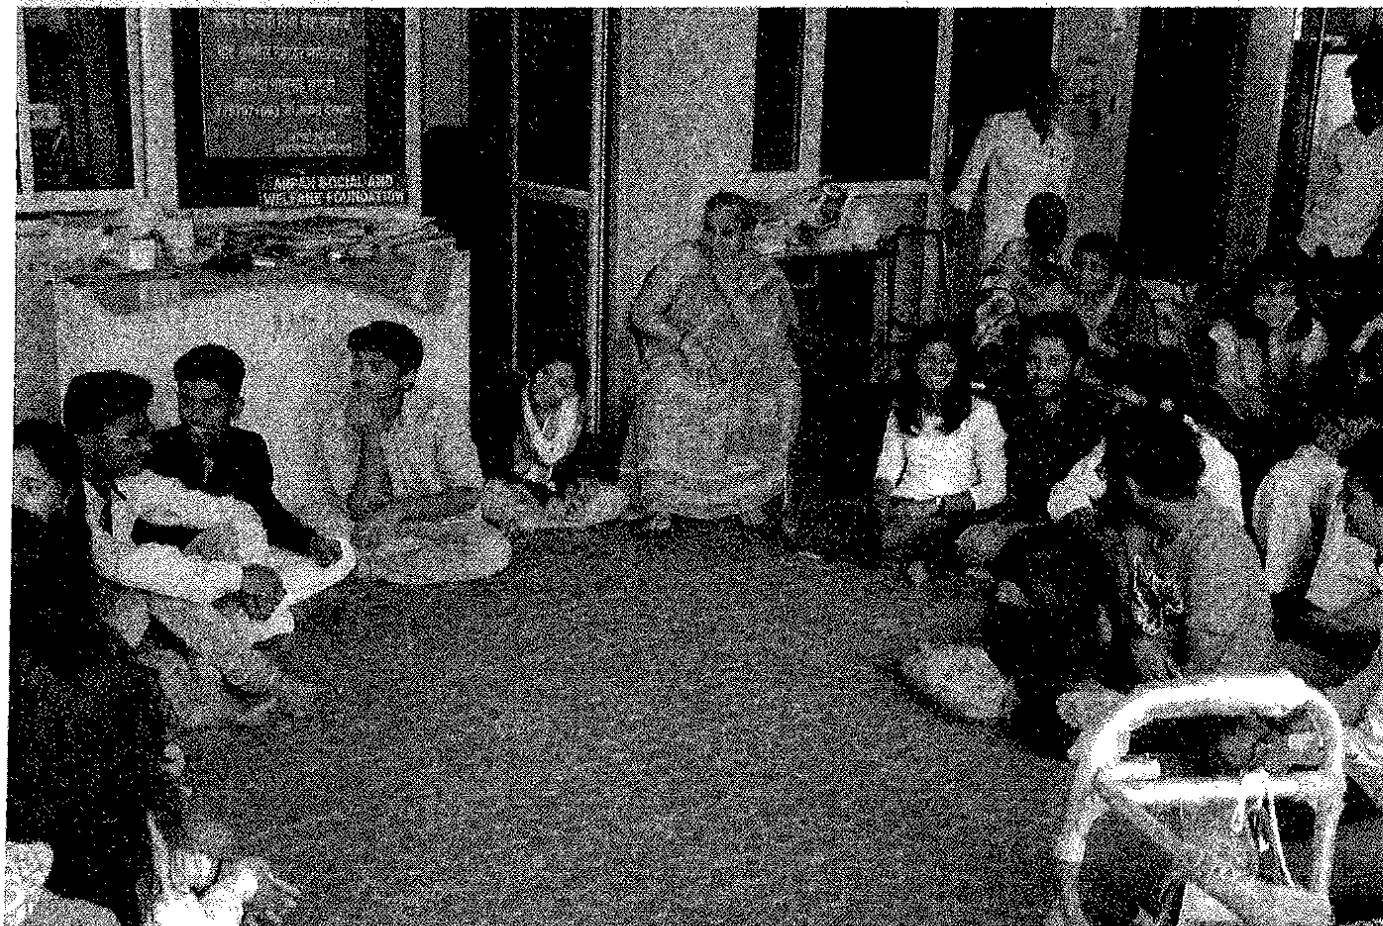

This was not just a meet and greet event but also a food donation drive in itself. All the volunteers contributed about Rs.50 and the collected total amount was used to buy food items for all the residents of the Abhalmaya oldage home. The food items which the volunteers bought included biscuits and a variety of fruits.

The volunteers then quickly arranged the arena for all the sweet grandpas and grandmas and started with the program. Volunteers performed a stunning street play which showcased the literacy issue in rural areas of India and awareness about child labour prohibition.

8. Blood Donation Camp

The N.S.S unit of SKNCOE organised Blood Donation Camp on 19th march 2018 (Monday), inco-operation with Rotaract club of the pune. Aim of blood donation campaign was to generate awareness on Blood Donation and highlight its significance in saving lives during emergencies. The campaign gathered a large number of Staff and students who voluntarily donated their blood. Ever since the date for the blood donation drive was announced, NSS volunteers delivered the idea of campaign at different colleges of Sinhgad institute and worked hard to promote blood donation amongst the students and staff,

A total of 120 Blood Bags were collected from all the campuses of Sinhgad College. Many of our members also donated blood. The goal was to collect total of 120 blood bags. Due to fine campaigning and communicating with campus the goal was completed at noon. Rotaract club members were very assistive. When NSS volunteers took the responsibilities Rotaract club members were totally fine with the campaigning plan. At the end of the day, club member felicitated Pingat sir as NSS representative for such great response and carrying out the activity. Rotaract club member also concluded that it will be great to carry out another activity with NSS SKNCOE unit in future

9. Food Donation

The N. S. S. Unit of SKNCOE organized Food Donation activity at dates 10th March, 2018 and 17th March, 2018.

There's a well known saying that "We make living by what we get....but we make life by what we give...." We N. S. S. Unit made sure to have such a vivid experience.

At the N. S. S. volunteers actively participated for this activity. Volunteers were divided into groups and were assigned to do the donation one by one on the given day.

Food i.e. the leftovers were accommodated from different colleges mess (canteens), in order to assure no wastage. Then these foods were packed/wrapped in hygiene and were taken by the volunteers to different places to share it with the needy people.

Places where the distribution of food took place:

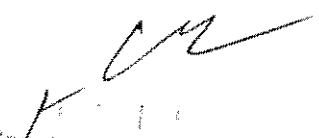

1. Shanipar Mandir.
2. Sarasbag.
3. Mahatma Phule Mandai.
4. Swami Samarth Math.

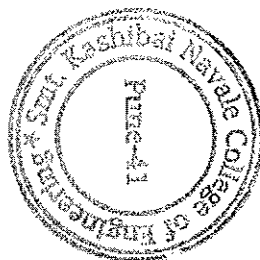

This is not the end; we have decided to continue this Food Donation activity for every Saturday. We have our efforts put in order to increase the number of food packets and places to distribute.

This is not only a social activity but a life lesson for our volunteers.

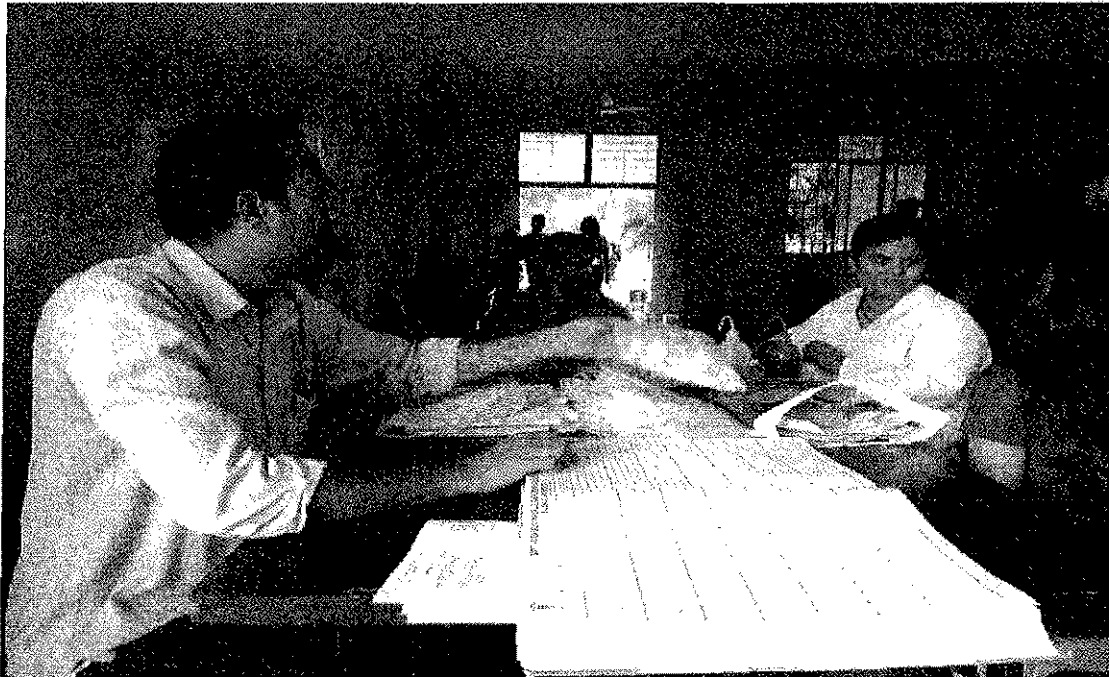

There's nothing more than the happiness we receive while we give/share.

It was a wonderful experience spreading awareness and motivating the students. Besides college campaigning, we also promoted the drive by holding the posters with different slogans like DONATE BLOOD SAVE LIFE and encouraged as many students as possible in campus. As a result, there was an overwhelming response from the donors with their participation in this noble cause. In order to acknowledge each donor for their contribution, donors were distributed certificates provided by Sinhgad Blood Bank. They were also provided with refreshments not to feel dizzy or weak after donation.

The aim of activity was to provide old cloths and stationery to Goodwill India foundation and to donate Old cloths to ABHALMAYA Old age home and orphanage. NSS volunteers well planned entire 7 days program from 12th march 2018 to 18th march 2018 in a meeting held before event. first three days were decided for campaigning and collection of used cloths as well as used stationary goods. one day was planned for sorting collected goods. last three day were planned for distribution of collected goods.

As decided and planned volunteers worked three days from 12th march 2018 to 15th march 2018 with full enthusiasm. Volunteers campaigned for donation in college and staff quarters as well as all residential societies in planned area. Nss unit successfully collected nearly **50 large size bags** containing **500 kg** of used cloths.

INTRODUCTION

Prayas Youth Forum and Social Research Foundation is a non-government organization to promote and support educational and developmental efforts in India. Prayas means endeavour. We are making an effort towards bridging the gap between India and Bharat (widely coined term for rural India) through contribution in different initiatives.

Prayas team at Pune performed **street play on subject 'From street to school'** in residential societies in Pune. This year our aim was to spread awareness about the children living on streets and their problems of education through a street play. We performed in 21 societies enthusiastically for this activity. This activity took place during the auspicious occasion of Ganesh Utsav (28th Aug to 3th Sept 2017).

During the play, we urged the society members to donate a Pen and a Notebook which were later donated to children in the rural areas. Also we requested the societies where we performed to adopt a street kid by society as a whole. We have collected around 1200 notebooks and same number of pens. It was collectively a very good response from all the societies.

NOTEBOOK & PEN COLLECTION

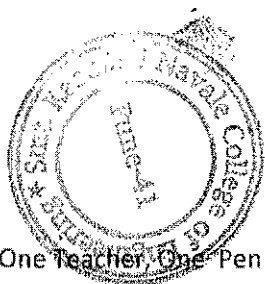

In our Street play performance we presented the life of street children and problems they face while perceiving education. Also our Team explained them how their small effort of donation of 'One pen & One Notebook' would make big difference in the Life of needy students.

Notebooks and Pens donated by societies were collected on next day of Ganesh Visarjan by Prayas volunteers. At the end, we received huge Gratitude and respect from societies as well as individuals in the form of 1200 Notebooks and Pens.

On 23rd Sept. 2017 Prayas volunteers donated all the Notebooks and Pens to Needy students in the form of Inspiration. Volunteers also Motivated students to 'Rise and Shine' for better Tomorrow

School's visited:

Sr. no	School Name	No. of Notebooks	No. of Pens
1.	Nivasi Ashram Shala, Mukhai.	700	700
2.	Zilla Parishad Primary, Wablewadi	300	300
3.	Zilla Parishad Primary School, Khairenagar	200	200

SUMMARY

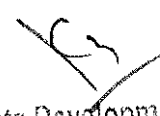

The basic motto behind our street play was to provide a helping hand to the students in the rural areas. After the performance we generally asked for the feedback from the people. All the people truly appreciated our efforts and were eager to help us by donating the notebooks and pens.

At the end of the plays we collected notebooks and pens from all the societies. We had in all collected 1200 notebooks and pens. We had even requested the societies to adopt a street kid.

The notebooks and pens collected were donated in three schools; Ramrao Genuji Palande Residential School at Mukahi, ZP Primary School at Wablewadi and ZP Primary School at Khairenagar. The teachers and the students praised us for our campaign. It was really an overwhelming response from all the societies.

TREE PLANTATION EVENT REPORT 2017

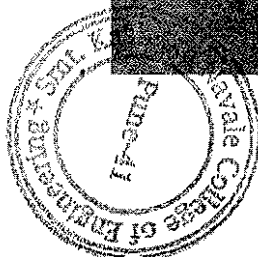

We believe that making earth greener is the ultimate way to serve the humanity. Prayas Youth Forum and Social Research Foundation Team Pune successfully conducted event of tree plantation on 16th July 2017. The event was offered by Dr. Jayant Kamble by providing 100 saplings. Venue of the event was Bopdev Ghat, Kondhwa, Pune.

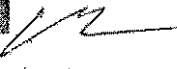

40 prayas volunteers supported the task with full zeal and energy. Saplings planted on the bay were mainly of Mango, Neem, Peepal, tamrid. Activity was carried out with great attention and proper planning. This was performed under continuous rain fall and with the help of just handful of gardening instruments – just 12 diggers (Kudal and Fawde).

This activity helps us get close to nature and helps us understand our responsibility towards nature. Every volunteer had a great time and reached home safely

4) TEACHERS DAY REPORT

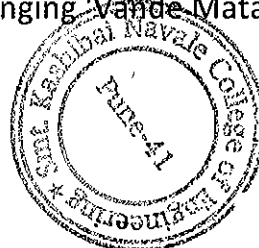

5 September 2016

The birth anniversary of Dr. Sarvapalli Radhakrishnan was celebrated by NSS unit, SKNCOE. A teacher has greater influence in shaping the life of an individual even more than his/her parents. In our country's culture teachers have been given a place above the almighty god. To express the gratitude towards such teachers, the NSS unit of the SKNCOE organized the cultural programme which consisted of stage play, dance, and musical band.

The programme started at 4.00pm in the cultural center with worship of goddess of wisdom, 'Sarasvati' and 'Dr. Radhakrishnan' by Dr. K.R. Borole, vice principal, SKNCOE. The first performance was given by the musical team. The dance performances consisted of both classical and western styles which were performed by the different students. The script based on the life story of Dr. Radhakrishnan was enacted at the end of the programme. Dance, music and skit made the day explicable. Students took great efforts and ensured that teachers enjoy every minute of the programme.

After the cultural programme all the teachers were felicitated by giving the plant of 'Tulasi'. The student co-ordinator Bhushan Shimpi discussed the life of Dr. Radhakrishnan and Chanakya and what should we get from their life journey. The speech was the motivating part of the programme which enhanced the feeling of respect about the teaching profession in everyone's heart. The vote of thanks was given by Vedant Ghate to all the teachers for their courage and enthusiasm about the teachings. The programme was ended by singing 'Vande Mataram'.

5) NSS DAY CELEBRATION

24th September, 2016 was observed as N.S.S. Day by the N.S.S. Unit of SKNCOE. Cleanliness drive was conducted in the Sinhgad college campus and a visit to a school of 'Special Kids' (Nivasi Matimand Vidyalay) was organized as a part of N.S.S. Day celebration.

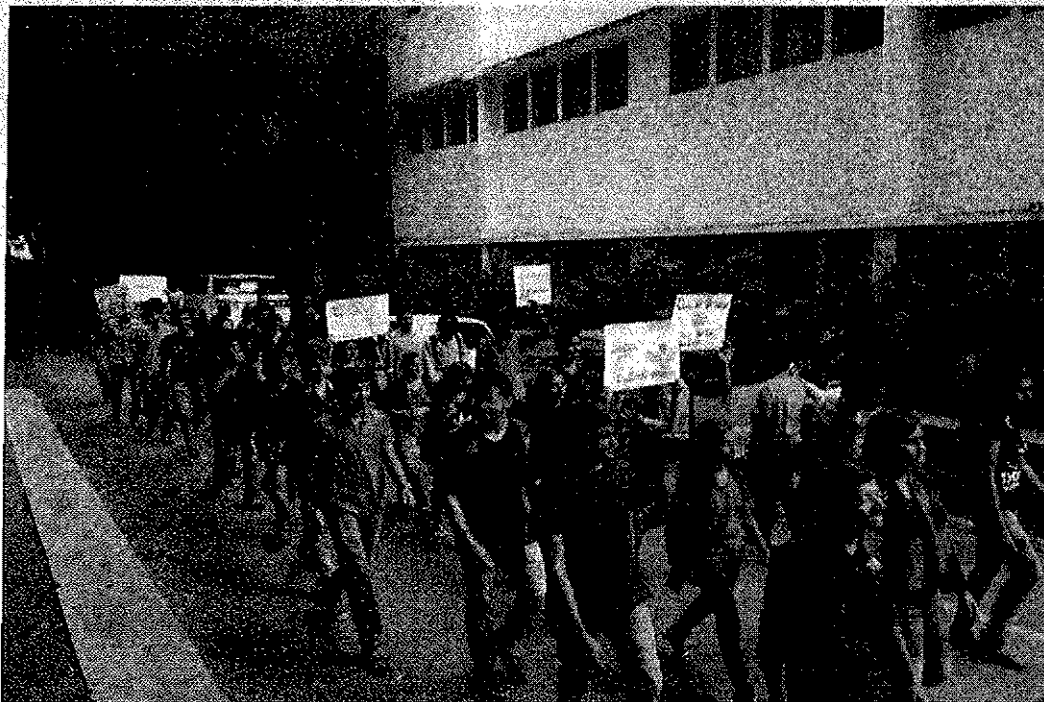

All the N.S.S. members assembled at the Cultural Center of the college at 11 am in the morning. Placards with various cleanliness quotes were made by the group members. General instructions were given to the members after assembling. The members were made to stand in rows and the rally began by singing the national anthem. The planned path of the rally was a loop path from C.C to C.C (Cultural Center-Amul-Pharmacy College-Lipton-SIOM-NRI Hostel Area-Science College-NBN-SKN parking-Cultural Center).

College of Engineering
Wadgaon, Pune - 411 041

The members were holding the placards and the rally proceeded silently near the classrooms. Slogans such as "*Gaon Gaon me jayenge, Bharat swaccha banayenge*" were delivered near the hostel locality. During the walk various locations were spotted which were dumped with garbage, both wet and dry and full of non decomposable plastic bags. The members cleaned patches of the campus near the hostels. All the dry garbage was collected in bin bags. A large amount of waste was collected by the volunteers. After collecting the waste rally proceeded to the cultural center as planned. The national song was sung and the drive was concluded. The collected garbage was then disposed off in disposal bins.

After the cleanliness drive the team proceeded to a school of mentally challenged students situated nearby. The students of the school belonged to the age group of 3 yrs to 15 yrs. Some of them were hyper active, some afraid to talk to anyone, some of them couldn't talk. It was agony to see such small souls with so many problems at such an early stage of life.

The team was divided in groups of 8-10 volunteers and they spent time with those kids. Discussions were made before going inside the school, the volunteers played games with the children taking into considerations their mental abilities, clicked selfies with them, gave them Smartphone to click photos which the students loved to do. The most interesting part was the dancing session. All the kids enjoyed the 1 hour spent with them by the volunteers. Volunteers distributed chocolates and fruits among the students. The innocence of those children and the fun they had was truly mesmerizing.

6) TRAFFIC DAY REPORT

6th October, 2016 was observed as Traffic Management Day by the N.S.S. unit of SKNCOE. Traffic is managed at Sinhgad Road especially near Dandekar Chowk. The activity is conducted with the help of Pune Traffic Police Unit and also N.S.S. units of other colleges in Pune.

The activity began at 10am. We arrived at Sinhgad Road by college bus. There were more than 50 NSS volunteers present. Head of Pune Traffic Police Inspector was present at the occasion and also prominent social workers were present.

As it said the activity was mainly organized by Pune Traffic Police and to become part of this activity the NSS units of college all around Pune were invited to help around and to make the activity worth. Traffic police helped NSS volunteers to manage traffic and to aware people who was not wearing Helmet. They cleared various doubts regarding traffic, safety while driving vehicles that people don't follow these days.

Driving Two-wheelers without Helmets and four wheelers without Seat belt actually comes under insensibility and ignorance and these things should strictly observed and implemented. As part of NSS Unit we successfully achieved to do that. We created **Human Chain** on the road to support activity. **Human Chain** was the enthusiastic initiative to draw attention of community, people who were not wearing helmets and those who were not following traffic rules. The **Human Chain** was upto 1.5 kms. long on Sinhgad Road.

Volunteers were motivation for community and everyone contributed their efforts. Through posters and slogans we created awareness among people. Batches and Stickers were distributed among volunteers. After activity we went to college and held a play to create awareness about minimum vehicles driving and about use of pollution. Volunteers put their thoughts in sensible way to present the ideas about minimum pollution and green environment. Volunteers put up their thoughts for achieving effective traffic management. There were many college students who witnessed the play and appreciate about all the activity and initiatives taken.

The Traffic Management And Awareness activity was a great success. The event was well managed by student co-ordinators Vedant Ghate, Bhushan Shimpi and Shubham Phoujdar. General guidance for the drive was given to the volunteers by Prof. Pingat Sir. Around 50 Volunteers were present for the event. The Traffic Management and Awareness Day was celebrated in true sense and enthusiasm. Most importantly, "**NOT ME BUT YOU**" motto fully upheld by volunteers.

AIM of the Camp

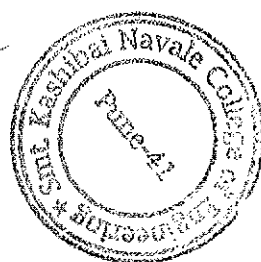

The aim of this camp was multifaceted and based on many varied factors which were decided based on the unit member's discussion and our teacher's inputs. Each and every event had some significance and it will be discussed adequately in this forthcoming report.

List of activities-

1. Prabhat Feri
2. Visit to Old age home
3. Teaching at the School
4. Bandhara
5. Survey
6. Street play performance
7. Cleanliness Drive

One Week Special Camp at DONJE

National Service Scheme (NSS) cell of Smt.Kashibai Navle college of engineering, Pune has organized a One Week Special Camp at DONJE Village that comes in Pune District, Maharashtra. It is imperative to mention that the DONJE has been adopted by our college. As volunteers of NSS Cell SKNCOE regularly organize different activities in and around the campus, this time the volunteers planned to organize a special camp in the village which the college has adopted. The objective of this camp was to begin the interface with community and contribution to the upliftment of people therein.

The volunteers excitingly participated in the discussion and planned the roadmap for camp along with guided supervision of Mr. Sanjay Pingat sir, Programme Officer, NSS Cell SKNCOE. There were total 50 volunteers. They were divided into 5 groups. Each containing 10 volunteers. Groups were formed in such a way that one group should consist of volunteers from different department, different courses and different language. Further, each group consisted both male and female volunteers. Leaders were selected from each group for better coordination and delegation of responsibilities. Camp started on 15th January 2017. All the volunteers were excited. As preplanning, volunteers prepared for street play regarding 'Women Empowerment' and 'Child Education'. Also posters were prepared regarding the subject. Every volunteer was self-motivated and excited for the camp.

Day 1, 15th Jan 2018

Finally the day everyone was waiting for, arrived. All volunteers reported to college at 7 a.m. We departed at 7.30 a.m. Our stay during camp was at village 'Grampanchayat' office. There were 2 widely spaced rooms. Students settled in there with many unknown faces.

The responsibilities were assigned to Group leader and volunteers for proper working of the group. Out of 5 groups, 4 groups were assigned for building 'VanraiBandhara' and group 1 was assigned for cooking lunch for everyone. Along with all the required tools 4 groups left. At the workplace everyone was instructed about the work they were about to do. Total of 2 Bandhara were almost built. At the time of return everyone was a bit tired as well as happy with satisfaction. Then it was time for regular school activity. In evening volunteers performed 'Street play' in front of all villagers.

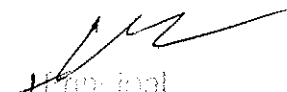

VanraiBandhara construction

Street Play

Day 2, 16th Jan 2018.

The day started with yoga exercise early in the morning. After breakfast all volunteers gathered in groups and plan for the entire day was discussed. Out of 5 groups, 1 group was assigned for completing 'VanraiBandhara' and 3 groups were assigned for making Continuous Contour Trenches on 'Vanrai Hill'. At the end of the work 6 trenches were constructed and both Bandhara were completed. After having lunch we carried out regular school activity successfully. In the evening students played Cricket, Football and other outdoor games. Before dinner motivating guest lecture was assigned for volunteers.

Inspection of CCT work

DAY 4, 18th JAN 2018

The day started with yoga exercise early in the morning. As planned all 4 groups prepared for CCT. Then 4 groups went to work place. Volunteers had breakfast at workplace itself and then started work without passing time. At the end of the day we completed almost 17 trenches. After having lunch we carried out regular school activity which resulted in motivation of students. In the evening students played Cricket, Football and other outdoor games. Before dinner guest lecture was arranged for volunteers. After this lecture we had an interactive talk with young female leader Mrs. Pooja Parge, who is elected as first women Z.P. member from their village. This interaction was important regarding our social activities.

School Activity

DAY 5, 19th JAN 2018

The day started with yoga exercise early in the morning. As planned all 4 groups prepared for CCT. Then 4 groups went to work place. Volunteers had breakfast at workplace itself and then started work without passing time. At the end of the day we completed all planned 21 trenches. Our work was successfully accomplished. After having lunch we carried out regular school activity which resulted in motivation of students. In the evening students played outdoor games. In the evening our 4 senior NSS volunteers joined us and we had interactive session with them. This day was most important day in our camp as Mr. Pacharnesir, Dist. Officer of NSS SPPU visited our camp and appreciated our work. Day 5 was most successful camp day.

Day 6, 20th JAN 2018

As per routine we started day with exercise. That day we had planned cleanliness drive for entire village. Villagers were so cooperative and most of them participated in the cleanliness drive with all NSS volunteers. At the end of the work we cleaned almost every road and social places in village. Then volunteers had lunch. That was last day of our school activity. Some of our volunteers visited high school in the village. In the evening all volunteers gathered in seminar hall and shared their experience. Before dinner guest Mr. Nachiket delivered a personality development lecture for volunteers.

DAY 7, 21st JAN 2018

This was last day of our camp. In the morning the Sarpanch of Donje village and Respected members of village appreciated our work biddedfarewale to volunteers. We had planned visit to old age home in the village. But due to some reasons we were not allowed to visit the place. Everyone packed their bags coordinators had revised their audit report of everything. Volunteers returned to college with successful camp and lifelong memories.

We students had decided to try and connect with the surroundings and understand problems alien to us as an urban youth. The unit felt it necessary to try and be a part of the village system to better understand the hardships the rural folk face which we as city dwellers fail to identify, acknowledge and ponder over.

To do this and get a better idea of the general lifestyle of the villager we tried to start where the average villagers start everyday, in the morning. The aim of arranging a Prabhat Feri was to understand how different the lifestyle of the average villager was from us. As we understood that this would be the first time that we would be presented as a Unit to the village we tried to get our message of Youth Development, Cleanliness, Patriotism and Social Integration through by chanting slogans and waving placards in a disciplined and non-obtrusive rally format.

Teaching and Career Guidance

All the volunteers, as students of a technical field of education felt it necessary and efficient to help the rural students try and get a general overview of the educational scene in our system as we do have a good idea of it. So the activity to teach students in school was from a perspective of giving them the necessary insight into opportunities lying ahead of them in regards to education and career prospects in their areas of interest.

It was the skill of the volunteers which made this even a success as an indirect approach was preferred by the volunteers where informal talk generally lead to the discussion of aims and dreams of students. This unique approach lead to a lot of response from the students.

VISIT TO AN OLD AGE HOME

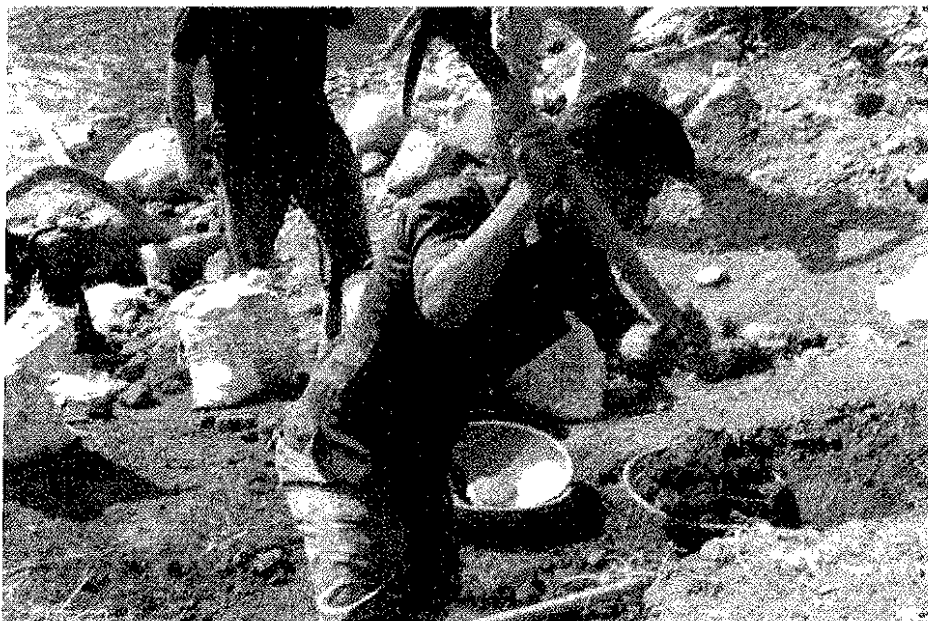

Visiting the old age home situated near the village was an activity highly appreciated by the visiting NSS co-ordinator Prof. Pacharne sir. The activity which was more aimed towards the development of Indian Family values in the volunteers of an urban background hit a sore spot in every volunteers heart where we all realised that though the Indian Society prides itself for its family values it is a collapsing fort and the onus is on us to rebuild it.

The volunteers later expressed their concern for the people living in the lavish facilities of the old age facility and yet being dissatisfied due to lack of concern from the society. It was this disappointment that later strengthened into resolve to be sympathetic towards the old members of the facility as well as the realisation that it is up to this generation to ensure that none of such facilities are needed any more.

The most important activity which was expected of us as NSS volunteers was "Shramdaan". We decided that it was most efficient to conduct in the wee hours of the day when we would be no hindrance and our efficiency would be at its best when it was one of the first activities of the day. So accordingly every morning was allotted for some sort of physical work which would in turn be useful to the village and also be a new experience for the students of the unit in terms of motor skills and endurance.

Thus we decided on three major activities for this purpose. The first was to build a "Bandhara", a small Dam structure over a nearby stream to stop the water flow to some extent so that it may help to raise the water table in the area. This was also done with this year's NSS Resolution concerning water conservation. As this was the primary project decided, a majority of our time was allocated to this work. We managed to build a structure which was around 2 ft high, 2 ft wide and 55 ft in length from bank to bank.

College of Engineering
Wadgaon(Bk.), Pune - 41.

PROGRAMME OFFICER
National Service Scheme
Smt. Kashibai Navele
College of Engineering
Wadgaon, Pune - 411 041.

CLEANLINESS DRIVE

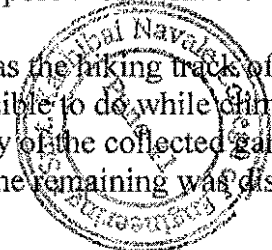

The second activity which we decided to do was cleaning up the village and its outskirts.

This was done in three parts. First we cleaned up the area where we needed to build the "Bandhara", and this was a big task as the location of the structure was near the village crematorium. This was disposed off near the bank where the local village garbage bin was located. Though cleaning this up was necessary for the building of our structure it also improved the potability of flowing water.

Secondly we decided to clean up the village streets which were paved and were frequently used by everyone in the community so that it would benefit everyone. We managed to collect 5 sacks of non disposable garbage and with the help of the local administrative body (Gram Panchayat) managed to dispose it off with the rest of the village garbage disposal system.

Third and the last place we decided to clean was the hiking track of the Fort of Sinhgad. This was a gargantuan task as was only possible to do while climbing down the fort as it is not sensible to carry a load uphill. Majority of the collected garbage was disposed off in the garbage cans along the route and the remaining was disposed off at the

3

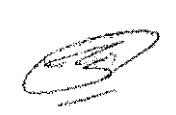

PROGRAMME OFFICER
National Service Scheme
Smt. Kashibai Navale

Vadgaon, Pune - 411 041.

base of the fort in the garbage bins available there. This was done for the Beautification of the Historical Monument and its surroundings.

VILLAGE SURVEY

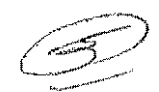

Another activity which NSS units were expected to do this year was surveying the village households to get a sense of the economic conditions and lifestyle of the village we were conducting our camp in. During this activity it was noticed that there was a large economic divide in the village and governmental schemes had not reached till enough of the villagers.

It also helped students learn how to communicate with relative strangers regarding their lifestyle and familial issues including but not limited to the family occupation, family ailments, illnesses, economic condition and housing conditions and even delicate matters like the passing away of a loved one.

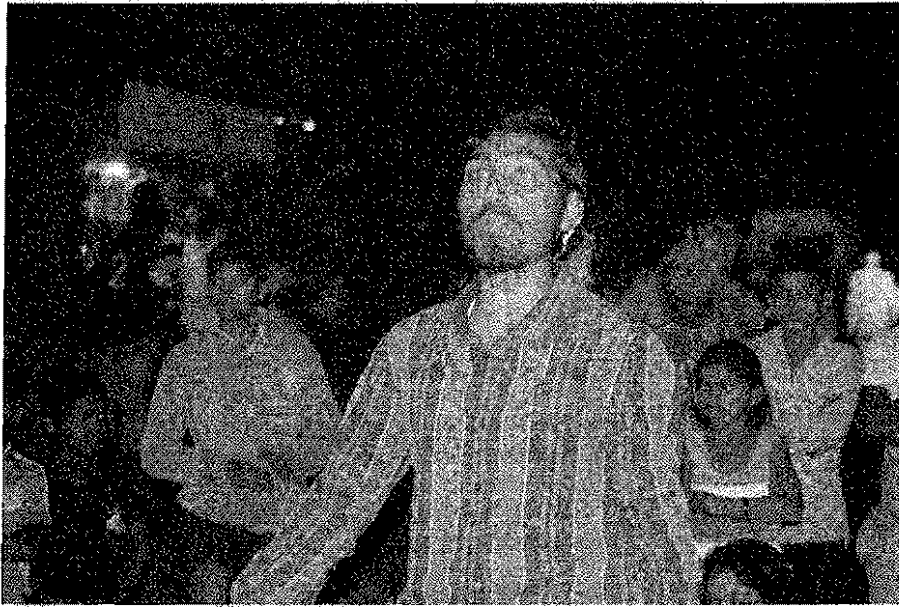

It was an extremely moving and surreal experience to connect with people on a personal level when no prior introduction and relation was established. The students were thankful and obliged for this unique opportunity.

STREET PLAY

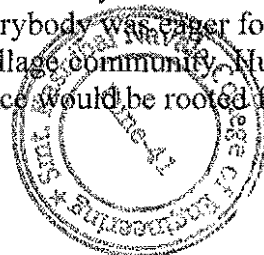

The Survey was an effective formal way to interact with the villagers on a personal level but the street play was the only effective way at our disposal to present some social issue and our suggested solution to the problem in an entertaining and gripping way. All selected social issues are issues which plague Indian Villages even today. The selected topics were

1. नशाबंद.
2. Open Defecation.
3. Cashless India.

All the other activities which were seen up until now were done with a feeling of responsibility and dedication. This activity on the other hand was undeniably the most enjoyable of all and everybody was eager for their groups street play to be performed in front of the village community. Humour was liberally used in the script so that the audience would be rooted for the

The De-monetisation drive in India left a lot of unanswered questions after it was put in effect. Though it was a strong policy to counter fake currency and terrorism the common public was not prepared for it though there were mechanisms in place to supplement to solving the cash crunch crisis.

We as a NSS unit in these pressing times decided to help the situation by conducting a cashless transaction awareness drive in our college campus shops and those near our campus. We decided to target shops , hotels and cafes as these are the places from where cash flows through the economy at the grass root level and educating and helping these members of the cash cycle will help propagate the knowledge about cashless rather easily.

We approached shops and hotels and taught them how to use different services related to cashless transactions like paid services provided by companies like PayTM, Freecharge and Mobikwik. We also , later , spread knowledge about governmental services like BHIM and RuPay.

Almost all of these services required an active internet connection so we also recommended the newly founded “*99#” service which runs completely on GSM networks and is thus more reliable and readily available.

This event was conducted on 13/01/2017. It was a special event with a lot of enthusiasm expressed from all the students as it was closely, technically related to the engineering sciences we learn in our courses.

10) Suryanamaskar day

Suryanamaskar day was celebrated in the college by the NSS unit on 3rd February from 7.00 am to 8.00 am in our college's Student Activity Center. The event was conducted by one of our own student volunteers. Students from over the campus attended this event. 12 rounds of the Suryanamaskar were performed by everyone present at the venue. The tutoring of each position was given to everyone present and they were also instructed on the know how of how to and how not to perform these excercises. Students shared their knowledge about this ancient form of excercise and how it comprises of both physical and breathing excercises. Our program Co-Ordinator Prof. S.P.Pingat Sir had instucted us about the importance of these excercises on the occasion of this event. Students later made a decision to practice this excercise regularly for their physical well being.

sheets. At the end of every semester students do not use the remaining blank pages from notebooks which in turn go to waste.

To reduce this wastage we devised this activity wherein students drop these otherwise wasted pages into these collection boxes and then the Unit collects these pages to then them into well bound books which can then be distributed to the needy and are thus efficiently recycled, where instead they would have been wasted.

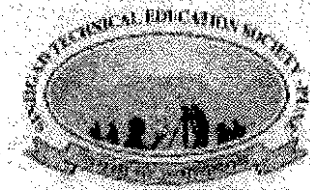

This activity was started from 16/02/2017 and since then thousands of pages have been received to be recycled. This activity is not a one off activity but will be carried out on a regular basis all year long so that paper can be saved in larger amounts.

This activity not only provides resources to the needy but also makes the load on the nature and waste disposal system a little lesser. Multiple boxes have been placed in colleges and hostels in our campus for easy access to all students.

Few Volunteers' Experiences :

Abhinav Belgamwar :

I have learnt a great many things from participating in Prayas. It has changed my entire outlook on and attitude towards my life. I never thought that Prayas is going to be the platform for my own transformation. Before my first Prayas camp, I was shy, had low self-esteem and turned away from challenges. Prayas has altered all of these qualities. I was afraid of the challenges before, after camp I achieved a level of confidence that any challenge can be tackled effectively with team work and self-confidence. During the 10 days of camp we did everything together, everyday we used to learn something new. Teaching to small children was also a great experience.

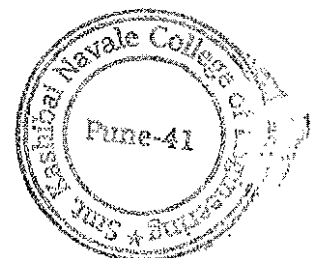

Prayas really is doing a great job in rural areas where computer knowledge is necessary. I really hope to do more work in this area with Prayas.

I would say Prayas created a whole new me who have got more confidence, communications skills, changed attitude, Punctuality, awareness about society and many more qualities than the older me.

Sampada Uchegaonkar :

PRAYAS has become the life changing experience for all the volunteers. We all feel proud that we are a part of PRAYAS family.

All the 8 days, we worked together. Teaching experience in every school was so amazing. Each experience taught us something new. The things which we learnt in the pre-prayas, actual camp and now after coming back, the report making session is actually a huge collection of things that has Satisfaction,

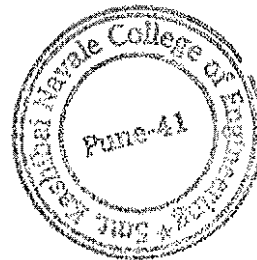

Increased level of confidence, Communication skills, Leadership roles, Punctuality , Self Protection, Interaction Techniques and many more. We gave our 100% and got back 1000% from the 'PRAYAS' !

❖EVENT 1 :SCHOOL VISIT

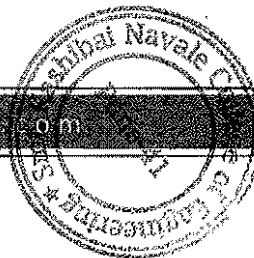

- **Villages Visited:** Kolewadi & Kondiwade
- **Date:** 17th March - 18th March 2016
- **No of students benefitted :** 550

PRAYAS YOUTH FORUM organized school visits to villages namely KOLEWADI and KONDIWADE to educate the students in rural areas about computer literacy, its importance and ideal behavioral training. Also, a helping hand about career guidance was given to the students. Along with that, various competitions like elocution, drawing, essay writing, etc. were held. Gifts of appreciation were given to the winner students. All the students enjoyed a lot and the school and teachers showed a lot of support.

❖ EVENT 2 : SELFIE WITH A TREE

- Date: 5th June 2016

PRAYAS YOUTH FORUM celebrated **NATIONAL ENVIRONMENT DAY** on 5th JUNE 2016. All the volunteers representing PRAYAS planted a sapling each, in their neighbourhood and took oath to protect the environment. About 150 sapling planted by the Prayas volunteers. Also everyone took selfie with their planted sapling and posted it on the social networking site with '**#selfiewithatree**'. The motto behind posting the picture was to create an awareness about deforestation & also as a duty to protect our environment. A Collage was made which was shared on social platforms too.

❖ EVENT 3 : 'SINHGAD FORT CLEANING AND SOCIAL AWARENESS ABOUT SWACHHA BHARAT ABHIYAN

- Date: 26th June 2016

PRAYAS YOUTH FORUM organized a trekking+cleaning event on SINHGAD FORT to increase the awareness regarding cleanliness on historical places. Keeping "**plastic free fort**" as our main motto, **55 volunteers** climbed up the fort. The plastic was collected on the fort as well as while trekking on the fort. Everyone interacted with the people and tried to spread awareness about cleanliness. Watching the volunteers picking up the plastic, even the onlookers started providing a helping hand enthusiastically.

❖ EVENT4 :WARI STREET PLAY

- Date: 30th June 2016

PRAYAS YOUTH FORUM organized a street play based on the consequences of draught which are faced by farmers. 18 volunteers performed in DYANESHWAR and TUKARAM MAHARAJ'S PALKHI EVENT (WARI) in front of pilgrims. Being farmers themselves, the pilgrims were provided with information about government schemes to overcome problems due to drought. Actors received great response from the crowd increasing their confidence.

❖EVENT 5 :MEGA TREE PLANTATION

- Date: 1st July 2016

ROTARY CLUB organized a MEGA TREE PLANTATION EVENT at **CHAKAN**. Around 40 volunteers from PRAYAS YOUTH FORUM were a part of this event. More than **15,000** trees were planted in a single day. Also, further arrangement was made so that the trees would be supplied with water through rain water harvesting. Hopefully in future the place will have great number of trees.

❖ EVENT 7: GANESH UTSAV STREET PLAY (Cycle Lifecycle)

- Date: 5th September – 15th September 2016

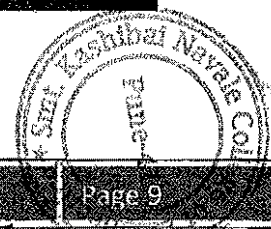

PRAYAS YOUTH FORUM like every year performed a street play in various societies, based on social awareness issues, on the occasion of 'Ganesh-Utsav'. This year we managed to perform in 25 societies with a collective audience of 5000 people. The motive of the play was to encourage the people to use bicycle in their day to day life. Basically, a play on **BICYCLE AWARENESS** was performed namely 'Cycle-Lifecycle'. In 7 days 20 volunteers actively participated in this event. Special discount coupons were distributed to the people for purchase of a new bicycle & that they could donate their unused bicycle(s) for repairing and then these bicycles were distributed to the school going students in need. Around **50** bicycles were collected in the first collection drive.

❖ EVENT 8: HUMAN CHAIN FOR TRAFFIC RULE AWARENESS

- Date: 6TH October 2016

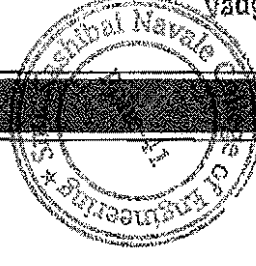

From the request of **ACP Pravin Mundhe Sir**, we joined 'Human Chain' for traffic rule awareness. Traffic Control Department had organized an event for making the residents aware about the traffic rules and use of a Helmet by forming a human chain all over Pune. Around 50 Volunteers of Prayas Youth Forum contributed in this Human chain on Sinhgad Road. Helmet compulsion was the primary motive behind this event.
