INTERNSHALA COLLEGE REGISTRATION AGREEMENT

This Agreement is executed on 23rd October 2020 by and between:

Scholiverse Educare Private Limited, having its registered office at B-610, Unitech Business Zone, Nirvana Country, Sector-50, Haryana - 122018, acting through its authorized representative Mr. Samay Bhatnagar, Head, University Relations (hereinafter referred to as **"Internshala"**);

AND

Smt. Kashibai Navale College of Engineering (hereinafter referred to as the **"College"** which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives and permitted assigns) of the other Party; acting through its authorized representative Dr. A. V. Deshpande, Principal.

Internshala and College may be referred to as 'Party' individually and as 'Parties' collectively, as the context may require.

Overview:

This agreement is regarding the college registration of 'Smt. Kashibai Navale College of Engineering' with 'Internshala'.

Responsibilities of Internshala:

- Create student accounts for all the students registered by the College.
- Provide weekly internship update to all the students registered by the College as per their filled in preferences
- Provide an online resume maker to all the students of the College registered with Internshala.
- Safeguard students' data as per Internshala privacy policy (https://internshala.com/privacy)
- Inform the college when students get selected for an internship.
- Provide College with Internshala logo and brand name to be used in College's communications (internal or external) and on its website to recognize Internshala as the internship and training partner and any other purpose limited to the scope of the agreement.

Responsibilities of College:

- Recognize Internshala as the internship and training partner in all internal and external communications including on its website and in admission/media brochures.
- Send a communication to all the students and faculties regarding the association and direct/encourage students to verify their accounts.
- Provide the information of all the interested students of the College as required by Internshala for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College.
- Regularly post a list of students selected for internships through Internshala every month on the college's notice board.
- Authorize Internshala to recognize college, using College logo and/or brand name, as a registered user in its communications (internal or external) and on Internshala platform only for the purpose limited to the scope of the agreement.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to other party for carrying out the responsibilities listed in this agreement.

Term and Termination:

This agreement will be operational and valid from 23rd October 2020 and the initial tenure of the agreement is 1 (one) year. Upon completion of the tenure, the agreement can be renewed for another 1 year and so on with mutual consent of both parties.

Indemnity

The college understands and agrees that all the information provided on Internshala related to internships and trainings is provided on *as is* basis. It further agrees that while Internshala makes efforts to ensure the accuracy of the information supplied, it does not guarantee it and the college will choose to disseminate this information to its students solely at its discretion. The college agrees to defend, indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors against any loss, claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or related to its use of content of Internshala platform feed that it posts, stores or otherwise transmits on or through its platform(s) or to its students or to general public at large.

The college understands and agrees that as a platform, Internshala acts as a bridge between the organizations who wish to hire interns and the students who wish to apply for the internships. We make best efforts to bring the best internships on the platform, educate students about the same and ensure that they can apply to these internships in a seamless manner. However, the eventual hiring decision, rightfully, resides with the organization which is hiring interns and is dependent on several factors such as the skills of the applicant, quality of her applications, competition, requirements and assessment process of the organization, student's availability at the required location and for the desired period of the internship etc. Since these factors are beyond Internshala's control, Internshala does not and can not guarantee an internship to an applicant.

The college further agrees to indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors, if any, who controls any thereof, against any loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representation or warranty or breach or failure by the College to comply with any covenant or agreement made by the College herein or in any other document furnished by the College to any of the foregoing in connection with this agreement.

Trademarks:

Except to the limited extent expressly provided in this Agreement, neither Party grants, nor the other Party will not acquire any right, title or interest (including, without limitation, any implied license) in or to any property of the first Party. All rights not expressly granted herein are deemed withheld. All use by a Party of the other trade names, trademarks, service marks, logos, etc., and any goodwill associated therewith, will inure to the benefit of the grantor.

Confidentiality:

Internshala and the College will not disclose the details of this agreement and any private information that they come across when this agreement is in effect to any third-party.

If either Party (the "Receiving Party") under this Agreement gains access to confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's prices, business, plans, technology, products, and other non-public information of the Disclosing Party (collectively, "CI" or "Confidential Information"), then the terms of this section will apply. CI includes all information in tangible or intangible form that is marked or designated as confidential by the Disclosing Party or that, under the circumstances of its disclosure, should be considered confidential. The Disclosing Party owns all right, title and interest, including all patent, copyright, trademark, trade secret rights and any other intellectual property or proprietary rights in any jurisdiction, including any and all applications, renewals, extensions and restorations thereof, in the Disclosing Party's CI. Each Party agrees that it will not use in any way, for its own benefit or the benefit of any third party, except as expressly permitted by, or as required to implement, this Agreement, nor disclose to any third party (except as required by law or to such Party's attorneys, accountants and other advisors as reasonably necessary), any of the Disclosing Party's CI. Each Party will take reasonable precautions to protect the confidentiality of the other Party's CI that are at least as stringent as it takes to protect its own CI.

TO WHOM IT MAY CONCERN

This is to certify that Pradnya Gandhare, a student of Smt. Kashibai Navale College Of Education & Training, was an outstanding performer of Internshala's Campus Ambassador Program - Internshala Student Partner (ISP) 22 edition during the period of April 2021 to June 2021. Pradnya stood 14332 out of 21,963 students selected from different colleges across India.

During this period, Pradnya promoted Internshala and its products successfully and showed genuine sincerity and willingness to learn while taking on new assignments and challenges.

At Internshala, we consider ISPs, our biggest strength when it comes to educating college students across the world about the power of internships and online trainings. We believe Pradnya would be a great addition to any organization, adding value to fellow colleagues by participating in discussions, and providing a unique perspective on a wide variety of issues.

We appreciate the effort put in and wish Pradnya all the best for future endeavors.

Kind Regards,

8.5 Confidential Information shall not include information which: (a) is or becomes a part of the public domain through no act or omission of the Recipient; (b) can be shown to be already possessed by the Recipient as of the date of disclosure; (c) is made available to the Recipient on a non-confidential basis by a third party having a right to do so; or (d) is disclosed by order of a court of competent jurisdiction.

8.6 The obligation to maintain confidentiality shall survive this Agreement for a period of two (2) years from the date of disclosure.

8.7 "Sinhgad Institutes" shall cooperate with Birlasoft in getting Non-Disclosure Agreements signed by the students if such request is made by Birlasoft.

9. Miscellaneous

9.1 This MoU under the ACE Program initiative of Birlasoft, shall be valid for a period of 24 months from the date of signing by "Sinhgad Institutes" & Birlasoft. This MoU shall be renewed for further term with mutual consent. Either party may decide to update or terminate this MoU by giving 30 days prior written notice to the other.

9.2 Neither party hereunder shall be liable for any consequential loss or damages arising out of the performance of obligations under the terms of this MoU.

9.3 Save in respect of Clause 8, Confidentiality, Birlasoft shall not have any liability or legal binding to "Sinhgad Institutes" by virtue of executing this MoU.

10. Limitation of liability

10.1 In no event shall either party be liable to the other for any loss of profits, loss of revenue, loss of data, loss of use, any indirect, incidental, special, exemplary, punitive or consequential damages, incurred by either party or any third party, whether in an action in contract or tort, strict liability or other legal or equitable theory regardless of whether such damages were foreseeable or if the other party or any other person has been advised of the possibility of such damages.

11. Force Majeure

11.1 Neither party to this MoU shall be liable for any failure or delay on its part in performing any of its obligations under this MoU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

11.2 Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MoU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MoU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

12. Governing law and Jurisdiction:

12.1 This MoU shall be governed by the laws of India. Any dispute arising out of or in connection with this MoU shall be subject to the jurisdiction of the courts in Pune.

Report

Title of the report: Activities under the MOU between Auto Cluster Development and Research Institute and SKNCOE

Auto cluster Development and Research Institute

Located in the Chinchwad-Talegaon-Chakan automotive district of Pune, the Auto Cluster Development and Research Institute is a facility for providing support to Small and Medium Enterprises. The Auto Cluster Development and Research Institute provide an area of the common facility, validation, training, seminar, workshop, and market promotional activities, especially for the automotive and engineering sector. This institute has established Pune as one of the biggest names in playing host to some of the biggest events in the automobile sector. Established under the guardianship of the Industrial Infrastructure Up-gradation Scheme (IIUS) of the Department of Industrial Policy and Promotion (DIPP), Ministry of Commerce and Industry, Government of India, Supported by Government of Maharashtra, Pimpri Chinchwad Municipal Corporation with the initiative of Mahratta Chamber of Commerce, Industries and Agriculture (MCCIA), supported by Government of Maharashtra and Pimpri Chinchwad Municipal Corporation.

ACDRIL Pune is known for its unique model of technology infrastructure for innovations, technology up-gradation, new product development, prototyping, testing, etc. Auto Cluster is planning for supporting and developing key technologies such as e-mobility, searching new avenues of Design Validation platforms for future mobility under the expert's guidance.

Auto Cluster also acts as a catalyst for Industry-Academia by creating a network through the online social platforms and arranging expert guidance series for the betterment of future industry personnel/engineers. So, our Tech Equipment and machinery is to serve MSEME's from conceptual stage to validation of product at the same time our infrastructure is widely used for exhibitions, seminars by Industry as well as Industry Associations and Government Agencies.

Chapter - III

EXPERIMENTAL SETUP

This chapter presents experimental setup of laser beam machining (LBM) used in the present study. Properties of AISI 304 material, methodology of present work and measurement of kerf characteristics, dross height and heat affected zone (HAZ) are also discussed. Further, optical microscope and scanning electron microscope (SEM) used in the present study are also discussed.

3.1 LBM setup

The present experimental work is performed on CO_2 and fiber LBM setup. Experiments for CO_2 laser machining is performed at M/s Shree Electricals, Pune, India and for fiber laser at M/s Kakade Lasers, Pune. Specifications of CO_2 and fiber LBM setup are given in Table 3.1. Nitrogen gas is used as an assist gas during the experiments. Stand-off distance of 1.5 mm is maintained during the experiments. On the basis of literature review and available machine setups, some trial experiments are conducted to decide the levels of process parameters for material thickness 15 mm, 20 mm and 25 mm. For experimental tests, 17 specimens of size 30 × 30 mm are cut for each thickness.

Table 3.1 Specifications of CO_2 and fiber LBM setup

	CO_2 laser	Fiber laser
Mode of operation	CW and pulsed wave (PW)	CW and PW
Composition	CO_2+He+N_2 (3:8:4)	Optical fiber

●dity: This MoU is valid for a period of 3 years from the date of signing. Either party can ●nate this agreement during the period of the agreement by issuing a written notice of 3 months.

Deliverables: Gofigito will facilitate the delivery of the training modules, Module 1 and Module 2, in following manner.

- 10 hour training on Quantitative Aptitude to be provided in the Semester I of the Third Year of the Engineering program
- 10 hour training on Logical Reasoning to be provided in the Semester II of the Third Year of the Engineering program
- 10 hour training on Group Discussion and Interview Preparation to be provided in the Semester I of the Final Year of the Engineering program

Terms & Conditions

For the entire 30 hour training program, the Institute will **pay Rs. 850 (inclusive of all taxes)** per student to *Gofigito*.

While actual number of students attending the training will form the basis of the net payment made to *Gofigito*, the *STES* assures of minimum 4000 students attending the training program.

Advance payment amounting to 50 % will be made to *Gofigito* before the commencement of the training program. The advance payment, to be made in the month of July with a grace period of one month, will consider 4000 students to be attending the training program.

Out of the remaining 50 % payment, 25 % payment will be made in the month of November with a grace period of one month. The final 25 % payment, to be made in the month of April with a grace period of one month, will include the arrears (student attending the training program to have exceeded 4000) if any.

Gofigito will be responsible for the arrangement of quality trainers to deliver the training program, travel needs of the respective trainers and the training material (soft and / hard copy).

Selection of trainers will be mutually agreed upon by both Gofigito and the STES.

If a particular trainer receives a below average feedback, he will be replaced by a competent trainer and the training program will start fresh.

Gofigito will design an online feedback mechanism to ascertain quality implementation of the training program. The design as well as the feedback taken will be shared with the personnel, designated by the STES, as and when required.
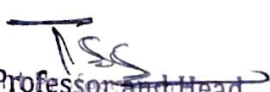

The STES will provide the necessary infrastructure, class room with LCD facility, as well as ground level support for the conduction of the training program.

The training program will be conducted at the following campuses of the STES: Vadgaon-Ambegaon, Kondhwa, Narhe, Warje and Lonavala.

In order to promote academic perfection, project/problem oriented study, research and educational exchanges at International level for the multifaceted development of students, the two institutions agree to formalize a MoU as follows:

Within arenas that are mutually suitable and acceptable, the following general forms of support will be followed:

- *Academics and Courses:*
  - Planning and handling of courses to promote cross cultural education.
  - Organization of seminars/ workshops to gain practical and international exposure by sharing experiences, and teaching.
  - Explore possibilities of recent interdisciplinary areas of specialization of high relevance to institutions such as the areas of Problem Based Learning (PBL), Security, Privacy, Cloud Computing, Internet of Things (IoT), and Business models.

- *Establishing strong business relationships between both parties.*

- *Students Internships Terms:*
  - The Internship programme details are made available to the graduate students. Interested students can apply for projects / Courses of their choice and can prepare well for a rigorous selection procedure.
  - Selected student for internship program will be subject to the admission requirements, tuition fees & accommodation fees of the CMI, Aalborg University.
  - The student internship program will run with the minimum of 20 students and the maximum of 30 students per duration. Any variation in the number of students needs to be agreed by both the parties.

150

- The period of Internship in Nov/Dec will be around 3 weeks and for summer intake it can possibly be 4 weeks.
- The CMI should provide training/technical guidance to the students. CMI will organize the activities as a domain specific course of 5 ECTS. Groups of students will study recent issue/problems under CMI appointed supervisor.
- Internship completion certificate will be issued to the students by the CMI, Aalborg University.

- *Financial Terms:*
  - This MoU imposes financial obligations allied with knowledge transfer, conduction of sessions for students, accommodation, food and travels.
  - For each intern, financial requirements were agreed for a period of 3 to 4 weeks and these are:
    - Internship Fee (Session, Course, etc): 6500 DKK
    - STES will be financially responsible for Accommodation, Food, Travels including local transportation and CMI will assist with local arrangements.
    - STES will be a common window to deal with financial obligations.

The CMI will evaluate the students and determine their acceptability for admission as intern student. The CMI reserves the right to reject the home university's nominated students. The home university may appeal the rejection.

This MoU will become effective on the final date of signing and will have duration of five years. This MoU may be terminated by either party by giving prior twelve months written notice, unless an earlier termination is mutually agreed upon.
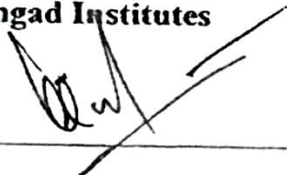

Both Parties agrees that all information and materials disclosed by the them regarding the proposed model, including the terms and conditions of this Agreement and the existence of the discussion between the them, will be considered and referred to collectively in this Agreement as "Confidential Information".

Each Party shall not disclose, publish, or otherwise disseminate Confidential information to anyone other than those of its employees and trusted subcontractors with a need to know, and shall take reasonable precautions to prevent any unauthorized use, disclosure, publication, or dissemination of Confidential Information.

Re.: PhD tuition waiver scholarship No. 562/06

We are pleased to inform you that you have been allocated a PhD tuition waiver scholarship in the period of November 15, 2009 to November 14, 2012.

You will be enrolled as a PhD student from November 15, 2009.

Project title: Green Routing in Wireless Sensor Network

Supervisor: Professor Ramjee Prasad

For your information, 2 months after your enrolment date, November 15, 2009, a PhD study plan must be submitted to the Doctoral School for its approval.

Paradigm for study plan may be obtained from:

http://www.phd.ins.aau.dk/intranet/templates

The tuition waiver scholarship covers the fees for supervision and participation in courses, and allows free access to office, laboratory and computing facilities. The tuition waiver scholarship runs for the entire period of the PhD study, which is normally three years.

For your information, enclosed please find Ministerial Order no. 18 of January 14, 2008 on the PhD Programme at the Universities. Further information about our PhD program may be obtained from: http://www.phd.ins.aau.dk and http://www.pau.aau.dk/.

Respected Sir,

With reference to the above cited subject, I am Dr. Parikshit N. Mahalle, working as a Professor and Head of Department of Computer Engineering at SKNCOE since August 23, 2005. This tenure has been a privilege to work in this Institution, which has shown an enormous growth in my professional and personal life. It has been a steep learning curve for me.

I am glad to inform you that I am one of the PhD candidates who have completed PhD in 2013 from **Aalborg University, Denmark**. I am grateful for your support and showing trust for promoting and allowing me to complete a PhD at Aalborg University, Denmark. I am indeed indebted to the same.

To continue my research study and to upgrade my knowledge, I have applied for my **Postdoctoral** at Center for Communication, Media and Information Technologies (CMI), **Aalborg University, Copenhagen, Denmark** and I am very happy to share with you that, I have been selected for Postdoctoral Fellowship and I have received the invitation letter enclosed with this application.

The duration of Post-Doctoral Programme is one year. However, **I must stay in Denmark from 1st April – 30th June 2019.** I assure you that, the outcome of my Post-Doctoral studies will surely bring name and recognition to Sinhgad Institutes.

I would like to request you to kindly grant me study leave and grant me an opportunity to pursue my Post PhD research. I ensure my best services to our esteemed establishment.

This is for your kind approval, please!

Approved President
