BITSMITH COLLEGE REGISTRATION AGREEMENT

This Agreement is executed on 1st August 2020 by and between:

Bitsmith Technologies Private Limited, having its registered office at 18A, Ujjwal Nagar, Darwha Road, Yavatmal – 445001, acting through its authorized representative **Mr. Ishwar Sarade,** Director (hereinafter referred to as **"Bitsmith"**);

AND

Department of Information Technology, Smt. Kashibai Navale College of Engineering (hereinafter referred to as the **"College"** which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives and permitted assigns) of the other Party; acting through its authorized representative **Mr. R. H. Borhade**, Head Of Department.

Bitsmith and **College** may be referred to as **'Party'** individually and as **'Parties'** collectively, as the context may require.

Overview:
This agreement is regarding the college registration of **'Department of Information Technology, Smt. Kashibai Navale College of Engineering'** with **'Bitsmith'**.

Responsibilities of Bitsmith:

- Create student accounts for all the students registered by the College.
- Provide monthly internship updates to all the students registered by the College as per their filled in preferences.
- Safeguard students' data as per Bitsmith privacy policy (https://bitsmith.tech/privacy_policy).
- Inform the college when students get selected for an internship.
- Provide College with Bitsmith logo and brand name to be used in College's communications (internal or external) and on its website to recognize Bitsmith as the internship and training partner and any other purpose limited to the scope of the agreement.

Bitsmith Technologies Private Limited
18A, Ujjwal Nagar 2, Darwha Road
Yavatmal, MH, IN 445001

CIN: U80904MH2020PTC342801

Responsibilities of College:

- Recognize Bitsmith as the internship and training partner in all internal and external communications including on its website and iin admission/media brochures.
- Send a communication to all the students and faculties regarding the association and directly encourage students to verify their accounts.
- Provide the information of all the interested students of the College as required by Bitsmith for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College.
- Regularly post a list of students selected for internships through Bitsmith every month on the college's notice board.
- Authorize Bitsmith to recognize college, using College logo and/or brand name, as a registered user in its communications (internal or external) and on Bitsmith platform only for the purpose limited to the scope of the agreement.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to the other party for carrying out the responsibilities listed in this agreement.

Term and Termination:

This agreement will be operational and valid from **1st August 2020 to 30 July 2025** and the initial tenure of the agreement is 5 (five) years. Upon completion of the tenure, the agreement can be renewed for another 5 years and so on with mutual consent of both parties. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Indemnity

The college understands and agrees that all the information provided on Bitsmith related to internships and training is provided on as is basis. It further agrees that while Bitsmith makes efforts to ensure the accuracy of the information supplied, it does not guarantee it and the college will choose to disseminate this information to its students solely at its discretion. The college agrees to defend, indemnify and hold harmless Bitsmith, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors against any loss, claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or related to its use of content of Bitsmith platform feed that it posts, stores or otherwise transmits on or through its platform(s) or to its students or to general public at large.

The college understands and agrees that as a platform, Bitsmith acts as a bridge between the organizations who wish to hire interns and the students who wish to apply for the internships. We make best efforts to bring the best internships on the platform, educate students about the same and ensure that

Smt. Kashibai Navale College of Engineering Vadgaon(Bk.) Pune-41.

HOD
Department of Informa... Technology

they can apply to these internships in a seamless manner. However, the eventual hiring decision, rightfully, resides with the organization which is hiring interns and is dependent on several factors such as the skills of the applicant, quality of her applications, competition, requirements and assessment process of the organization, student's availability at the required location and for the desired period of the internship etc. Since these factors are beyond Bitsmith's control, Bitsmith does not and can not guarantee an internship to an applicant.

The college further agrees to indemnify and hold harmless Bitsmith, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors, if any, who controls any thereof, against any loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representation or warranty or breach or failure by the College to comply with any covenant or agreement made by the College herein or in any other document furnished by the College to any of the foregoing in connection with this agreement.

Trademarks:
Except to the limited extent expressly provided in this Agreement, neither Party grants, nor the other Party will not acquire any right, title or interest (including, without limitation, any implied license) in or to any property of the first Party. All rights not expressly granted herein are deemed withheld. All use by a Party of the other trade names, trademarks, service marks, logos, etc., and any goodwill associated therewith, will insure to the benefit of the granter.

Confidentiality:
Bitsmith and the College will not disclose the details of this agreement and any private information that they come across when this agreement is in effect to any third-party.

If either Party (the "Receiving Party") under this Agreement gains access to confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's prices, business, plans, technology, products, and other non-public information of the Disclosing Party (collectively, "CI" or "Confidential Information"), then the terms of this section will apply. CI includes all information in tangible or intangible form that is marked or designated as confidential by the Disclosing Party or that, under the circumstances of its disclosure, should be considered confidential. The Disclosing Party owns all right, title and interest, including all patents, copyright. trademark, trade secret rights and any other intellectual property or proprietary rights in any jurisdiction, including any and all applications, renewals, extensions and restorations thereof, in the Disclosing Party's CI.

Each Party agrees that it will not use in any way, for its own benefit or the benefit of any third party, except as expressly permitted by, or as required to implement, this Agreement, nor disclose to any third

birlasoft

2. **Objectives of MoU**

The main objective of this MoU is to brand Birlasoft as an Employer of Choice amongst students of the Sinhgad Institutes and to initiate ACE program, (Academic Collaboration for Excellence), to provide a collaboration platform to build a strong and on-going relationship between Birlasoft and "Sinhgad Institutes" thereby bridging the Academia and Industry skills gap.

- The primary goals of ACE Program are –
    - Effective Campus Collaboration Program which would help in early engagement with the colleges and faculty
    - Aligning academics with business needs thereby ensuring expected skills at the time of on-boarding
    - To get a better placement slot from the campuses (Day 1 or Day 2) for hiring good quality of students from the batch.
    - Promote activities like Hackathons, Interaction sessions with SMEs and Business Leaders
      to brand Birlasoft and help in overall development of the students
    - Provide exposure to students & faculty members on emerging technologies
    - Offering courses of mutual to organization's interest to the students and issuing the students certificates jointly, upon successful completion of the course.
    - Exploring and carrying out any other academic activity with mutual consent.

3. **Coordination**

3.1 Under ACE Program, Birlasoft and "Sinhgad Institutes" shall establish a joint working group for coordination.

3.2 Both parties shall ensure that the joint working group comprises of appropriate personnel to discuss and implement the activities mentioned in this MoU.

3.2.1 From "Sinhgad Institutes" SPOCs for ACE Program would be the HODs from various departments and Head of Training and Placement division.

3.2.2 From Birlasoft SPOC for ACE Program would be from L&D and TA team and Business sponsors from specific practices.

3.3 Both parties (Birlasoft and "Sinhgad Institutes") shall take all reasonable steps to cooperate and ensure successful implementation of all the measures mentioned in this MoU.

4. **ACE Program Details**

The joint working group shall implement, administer and execute the following measures as under –

4.1 Academic curriculum planning

4.1.1 Birlasoft shall participate in enriching the existing academic curriculum by providing the field inputs, technology driven changes to the Board of Studies (BoS) at the departmental level or the Departmental Academic Committee (DAC) or Birlasoft Business Sponsors can be a member on Board of Studies (BoS).

Smt. Kashibai Navale College of Engineering
Vadgaon(Bk)
Pune-41.

DocuSign Envelope ID: A498AE8C-B5B7-42AA-AD3E-2FE8DC4CD9B5

4.1.2 This BoS and DAC shall take all such inputs to the cluster level BoS of the institute and finalize the curriculum.

4.2 Participation in knowledge sharing

4.2.1 As per the ACE program, Birlasoft is to provide its speakers as per availability to participate and deliver Technical and Power skills presentations, webinars and talks on topics as shall be, jointly, decided by "Sinhgad Institutes" and Birlasoft.

4.2.2 Such lectures shall either be a part of the curriculum or a value-added knowledge for the students.

4.3 Faculty Development Program

4.3.1 Birlasoft would conduct Faculty Development Program for the faculties of "Sinhgad Institutes" to conduct a methodology based training which would supplement and enhance existing pedagogy to make it more industry relevant, the trainings to be conducted would be mutually agreed between Birlasoft and "Sinhgad Institutes" .

4.3.2 Birlasoft and "Sinhgad Institutes" would mutually identify faculties based on the below selection criteria:

4.3.2.1 Technical faculty should have min 4 years of technical teaching experience in streams Computers/IT/E&TC.

4.3.2.2 Power Skills faculty should have excellent command on English and preferably should have taken soft skills or power skills sessions earlier.

4.3.2.3 Faculty should be a permanent employee of the college and should be minimum Asst. Professor grade or above.

4.3.2.4 Specialization/Certification of faculties in relevant field would be an added advantage.

4.3.3 The college faculties which are mutually identified by Birlasoft and "Sinhgad Institutes" would be conducting trainings in 2 phases: -

4.3.3.1 Phase1: Before we offer the candidates following training would be conducted by faculties: -

4.3.3.1.1 Methodology based training which would focus more on hands-on and problem-solving skills, as agreed by Birlasoft and "Sinhgad Institutes" for interested 3rd year and final year candidates.

4.3.3.2 Phase2: Post we offer the candidates but before they pass-out from college following training would be conducted by faculties: -

4.3.3.2.1 Business Unit specific training identified and agreed by Birlasoft and "Sinhgad Institutes" for Offered final year candidates.

4.3.3.2.2 Business Unit specific Electives identified and agreed by Birlasoft and "Sinhgad Institutes" for Offered final year candidates.

4.3.3.2.3 Timely feedbacks would be taken from the students and based on students' feedbacks and their assessment performance Birlasoft would have the rights to propose change of faculty for any training.

4.4 Placement support to "Sinhgad Institutes"

4.4.1 This initiative aims at identification of the right young people who will join Birlasoft and their quest for being practice leaders in the niche areas we are focused on.

4.4.2 Hence, Birlasoft shall recruit competent and potential students of final year UG programs depending on it's annual need and growth plan.

DocuSign Envelope ID: A4884E8C-B507-42AA-AD3E-27EBDC4CC695

4.4.3 Recruitment of competent students shall be governed by the selection process as per Birlasoft policy.

4.4.4 Birlasoft is under no compulsion to guarantee Placements to the students of "Sinhgad Institutes".

4.5 Training Program for candidates before they pass-out from College

4.5.1 Birlasoft and "Sinhgad Institutes" would conduct Training program for Offered final year candidates of the college before they pass-out.

4.5.2 In this training program following would be covered: -

- Technical training delivered by College faculties
- Power skills training delivered by College faculties with support from Birlasoft Power Skills team
- Periodic SME Connects (Technical/Power Skills) by Birlasoft
- Periodic Assignments (Technical/Power Skills) by Birlasoft
- Periodic Assessments (Technical/Power Skills) by Birlasoft

4.5.3 Offered Candidates who would undergo this training need to complete the assignments as per the timelines given.

4.5.4 Offered Candidates who would undergo this training need to clear the assessments as per the criteria defined by "Sinhgad Institutes".

5. **Summary of Responsibilities**

5.1 College Responsibilities

5.1.1 To ensure maximum participation by students in Birlasoft activities and help in branding Birlasoft as Employer of choice among students.

5.1.2 To ensure minimum attendance of students as per the College attendance policy in all engagement activities defined by Birlasoft.

5.1.3 To share timely reports for the activities which are being conducted as a part of this initiative.

5.1.4 These reports should be shared with the Coordination committee of Birlasoft and "Sinhgad Institutes"

5.1.5 To include any enhanced contents defined by Birlasoft to either be a part of College Academic Curriculum or be a part of Value-Added Program for the candidates.

5.1.6 To identify relevant college faculties who would undergo Faculty Development Program which would be conducted by Birlasoft.

5.1.7 To ensure the identified and trained college faculties successfully deliver the required defined content by Birlasoft to the students.

5.1.8 To ensure training quality is adhered and monitored, and in case there is a deviation necessary actions to be taken.

5.1.9 To ensure defined Electives by Birlasoft are made mandatory for Birlasoft Offered candidates.

5.2 Birlasoft Responsibilities

5.2.1 To ensure participation in Academic Curriculum planning or support in enhancing the existing curriculum with the college.

Sinhgad Technical Education Society's Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

DocuSign Envelope ID: A4F8AE8C-B507-42AA-AD3E-27EBDC4CD9A5

5.2.2 To deliver technical presentations, webinars and talks which could be a part of the curriculum or as a value add to the students.

5.2.3 To conduct Faculty Development Program for the college faculties

5.2.4 To offer Electives to the students who have been offered by Birlasoft

5.2.5 To provide placement support to college students.

5.2.6 For Birlasoft offered candidates, monitor and track progress of their pre-onboarding training, conduct assignments and assessments during this training.

6. **Yearly review of this program to be conducted by Birlasoft and "Sinhgad Institutes"**

6.1 This review would compromise of a reviewing committee defined by Birlasoft which would include L&D Head, TA Head and Business Sponsors and "Sinhgad Institutes" which would include Principal or Dean of the College, HODs of various departments and Training and Placement Head of the college.

6.1.1 During this review which would be conducted inside the College campus, it is expected that College would present their perspective about the overall ACE Program in terms of effectiveness of the program from students and faculty point of view, feedback of the program from students and faculty point of view and whether the expected outcome was met in the end.

6.1.2 Also, during this review Birlasoft would present their perspective about the Overall ACE Program in terms of effectiveness of the activities done inside the college, feedback of students and faculties for the activities conducted by Birlasoft, and quality of hires done from the college.

6.2 This committee would review the clauses stated in this MOU and in case there is a breach anywhere then the committee would have rights to take the final decision whether to continue or discontinue the MoU.

7. **Selection process**

7.1 The entire recruitment procedure shall be decided by the Birlasoft Talent Acquisition Team which shall decide the procedure of campus recruitment including but not limited to selection criteria, selection process and elimination rounds.

8. **Confidentiality**

8.1 Either party may disclose its Confidential Information (as defined hereinafter) to the other party and the party disclosing the Confidential Information is referred as "Discloser" and the party receiving such information is referred as "Recipient".

8.2 Recipient shall keep the confidentiality of the Confidential Information of the Discloser and not use the Confidential Information for any purpose other than the purpose for which it the Confidential Information was provided to the Recipient.

8.3 Upon request by the Discloser, Recipient shall immediately return the Confidential Information of the Discloser.

8.4 "Confidential Information" shall mean and include Birlasoft proprietary technologies, all information and trade secrets exchanged by the parties hereto, including without limitation, technical or non-technical data, processes, know-how, business plans, forecasts, ideas, concepts, non-public financial plans and financial data, information about Birlasoft' s clients and vendors and all other information, whether as a whole or any part thereof, that a reasonable person would deem confidential.

8.5 Confidential Information shall not include information which: (a) is or becomes a part of the public domain through no act or omission of the Recipient; (b) can be shown to be already possessed by the Recipient as of the date of disclosure; (c) is made available to the Recipient on a non-confidential basis by a third party having a right to do so; or (d) is disclosed by order of a court of competent jurisdiction.

8.6 The obligation to maintain confidentiality shall survive this Agreement for a period of two (2) years from the date of disclosure.

8.7 "Sinhgad Institutes" shall cooperate with Birlasoft in getting Non-Disclosure Agreements signed by the students if such request is made by Birlasoft.

9. **Miscellaneous**

9.1 This MoU under the ACE Program initiative of Birlasoft, shall be valid for a period of 24 months from the date of signing by "Sinhgad Institutes" & Birlasoft. This MoU shall be renewed for further term with mutual consent. Either party may decide to update or terminate this MoU by giving 30 days prior written notice to the other.

9.2 Neither party hereunder shall be liable for any consequential loss or damages arising out of the performance of obligations under the terms of this MoU.

9.3 Save in respect of Clause 8, Confidentiality, Birlasoft shall not have any liability or legal binding to "Sinhgad Institutes" by virtue of executing this MoU.

10. **Limitation of liability**

10.1 In no event shall either party be liable to the other for any loss of profits, loss of revenue, loss of data, loss of use, any indirect, incidental, special, exemplary, punitive or consequential damages, incurred by either party or any third party, whether in an action in contract or tort, strict liability or other legal or equitable theory regardless of whether such damages were foreseeable or if the other party or any other person has been advised of the possibility of such damages.

11. **Force Majeure**

11.1 Neither party to this MoU shall be liable for any failure or delay on its part in performing any of its obligations under this MoU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

11.2 Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MoU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MoU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

12. **Governing law and Jurisdiction:**

12.1 This MoU shall be governed by the laws of India. Any dispute arising out of or in connection with this MoU shall be subject to the jurisdiction of the courts in Pune.

Gurgaon, Haryana – 122018
CIN: U80901HR2011PTC064443

INTERNSHALA COLLEGE REGISTRATION AGREEMENT

This Agreement is executed on 23rd October 2020 by and between:

Scholiverse Educare Private Limited, having its registered office at B-610, Unitech Business Zone, Nirvana Country, Sector-50, Haryana - 122018, acting through its authorized representative Mr. Samay Bhatnagar, Head, University Relations (hereinafter referred to as **"Internshala"**);

AND

Smt. Kashibai Navale College of Engineering (hereinafter referred to as the "**College**" which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives and permitted assigns) of the other Party; acting through its authorized representative Dr. A. V. Deshpande, Principal.

Internshala and College may be referred to as 'Party' individually and as 'Parties' collectively, as the context may require.

Overview:
This agreement is regarding the college registration of 'Smt. Kashibai Navale College of Engineering' with 'Internshala'.

Responsibilities of Internshala:

- Create student accounts for all the students registered by the College.
- Provide weekly internship update to all the students registered by the College as per their filled in preferences
- Provide an online resume maker to all the students of the College registered with Internshala.
- Safeguard students' data as per internshala privacy policy (https://internshala.com/privacy)
- Inform the college when students get selected for an internship.
- Provide College with Internshala logo and brand name to be used in College's communications (internal or external) and on its website to recognize Internshala as the internship and training partner and any other purpose limited to the scope of the agreement.

Responsibilities of College:

- Recognize Internshala as the internship and training partner in all internal and external communications including on its website and in admission/media brochures.
- Send a communication to all the students and faculties regarding the association and direct/encourage students to verify their accounts.
- Provide the information of all the interested students of the College as required by Internshala for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College.
- Regularly post a list of students selected for internships through Internshala every month on the college's notice board.
- Authorize Internshala to recognize college, using College logo and/or brand name, as a registered user in its communications (internal or external) and on Internshala platform only for the purpose limited to the scope of the agreement.

Commercials:
This is a non-commercial agreement whereas neither party is required to make any payment to other party for carrying out the responsibilities listed in this agreement.

Term and Termination:
This agreement will be operational and valid from 23rd October 2020 and the initial tenure of the agreement is 1 (one) year. Upon completion of the tenure, the agreement can be renewed for another 1 year and so on with mutual consent of both parties.

Smt. Kashibai Navale College of Engineering
Vadgaon(Bk)
Pune-41.

Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Indemnity

The college understands and agrees that all the information provided on Internshala related to internships and trainings is provided on *as is* basis. It further agrees that while Internshala makes efforts to ensure the accuracy of the information supplied, it does not guarantee it and the college will choose to disseminate this information to its students solely at its discretion. The college agrees to defend, indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors against any loss, claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or related to its use of content of Internshala platform feed that it posts, stores or otherwise transmits on or through its platform(s) or to its students or to general public at large.

The college understands and agrees that as a platform, Internshala acts as a bridge between the organizations who wish to hire interns and the students who wish to apply for the internships. We make best efforts to bring the best internships on the platform, educate students about the same and ensure that they can apply to these internships in a seamless manner. However, the eventual hiring decision, rightfully, resides with the organization which is hiring interns and is dependent on several factors such as the skills of the applicant, quality of her applications, competition, requirements and assessment process of the organization, student's availability at the required location and for the desired period of the internship etc. Since these factors are beyond Internshala's control, Internshala does not and can not guarantee an internship to an applicant.

The college further agrees to indemnify and hold harmless Internshala, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors, if any, who controls any thereof, against any loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representation or warranty or breach or failure by the College to comply with any covenant or agreement made by the College herein or in any other document furnished by the College to any of the foregoing in connection with this agreement.

Trademarks:

Except to the limited extent expressly provided in this Agreement, neither Party grants, nor the other Party will not acquire any right, title or interest (including, without limitation, any implied license) in or to any property of the first Party. All rights not expressly granted herein are deemed withheld. All use by a Party of the other trade names, trademarks, service marks, logos, etc., and any goodwill associated therewith, will inure to the benefit of the grantor.

Confidentiality:

Internshala and the College will not disclose the details of this agreement and any private information that they come across when this agreement is in effect to any third-party.

If either Party (the "Receiving Party") under this Agreement gains access to confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's prices, business, plans, technology, products, and other non-public information of the Disclosing Party (collectively, "CI" or "Confidential Information"), then the terms of this section will apply. CI includes all information in tangible or intangible form that is marked or designated as confidential by the Disclosing Party or that, under the circumstances of its disclosure, should be considered confidential. The Disclosing Party owns all right, title and interest, including all patent, copyright, trademark, trade secret rights and any other intellectual property or proprietary rights in any jurisdiction, including any and all applications, renewals, extensions and restorations thereof, in the Disclosing Party's CI. Each Party agrees that it will not use in any way, for its own benefit or the benefit of any third party, except as expressly permitted by, or as required to implement, this Agreement, nor disclose to any third party (except as required by law or to such Party's attorneys, accountants and other advisors as reasonably necessary), any of the Disclosing Party's CI. Each Party will take reasonable precautions to protect the confidentiality of the other Party's CI that are at least as stringent as it takes to protect its own CI.

Force Majeure:
Except for any payment obligations, neither Party will be liable to the other for failure to fulfill obligations hereunder if such failure is due to causes beyond its control, including, without limitation, acts of God, earthquake, fire, flood, embargo, catastrophe, sabotage, utility or transmission failures, governmental prohibitions or regulations, national emergencies, insurrections, riots or wars, strikes, work stoppages or other labor difficulties ("Force Majeure Event"). The time for any performance required hereunder will be extended by the delay incurred as a result of such Force Majeure Event.

Disputes:
The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation between executives.

THE CENTER
OF EXCELLENCE

Non-Committal MOU for QUANTUM LEARNINGS Centre of Excellence

1. This Memorandum of Understanding is being executed on date 8th March 2021 between M/s Quantum Learnings. A Microsoft–GTP (Global Training Partner)and Certiport CATC having its Registered office at 193, 3Rd Floor, Vinobhapuri, Lajpat Nagar-II, NewDelhi-110024 and represented by Mr. Sandeep Giyyan JJethani (Director Institutional, Collaboration) hence **for purpose of MOU known as 'Delivery Partner'** a **Sinhgad Institutes** represented by **Prof. M. N. Navale** hence for **purpose of MOU known as 'Resource Partner".**

2. As an QUANTUM LEARNINGS Centre of Excellence, resource partner would get to offer programs mapped and bundled with Certifications of **Microsoft, Apple, EC Council, Aurodesk, Adobe, Mississippi State University, University of Texas**, in their campus the same would be applicable for students from all streams like IT/ CS, ECE, E&TC, EEE, Mechanical, Civil, Archicture, Commerce, Finance, Marketing etc. in online / offline mode.

3. **'Resource Partner" is not required to make any investment for the COE program**

4. **'RESOURCE PARTNER "does not commit to provide any assurance on the number students to be enrolled for the online training and certification program.**

5. Students enrolment is **purely voluntarily** and if they are interested they would directly enroll online and make payment against certification to Quantum Learnings, 'RESOURCE PARTNER". is nowhere responsible or involved w.r.t financials against the same.

6. **'RESOURCE PARTNER" would ensure full students participation for department wise free webinars being conducted by Quantum learnings for their University/ College/Institution.**

7. **'RESOURCE PARTNER"** will get campus wise COE license for students and their faculty's based on the total strength in the campus along with COE Plaque.

8. As part of QUANTUM LEARNINGS centre of excellence, resource partner would get access to mentorrbuddy.com a smart AI based placement and aptitude preparation portal.

9. Though the initial period of campus license issued is for period of one year however in-case of any changes in the program and its structure whether partial or in total, some would be communicated at least 60 days in advance to the institution and it would be solely their voluntary decision whether to continue for the program.

10. **'RESOURCE PARTNER"** faculty members can participate in the **'free' online Faculty Development Programs being offered throughout the year** for the technical and Non- teaching staff as they would also get their Certification for the same.

Smt. Kashibai Navale College of Engineering
Vadgaon(Bk)
Pune-41.

11. Free Trainings for students who voluntary enroll for certification will be executed through Instructors live online.

12. In-case if the International certification programs or exams are conducted offline the, resource partner would provide the necessary infrastructure, like labs with computers, LCD projectors, internet etc and for that duration would allocate time slot for the execution of the same as per mutual consent.

13. Prices of the voluntary certification for students and other related services are subject to revision as per the policy and changes due to impact of dollar price or any change in state or central govt taxes as and when applicable. However, same would be updated on the portal well in advance.

14. If Resource Partner is satisfied with the services provide by COE they would issue a letter of appreciation for the same.

MEMORANDUM OF UNDERSTANDING

Between

Geekslab Technologies Pvt. Ltd., New Delhi

GeeksLAB

and

Smt. Kashibai Navale College of Engineering Vadgaon (bk), Pune-411041.

Sinhgad Institutes

SKN COLLEGE OF ENGINEERING
VADGAON, PUNE

The Memorandum of Understanding (MOU) made and entered into on 31st day of January, 2020 is between **Geekslab Technologies Pvt. Ltd.**, having its branch office at C-2, Sector-1, Noida - 201301 (herein after referred to as GeeksLAB) and **Smt. Kashibai Navale College of Engineering**, having its campus at Survey No. 44/1, Off Sinhgad Road, Vadgaon Bk. Pune, Maharashtra – 411041. (herein after referred to as SKNCOE) for the purpose of providing the industrial exposure and enhancing the quality of engineering education being imparted to the students.

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering

PREAMBLE:

Geekslab Technologies Pvt. Ltd., an integrated solution provider, is working with a motive to provide IT services and solutions as well as to spread awareness about latest technological trends amongst students all over the world. GeeksLAB being a knowledge platform believe in sharing our domain expertise through our workshop programs. GeeksLAB is engaged in Technical Education, IT Solutions, System Integration, Application Development and Out-Of-Home technology solutions. GeeksLAB has a strong foundation of intellectual capital and result-orientation. The team is a strategic mix of professionals from technology, consulting, business management and client servicing domains. GeeksLAB felt the need to expose students to the emerging technologies on a continuous basis. GeeksLAB proposes to do so by conducting workshops and training programs in the academia on different emerging technologies.

Smt. Kashibai Navale College of Engineering (SKNCOE) is part of the Sinhgad Institutes Vadgaon (Bk) campus. The college believe in and work for Holistic development of students and teachers. They strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant Society.

The college offers a plethora of courses including Undergraduate Engineering Programs, Postgraduate Engineering Program, Postgraduate Management Programs and PHD Programs. The institute is affiliated with the University of Pune and managed by the Sinhgad Technical Education Society (STES). The college takes its name from the nearby Maratha fort. It has been accredited by the National Board of Accreditation and recognized by the AICTE.

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Nav College of Engineering, [illegible]

OBJECTIVES:

A. MOU is for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education being imparted to the students.

B. MOU is to provide the industrial exposure and trending technologies for students to enable them to meet the industry needs and to be recognized globally.

C. As per MOU

(Geekslab Technologies Pvt. Ltd., New Delhi) will help the Institute by granting the permission for

1. Provide support for projects of the students & Industrial Project training/assistance to the Students.
2. Conduct Research, development and training in Science, Technology and Design relevant to the field of Information Technology and all engineering domains.
3. Conduct Professional, Vocational and Certificate Courses in engineering related budding technologies.
4. Organize other professional activities like workshops, on-line trainings, special lectures, seminars, boot camp, in-house and summer/winter training at campus and; allow all the students and staff to attend the same.
5. Increase employability by providing technical training programs.
6. Strengthen relationship and assist support with other Universities/Colleges.(with whom GeeksLAB shared healthy relation)
7. Work with educational bodies/universities to align the industry requirements into the college curriculum Sharing Industry oriented-courseware and Technology.
8. Technical Guidance for Lab Developments & Setups.
9. Provide a platform for academicians for research and consultancy work at their premises or in industries.
10. Assist latest research projects to teaching faculties to enhance quality of education

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

Head

TERMS AND CONDITIONS:

1. RELATIONSHIP :

1.1 MOU is the collaboration between two parties for mutual benefit.

1.2 MOU stands valid for **five years** from the date of agreement. The collaboration can be terminated from either side with a notice period of one month.

1.3 Both parties shall work in synchronism to ensure the successful completion of collaboration.

1.4 The parties to this letter of intent may, by mutual consent, add, modify, amend, delete, review or revise any term(s) and condition(s) of this agreement.

1.5 Both the parties shall provide adequate facilities to the students undergoing training with mutual understanding.

2. OBLIGATION :

2.1 Each party shall meet the expenses as mutually agreed.

2.2 Each party shall respect the others intellectual property (I.P.) rights.

2.3 Both parties undertake to treat as CONFIDENTIAL AND PRIVILEGED information of each other, which is so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms.

2.4 The details for the efficacious implementation of the MOU shall be jointly worked out on mutually acceptable terms within the parameters of the policies, rules and regulations of both the parties.

3. LIMITATION :

3.1 Each party represents that they have full power and authority to enter into this MOU.

3.2 Each party shall ensure to work together with maturity.

4. DEFAULTS AND TERMINATION:

4.1 The MOU can be terminated by either of the party with one month notice.

MEMORANDUM OF UNDERSTANDING
BETWEEN

JETKING HADAPSAR LEARNING CENTER
2ND FLOOR, JANU NIKETAN, PUNE SOLAPUR ROAD, HADAPSAR, PUNE 411028.

AND

Smt. Kashibai Navale College of Engineering

Vadgaon Budruk, Pune, Maharashtra 411041

Duration: 22/06/2020 to 21/06/2022

This memorandum of understanding made and entered into on this **Monday on 22/06/2020** between **Jetking – Hadapsar Learning Center, Pune, Maharashtra, with its registered office situated at 2nd Floor, Janu Niketan, Pune Solapur Road, Hadapsar, Pune 411028** and **Smt. Kashibai Navale College of Engineering Vadgaon Budruk, Pune, Maharashtra 411041.**

Jetking Hadapsar Learning Center, is a Pune based organization that started in the year 2010 at 2nd Floor, Janu Niketan, Pune Solapur Road, Hadapsar, Pune 411028. It is well known national brand and has legacy of 70 years. Jetking has trained more than 8 Lacs students in IT IMS, Telecom sector. Jetking provides training and awareness on various technologies through workshops & seminars.

Smt. Kashibai Navale College of Engineering– Vadgaon of Sinhgad Group of Institutions is situated at Vadgaon, Pune and is an engineering institute with a vision to satisfy the aspirations of youth force, who wants to lead nation towards prosperity through techno-economic development. It is an AICTE approved institute affiliated to Savitribai Phule Pune University (SPPU).

OBJECTIVES OF THE MOU

a. The objective of this Memorandum of Understanding is to promote interaction between Jetking Hadapsar Learning Center, Pune and Smt. Kashibai Navale College of Engineering– Vadgaon in mutually beneficial areas.

b. MOU is for the purpose of enriching and enhancing aptitude learning process for Smt. Kashibai Navale College of Engineering– Vadgaon students so as to meet the industry needs and to be recognized globally.

PROPOSED MODES OF COLLABORATION

Jetking – Hadapsar Learning Center, Pune and Smt. Kashibai Navale College of Engineering– Vadgaon propose to collaborate through,

Training Activities

Two days to one week paid Workshop and sort term courses for the college, which can help the students to get exposure on various advanced IT technologies

Topic for the Workshop are:

- Network Management – Routing & Switching
- Windows server 2008 & Configuration
- Redhat Linux & Virtualizations
- Cloud Computing
- Basics of Networking & Wireless Network
- Big Data – Hadoop
- Network Security & Ethical Hacking
- Data Science
- Internet On Things
- How to be employable – Corporate Etiquettes & Interview Skills.
- Signature Students Transformation workshop – Pocket money to Salary -

1. AGREEMENTS

This agreement is made by **Smt. Kashibai Navale College of Engineering– Vadgaon** with **Jetking Hadapsar Learning Center, Pune, and Maharashtra.**

2. OBLIGATION

a) Each party shall respect the other party's intellectual property (I.P.)
b) Both parties shall maintain confidentiality about any information and will not disclose outside anything without other party's prior written permission.

3. LIMITATION

a) Each party represents that they have full power and authority to enter into this MOU.
b) Each party shall ensure to work together with maturity.

4. CONFIDENTIALITY

a) This MOU will take effect from the date it is signed by the representative of both the parties. It will remain valid for two years from the date it is signed by the representative of both the parties and may be continued thereafter after suitable review and agreement. Once terminated neither party will be responsible for any type of losses. Both parties will ensure that all activities are completed successfully.
b) Both party agrees to consider all information confidential and cannot be disclosed by the either party.

5. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be exclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind.

6. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall **expire in two years** after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time.

7. CONDITION

a. Both parties will designate a representative who will be the primary point of contact.
b. Unless and until the parties agree there shall be no public announcement. Agreement has to he in the form of written approval.
c. Any dispute under this MOU will be settled at Pune through arbitration if necessary.

Jetking

BSNL
Connecting India

The Regional Telecom Training Center, Pune (RTTC, BSNL, Pune) located in Chinchwad, Pune, is a unit of Bharat Sanchar Nigam Limited, a Government of India Enterprise. RTTC, Pune came into existence in the year 1995 under the academic control of Bharat Ratna BhimRao Ambedkar Institute of Telecom Training (BRBRAITT), Jabalpur. RTTC, Pune is responsible for imparting training in Telecommunication Technology to BSNL and Non BSNL organization. The cadres trained here are JTOs, SDEs, under Group B and JE/TTAs under Group C officers/officials of the Department and Engineering students etc.

This MoU between **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune 411 041** and **Regional Telecom Training Center, Pune** assigns herewith on MoU Dated:- 28/09/2020 by Principal, on behalf of Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Puneand the Principal, RTTC Pune, on behalf of RTTC, Pune, for organizing the Training programs.

BSNL RTTC, Pune, proposes following courses:

1. Informative webinar / seminar / expert lecture on various latest telecom and management topics (online/offline)
2. Skill Development courses as per TSSC/NSDC (Free/Paid)
3. Vocational Training in Basic Telecom Technologies (VT-Basic)
4. Vocational Training in Advanced Telecom Technologies (VT- Advanced)
5. Industrial Visits to BSNL Telecom Infrastructure
6. Self-supporting Employability Enhancement Training Program (SSEETP)
7. Internship program
8. Major projects assistance
9. Faculty Development Program
10. Customized courses as per the requirements

Above training courses will be conducted subject to availability of trainers/other time to time constraints & on the basis of the following terms and conditions:

1) <u>Areas of collaboration :</u>

a. To conduct training programs and 'hands-on' experience to the faculty and students of the **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune .**
b. To organize exchange of know how between faculties of the college and the engineers/managers working in BSNL .
c. To organize industrial visits for students of **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** with mutual consent.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune-41

Telecom Training Centre

d. To provide in-plant training to the students of **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** with mutual consent.
e. To train the students to enhance their employability by conducting training programs to bridge the gap between academics and industry.
f. To provide the link BSNL RTTC Pune on Institute's website and information of the various training programs of RTTC BSNL Pune on institute's website and notice boards of the departments/institutes for information and wide publicity among students/faculties.

2) Mobilization and Selection :

a. **RTTC Pune** has agreed to impart training on proposed Telecom Training Courses to Engineering students as per the terms and conditions of this MoU.
b. **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** shall **display notification on website & notice board** and carry out the Selection of students for the training/s.
c. **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** shall send a detail list of selected students to RTTC, Pune in the given format (also in soft copy), one week prior to the commencement of the training.
d. RTTC, Pune shall submit a course commencement letter prior to the commencement of the course.

3) Training Service Delivery:

a. **Infrastructure –**

1. RTTC, Pune shall conduct the course at its authorized training centers only.
2. RTTC, Pune shall ensure that the training centers should have the minimum facilities like good classrooms and other good facilities for conducting training.
3. For online training courses, RTTC Pune shall conduct online, live and interactive sessions through the subject matter experts.
4. In case of availability of the trainers / subject matter experts, training sessions may be conducted at the location of the **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune.** In such cases the training infrastructure and accommodation for the trainers / subject matter experts trainers shall be provided by the **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune.**

b. Course Content –

1. RTTC, Pune shall develop latest syllabus and training materials based on requirement of industries and the relevant sectors & similar course being delivered to AICTE approved colleges in India which would be based on practical

Head
Dept. of Electronics &
Telecommunication Engineering
Smt. Kashibai Navale College
of Engineering, Pune - 411 041

interactive training. A copy of syllabus shall be submitted to **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** before commencement of first batch of training.

2. RTTC, Pune shall conduct the training/s only as per the course contents submitted to **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune.** RTTC, Pune shall ensure that all trainers deputed by them have the relevant education, experience and skill set for conducting the proposed training/s.
3. RTTC, Pune shall arrange time to time industrial visits of Telecom installationsduring the tenure of training/s as per the syllabus of the course.
4. The SSEETP course shall have 3 certificates Silver, Gold & Platinum for 3 semester (5^{th}, 6^{th} and 7^{th}) of BE(E&TC) students comprising of 56 weeks.

c. **Attendance –**

1. RTTC, Pune shall maintain the attendance of the candidates and the attendance data shall be submitted to the Skill Development Cell, **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune.**
2. **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** shall take special efforts to ensure that each candidate is attending the training minimum 80%. Attendance records will be maintained by RTTC Pune in the physical registers and submitted to **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** if demanded.
3. RTTC, Pune will submit report to **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** about the candidates who are irregular after completion of the 10% of the total duration of training course, **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** will take the necessary action.

4) **Monitoring and Evaluation of Training:**

Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune 411 041may inspect the training programs randomly by deputing authorized persons and it is binding on RTTC, Pune to extend all support to **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune &RTTC, Pune** will rectify any shortcomings observed during the visits on an immediate basis, as per terms and conditions of this agreement.

5) **Assessment and Certification:**

a. RTTC, Pune will conduct examination/Evaluation of the students and award the grade indicating completion of Training.
b. RTTC, Pune shall provide certificates to the trained and successful candidates on last day or any convenient day of closing as agreed. The certificate should be

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune- 41

provided in collaboration with **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune .**

c. RTTC, Pune may conduct re-examination for the unsuccessful candidates to give them one more opportunity.

6) Financial Terms and Conditions:

a) Fee Structure for the training courses is as per the Annexure 'A' of this MoU.
b) **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** will submit the fees batch wise.
c) Food charges (breakfast, lunch, evening snacks and dinner) to be paid directly to the mess contractor of the Hostel of RTTC Pune by the students. The allotment of the Hostel room is subject to availability.
d) The contract may be extended to conduct more batches at different places, based on the mutual agreement and feasibility.
e) The total training charges are to be paid within 5 days from the date of commencement of the training either through **DD in favour of Accounts Officer (Cash), BSNL, Pune or through NEFT to an authorized account which will be provided after this agreement.**
f) No refund of fees for drop outs or if the trainee discontinue the training during training period within one module Silver/Gold/Platinum will be entertained.

7) Reporting:

a. A comprehensive report (Attendance/Evaluation etc.) of the training shall be furnished by RTTC, Pune to **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune .**
b. In response **Smt. Kashibai Navale College of Engineering,Vadgaon (Bk.), Pune** will submit the satisfaction report.

8) Confidentiality:

The parties agree to maintain the confidentiality and shall not disclose contents of this agreement to any third party or shall not use for any purpose (other than in connection with this MoU) any information relating to the other's business which is marked **'Confidential'** or its clearly by its nature confidential without the disclosing party's written consent. Each of the parties may disclose the other's confidential information to the employees, agents, contractors and professional advisors on a need to know basis and to others having a legal right or duty to know that information

9) Other Terms and Conditions:

a. This MoU is valid for 36 months from the date of signing of this MoU and the terms of MoU may be extended further with mutual consent.
b. Any additional conditions regarding monitoring, assessment, evaluation and MIS etc. and other issues related to implementation will be worked out by **Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune** and Principal, RTTC, Pune in mutual agreement with each other. RTTC, Pune shall ensure that each candidate will submit an undertaking that he/she will abide by the rule and regulation of RTTC, Pune.
c. **Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune** shall ask student to submit the duly attested documents of each candidate such as academic qualification certificate, Student Id, Passport size photographs (3 nos.), PAN driving license/adhaar card/voter id, etc.

10) Resolution and Arbitration :

a. In case of dispute there shall be an arbitration committee comprising of representative/s nominated by **Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune** and representative/s nominated by Principal, RTTC, Pune. The decision of the arbitration committee shall be binding on both the parties.

b. No party shall be entitled to go to the **'Court of Law'** except otherwise it is advised by the arbitration committee. However, in all such cases jurisdiction of court will be in Pune only.

11) Force Majeure:

a. Force majeure shall mean any unforeseeable exceptional situation or event beyond the parties' control which prevents either of them or their agents/authorized representatives from fulfilling any of their obligations under this agreement, was not attributable to error or negligence on their part, and proves insurmountable in spite of all due diligence.
b. Any of the University / Institute / Engineering College or RTTC, Pune faced with majeure shall inform the other party without delay by registered letter with advice of delivery or equivalent, stating the nature, probable duration and foreseeable effects.
c. Neither **Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune** nor RTTC, Pune shall be held in breach of their obligations under the agreement if they are prevented from fulfilling them by force majeure. Each of the **Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune** or RTTC, Pune shall make every effort to mitigate any losses suffered due to force majeure. If **Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune** or RTTC, Pune fails to make necessary efforts by which the losses caused due to force majeure can be mitigated then the other party shall have the right to terminate this Agreement.

Date: 28/10/2020

MEMORANDUM OF UNDERSTANDING

between

Automate Engineering Pvt. Ltd.

E6,Anupam Complex,Near Karve Statue,Kothrud,Pune:411029

Represented by Mr. Avinash Deo, Director.

and

Smt. Kashibai Navale College of Engineering, Vadgaon, Pune
Department of Electronics and Telecommunication Engineering

Duration: 28/10/2020 to 28/10/2025

Automate Engineering Pvt. Ltd and Electronics and Telecommunication Engineering Department of Smt. Kashibai Navale College of Engineering, Vadgaon, Pune are also referred to individually as 'First party' and 'Second party' respectively and collectively as 'parties'.

Article 1: Objectives of MoU

Some broad goals of this MoU are to:

1. Expose the students of Electronics and Telecommunication Engineering, to the existing scenario in this electronics industry and evolve a mutually beneficial working relationship between the company and the institute on a need basis.

AUTOMATE ENGINEERING PUNE

Smt. Kashibai Navale College of Engineering Vadgaon(BK) Pune-41

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 41

Sinhgad Institutes

2. Provide internships, industrial visits, training sessions, guest lectures for the students.
3. Enhance the understanding of students through field experience.

Article 2: Activities involved

1. Guest lecture/Session on scope of Electronics in Industry.
2. Arranging Internships to the eligible students.
3. Industrial visits for faculty members and students.
4. May provide Live/Sponsored projects to eligible diploma students.

Article 3: Roles of First party

1. Company will conduct three layers cascaded program as follows:

I. Industry-Faculty Synchronization Program:

The faculty of Smt. Kashibai Navale College of Engineering, Vadgaon, Pune will visit the company for introduction and interaction to the existing facilities. This will help to understand the gaps between the academics and current industrial scenario and result in introduction of activities over and above curriculum.

II. Industry-Faculty-Students Synchronization Program:

AUTOMATE ENGINEERING PUNE

Smt. Kashibai Navale College of Engineering Vadgaon (BK) Pune-41

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune-411 041

Sinhgad Institutes

The representatives of the company will visit the institute on regular basis to interact with students/faculty to give them an idea about increasing employability and also have regular sessions that will give them an idea of the current trends in the industry.

III. Industry-Student Synchronization Program:

Apart from arranging Industrial Visits to the company's facility on a regular basis, the company will offer-

a) Internships

b) Projects

c) Training

2. Issue certificates to the students after completion of successful Internships/Projects.

Article 4: Roles of Second party

1. Provide eligible students to work on live projects and internships.
2. Assurance of non-violation of the rules and regulation of the company during internships or training programs.
3. Motivate students to take internships and projects in the areas specified by the company.
4. Provide necessary infrastructure to conduct sessions, training programs, etc.

Article 5: Outcomes

This MoU will enable the students

1. To work in the field of Electronics Product Manufacturing.

Head
Dept. of Electronics & Telecommunication Engineering
Sinhgad Kashibai Navale College of Engineering, Pune-411 041

Sinhgad Institutes

2. To understand the scope of Electronics Industry.
3. To get acquainted with the Industry Environment.

Article 6: Duration of MOU

This MoU shall remain in force for a period of five years commencing from the date of signing of this document from 28/10/2020 to 28/10/2025 .The parties reserve the right to terminate this MoU by either party giving three month written notice to the other, where such termination occurs, the provisions of this Memorandum shall continue to apply to ongoing activities until their completion.

Article 7: Financial terms / conditions

Based on this intend both parties will decide jointly the commercial terms that would be mutually beneficial for the success of this venture.

Article 8: Statement of Intent

Nothing in this MoU shall be constructed to as creating any legal relationships between the parties. This MoU is the statement of intent to foster genuine and mutually beneficial collaboration.

Article 9: Amendements

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 41

Sinhgad Institutes

Amendments to this contract, if any, will be made only after joint discussion and agreement between both parties and will require a freshly approved and signed agreement by the designated representatives of each party. The terms/clauses/articles in this MoU can be reviewed by mutual consent by serving three month written notice the other party. MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made among the

ELECTRONICS STUDY CENTRE,
402, 'Olive Arcade', besides Metro Mall,
Tapowan Road, Station Road,
NASIK, MAHARASTRA, INDIA. 422011

----------Herein after referred as **ESC NASIK.**

And

Smt. Kashibai Navale College of Engineering,
Department of E & TC Engineering,
Vadgaon- PUNE, MAHARASTRA, INDIA 411014

---------Herein after referred as **SKNCOE PUNE.**

Duration of MOU—1st Oct. 2020 to 30th Sept. 2025

It is mutually agreed by **ESC NASIK** and **SKNCOE, PUNE** that

From ELECTRONICS STUDY CENTRE

This MOU is to bridge the gap between the industry and the academia, Empowering Professionals as Entrepreneurs and enrich young talent pool from **SKNCOE, PUNE** by enhancing their technical competencies to match the industry requirements.

Electronics Study Centre, Nasik.

Electronics Study centre is established in 2012. It is ISO 9001:2008 Certified works on core Electrical/ Electronics on skill development for Electrical/ Electronics engineering students by keeping the object to Minimize the gap between Education and Industry. We had taken a copyright on 'Three phase induction motor panel assembly and its maintenance' by the name "Me and My Pump." Also we have published a book on core Electrical/ Electronics 'A Manual of Electronic Components.' We organizes the seminars, webinars, workshops, online/ offline internship training, industrial trainings, interview sessions, technical debates/ competition/ quiz on core hardware/ software.

Vision- Empowering Engineering Professionals as Electrical/ Electronics Entrepreneurs.

Mission- To Develop Electrical/ Electronics Engineering Students Skill by practice.

Aim- To build interest in Electrical/ Electronics and boost their confidence.

Smt. Kashibai Navale College of Engineering, Vadgaon, PUNE.

Smt. Kashibai Navale College of Engineering, Vadgaon, PUNE (hereafter called as SKNCOE PUNE) provides a distinctive excellence driven engineering education that will groom future generation of engineers and entrepreneurs. It has been established in 2001 and presently offers undergraduate programs in four disciplines like Mechanical Engineering, Computer Engineering, Information Technology and E& TC engineering. The institute also offers Post Graduate programs in above branches. The institute also offers MBA program. SKNCOE, PUNE is permanently affiliated to Savitribai Phule Pune University, Pune. The institution has progressed in leaps and bounds and is undergoing a continuous process of improvements in all aspects of curricular and extracurricular activities.

2. Benefits to the Institute:

1. Academic	☐	2. Projects	☐	3. Product Development	☐
4. Training	☐	5. Research	☐	6. Entrepreneurship Development	☐

3. Company is ready to help Our College

1. Expert Lecture/ Seminar	☐	2. Workshop	☐
3. Industrial Visit	☐	4. Industrial Training in Vacation	☐
5. Entrepreneurship Development	☐	6. Product Development and its marketing	☐

SKNCOE PUNE and ESC Academy of skill development Technology have identified certain forefront areas to carry out joint work as follow:

1. Conducting Expert lecture/ Seminar to the students on core area.
2. Conducting Hands-on practice workshop for students to develop their skills in core area.
3. Organizes Industrial Visit to the core Industry.
4. Joint Industrial training (Internship) for students in Diwali/ summer vacation.
5. Conducting Entrepreneurship Development Camps for SKNCOE, PUNE Students.
6. Developing Entrepreneurship Centre to develop students as an Entrepreneur.

CHAMPION SEMICONDUCTOR

Sinhgad Institutes

1. Expose the students of Electronics and Telecommunication Engineering, to the existing scenario in this electronics industry and evolve a mutually beneficial working relationship between the company and the institute on a need basis.
2. Provide internships, industrial visits, training sessions, guest lectures for the students.
3. Enhance the understanding of students through field experience.

Article 2: Activities involved

1. Guest lecture/Session on scope of Electronics in Industry.
2. Arranging Internships to the eligible students.
3. Industrial visits for faculty members and students.
4. May provide Live/Sponsored projects to eligible diploma students.

Article 3: Roles of First party

1. Company will conduct three layers cascaded program as follows:

   I. <u>Industry-Faculty Synchronization Program:</u>

   The faculty of Smt. Kashibai Navale College of Engineering, Vadgaon, Pune will visit the company for introduction and interaction to the existing facilities. This will help to understand the gaps between the academics and current industrial scenario and result in introduction of acivities over and above curriculum.

The Party (1) is a prominent department of 'Smt. Kashibai Navale College of Engineering' engaged in imparting Engineering education in Mechanical stream at degree Level.

Whereas The Part (2) is engaged in providing Online/Offline professional training in CAE, which includes CAE-Tool like Hypermesh & Ansys which will enhance the professional skills, academic growth career guidance & Technical support to students.

Now, therefore, with view to build a strong bond between Party (1) & Party (2) & facilitate of mutual beneficial activities in field of technically managerial & social knowledge sharing, optimization of resources, education enhancement, expertise augmentation & become role model for any Industries-Institutes Interaction. So, the parties hereto have mutually agreed & decided to enter upon this MOU as per details here in under.

1) Modes of Interaction

a) To impart training to the students of the party (1) by the party (2).

b) To facilitate regular interaction between the faculty & students of the Party (1) & Party (2).

c)The Party (1) & Party (2) shall explore the possibilities of mutual support in there learning, technical support & assistance required for welfare of students & faculties.

d.)Confidentiality: Each Party should maintain Confidentiality of any information of the other, during the term of MOU.

2) Amendment of Memorandum of understanding

This MOU will be amended by written agreement between the parties hereto.

Memorandum of Understanding

Between

Company: Kakade Laser, Pune

&

Institute: Smt. Kashibai Navale College of Engineering, Pune

- **Article 1: Objective of MOU**

The Company and Party are committed to enhancement of skills of student in designing and manufacturing of equipment's which will help to develop the entrepreneurship opportunity for the student also the employment opportunities .The purpose of MOU is to better serve the students by offering them field work opportunity to get explored to practical applications of the knowledge they acquire during their formal education.

Broad goals

Some broad goals of this MOU are

1. Take into consideration the aspects of the subject required by industries for possible future inclusion in the curricula.
2. Enhance the understanding of students in manufacturing process required in industrial applications.
3. Develop entrepreneurships opportunities among the students.
4. Increase career opportunities in manufacturing industry.

- **Article 2: Activities Involved**

The parties will undertake the following

1. Visits may be arranged.
2. Organizing software training programmes for students.
3. Expert lectures may be organized.
4. Encourage joint research initiative.

Exchange of Human resource and knowledge-base will be carried out subject to mutual agreement. Development and implementation of specific activities based on this MoU will be separately decided and agreed upon by the parties. Whenever necessary, specific plan shall be worked out for each activity, setting forth detailed agreements of collaboration.

MOU for Associate Membership

1. LSDB welcomes Associate Institute's keen desire to associate with as the representative for their region in connection with the promotion and sale of the LSDB Products under the terms and conditions of this Agreement;

It is agreed between LSDB and the Associate Institute that:

LSDB will undergo a collaborative linkage with the Associate Institute, with the following objectives:

1. This MOU offers and outlines the Associate institute an association program from LSDB for 12 months.
2. The features of this association program are detailed in the document named as 'OFFER LETTER ASSOCIATE'. The add-on features to the association program may change on time-to-time basis. We keep adding new features to improve the benefits of the program.
3. LSDB will work towards familiarizing the member of the Associate institute with the Digital Essentials, Digital Marketing and related online courses available with LSDB.
4. As a topic of important and specific consideration, LSDB will offer the online courses to the members of Associate Institution. 25% of the actual fees collected from the students will be retained by the Associate Institute as earnings.
5. There is no minimum members/students or maximum members/students required to be eligible for your institution to be eligible for the earnings.
6. LSDB offers variety of courses in the field of Digital that are offered in the form of various course packages. All details of these courses will be shared with the institution / students. We do not encourage this however in case, students enroll directly with us for any of the courses and make payments then the earnings of 25% will be passed on to the Associate Institution as agreed.
7. LSDB will involve members/students of the Associate Institution in the various practical aspects of the course and activities that cover various dimensions of a digital business.
8. LSDB will also give the members/students of the Associate Institution access to the LSDB's own portal which might help in their career growth.
9. LSDB will also inform the members/students about the regional / international conferences if they wish to attend. In case of such events organized by LSDB in technical collaboration with the Associate Institute, the Associate institute will have the liberty to use LSDB's Logo, LSDB's name on posters and other promotional material only. The participation / certification fee for organizing and conducting such events will be discussed and shared as agreed on case to case basis. The associate institute can keep an appropriate portion of the fees to meet out its official, contingency and organization expenses.

London School of DIGITAL BUSINESS

Note, this agreement is not a permission to issue any Certificates on behalf of LSDB without aprior consent.

10. LSDB as part of their study program may give internships / project work / assignments to the students. The work carried out in such programs will remain under the rights of LSDB and code of confidentiality.

11. LSDB continuously works on New Development Initiatives, hence, as a part of this MOU, if members/students from the Associate Institute are involved in any way LSDB will own all the rights and authority of the same.

This MOU, unless cancelled by mutual written consent of both the institutes shall continue to be effective along with the amendments made on time-to-time basis.

2. Associate Membership

2.1 LSDB offers annual Associate Membership for a mutually rewarding engagement.

2.2 Associate Institute shall be solely responsible for (i) all investments made and expenses incurred in connection with the establishment or operation of its business, including without limitation for the performance of this Agreement, and (ii) all agreements concluded with its employees, representatives, and students. Associate Institute's employees shall at all times remain employees of Associate Institute, and Associate Institute shall be solely responsible for their compensation, benefits, and taxes.

3. LSDB's Obligations

3.1 LSDB will provide Associate Institute with promotional and sales material relating to the LSDB Products.

3.2 LSDB will provide Associate Institute with sales assistance. Such assistance may include technical support, online meetings with customers and online product demonstrations.

3.3 LSDB will provide Associate Institute with the required training.

3.4 All LSDB offer letters/proposals and prices are valid only for the month they are published. Please be aware that price lists and terms and conditions of various proposals are likely to change in the new calendar month. LSDB will provide BA with the required updated documents when requested.

4. Compensation

4.1 **Taxes:** All sums payable under this Agreement are exclusive of any value added tax or other applicable

sales tax, which shall be included in any relevant calculation, and where any withholding tax or similar deduction is required to be made under law, the sum in question shall be paid net of that deduction.

4.1.1 A claim to any compensation shall exist only after receipt of the payment by the LSDB and only in proportion to the amount received. The payments will be processed after the cool-off period of 30 days from the date of the payment. International payments may incur bank charges.

4.2 Other benefits : Non-Monetary.

Associate Institute's branding
After appointment, Associate Institute can announce to that you are an Associate of LSDB, UK for your area. This will bring Associate Institute direct and indirect branding benefits.

Associate Institute will receive free/discounted entry passes for the International conferences and other high profile networking events / summits / premium webinars.

Associate Institute will receive free/discounted courses from LSDB for own use as well as for their audience for promotional purposes.

LSDB brings a lots of strategies for Associate Institute's growth and mutual benefits.

5. Brand Associate Institute's Duties

5.1 Associate Institute agrees to engage in the best and commercially reasonable efforts for LSDB in accordance with the terms of this Agreement. Associate Institute further agrees to provide their services in a professional and diligent manner consistent with industry standards and good business practice, using efforts required in in-person events, promotional social media and various marketing campaigns.

5.2 Associate Institute must achieve a level of knowledge and competency with respect to the LSDB Products sufficient to enable Associate Institute to perform its obligations under this Agreement, including the ability to independently use, share and conduct demonstrations of the LSDB Products.

5.3 Associate Institute should share the content created by LSDB with their audience and not required to create any content. If required, Associate Institute will be allowed to create original content that is honest and factual. Associate Institute will seek approval for any promotional text, image and/or other creative elements prior to the Associate Institute uploading or publishing the content. The approved content shall be shared by the Associate Institute to their agreed upon audience.

6. Code-of-conduct for the Associate Institute

6.1 **Share true and approved information :** The Associate Institute is required to share the benefits of the LSDB Products. The Associate Institute is strictly prohibited from making any claim not approved by LSDB. The Associate Institute may not prescribe, recommend, communicate or advise using the LSDB Products for use other than those advised by the LSDB. The Associate

Institute may not make any claim of any kind without the express written permission of the LSDB. The Associate Institute is encouraged to highlight the benefits of the LSDB Products, and provide an honest opinion of the LSDB Products, their use and the Associate Institute's personal experience with them.

6.2 **Similar Agreements.** Associate Institute must inform LSDB of any existing representation, agency, marketing, Association or similar agreements between Associate Institute and any other entity or person relating to products similar to the LSDB Products, and must promptly inform LSDB of any such future agreements. If any such agreement conflicts with this Agreement or otherwise negatively affects LSDB's interests, LSDB shall have the right to immediately terminate this Agreement.

6.3 **Legal.** Associate Institute must notify LSDB in writing of any claim, legal action or unauthorized use relating to the LSDB Products or that may affect LSDB's interests. Associate Institute must comply with all applicable laws and regulations of their land, and must notify LSDB of any applicable legal requirements within five (5) days of learning about such legal action or requirements.

6.4 Ethical Conduct

Associate Institute must conform to and maintain the highest ethical business standards, and must always act in a manner that reflects favorably upon LSDB and does not dilute or harm LSDB's name or reputation. If the Associate Institute recommend, tell or advise using any LSDB Products or Brand to any Customers under any false claims, the Associate Institute will be held solely liable for that Customer as the LSDB will not be held liable under this Agreement.

Associate Institute must not engage in the following activities without LSDB's prior written consent:

- Incur any liability on behalf of LSDB, or in any way pledge LSDB's credit or accept any order or make any contract binding on LSDB
- Make any promise or representation, or give any warranty or guarantee, on behalf of LSDB or in relation to the LSDB Products;
- Offer the LSDB Products for sale at prices or under terms and conditions different from the official prices and terms and conditions of the LSDB without consent;
- Receive funds on behalf of LSDB without consent (but if any funds are received by Associate Institute, Associate Institute shall hold such funds in trust for LSDB and send them to LSDB within three (30) days of receipt);
- Promote, represent, solicit sales for, sell, or otherwise distribute, directly or indirectly, any products that are similar to and compete with the LSDB Products;
- Promote, represent, solicit sales for, sell, or otherwise offer, directly or indirectly, any services that are similar to and/or compete with the LSDB Services or otherwise negatively impact LSDB's business or revenues.

MEMORANDUM OF UNDERSTANDING

Between

MAKE NEW LIFE (NGO), Pune

MAKE NEW LIFE
अनाथ अपंग प्राणी जीव रक्षा व समाज सेवा

and

Sinhgad Institutes

Smt. Kashibai Navale College of Engineering, Pune

Department of Management Studies (MBA)

Sinhgad Institutes
Celebrating 25 Years
OF ACADEMIC EXCELLENCE

The Memorandum of Understanding (MoU) is between **MAKE NEW LIFE (NGO), Pune** and Sinhgad Institutes', **Smt. Kashibai Navale College of Engineering, Pune Department of Management Studies (MBA)** (herein after referred to as SKNCOE-MBA) for the purpose of providing the industrial & Skills exposure and enhancing the quality of education with the exposure to I.T and Service Industry of Maharashtra and India. It is being signed on **29th Day of December 2020.**

HEAD
Dept. of Management Studies

Smt. Kashibai Navale College of Engineering ★ Dept. of Management Studies ★ Vadgaon (Bk.), Pune-41.

MAKE NEW LIFE ★ Regd. No.: Mah./80/2016/Pune ★ DHANKAWADI-PUNE 411043.

About MAKE NEW LIFE (NGO):

We at Make New Life have aided and led countless mute souls to a dignified life in our course of being. Dogs are loyal and amicable but often end up being victims of human or rather inhumane abuse. Adoption services, feeding, post-operative care, rescuing, providing medical treatment to the needy and running a full-fledged dog sanctuary with a NO-KILL philosophy has been the line and drive of our work till date.

Feeding:
We have a credible volunteer network that feed 1000+ strays every day, in different areas of Pune. A well-fed stray is the safest dog, not only does feeding keep them healthy, but it also makes them less cranky; makes handling dogs on sterilization and vaccination drives easy. Essential, ensuring that the dog is rabies-free and safe for the community as well.

Animal Birth Control:
With daily feeding over past 13 years we have befriended dogs and led 3000+ of them to undergo sterilization procedures, effectively bringing down the dog population of Pune humanely.

Adoption:
Let away dogs, strays all find a home in our sanctuary, and we have been successful in giving many of our in house paw-babies a sweet home and a caring family.

Post-Operative Care:
Dogs dealing with accident trauma, both physical and mental find their way to our safe sanctuary care. We accept all kinds of cases, even dogs who are terminally ill, paralyzed, suffering from mobility & neurological issues. Such cases, at times given up by other animal welfare organizations and doctors too; at 'Make New Life', the dogs get a second chance and end-of-life care with a ton of love to go with it.

Rescue & Medical Aid:
We get rescue calls from across Pune, we have a team which dedicatedly works on these calls. We rescue and provide all emergency medical aid to the ailing. Most of these dogs complete their entire healing process at our sanctuary and only then do we let them go for adoption.

OUR VISION AND MISSION

- Setting up a 24x7 medical facility inside our sanctuary premises to attend emergency, accident and hand cases in-house.
- Appoint full-time veterinarians and support staff and provide them with adequate remuneration to sustain all-round well-being.

Smt. Kashibai Navale College of Engg. Dept. of Management Studies Vadgaon (Bk.), Pune-41.

- To reduce human-animal conflict by effective birth control measures and vaccinations
- Prepare a state-of-art ambulance for quick on-spot relief to the distressed animal. Maybe have a fleet to cater to the entire city.
- Lastly, make people sensitive towards the strays so no paw-bearers have to face the wrath of human ill-doings.

1. Scope of the MoU

The purpose of this MoU is to reach an understanding between both the parties in relation to conduction of workshop & training in the area of Skill Development and enhancement for training of students and institute in the state of Maharashtra as well as Awareness Program, organized by "SKNCOE Department of management studies (MBA), PUNE" and delivered by MAKE NEW LIFE (NGO), Pune.

2. Workshop/Session/Activity Dates & MoU Validity

This MoU is for a period of 05 years and may be modified by mutual consent of authorized officials from **MAKE NEW LIFE (NGO), Pune** or/and **"SKNCOE Department of Management Studies (MBA), PUNE".** This MoU shall become effective upon signature by the authorized officials from the **MAKE NEW LIFE (NGO), Pune** and **"SKNCOE Department of Management Studies (MBA), PUNE"** and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from **MAKE NEW LIFE (NGO), Pune** and/or **"SKNCOE Department of Management Studies (MBA), PUNE"** this MoU shall **end on 29th December 2025.**

Both the parties can decide the workshop(s), training(s) and Skill Development programs(s) dates mutually.

3. Duties of the Company

- The company contracts to support the student throughout the training session, offering the student suitable opportunities to gain experience and skills through hands on learning sessions.
- The student shall receive a written certificate indicating the dates for the training period.
- Provide necessary study material and kits for hands on practices during the training period.

MASTER MEMORANDUM OF UNDERSTANDING

1. This Memorandum of Understanding (MoU) is made on this day, the **01st January, 2021.**

Between

Sinhgad Institutes, Smt. Kashibai Navale College of Engineering & Department of Management Studies (MBA), Pune, having its office located at STES Campus, S. No. 44/1 , Vadgaon Bk., Off. Sinhgad Road, Pune 411041 (which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successor and assigns), represented by its **Sinhgad Institutes, Smt. Kashibai Navale College of Engineering, Pune, Vice Principal**, Pune, **Dr. Kishor R. Borole & Dr. Sachin R. Wankhede (HOD-MBA)** (hereinafter referred to as '**SKNCOE & MBA Dept., Pune**'), party of the FIRST PART.

And

Maharashtra Centre for Entrepreneurship Development (MCED) having its office at A-38, M.I.D.C. Area, Near Railway Station, Aurangabad - 431 005, Maharashtra represented by "HOD" (hereinafter referred to as MCED which expression shall include its successors-in-interest and permitted assigns) OF THE SECOND PART;

Whereas

Sinhgad Institutes, Smt. Kashibai Navale College of Engineering & Department of Management Studies (MBA), Pune (hereinafter referred as **SKNCOE & MBA Dept., Pune**) has been set up by/under Established in 2001, Smt. Kashibai Navale College of Engineering remains to be a centre for top-class technical education in Pune, Maharashtra. The college offers undergraduate, postgraduate and Ph.D programmes in the field of engineering and management. The college has been accredited with B+ Grade by the National Assessment and Accreditation Council (NAAC).

The undergraduate engineering programme is offered in Electronics & Telecommunication, Computer Science, Information Technology and Mechanical Engineering. Spread over an area of 18,532 sq. m, the college maintains a state-of-the-art campus. The library of the college boasts of 18,532 volumes. Further, the college comprises advanced labs, modern classrooms and 696 computer terminals offering a comprehensive learning environment.

Maharashtra Centre for Entrepreneurship Development (MCED) is an autonomous society working under Directorate of Industries, Government of Maharashtra. MCED has been a pioneer in espousing social & economic entrepreneurship since 1988. It is a training institute in the core area of entrepreneurship development. It works as a facilitator & guide for the creation & cultivation of the entrepreneurial spirit in the society. MCED is actively involved in Entrepreneurship Development and allied activities.

2. Scope of the Agreement

This is a Master Agreement setting the ground for collaboration / partnership in the areas of Education / Training / Faculty Development / Common projects / Services / Incubation / Research / Start-up / Start-up funding / Entrepreneurship / Testing / Testing labs / Infrastructure usage between **MCED** and **SKNCOE & MBA Dept., Pune** within or outside Maharashtra under

8. Intellectual property / trademark / copyright / Logo / Confidentiality:

- **SKNCOE & MBA Dept., Pune** /MCED shall not, however, be liable for any suit on account of demands for infringement of patent/copyright/Trademark and other laws which have no nexus with the object of the MoU being entered into.

- Each party will ensure appropriate protection of intellectual Property Rights generated from cooperation pursuant to MoU, consistent with their respective laws, rules and regulations and international agreements to which both parties are committed. In case research is carried out solely and separately by the Party or the research results are obtained through the sole and separate effort of the Party, the party concerned alone will apply for grant of IPR and once granted, the IPR will be solely owned by the concerned party. In case of research results obtained through joint activities, the grant of intellectual property rights will be sought by both the parties jointly and once granted these rights will jointly owned by the parties.

- Both Parties shall not assign any rights and obligations arising out of the IPR generated to inventions/activities carried out under the MoU to any third Party without consent of the other party.

- Any publication, document and/or paper arising out of joint work conducted by the participants pursuant to this MoU will be jointly owned by all the parties. The use of the name, logo and/or official emblem of the participants on any publication, document and/or paper will require prior permission of both the parties. It may however he ensured that the official emblem and logo is not misused.

- All information and documents to be exchanged pursuant to the MoU will be kept confidential by the parties and will be used subject to such terms as each party may specify.
  The parties will not use the information for purposes other than that specified without the prior written consent of the other party.

- All confidential information shall remain the exclusive property of the disclosing party. The parties agree that this agreement and the disclosure of the confidential information do not grant or imply any license, interest or right to the recipient in respect to any intellectual property right of the other party.

- Unpublished information, whether oral, in writing or otherwise, discovered or conceived by the scientists or technicians and exchanged under the provisions of this MoU will not be transmitted to a third party, unless otherwise agreed by the parties.

MEMORANDUM OF UNDERSTANDING

Between

Mitu Skillologies, Pune

and

Sinhgad Technical Education Society's,
Smt. Kashibai Navale College of Engineering, Pune
Department of Computer Engineering

Sinhgad Institutes

The Memorandum of Understanding (MoU) is between **Mitu Skillologies, Pune** and Sinhgad Technical Education Society's, **Smt. Kashibai Navale College of Engineering, Pune Department of Computer Engineering, Pune** (herein after referred to as SKNCOE) for the purpose of providing the industrial exposure and enhancing the quality of engineering education with Data Science and Open source technologies among SKNCOE students. It is being signed on **23/01/2020.**

About Mitu Skillologies:

In order to provide the training on open source software, the "MITU Skillologies" was founded five years ago at Nashik city of Maharashtra. As FOSS that is, Free and Open Source Softwares are Free, Licenseless, Secure and Fast, the popularity of them is increasing with great speed. The purpose of this initiative is to provide a platform where we want to take the open source to the professionals who want to aspire a career as a leader in the IT industry.

Smt. Kashibai Navale College of Engineering Vadgaon(BK) Pune-41

Department of Computer Engineering

Head
Department of Computer Engineering
SKNCOE, Pune 411041

Scanned by CamScanner

Mitu Skillologies has an experienced and dedicated team of trainers, resource persons, developers, instructors, and open source evangelists. We are working with the most renowned technologies used in IT industries which support the growth of companies. At Mitu Skillologies, we strongly believe in constructive education. In order to empower, we provide opportunities for learners to transform their lives through innovative learning and practical training.

1. Scope of the MoU

The purpose of this MoU is to reach an understanding between both the parties in relation to conduction of workshop, FDP's and training in the area of Machine Learning/ Deep Learning and Data Science, as well as open source technology Awareness Program, organized by **"SKNCOE Department of Computer Engineering, PUNE"** and delivered by **"Mitu Skillologies, Pune".**

2. Workshop Dates & MoU Validity

This MoU is for a period of 2 years and may be modified by mutual consent of authorized officials from **Mitu Skillologies, Pune** or/and **"SKNCOE Department of Computer Engineering, PUNE".** This MoU shall become effective upon signature by the authorized officials from the **Mitu Skillologies, Pune** and **"SKNCOE Department of Computer Engineering, PUNE"** and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from **Mitu Skillologies, Pune** and/or **"SKNCOE Department of Computer Engineering, PUNE"** this MoU shall end on Date **23/01/2022.**

Both the parties can decide the workshop(s), training(s) in the fields of Data Science and Open Source technology awareness programs(s) dates mutually.

3. Duties of the Company

- The company contracts to support the student throughout the training session, offering the student suitable opportunities to gain experience and skills through hands on learning sessions.
- The student shall receive a written certificate indicating the dates for the training period.
- Provide necessary study material / kits for hands on practices during the training period.
- Both parties will contribute to develop a Center of Excellence at college premises.

4. Duties of the College

- Setting up, operating & maintaining the infrastructure required for training.
- Promotion of the **Mitu Skillologies, Pune**, Data Science and Open Source Software training program among the students.
- The costs for the same to be collected from the student.
- Supporting **Mitu Skillologies, Pune** in conducting training for students in the college.

5. Financial Details

- Both the parties can also decide the workshop & training fee mutually for the workshops planned.
- **"Mitu Skillologies, Pune"** will collect the total workshop fee / amount (by cash, cheque, demand draft) from all the students and workshop participants or from the **"SKNCOE Department of Computer Engineering, Pune".**
- A resource utilisation fees is to be decided time to time if applicable by both parties with mutual consent.

6. Confidentiality

- Any information, whether written, oral or in any other form, furnished hereunder by one Party to the other or its employees, representatives or agents shall be considered confidential by the receiving Party, which shall take all necessary precautions to keep the confidential information, secret and confidential.

- Either Party may disclose the general terms of this Agreement (but not the commercials or the specific details therein) for publicity subject to the condition that the Party so wishing to disclose gets the content to be published, publicized or disclosed to be approved by the other Party.

IN WITNESS WHEREOF the Parties hereto have signed this MoU as of the day and year first above written.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered on 23/09/2019 at Pune, India.

BY AND BETWEEN

BUDHANI BROS. WAFERWALA hereinafter referred to as the FIRST PARTY (which expression shall unless repugnant to the context or meaning thereof mean and include its agents, directors, officers, executors, administrators, attorney and assignees).

PARTY OF THE

BUDHANI BROS. WAFERWALA FIRST PART

AND

Entrepreneurship Cell (E-Cell), Smt. Kashibai Navale College of Engineering, an institution registered in India with its registered office at Office # 44/1, Vadgaon (Bk.), Off. Sinhgad Road, Pune - 411041 hereinafter referred to as the SECOND PARTY, (which expression shall unless repugnant to the context or meaning thereof shall mean and include its agents, directors, officers, executors, administrators, attorney and assignees)

PARTY OF THE SECOND PART

INTRODUCTION:

BUDHANI BROS. WAFERWALA is a wafers and snacks venture in Pune.

AND whereas Smt. Kashibai Navale College of Engineering (STES), the Second Party herein is an engineering college affiliated to the Pune University. It has the strong Entrepreneur Skills Development Program through the Entrepreneurship cell of Computer Dept. that builds the student through the Internship program and organizing various events.

Head
Department of Computer Engineering
SKNCOE, Pune 411041

Please give 250 Pkts. Wafers on 26/9/19

Titles:

The titles of the sections of this MOU are for convenience only and will not in any way affect the interpretation of any section or of the MOU itself.

PARTY OF THE FIRST PART

BUDHANI BROS. WAFERWALA will provide 250 packets of Wafers

to

Entrepreneurship Cell (E-Cell), Smt. Kashibai Navale College of Engineering.

PARTY OF THE SECOND PART

Entrepreneurship Cell (E-Cell), Smt. Kashibai Navale College of Engineering will provide promotion in E-Conclave 2019. 27 Sept, 2019

Independent Contractors:

First party and second party shall perform their duties pursuant to this MOU as independent contractors. Neither party shall have the ability to incur any obligation on behalf of the other party.

Force Majeure:

Neither party shall be responsible for any failure to perform due to unforeseen, non-commercial circumstances beyond its reasonable control, including but not limited to acts of God, war, riot, and embargo, acts of civil or military authorities, fire, flood, earthquake, accident, strike, or shortage of fuel or energy. In the event of any such delay, any applicable period of time for action by said party may be deferred for a period equal to the time of such delay.

Contract Interpretation:

Ambiguities, inconsistencies or conflicts in this MOU shall not be strictly construed against the drafter of the language but will be resolved by applying the most reasonable interpretation under the circumstances, giving full consideration to the parties' intentions at the time this MOU is entered into.

GENERAL:

Smt. Kashibai Navale College of Engineering Vadgaon (BK) Pune-41

Head
Department of Computer Engineering
SKNCOE, Pune 411041

This MoU will set the board terms of collaboration between BUDHANI BROS. WAFERWALAand E-Cell, SKNOCE. Detailed agreement with activity plan/schedule, wherever called for, will be worked out separately between the two parties within the parameters of the MoU.

VALIDITY PERIOD OF MOU

1. This MoU shall be initially signed for 1 year from the date of signing of MoU. The duration of MoU may be extended as mutually agreed by both the parties.

2. The detailed timeframe of the project work shall be submitted by E-Cell SKNCOE for different activities. It shall chalk down an exhaustive schedule for all the work that comes under the scope of the MoU and give the tentative expenditure for each of these activities.

CONFIDENTIALITY OF INFORMATION AND SECRECY:

1. The Parties undertake that during the terms of this Agreement and any subsequent agreement, it shall keep in confidence proprietary information received from the other Party and shall not disclose it to any third party, excepting their authorized agents, representatives unless such disclosure of use is specifically authorized in writing.

2. Neither party shall use proprietary information received from the other Party for any purpose other than the objective and task agreed between the Parties.

PUBLICITY AND PUBLIC INFORMATION:

Any news release, public announcement, advertisement of publicity proposed to be released by Consultant concerning this Agreement shall be subject to the prior written approval.

AMENDMENTS:

Modifications or alterations to this Agreement can only be made by means of a written amendment executed by an authorized representative of each Party.

TERMINATION:

In case Consultant fails to proceed with the work as per the time schedule herein above and / or fail to complete the assignment, or there is a breach of any of the terms & conditions of this Agreement, shall have the right to terminate this agreement after giving thirty (30) days' notice in writing and in such an event, However, the termination shall survive the obligation of confidentiality & publicity as referred above.

Arbitration:

Head
Department of Computer Engineering
SKNCOE, Pune-411041

All and any disputes and claims arising out of or relating in any manner to this Agreement or the breach, termination, non-performance, interpretation or validity thereof, shall first be discussed in good faith by officers duly nominated for the purpose by each party with a view to resolving the same.

If the dispute or difference as aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as foresaid, shall at the request of either party be referred to Arbitration. In such a case, a joint request by party of First Part and Second Part will be made to an eligible and competent person to act as a Sole Arbitrator.

The appointment and proceeding of including its jurisdiction clause and arbitration clause shall be governed and will be interpreted in accordance with the laws of India. The Arbitration award shall be final and binding on the Parties herein.

Governing Law and Jurisdiction:

These Terms and Conditions of this MOU (including its jurisdiction clause and arbitration clause) shall be governed and will be interpreted in accordance with the Indian Laws and the courts of India shall have the exclusive Jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this MOU to be executed by their respective duly authorized persons on the day and date mentioned hereinabove.

Independent Contractors:

First party and second party shall perform their duties pursuant to this MOU as independent contractors. Neither party shall have the ability to incur any obligation on behalf of the other party.

Force Majeure:

Neither party shall be responsible for any failure to perform due to unforeseen, non-commercial circumstances beyond its reasonable control, including but not limited to acts of God, war, riot, and embargo, acts of civil or military authorities, fire, flood, earthquake, accident, strike, or shortage of fuel or energy. In the event of any such delay, any applicable period of time for action by said party may be deferred for a period equal to the time of such delay.

Contract Interpretation:

Ambiguities, inconsistencies or conflicts in this MOU shall not be strictly construed against the drafter of the language but will be resolved by applying the most reasonable interpretation under the circumstances, giving full consideration to the parties' intentions at the time this MOU is entered into.

GENERAL:

This MoU will set the board terms of collaboration between Zebronics India Pvt. Ltd. and E-Cell, SKNOCE. Detailed agreement with activity plan/schedule, wherever called for, will be worked out separately between the two parties within the parameters of the MoU.

VALIDITY PERIOD OF MOU

1. This MoU shall be initially signed for 1 year from the date of signing of MoU. The duration of MoU may be extended as mutually agreed by both the parties.

2. The detailed timeframe of the project work shall be submitted by E-Cell SKNCOE for different activities. It shall chalk down an exhaustive schedule for all the work that comes under the scope of the MoU and give the tentative expenditure for each of these activities.

Smt. Kashibai Navale College of Engg. Vadgaon(Bk.) Pune-41.

Head
Department of Computer Engineering
SKNCOE, Pune 411041

CONFIDENTIALITY OF INFORMATION AND SECRECY:

1. The Parties undertake that during the terms of this Agreement and any subsequent agreement, it shall keep in confidence proprietary information received from the other Party and shall not disclose it to any third party, excepting their authorized agents, representatives unless such disclosure of use is specifically authorized in writing.

2. Neither party shall use proprietary information received from the other Party for any purpose other than the objective and task agreed between the Parties.

PUBLICITY AND PUBLIC INFORMATION:

Any news release, public announcement, advertisement of publicity proposed to be released by Consultant concerning this Agreement shall be subject to the prior written approval.

AMENDMENTS:

Modifications or alterations to this Agreement can only be made by means of a written amendment executed by an authorized representative of each Party.

TERMINATION:

In case Consultant fails to proceed with the work as per the time schedule herein above and / or fail to complete the assignment, or there is a breach of any of the terms & conditions of this Agreement, shall have the right to terminate this agreement after giving thirty (30) days' notice in writing and in such an event, However, the termination shall survive the obligation of confidentiality & publicity as referred above.

Department of Computer Engineering
SKNCOE, Pune 411041

Arbitration:

All and any disputes and claims arising out of or relating in any manner to this Agreement or the breach, termination, non-performance, interpretation or validity thereof, shall first be discussed in good faith by officers duly nominated for the purpose by each party with a view to resolving the same.

If the dispute or difference as aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as foresaid, shall at the request of either party be referred to Arbitration. In such a case, a joint request by party of First Part and Second Part will be made to an eligible and competent person to act as a Sole Arbitrator.

The appointment and proceeding of including its jurisdiction clause and arbitration clause shall be governed and will be interpreted in accordance with the laws of India. The Arbitration award shall be final and binding on the Parties herein.

Governing Law and Jurisdiction:

These Terms and Conditions of this MOU (including its jurisdiction clause and arbitration clause) shall be governed and will be interpreted in accordance with the Indian Laws and the courts of India shall have the exclusive Jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this MOU to be executed by their respective duly authorized persons on the day and date mentioned hereinabove.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered on 09/09/2019 at Pune, India.

BY AND BETWEEN

Bisleri hereinafter referred to as the FIRST PARTY (which expression shall unless repugnant to the context or meaning thereof mean and include its agents, directors, officers, executors, administrators, attorney and assignees).

PARTY OF THE

Bisleri FIRST PART

AND

Entrepreneurship Cell (E-Cell), Smt. Kashibai Navale College of Engineering, an institution registered in India with its registered office at Office # 44/1, Vadgaon (Bk.), Off. Sinhgad Road, Pune - 411041 hereinafter referred to as the SECOND PARTY, (which expression shall unless repugnant to the context or meaning thereof shall mean and include its agents, directors, officers, executors, administrators, attorney and assignees)

PARTY OF THE SECOND PART

INTRODUCTION:

Bisleri is a water and drinks brand.

AND whereas Smt. Kashibai Navale College of Engineering (STES), the Second Party herein is an engineering college affiliated to the Pune University. It has the strong Entrepreneur Skills Development Program through the Entrepreneurship cell of Computer Dept. that builds the student through the Internship program and organizing various events.

Head
Department of Computer Engineering
SKNCOE, Pune 411041

Titles:

The titles of the sections of this MOU are for convenience only and will not in any way affect the interpretation of any section or of the MOU itself.

PARTY OF THE FIRST PART

1. Bisleri will provide a total of 300 Water Bottles (500ml) and 300 Fonzo drink bottles (200ml) to

Entrepreneurship Cell (E-Cell), Smt. Kashibai Navale College of Engineering.

PARTY OF THE SECOND PART

1. Entrepreneurship Cell (E-Cell), Smt. Kashibai Navale College of Engineering will provide promotion as Official Hydration Partner for every E-Cell activity throughout the year.

Independent Contractors:

First party and second party shall perform their duties pursuant to this MOU as independent contractors. Neither party shall have the ability to incur any obligation on behalf of the other party.

Force Majeure:

Neither party shall be responsible for any failure to perform due to unforeseen, non-commercial circumstances beyond its reasonable control, including but not limited to acts of God, war, riot, and embargo, acts of civil or military authorities, fire, flood, earthquake, accident, strike, or shortage of fuel or energy. In the event of any such delay, any applicable period of time for action by said party may be deferred for a period equal to the time of such delay.

Contract Interpretation:

Ambiguities, inconsistencies or conflicts in this MOU shall not be strictly construed against the drafter of the language but will be resolved by applying the most reasonable interpretation under the circumstances, giving full consideration to the parties' intentions at the time this MOU is entered into.

GENERAL:

This MoU will set the board terms of collaboration between Bisleri and E-Cell, SKNOCE. Detailed agreement with activity plan/schedule, wherever called for, will be worked out separately between the two parties within the parameters of the MoU.

VALIDITY PERIOD OF MOU

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

Head
Department of Computer Engineering
SKNCOE, Pune 411041

1. This MoU shall be initially signed for 1 year from the date of signing of MoU. The duration of MoU may be extended as mutually agreed by both the parties.

2. The detailed timeframe of the project work shall be submitted by E-Cell SKNCOE for different activities. It shall chalk down an exhaustive schedule for all the work that comes under the scope of the MoU and give the tentative expenditure for each of these activities.

CONFIDENTIALITY OF INFORMATION AND SECRECY:

1. The Parties undertake that during the terms of this Agreement and any subsequent agreement, it shall keep in confidence proprietary information received from the other Party and shall not disclose it to any third party, excepting their authorized agents, representatives unless such disclosure of use is specifically authorized in writing.

2. Neither party shall use proprietary information received from the other Party for any purpose other than the objective and task agreed between the Parties.

PUBLICITY AND PUBLIC INFORMATION:

Any news release, public announcement, advertisement of publicity proposed to be released by Consultant concerning this Agreement shall be subject to the prior written approval.

AMENDMENTS:

Modifications or alterations to this Agreement can only be made by means of a written amendment executed by an authorized representative of each Party.

TERMINATION:

In case Consultant fails to proceed with the work as per the time schedule herein above and / or fail to complete the assignment, or there is a breach of any of the terms & conditions of this Agreement, shall have the right to terminate this agreement after giving thirty (30) days' notice in writing and in such an event, However, the termination shall survive the obligation of confidentiality & publicity as referred above.

Arbitration:

All and any disputes and claims arising out of or relating in any manner to this Agreement or the breach, termination, non-performance, interpretation or validity thereof, shall first be discussed in good faith by officers duly nominated for the purpose by each party with a view to resolving the same.

If the dispute or difference as aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as foresaid, shall at the request of either party be referred to Arbitration. In such a case, a joint

Head
Department of Computer Engineering
SKNCOE, Pune 411041

request by party of First Part and Second Part will be made to an eligible and competent person to act as a Sole Arbitrator.

The appointment and proceeding of including its jurisdiction clause and arbitration clause shall be governed and will be interpreted in accordance with the laws of India. The Arbitration award shall be final and binding on the Parties herein.

Governing Law and Jurisdiction:

These Terms and Conditions of this MOU (including its jurisdiction clause and arbitration clause) shall be governed and will be interpreted in accordance with the Indian Laws and the courts of India shall have the exclusive Jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this MOU to be executed by their respective duly authorized persons on the day and date mentioned hereinabove.

First party and second party shall perform their duties pursuant to this MOU as independent contractors. Neither party shall have the ability to incur any obligation on behalf of the other party.

Force Majeure:

Neither party shall be responsible for any failure to perform due to unforeseen, non-commercial circumstances beyond its reasonable control, including but not limited to acts of God, war, riot, and embargo, acts of civil or military authorities, fire, flood, earthquake, accident, strike, or shortage of fuel or energy. In the event of any such delay, any applicable period of time for action by said party may be deferred for a period equal to the time of such delay.

Contract Interpretation:

Ambiguities, inconsistencies or conflicts in this MOU shall not be strictly construed against the drafter of the language but will be resolved by applying the most reasonable interpretation under the circumstances, giving full consideration to the parties' intentions at the time this MOU is entered into.

GENERAL:

This MoU will set the board terms of collaboration between Campus Times and E-Cell, SKNOCE. Detailed agreement with activity plan/schedule, wherever called for, will be worked out separately between the two parties within the parameters of the MoU.

VALIDITY PERIOD OF MOU

1. This MoU shall be initially signed for 1 year from the date of signing of MoU. The duration of MoU may be extended as mutually agreed by both the parties.

2. The detailed timeframe of the project work shall be submitted by E-Cell SKNCOE for different activities. It shall chalk down an exhaustive schedule for all the work that comes under the scope of the MoU and give the tentative expenditure for each of these activities.

CONFIDENTIALITY OF INFORMATION AND SECRECY:

1. The Parties undertake that during the terms of this Agreement and any subsequent agreement, it shall keep in confidence proprietary information received from the other Party and shall not disclose it to any third party,

Head
Department of Computer Engineering
SKNCOE, Pune 411041

excepting their authorized agents, representatives unless such disclosure of use is specifically authorized in writing.

2. Neither party shall use proprietary information received from the other Party for any purpose other than the objective and task agreed between the Parties.

PUBLICITY AND PUBLIC INFORMATION:

Any news release, public announcement, advertisement of publicity proposed to be released by Consultant concerning this Agreement shall be subject to the prior written approval.

AMENDMENTS:

Modifications or alterations to this Agreement can only be made by means of a written amendment executed by an authorized representative of each Party.

TERMINATION:

In case Consultant fails to proceed with the work as per the time schedule herein above and / or fail to complete the assignment, or there is a breach of any of the terms & conditions of this Agreement, shall have the right to terminate this agreement after giving thirty (30) days' notice in writing and in such an event, However, the termination shall survive the obligation of confidentiality & publicity as referred above.

Arbitration:

All and any disputes and claims arising out of or relating in any manner to this Agreement or the breach, termination, non-performance, interpretation or validity thereof, shall first be discussed in good faith by officers duly nominated for the purpose by each party with a view to resolving the same.

If the dispute or difference as aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as foresaid, shall at the request of either party be referred to Arbitration. In such a case, a joint request by party of First Part and Second Part will be made to an eligible and competent person to act as a Sole Arbitrator.

The appointment and proceeding of including its jurisdiction clause and arbitration clause shall be governed and will be interpreted in accordance with the laws of India. The Arbitration award shall be final and binding on the Parties herein.

Governing Law and Jurisdictio

Sinhgad Institutes Sinhgad College of Engineering Vadgaon (Bk) Pune-41

Head

GENERAL AGREEMENT FOR ACADEMIC COOPERATION

Between

SINHGAD TECHNICAL EDUCATION SOCIETY

Pune, India

And

Singidunum University

Belgrade, Serbia

WHEREAS, both parties are higher education institutions with full legal capacity to establish commitments, and whose mission includes providing quality learning opportunities for their students and communities, as well as promoting academic research;

WHEREAS, both parties consider the promotion and support of teaching, research and community outreach to be of primary importance in the fulfillment of their mission, goals and objectives;

WHEREAS, both institutions consider that increasing opportunities for international cooperation and exchange increases cultural understanding and appreciation;

NOW, THEREFORE, Sinhgad Technical Education Society, Pune, Maharashtra, India (hereafter use STES) on behalf of its Board of Management, and **Singidunum University,** Belgrade, Serbia agree to promote mutual cooperation in education, scientific research and outreach, according to the following clauses:

Smt. Kashibai Navale College of Engineering Pune-41

Sinhgad Technical Education Society Reg. No. MAH/7199-93/ Pune F-8282(Pune) Erandwane, Pune-411004

registry of models, and copyright of written materials, that may result from cooperative research, through the corresponding Specific Agreement.

FIFTH: All cooperative activities associated with academic courses and programs must be consistent with the accreditation requirements of both institutions. Consistency with accreditation principles will be included in all Specific Agreements associated with the implementation of academic course and programs. This inter-institutional General Agreement does not imply the extension of accreditation from one institution to the other.

SIXTH: Any student, academic personnel, faculty or scholar exchanges associated with this General Agreement must comply with all the legal and administrative requirements, including immigration, insurance and other applicable requirements, of the home and host institution, the specific requirements for the visits, as well as the financial implications for each institution must be approved in writing by duly authorized personnel at each institution. The above reference exchanges must be established through separate Specific Agreement.

SEVENTH: Each party will designate its own personnel to administer the activities associated with this General Agreement. The personnel designated by each party to implement activities that arise from this agreement must hold current employment with the institution, and will be solely responsible to the institution to which it is employed.

EIGHTH: The parties may, jointly or separately, endeavor to obtain financial resources from other institutions, government agencies and national and international organizations for the development of activities associated with the implementation of any Specific Agreement.

NINTH: Any research generated in conjunction herewith (as further described in a Specific Agreement) shall be subject to unrestricted publication or dissemination, provided that such publication or dissemination will not compromise patent rights or inadvertently divulge proprietary information. Any pre-publication or

dissemination review shall be limited to consideration of such patent rights and proprietary information concerns and shall be concluded within a period not to exceed thirty (30) days.

TENTH: The present General Agreement will become valid upon signature by both parties and shall remain in effect for a period of three years from its effective date. It will be automatically extended by periods of two years unless either party informs the other party in writing three months before expiry that it does not seek an extension. The agreement may be amended at any time by a written agreement signed by authorized representatives of both parties.

ELEVENTH: This General Agreement may be terminated by either party upon three (3) months prior written notice to the other party; however, termination shall not affect the implementation of activities that have already commenced pursuant to a Specific Agreement. Those SpecificAgreements will remain in effect until the required associated activities are completed.

By signing this document, the parties acknowledge that they have reviewed and understand the content and extent of its clauses, and agree to carry out the actions necessary to implement it.

Contents of this MoU are subject to approval of the 'their General Council '.

Memorandum of Understanding
Between

PASSIONIT/PCOMBINATOR - PASSION INFOTECH PVT LTD, PUNE

AND

SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING, PUNE

Purpose:

...ding up Academic Entrepreneurship Varsity and Digital/Financial/Language Literacy ...velopment Model

Through this memorandum, both Parties affirm the value of collaboration between PASSIONIT/PCOMBINATOR - PASSION INFOTECH PVT LTD and SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING, PUNE

Agree to promote the following activities:

1. Pcombinator incubation center will be set within SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING, PUNE and its sister concern affiliated colleges / Institutes and Pcombinator will build Entrepreneur varsity within college.
2. Joint research projects in fields of mutual interests
3. Exchange of academic publications and reports
4. Opportunities for faculty and staff development and exchange in training and consulting
5. Exchange of visiting students, faculty, research scholars and professionals from, including advanced graduate students
6. Organize Faculty Development program. Each party will identify the name and contact information for its members.
7. Conduct and help to build incubation centers well as Startups for Digital ecosystem
8. Organizing Digital, Finance, Language, Entrepreneurship Literacy programs for students, teachers, and village citizens and building Industry-Academic-NGO-Gram Panchayat – Village Centric community projects for execution.
9. To make Pune / nearby Village/Town Digitalized by providing training to the residents of village on Digital Literacy and Finance Literacy using MyNuklad and Gift A Family platform.
10. IoT/Smart City training / development initiatives for various industry sectors.

...activities as mutually agreed.

...Agreement places no financial obligations or supplementary funding commitments on either ...y. These activities will be defined through separate program agreements that detail the ...itment of resources (financial or otherwise) required by each institution. Subsequent program

Head

MEMORANDUM OF UNDERSTANDING

Between

Geekslab Technologies Pvt. Ltd., New Delhi

GeeksLAB

And

Smt Kashibai Navale College of Engineering, Pune

Sinhgad Institutes

SKN COLLEGE OF ENGINEERING
VADGAON, PUNE

The Memorandum of Understanding (MOU) made and entered into on 18th day of April, 2016 is between **Geekslab Technologies Pvt. Ltd.**, having its corporate office at C-7/223, Sector-7, Rohini, New Delhi-110085(herein after referred to as GeeksLAB) and **Smt. Kashibai Navale College of Engineering**, having its campus at Survey No. 44/1, Off Sinhgad Road, Vadgaon Bk. Pune, Maharashtra – 411041. (herein after referred to as

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

SKNCOE) for the purpose of providing the industrial exposure and enhancing the quality of engineering education being imparted to the students.

PREAMBLE:

Geekslab Technologies Pvt. Ltd., an integrated solution provider, is working with a motive to provide IT services and solutions as well as to spread awareness about latest technological trends amongst students all over the world. GeeksLAB being a knowledge platform believe in sharing our domain expertise through our workshop programs. GeeksLAB is engaged in Technical Education, IT Solutions, System Integration, Application Development and Out-Of-Home technology solutions. GeeksLAB has a strong foundation of intellectual capital and result-orientation. The team is a strategic mix of professionals from technology, consulting, business management and client servicing domains. GeeksLAB felt the need to expose students to the emerging technologies on a continuous basis. GeeksLAB proposes to do so by conducting workshops and training programs in the academia on different emerging technologies.

Smt. Kashibai Navale College of Engineering (SKNCOE) is part of the Sinhgad Institutes Vadgaon (Bk) campus. The college believe in and work for Holistic development of students and teachers. They strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant Society.

The college offers a plethora of courses including Undergraduate Engineering Programs, Postgraduate Engineering Program, Postgraduate Management Programs and PHD Programs. The institute is affiliated with the University of Pune and managed by the Sinhgad Technical Education Society (STES). The college takes its name from the nearby Maratha fort. It has been accredited by the National Board of Accreditation and recognized by the AICTE.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

OBJECTIVES:

A. MOU is for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education being imparted to the students.

B. MOU is to provide the industrial exposure and trending technologies for students to enable them to meet the industry needs and to be recognized globally.

C. As per MOU

(Geekslab Technologies Pvt. Ltd., New Delhi) will help the Institute by granting the permission for

1. Provide support for projects of the students & Industrial Project training/assistance to the Students.
2. Conduct Research, development and training in Science, Technology and Design relevant to the field of Information Technology and all engineering domains.
3. Conduct Professional, Vocational and Certificate Courses in engineering related budding technologies.
4. Organize other professional activities like workshops, on-line trainings, special lectures, seminars, boot camp, in-house and summer/winter training at campus and; allow all the students and staff to attend the same.
5. Increase employability by providing technical training programs.
6. Strengthen relationship and assist support with other Universities/Colleges.(with whom GeeksLAB shared healthy relation)
7. Work with educational bodies/universities to align the industry requirements into the college curriculum Sharing Industry oriented-courseware and Technology.
8. Technical Guidance for Lab Developments & Setups.
9. Provide a platform for academicians for research and consultancy work at their premises or in industries.
10. Assist latest research projects to teaching faculties to enhance quality of education

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041.

11. Sharing Industry oriented-courseware and Technology.
12. Create an industrial awareness among students / teaching faculties.
13. Organize joint programs between industry and academicians to enhance quality of education.

(SKNCOE Pune) will help GeeksLAB by providing

1. Research/Computer Lab/Seminar Hall facility.
2. Full infrastructure and facilities support in arranging Campus events, on-line trainings and technical training programs.
3. Information about the students and passed out students looking for projects, training opportunities, technology awareness, change in service.
4. Organizing Career Counseling lectures for the students in college premises.
5. SKNCOE Pune will always give the preference to GeeksLAB for providing consultancy and training; if training on any domain/at any time is not provided by GeeksLAB than only SKNCOE will prefer other resources.
6. Research & Consultancy services.
7. Technical Support and Knowledge sharing.
9. Joint efforts and work opportunity for Technology Incubation Centre (TBI)/ Entrepreneurship Development (ED) Cell if required.

BUDGET:

1. SKNCOE will provide all infrastructure support to the training programs, R&D, projects and other activities – For Education, training and Research of latest technological trends.
2. The revenue shares for research, education, professional training, recurring expenditure and other activities would be defined from time to time and will be governed by separate agreements.

TERMS AND CONDITIONS:

1. RELATIONSHIP :

1.1 MOU is the collaboration between two parties for mutual benefit.

1.2 MOU stands valid for **three years** from the date of agreement. The collaboration can be terminated from either side with a notice period of one month.

1.3 Both parties shall work in synchronism to ensure the successful completion of collaboration.

1.4 The parties to this letter of intent may, by mutual consent, add, modify, amend, delete, review or revise any term(s) and condition(s) of this agreement.

1.5 Both the parties shall provide adequate facilities to the students undergoing training with mutual understanding.

2. OBLIGATION :

2.1 Each party shall meet the expenses as mutually agreed.

2.2 Each party shall respect the others intellectual property (I.P.) rights.

2.3 Both parties undertake to treat as CONFIDENTIAL AND PRIVILEGED information of each other, which is so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms.

2.4 The details for the efficacious implementation of the MOU shall be jointly worked out on mutually acceptable terms within the parameters of the policies, rules and regulations of both the parties.

3. LIMITATION :

3.1 Each party represents that they have full power and authority to enter into this MOU.

3.2 Each party shall ensure to work together with maturity.

4. DEFAULTS AND TERMINATION:

4.1 The MOU can be terminated by either of the party with one month notice.

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

Memorandum of Understanding

This Memorandum of Understanding (MOU) is made on 04/04/2019 ("Effective Date")

by and between

Study Estonia, India having its registered office at Pune, India subsidiary of Red Mango Coaching Company (Hereinafter referred to as "Study Estonia")

and

Sinhgad Institutes, having its registered office at 19/15, Smt. Khilare Marg, Erandwane, Pune, 411040. (Hereinafter referred to as "Sinhgad Institutes")

Study Estonia, India and Sinhgad Institutes agree to cooperate with each other as follows for an international cooperation. Subject to mutual consent, the areas of cooperation will include any program offered by either Study Estonia (Red Mango Coaching company) or Sinhgad Institutes as thought desirable and feasible on either side and that both sides will contribute to the fostering and development of the cooperative relationship between the two. Cooperation shall be carried out through such activities as:

1. Student Admission Conclave, for admission to Estonian Universities at Sinhgad Institutes
2. Exchange of faculty and/or staff between Estonian Universities and Sinhgad Institutes
3. Customization of short term summer and winter schools for students of Sinhgad Institutes
4. PhD Programs for faculty members of Sinhgad Institutes

The terms of cooperation for each specific activity implemented under this MoU shall be mutually discussed and agreed upon in writing by both Study Estonia and Sinhgad Institutes prior to the initiation of that activity. Any such MoUs entered into, as outlined above, will form appendices to this MoU for Cooperation. Both Red Mango

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 41.

Coaching Company and Sinhgad Institutes hereby agree on the following articles to establishthe International Cooperation.

1. Student Admission Conclave at Sinhgad Institutes

   The aim of student admission conclave is to offer on the spotevaluations to the students of Sinhgad Institutes, which shall expedite the application process for admissions.The representatives from Estonian university shall evaluatestudents based on individual university requirements. The genericprocess entails Skype interviews with the professors of coursesapplied, motivational letter submission, previous academic marksheets, English language test IELTS/TOEFL for example.The decision of admission/evaluation shall completely be discretionof the university personnel.

2. Exchange of faculty and/or staff

   Faculty exchange may assume various forms, such as individualshort-time and long term visits of faculties, joint research anddevelopment projects.Encouragement of the academic faculty to co-author publications.joint research activities and joint project possibilities is in subject toapplicable copyright and / or other laws of each country, as well asrules and regulations of the perspective universities (per se Estonian Universities and Sinhgad Institutes).As applicable. Estonian universities and Sinhgad Institutes shall arrange foraccommodation and food during the exchange program period.

3. Customization of short term summer and winter schools

   Customization of short term summer and winter schools for students of Sinhgad Institutes. Student groups over 20 in number can have special programscustomized by the Estonian universities.Summer/Winter school programs are between two to four weeks ofduration. Costs of the program, travel to Estonia, accommodation and food shall be borne by the students.

4. PhD Programs for faculty members of Sinhgad Institutes

   Specific requirements, for admission to PhD program, depend on the requirements of theinstitution of higher education at the Estonian universities and the particular course. Specificrequirements may include an entrance examination, thesis plan or

MOU/ Expression of Interest

1. This Memorandum of Understanding is being executed on 11th Dec 2019 between **M/s Knowledge Solutions India A Microsoft-AEP (Authorized Education Partner)** having its registered office at 2nd Floor Ghyanshyam Park Housing Society, Dhole Patil Road, Pune 411001 and represented by Mr. **Sandeep Giyyan JJethani (Director Operations)** hence for purpose of MOU known as **'Delivery Partner'** and **All Sinhgad Group of Institutions, Pune** represented by **Prof. M. N. Navale (Hon'ble Founder President, STES Pune)**, hence for purpose of MOU known as **'Resource partner / College'.**

2. Delivery Partner would be offering International Certifications to the interested students related to Architecture, Arts, Science Commerce, Management, Diploma & Mentorbuddy etc (Placement preparation platform) from different vendors @ academic discounted price and those students who voluntarily pay the exam fees would be getting bundled training free of cost mapped to the certifications.

3. This contract in no way creates any financial binding nor does it imply that 'resource partner / College' has committed to provide any fixed number of student's registrations per year for the certification exams /bundled workshops, the only commitment from their end is to provide platform to address students / seminar to educate and motivate them about the various certifications and subsequent permission for registering the students who are voluntarily interested in the same in online/offline mode.

4. As part of the special offering all exam vouchers provided to the students for certifications would have a **second attempt bundled** in case the student fails to clear the same in first attempt in Rs. 399/- + GST

5. Delivery Partner would bundle a **'free of charge'** faculty development Program as per the availability of the Trainer/Industry Expert once a year for the faculty members of the **resource partner / College.**

6. **Delivery partner would also sponsor certification vouchers for the faculty member's equivalent to 10% of the total students enrolled in one academic year.**

7. Students would be registering directly for the certification exam by making payment to the SPOC appointed by the **resource partner / College** or with M/s **(Knowledge Solutions India)** either online or offline. Proper receipts would be issued for the same. Incase if only the **resource partner / College** collects the payments, the some would have to be transferred to **delivery partner** max within 7 days, as exam vouchers can only be registered once payment is made. Students would be receiving a conformation mail of their voucher being booked and entitlement to free training/workshop, once they register either online or offline.

For Resource partner / College

For Knowledge Solutions India

Knowledge Solutions India Pune

Smt. Kashibai Navale College of Engineering Vadgaon(BK) Pune-41.

Scanned by CamScanner

8. The fee charged is against Microsoft /other vendor Certification exam and all other services like training are complimentary / bundled free and cannot be linked anywhere with the release of payment to **delivery partner** (incase if the certification fees is collected by **resource partner / College**).

9. Student would be receiving their **transcript and certificates** for the exam directly in their account in e-format, from the specific vendor like Microsoft /Certiport etc. post successfully clearing the exam.

10. Resource partner / College would be provided **20% 'Resource Utilization Fees'** against use of infrastructure and other resources for the bundled free training. The Resource Utilization fees will be paid on basic fee excluding the taxes once completion of training & Certification.

11. Resource partner / College would provide necessary infrastructure within college, like labs with Computers, LCD Projector's, internet etc. for the execution of the **free training** and conducting the **Certification Exam.**

12. Resource partner / College would allocate time slot either on weekends/holidays /regular slot for min 6-8hrs or as per mutual consent with delivery partner for execution of FREE training in their campus.

13. The duration of the training may increase as per the level of participants and shall not be linked with the release of payments.

14. The tenure of the contract would be for a period of three years i.e. from **11th Dec 2019 to 10th Dec 2022, same** cannot be terminated for min period of one year from the date of signing of the MOU.

15. Prices of the certification are subject to yearly review and revision as per the policy of the Certification vendor and other state and govt taxes as and when applicable by the Govt of India. However, a proper communication would be provided, whenever there is impact on the same.

16. **"Resource partner / College"** cannot hire or take services from any current full time /part time, ex- employee of the Delivery Partner either directly or indirectly for any fulltime or part time assignment for minimum period of one year from the date of expiry of contract.

17. **"Resource partner / College"** must follow from time to time rules/regulation & operational protocols laid down by Microsoft/Certiport other international vendors for their respective certification.

18. In case of any dispute, or difference whatsoever arising between the parties out of or relating to the construction, meaning, scope, operation or effect of this contract or the validity or the breach there of shall be settled by arbitration in accordance with the Rules of Arbitration of the Indian Council of Arbitration and the award made in pursuance thereof shall be binding on the parties "however the court of jurisdiction would be Pune.

19. This clause is intended to be legally binding and the parties agree and acknowledge that both the terms of this **MOU** and the discussions relating to the collaborative activity are **confidential** and neither party will disclose them without the prior written consent of the other party.

Knowledge Solutions India Pune

Scanned by CamScanner

20. **Cost of the certification** Exam bundled with free workshop for short term program is Rs. 2880/- -3400/- + GST and long term is varies b/s 7900/- To 9900/- + GST(Depends of technology offered)

21. **Resource partner / College** would issue a letter of completion upon successful completion of the certification and bundled training program.

22. Minimum batch size to run a free training/workshop bundled with Certification will be 50 students however in case the numbers are very less than the decision on the same would be as per mutual consent.

3.0 Responsibility Structure

1. SKN shall provide the infrastructure of systems, LCD projector, all CAD/CAM/CAE Software Licenses etc.
2. SAICAD shall be responsible for the supply of soft copy of course material to students.
3. SKN shall create awareness among its students.
4. College will provide following
    i. Well-equipped Air-conditioned labs & Class Rooms with Audio and Video Aids
    ii. Marker and White Board
    iii. Computer Labs with minimum I3 Machines, 4 GB RAM & 64 bit Processor.
    iv. Access to a Photocopy machine, just in case some material needs to be Xeroxed

5. Certification

a. SAICAD will provide global certification to students after completion of training and online exam.

6. Earning

a. The split of earning of the course shall be as follows:
    i. % Share to SAICAD: 80%
    ii. % Share to SKN: 20%
b. SAICAD shall be paid their share as per the following schedule.
    i. 50% of the share at the start of the course
    ii. Remaining 50% after successful course completion
c. Fees shall be collected by SKN and SKN shall pay SAICAD their respective share.

4.0 Relationship

This MOU Relates solely to the intention of parties wherein **SKN** and **SAICAD** jointly provide Global certifications to the prospective students and shall not extend to other activities or create a partnership between the parties hereto and any law of any country. The parties agree that it is not their intention to share any loss or profit between them in their respective fields expect to the extent expressively provided herein.

Smt. Kashibai Navale College of Engineering, Pune-41

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41

5.0 Mutual Trust

- The College will not hire or approach our trainers for direct recruitment and assignments for 2 years after completion of our training.
- The same can be done only after taking the NOC for SAICAD

6.0 Authority to bind

No party shall act on behalf of the other party to contractually bind the other Party under the terms of this MOU having first obtained the other party's written agreement

7.0 Confidential and Proprietary information

1. "Confidential Information" shall mean all information, written or verbal, identifies as confidential or of a nature that a reasonable person would understand as being considered confidential by SAICAD, and disclosed by SAICAD to SKN or its faculty which is related to SAICAD information such as course material, training data, guidance notes, procedures, methodology and licenses etc.
2. SKN shall hold in trust and confidence for SAICAD all confidential information provided by SAICAD and SKN shall not disclose to any person or use such information for any purpose other than defined in this MoU. SKN shall not make any copies of confidential information than are required for the work involved and with prior and mutual consent from SAICAD and shall return/destroy all such information at the termination of contract. By disclosing this information to SKN, SAICAD does not grant an express, implied or other licence or right to SKN to propagate the information.
3. SKN shall not disclose confidential information or work to any third parties, including other contractors of SKN, without first obtaining written consent from SAICAD.
4. SKN shall disclose SAICAD confidential information only to SKN's employees having legitimate business reason to know the same and shall inform each employee receiving the confidential information of the confidential nature of the same and SKN's obligations hereunder.
5. SKN shall secure documents, items of work in progress and work product that embody confidential information in locked files or areas providing restricted cess to prevent its unauthorised discloser. SKN shall maintain adequate procedures to prevent loss of any confidential information or confidential document provided to it by SAICAD. In event of any loss, SKN shall notify SAICAD immediately.

Memorandum of Understanding

Between

Institute: Smt.KashibaiNavale College of engineering, Pune

&

Party: Flexpro Automation Pune

- **Article 1: Objeetive of MOU**

The parties are committed to enhancement of skills of student in designing and manufacturing of equipment's which will help to develop the entrepreneurship opportunity for the student also the employment opportunities .The purpose of MOU is to better serve the students by offering them field work opportunity to get explored to practical applications of the knowledge they acquire during their formal education.

Broad goals

Some broad goals of this MOU are

1. Take into consideration the aspects of the subject required by industries for possible future inclusion in the curricula.
2. Enhance the understanding of students in design softwares and manufacturing process required in industrial applications.
3. Dcvelop entrepreneurships opportunities among the students.
4. Increase career opportunities in manufacturing industry.

- **Article 2: Activities Involved**

The parties will undertake the following

1. Visits may be arranged.
2. Organising software training programmes for students.
3. Expert lectures may be organised.
4. Encourage joint research initiative.

Exchange of Human resource and knowledge-base will be carried out subject to mutual agreement. Development and implementation of specific activities based on this MoU will be separately decided and agreed upon by the parties. Whenever necessary, specific plan shall be worked out for each activity, setting forth detailed agreements of collaboration.

➢ **Article 3: Roles of First party**

1.Initiate and support exchange of human resource.

2. The college will arrange seminar workshop for students awareness on skill development Initiative of Flexpro Automation Pune

3. The college will involveFlexpro Automation Pune in all activities related to curriculum and content development, teaching, training and placement of the students.

4. The college will extend administrative support for a day to day management of the collaborative activities between the parties.

➢ **Article 4: Roles of the second party**

Following are the roles identified for the Flexpro Automation Pune

1. Flexpro Automation Pune will coordinate and assist the college in training and development of students in design softwares.

2. Provide support in setting of laboratories for practical sessions.

3. Provide support in training of instructors and teachers and trainers as and when required and agreed upon.

4. Provide support in developing models and charts for different subjects.

5. Assist the college in organising guest lectures and seminars, orientations for the students.

6. Support the college in developing employment opportunities for the students through training.

7. Whenever applicable, assess and certify the students.

8. Provide internships, on job training and live projects to students.

➢ **Article 5: Outcomes**

1. It helps to increase the Industry Institute Interaction which will update the institute about ongoing technologies adopted in industries.

2. Academic, technical and employability skills of the college students have increased.

Memorandum of Understanding

Institute: Smt. Kashibai Navale college of engineering Pune

&

Party: Energica Company

- Article 1: Objective of MOU

The parties are committed to enhancement of skills of student in designing and manufacturing of equipment's which will help to develop the entrepreneurship opportunity for the student also the employment opportunities .The purpose of MOU is to better serve the students by offering them field work opportunity to get explored to practical applications of the knowledge they acquire during their formal education.

Board goals

Some board goals of this MOU are

1. Take into consideration the aspects of the subject required by industries for possible future inclusion in the curricula.
2. Enhance the understanding of students in design softwares and manufacturing process required in industrial applications.
3. Develop entrepreneurships opportunities among the students.
4. Increase career opportunities in manufacturing industry.

- Article 2: Activities Involved:-

The parties will undertake the following

1. Visits may be arranged.
2. Organising software training programmes for students.
3. Expert lectures may be organised.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

4. Encourage joint research initiative.
Exchange of Human resource and knowledge-base will be carried out subject to mutual agreement. Development and implementation of specific activities based on this MoU will be separately decided and agreed upon by the parties. Whenever necessary, specific plan shall be worked out for each activity, setting forth detailed agreements of collaboration.

- Article 3: Roles of First party :-

1.Initiate and support exchange of human resource.
2. The college will arrange seminar workshop for students awareness on skill development Initiative of Energica Company Pune.
3. The college will involve Energica Company Pune in all activities related to curriculum and content development, teaching, training and placement of the students.
4. The college will extend administrative support for a day to day management of the collaborative activities between the parties.

- Article 4: Roles of the second party:-

Following are the roles identified for the Energica Pune

1. Energica Pune will coordinate and assist the college in training and development of students in design softwares.
2. Provide support in setting of laboratories for practical sessions.
3. Provide support in training of instructors and teachers and trainers as and when required and agreed upon.
4. Provide support in developing models and charts for different subjects.
5. Assist the college in organising guest lectures and seminars, orientations for the students.
6. Support the college in developing employment opportunities for the students through training.
7. Whenever applicable, assess and certify the students.
8. Provide internships, on job training and live projects to students.

- Article 5: Outcomes:-

1. It helps to increase the Industry INSTITUTE Interaction which will update the institute about ongoing technologies adopted in industries.
2. Academic, technical and employability skills of the college students have increased.

Assistant Professor & Head, Dept. of Mechanical Engg. Smt. Kashibai Navale College of Engineering, Pune - 41

INTRODUCTION

This Memorandum of Understanding (MoU) is drawn up and agreed upon to establish the cooperation between Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering, located at S. No. 44/1, Off. Sinhgad Rd., Vadgaon (Bk.), Pune – 411041 Maharashtra, INDIA(Hereinafter referred to as SKNCOE) and Auto Cluster Development & Research Institute located at H-Block, Plot No. C-181, Chinchwad M.I.D.C, Pune – 411019 (ACDRI) to strengthen industry-academia engagement.

PREAMBLE

Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering is one of the leading engineering education institutes in Pune which provides academic excellence for aspiring students. Along with academics students as well as faculties must have industrial exposure & awareness to latest trends of technology. This is possible with the joint efforts by academic institutions & industries for welfare of society. ACDRI exists to promote innovations & collective learning in the area of product design and development to local industry by providing appropriate & focused support. ACDRI assist in appropriate technology transfer & adoption of new technologies. A collaborative effort can strengthen technical skills & awareness of latest trends in industry. This Memorandum of Understanding between ACDRI & Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering is made only for enhancing the technical skills of students and cannot be used as commercial liability in any aspects.

PURPOSE

The purpose of this Memorandum of Understanding between ACDRI and Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering is to Strengthening the Industry Academia Engagement with mutual understanding under which both the institutes will work together for better outcomes.

Smt. Kashibai Navale College of Engineering Vadgaon (Bk.) Pune-41

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41.

OUTLINE OF THE ROLES

Following roles are envisaged, the details will be arrived at in a separate Memorandum of Agreement:

Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering:

- ✓ Appointment of faculty leader / team and develop their competency level for support & coordination in identification joint skill development training & awareness programmes.
- ✓ Execution of the identified joint skill development training & awareness programmes Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering and Auto Cluster as per agreed upon plan.
- ✓ Regulatory requirements compliance for the identified joint skill development training and awareness programmes.
- ✓ Provide the brand of Smt. Kashibai Navale College of Engineering and outreach mechanism for marketing of the identified joint skill development training and awareness programmes.
- ✓ Participate in and volunteer for relevant events organized by the Auto Cluster
- ✓ Display innovative technologies for operational environment testing

Auto Cluster:

- ✓ Offer infrastructure at Auto Cluster Development and Research Institute for execution of Joint Skill development Training and awareness programmes.
- ✓ Offer know-how for the planning and execution of the identified joint skill development and awareness programmes.
- ✓ Contribute to the competency development of team for the identified joint programme.
- ✓ Enable internships for students engaged in joint skill development and awareness programmes depending upon the need of ACDRI and other programmes at Smt. Kashibai Navale College of Engineering.
- ✓ Enable interaction opportunities for faculty at Sinhgad Technical Education Society's Smt. Kashibai Navale College of Engineering for continual improvements.
- ✓ Enable engagements with the industry for various joint initiatives.
- ✓ Arrange industrial visits for faculties and students of SKNCOE.

MAKE WELL CONSULTANTS Mumbai

Dept. of Management Studies
Smt. Kashibai Navale College of Engg.
Vadgaon (Bk.), Pune - 41.

About MakeWell (MWC):

Makewell Consultants working in conducting motivational seminars, personality grooming workshops and soft skill development programs located at A/2, Balaram Nivas, JP road, Naigaon, Dadar (E), Mumbai.

Makewell Consultants and SKNCOE-MBA have been individually referred as 'Party' and collectively called 'PARTIES' hereafter.
Whereas SKNCOE-MBA aims in achieving superiority in management education with credit at a nationwide & global level with a goal to develop a talented leadership, there is a constant need to keep the students up to date with the current market scenario. Through this agreement both the parties agree to organize training sessions within the campus of SKNCOE-MBA for 'Personality Development'

Both the PARTIES agree to encourage the following activities amongst the students.

- Jointly organize seminars, workshops & capacity building programs, networking events, discussions, etc.
- SKNCOE-MBA will help Makewell Consultants to use its infrastructure facility, library and other resources for conducting short term training programmes as and when required.
- Makewell Consultants will provide the placement services and training needed for the same.

Services to be offered to Participants:

Below is the list of services that Makewell Consultants can provide to the participant in association with SKNCOE-MBA. Participant and PARTIES shall determine which specific services best fit the needs of the Participant and negotiate the fees associated with these services in a separate contract.

- Personality Development Programme.
- Soft Skills training session.
- Life skills and behavioral skills improvement Programme.
- Interview Facing
- GDPI
- English speaking and writing skills improvement.
- Grooming workshops.
- Presentation Skills.

Fees and Revenue Sharing:

Fee structure and revenue sharing models would be finalized between Makewell Consultants and SKNCOE-MBA through separate agreements.

About ADISA:
After four years in the IT industry, we decided to alter direction. Now, we share use our experience to help others. Our ramp up process is designed to empower your technical team and outfit them with the tools they need to succeed. Ask us about:

- Java-based frameworks
- Open-source technologies
- Cloud-based development
- End-to-end integration
- Networks and systems security
- Database and warehouse technology.

Our Approach:
Our service includes a comprehensive consult to help identify gaps and opportunities, a comprehensive report that includes a project plan with timelines and milestones, a cost analysis, and a schedule. We also offer a suite of quality products that will help you get there quickly and smoothly.

Why ADISA :
Business mentors are key—that's why when it comes to client selection, we're choosy. We want to give each of you the time and guidance they deserve. We didn't get there alone. And neither will you. Call us today.

Celebrating 25 Years

About Unnati:
"Sustainability, social equality and the environment are now business problems and corporate leaders can't depend on governments to solve them. " Inspired by this philosophy, passionate and educated a group of youngsters came together in 2005 to form Unnati Foundation to work with grassroots initiatives for cause based sustainable positive changes in the society.

Belief:
Unnati Foundation believes that if the society is not participating proactively in the process of development, process of change will not begin. Believing in this, Unnati Foundation sensitises the citizens of the nation and world in order to make them co-travelers in Unnati Foundations mission of development.

ROMANIA
MINISTRY OF NATIONAL EDUCATION
"DUNĂREA DE JOS" UNIVERSITY OF GALAȚI

GENERAL AGREEMENT OF CULTURAL AND SCIENTIFIC COLLABORATION BETWEEN "DUNĂREA DE JOS" UNIVERSITY OF GALAȚI (ROMANIA) AND SINHGAD INSTITUES, PUNE (INDIA)

"DUNĂREA DE JOS" UNIVERSITY OF GALAȚI, represented by the Rector, Professor IULIAN GABRIEL BÎRSAN, appointed by the Order of the Romanian Minister of National Education and Scientific Research no. 3174/18.02.2016 and holding the legal representation of the University and SINHGAD INSTITUES, PUNE INDIA , represented by the Founder President, Hon. Professor M. N. Navale, considering that the development of a cultural and direct scientific collaboration would be of mutual advantage to both Institutions, agree to the following:

HEREBY STATE

I. That the signing institutions share mutual academic and cultural interests.

II. That the very nature, purpose, and goals of universities make them the most appropriate institutions to establish channels of communication which will lead to an exchange of scientific and cultural knowledge.

III. That the universities are institutions with their own legal structure that enables them to develop agreements of this kind for the achievement of the goals to which they aspire.

IV. In view of the above, the signing parties state their interest in carrying out scientific, academic, and cultural exchanges that will enable them to strengthen their academic ties with partner institutions and will therefore establish the necessary means for doing so.

Therefore, both institutions decide to establish a cooperation agreement under the following terms.

TERMS

FIRST - The partner universities agree to exchange their expertise and personnel in the fields of teaching, research and culture in those areas they find of interest.

The development of these activities and the source of their funding and human and material resources required for their implementation will be detailed in specific agreements.

Shri. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41. Boardroom

SECOND - To achieve the above mentioned aim, the parties will set up and develop cultural and scientific exchange programmes on a yearly basis, which will include:

1. The development of joint research projects.
2. Postgraduate or research study programmes.
3. The exchange of professors, researchers, students and administration staff. In order to implement all the above mentioned exchanges, the parties need to establish particular bilateral agreements detailing the terms under which these exchanges will take place.
4. The aim of sharing information about their organization, structure and evaluation of their annual programmes.
5. Courses, seminars, symposia involving professors of both institutions.
6. The exchange and dissemination of publications and reference material.

THIRD - This agreement may be amended or expanded by mutual agreement should one of the parties request it. The modifications will come into force from the date agreed upon by both institutions.

FOURTH - This Agreement will come into force during four years from the date of its last signing. At any moment prior to the expiry date, the parties will be able to extend it for four more years. Nevertheless, any of the parties may notify the other of its wish to terminate the agreement, in written notice, with at least three months prior to the preferred expiry date.

FIFTH - The funding of activities set up within the framework of the present Agreement will depend upon the funds available to each Institution.

This agreement is hereby signed and stamped by the representatives of both institutions on the given date and place.

DOCTORAL RESEARCH COLLABORATION AGREEMENT

"Dunărea de Jos" University of Galați, represented by **Rector, Prof. Dr. ing. Iulian Gabriel Birsan** and **Sinhgad Institutes Pune India represented** by **Founder President, Hon. Prof. M. N. Navale** express their consent in signing this agreement for the scientific collaboration in the field of: *Artificial Intelligence and Machine Learning in Healthcare*

At "Dunărea de Jos" University of Galați, the research activities will be conducted in the laboratory (lab name) of: **The Modelling & Simulation Laboratory (MS lab), Faculty of Science and Environment.**

The scientific coordinator shall be **Ms. Professor Dr. Luminita MORARU.**

At the **Sinhgad Institutes**, the research activities will be conducted in the **Department** of **Engineering and Technology.**

The scientific coordinator shall be **Mr. Professor Dr. Parikshit N. Mahalle**

Art. 1. The two scientific coordinators are committed to jointly act as such for the PhD students.

Art. 2. Argument of the necessity of research collaboration

Artificial Intelligence and Machine Learning in Healthcare provide deep insights and advanced analytics that could radically transform and revolutionise healthcare into a new digital age. Potential benefits could include predictive and prescriptive analytics, driven by rules-based and structured algorithms that are designed to deliver improved patient care.

Art. 3. A common plan for the exploitation and dissemination of results and concrete actions related to the protection, dissemination and exploitation of the research results shall be establish based on the intellectual property regulations in force in both partner institutions.

Art. 4. This Convention shall enter into force with effect from the date of signature by the legal representatives of both higher education institutions. This Agreement may be terminated by parties' mutual consent.

Memorandum of Understanding

Between

Service Provider, hereby mentioned as)

Global Dialect Language Solutions

And

(Client, hereby mentioned as)

Sinhgad Institutes

This Memorandum of Understanding (MOU) sets for the terms and understanding between **Global Dialect Language Solutions** which is a Pune based foreign language training and translation firm providing services for more than 30 foreign languages and **Sinhgad Institutes** which is a reputed institute spread across Maharashtra, providing different types of degree and diploma courses under the University of Pune. This MOU is valid from

11-Oct-2018 to 11-Oct-2020

Service delivered

This program will provide foreign language trainings to the students of **Sinhgad Institutes** in German and Japanese in the college premises. The training program will be conducted to enhance the language skills as opted by the respective student and/or enhancing the career opportunities of the students and/or to get better placement opportunities (after completion of courses). Please see **Annexure 1** for detailed clarification.

Terms and Conditions

In order to make this program success

Every batch should consist maximum of 30 students and minimum of 15 students for every language (level 1), minimum 12 students of every language (level 2), minimum of 8 students of every language (level 3, 4 and 5). The language classes will be held at the **Sinhgad Institutes** campus only.

Certificates will be issued to the candidate after full fees are paid to **Global Dialect Language Solutions.** The Service will be provided to the students of 2nd, 3rd and 4th year and will be attending the same level (according to the knowledge of the language) irrespective of the standard they are studying in. The client should provide all the necessary infrastructure for the program which includes classrooms, white/ black board computer, speakers and a projector.

Non Disclosure:

A. The Client undertakes not to disclose or allow to be disclosed or copy or allow to be copied any material, collateral, training guides, books or manuals, strategies etc provided by the Service Provider to any other third party or institutions.

Smt. Kashibai Navale College of Engineering

B. Neither party shall issue any press release, public announcement or other such disclosure concerning this Agreement without the other party's prior consent as to such release or announcement.

Non Solicitation

The Service Provider and the Client recognise that their individual employees, consultants and other resource personnel are invaluable assets for the respective organisations and undertake that they will not recruit, attempt to recruit, employ or offer any work or consulting to any employee, consultant or resource person from each other's organisations either directly or indirectly for a period of 1 year after the termination of the contract.

Funding/ Fees

The fees will be applicable for all the students across all the branches of the **Sinhgad Institutes.** Full fees will be collected by **Global Dialect language solutions** from the students and a sum of **Rs. 500/- per student** will be handed over to the **Sinhgad Institutes** as infrastructure fund after completion of the full course/level.

*For detailed explanation regarding the fees, please see the **Budget List** provided with the Annexure. **NOTE**: Certificates or exam papers will not be issued to the students who have not paid the full fees.

Memorandum of Understanding

Between

SEED INFOTECH LIMITED, Pune

AND

STES's Smt. Kashibai Navale College of Engg.
Department of Electronics and Telecommunication, Pune.

This Memorandum of Understanding ("MOU") is made at Pune on this 12th day of January, 2018 ("Effective Date").

BETWEEN

SEED Infotech Limited, a Company duly registered under the provisions of the Companies Act, 1956 and having its registered office at 'Panchsheel', 42/16, Erandwana, Income – Tax Lane, Off Karve Road, Pune -411 004, Maharashtra, India, represented by **Mr. Shrikant Rasane**, Executive Director (hereinafter referred to as **"SEED"** which expression shall unless it be repugnant to the subject or its context includes its successors and assigns) of the FIRST PART.

PAN: AACCS5852P

AND

Smt. Kashibai Navale College of Engineering(E&TC Dept) Pune,, having its campus office at Vadgaon Bk., Pune,Maharashtra-411023 represented by **Mrs. Minal Badgujar , Asst. Professor,** (hereinafter referred to as **"SKNCOE"**. which expression shall unless it be repugnant to the subject or its context includes its successors and assigns) of the SECOND PART.

PAN:BAIPB8272L

WHEREAS SEED is engaged in the business of providing high end software training, consultancy, staffing solutions and other allied IT services.

AND WHEREAS SKNCOE is an institute established by the Sinhgad Education Society and is Affiliated to University of Pune. and conducts courses Approved by AICTE

AND WHEREAS, SKNCOE has approached SEED with a proposal of executing the Technology Training and Development Courses for it's under- graduate students

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

AND WHEREAS SEED has agreed and accepted the said proposal on the terms and conditions agreed herein below

NOW, THEREFORE, SEED and SKNCOE in consideration of the mutual representations, warranties and covenants contained herein, and subject to the terms and conditions set forth in this MOU, and intending to be legally bound, hereby agree as follows:.

NOW THE PARTIES HEREBY MUTUALLY AGREE AND THIS MOU WITNESSED AS UNDER:

1. **Duration:**

This MOU shall be valid for a period of 12 months from the date of the execution. Thereafter, it may be renewed on mutually agreed terms.

2. **Objectives:**

- To bridge the gap between industry and college and provide knowledge transfer.
- To get acquainted with recent developments in the fields of software and hardware advanced technologies.
- To enhance the interview skills of the students.

3. **Roles and Responsibilities:**

A. **SEED Infotech Limited.**

I. **Workshops:**

- SEED shall conduct two workshops of 5 hours duration (subjects and schedule of workshop will be decided from time to time as mutually agreed upon) to students (Under Graduate) in the field of rapidly growing technology.

- SEED shall bring the necessary devices suitable for such workshop. The Expenses incurred in setting up the devices will be borne by SEED and all the hardware, Software and accessories required for establishing this lab shall remain sole property of SEED.

II. **Faculty Development Program:**

- SEED shall conduct 2 hours workshop training in the field of rapidly growing technology to the faculties to keep abreast with latest developments (Details of which will be discussed & documented from case basis depending upon technology & number of participants).

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune

Sinhgad Institutes

seed
beyond the obvious

III. Seminars:
- SEED will conduct 4 seminars for the students (second/third/final year) in the field of Industrial VLSI System Design Technology/ Software/ Embedded System (8051/ AVR/ ARM/ PIC/ AURDINO /RASPBERRY PI/ RTOS etc).

IV. Campus Recruitment Drive (CRP):
- SEED will shortlist and provide placement assistance to the eligible students through Campus Recruitment Drive.

V. SEED IT IDOL (affiliated to SPPU):
- SEED will conduct a college level competition (syllabus comprising of basic Aptitude and English) in collaboration with SPPU where winners (number of winners will be mutually agreed) will be granted a Certificate, thereby qualifying for the next level (Inter-college).

VI. Other Support:
- It is understood by both the parties that SEED will not commercially sponsor the projects nor the students will get a ready project from SEED.

B. SKNCOE:-

I. SKNCOE has agreed to provide Labs, Infrastructure Covering Training space, Lighting, Furniture, Computer hardware, projector, UPS supply, training aids such as board, markers, duster etc. and any other material as requested by SEED and required for training.
II. SKNCOE shall support SEED to conduct pool campus.
III. SKNCOE shall arrange for necessary manpower support for mobilizing the devices at the college campus.
IV. SKNCOE will designate a single point contact (Mrs. Minal Badgujar) for smooth execution of the free workshops.
V. SKNCOE shall provide all the necessary co-operation required for the successful execution of this MOU.

Head
Dept. of Electronics & Telecommunication Engineering
Sinhgad Kashibai Navale College of Engineering, Pune - 411 041

C. Mutual Roles and Responsibilities:

I. Each party shall respect the each other's intellectual property and shall use any trade name, trade mark, logo, symbol or designation belonging to the other party in accordance with this MOU.
II. Nothing contained in this MOU shall be construed as resulting in the creation of a relationship of employer and employee or principal and agent between SEED and SKNCOE

III. Both parties affirm their commitment to implement the activities and achieve the objectives mutually agreed upon.

IV. Both parties shall use such material, name, and logo, information as pre-approved and provided by each party, for any of its advertisements for promotional material on their web-sites.

V. New assignments can be added during the course of implementation of MOU, if mutually agreed by both the parties.

VI. Financial terms and conditions will be decided mutually as per need and shall be documented in a form of Statement of Work/Purchase Order.

4. **Limitation and Warranties:**

I. Each party shall ensure that the other is not put to any liability for any act of the respective party under this MOU.

II. Each party represents that they have full power and authority to enter into this MOU in general.

5. **Copyrights & Ownerships:**

I. The ownership of the course material/ courseware/ books and such other training material and allowed for distribution to the other party shall remain the property of SEED.(hereinafter referred as "Course Material").

II. Also the Intellectual Property Rights i.e. copyrights, trademarks, patents etc. of Training/Course Material, any changes, enhancements, upgrades, customization etc. shall belong to SEED only.

III. SKNCOE shall not claim ownership of such content, product etc. or its customization.

6. **Confidentiality :**

I. Both the parties understand and agrees that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

II. Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

7. **Termination of MOU:**

I. Either party may terminate this MOU with 30 day's prior written notice to other party.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune-41

II. In the event of such termination, both the parties are legally bound to pay outstanding payments, if any, from each party to the other party as also completion of ongoing training programs/assignments etc..

8. Non Poaching of Staff:

It is agreed that during the period of this MOU, neither SEED nor SKNCOE shall, unless mutually agreed to by the other employ or render any services, directly or indirectly, from any personnel of each other.

9. Dispute settlement:

Any and all disputes or differences between SEED and SKNCOE arising out of or in connection with this MOU or its performance shall, so far as it is possible, be settled by negotiations between the Parties amicably through consultation

10. Indemnification:

Both the parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees

11. Force Majeure :

Neither party shall be liable for any failure or delay in fulfilling the terms of this MOU due to fire, strike, war, civil unrest, terrorist action, government regulations and acts of nature or other causes which are unavoidable and beyond the reasonable control of the party claiming force majeure. This provision shall not be construed as relieving either party from its obligation to pay any sum due to the other party.

12. Severability:

If any provision of this MOU is adjudged invalid or unenforceable, the remaining provisions will continue in full force and effect, and the Parties agree to replace the affected provision with a valid provision that most closely approximates its intent and economic effect

13. Modification:

I. Any changes in implementation procedures which are not as per the present MOU will be discussed and will be incorporated in agreement with both the parties. .

Memorandum of Understanding

Between

M/s. ecoRise Software Solutions, Pune

AND

STES's Smt.Kashibai Navale College of Engg.

Department of Electronics and Telecommunication, Pune.

ON DAY OF 27th August 2018

This MOU is made and executed at Pune between M/s. ecoRise Software Solutions., having its office Shivshahi Colony, Karve Nagar, Pune - 411052,INDIA +91-9673639643 (here in after referred as **ecoRise Software Solutions**) represented by **Mr. Mahesh Bodhgire, Director**, ecoRise **Software Solutions Pune.**

AND

Smt.Kashibai Navale College of Engineering(E&TC Dept)Pune, represented by Prof.P.P.**Rathod, (Internship Coordinator)** Assistant Professor, Department of E&TC, Smt.Kashibai Navale College of Engineering, Pune, having its campus office at Vadgaon Bk., Pune, Maharashtra-411023 and the institute at same place, here in after referred to as **"SKNCOE".**

This expression shall mean and include its successors and legal representatives of both the party.

NOW THE PARTIES HEREBY MUTUALLY AGREE AND THIS AGREEMENT WITNESSED AS UNDER:

Roles and Responsibilities:

(A).1 **ecoRise Software Solutions (Workshops):**

- **ecoRise Software Solutions** will provide workshops (number & subjects will be decided from time to time as mutually agreed upon) to students (Under Graduate and Post Graduate) in the field of rapidly growing technology to passing engineers and perpetual need to keep abreast with latest developments in the field of Industrial Design Technology/Software System (Java/Testing/Database/Android Application etc).

- **ecoRise Software Solutions** will bring devices suitable for such workshop. Expenses incurred in setting up the devices will be borne by **ecoRise Software Solutions** and all the hardware, Software and accessories required for establishing this lab will remain sole property of **ecoRise Software Solutions.**
- The schedule of workshop, branch, year/semester duration, course and fee per participant (If Applicable) will be mutually agreed.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

Sinhgad Institutes

ecoRise Software Solutions

(A).2 ecoRise Software Solutions **(Short Term Training/ Intership programs)**:

- ecoRise Software Solutions will provide (40 Hrs / 80 hrs or 5 day / 8 days / 3 months as decided) hands-on training in the field of rapidly growing technology to passing engineers and perpetual need to keep abreast with latest developments in the field of Industrial Design Technology/Software System (Java/Testing/Database/Android Application etc).

- ecoRise Software Solutions has agreed to setup necessary training devices (Details of which will be discussed & documented from case to case basis depending upon technology & number of participants) for training duration at the premises of SKNCOE, Pune. Expenses incurred in setting up the lab will be borne by **ecoRise Software Solutions** and all the hardware, Software and accessories required for establishing this lab will remain sole property of **ecoRise Software Solutions**.

- The training program, branch, year/semester duration, course and fee per participant will be mutually agreed upon from time to time..

(A).3 ecoRise Software Solutions **(Other Support)**:

- **ecoRise Software Solutions** will provide technical support to the students of SKNCOE undergoing the **ecoRise Software Solutions** training programs for carrying out their projects

- It is understood by both the parties that **ecoRise Software Solutions** will not commercially sponsor the projects nor the students will get a ready project from **ecoRise Software Solutions**.

- It is further understood by both parties that the student will be supported exclusively for those academic projects which are cleared by respective Head Of Departments/ Concerned authorities in written.

- **ecoRise Software Solutions** will allow to the students of SKNCOE undergoing the **ecoRise Software Solutions** training programs to use the facilities available at **ecoRise Software Solutions** –Pune office for carrying out their academic project under guidance & supervision of experts from **ecoRise Software Solutions**. All material / components required for the project will be procured by the students at their own cost. **ecoRise Software Solutions** takes no responsibility for availability of such material & components nor **ecoRise Software Solutions** will procure it on behalf of students or sell the same to students.

- **ecoRise Software Solutions** will conduct training program for faculties (Free / Chargeable basis depending upon duration, technologies involved & infrastructure required).
- In event of short term free workshop on particular technology not possible within SKNCOE premises, **ecoRise Software Solutions** will try to conduct the same at their premises (at address mentioned) in smaller groups (size will be mutually agreed upon from time to time).

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

ecoRise Software Solutions

(B) SKNCOE:-

- SKNCOE has agreed to provide Labs, Infrastructure Covering Training space, Lighting, Furniture, Computer hardware, projector, UPS supply, training aids such as board, markers, duster etc. required for training.
- SKNCOE will arrange for necessary manpower support for mobilizing the devices at your campus.
- SKNCOE will designate a single point contact for smooth execution of the free workshops.
- SKNCOE will arrange for the food & accommodation of **ecoRise Software Solutions** representatives at your own cost.
- SKNCOE will not hire Engineers employed by ecoRise **Software Solutions**.

Terms and Conditions:

(1) Both parties affirm their commitment to implement the activities and achieve the objectives mutually agreed upon.

(2) Any conflict between the parties shall always be decided by mutual consultation without any recourse to arbitration or other kind of legal remedy including resort to a court of law.

(3) Both parties shall use such material, name, and logo, information as pre-approved and provided by each party, for any of its advertisements for promotional material on their web-sites.

(4) New assignments can be added during the course of implementation of MOU, if mutually agreed by both the parties.

(5) Financial terms and conditions will be decided mutually as per need.

Validity of the MOU:

This MOU shall remain in force and effect for 5 Years. Either party can revoke this MOU by giving one month notice.

MEMORANDUM OF UNDERSTANDING

Between

G2G INNOVATION LLP, Pune

And

Department of Mechanical Engineering,

Shreemati Kashibai Navale College of Engineering, Pune

This MEMORANDUM OF UNDERSTANDING is entered into on **1st Feburary 2019** between the G2G Innovation LLP. Located at Kothrud , Pune, for duration of 2 years **(1st Feburary 2019 to 31st January 2021)** herein after referred to as **PARTY 1** and Department of Mechanical Engineering, of **Shreemati Kashibai Navale** College of Engineering located at Vadgaon, Pune, herein after referred to as **PARTY 2.**

1. PREAMBLE

A collaborative effort in engineering education has become key to success in today's globalised world. This is possible with the joint efforts by academic institutions and industries for the welfare of society. The noble cause of nation building encourages academic institutions to establish understanding with neighbouring industries and institutions of excellence with viable collaborative efforts/project consultancy basis and with established specific time frames and well-defined outcomes. The collaboration could be in the areas of credit transfer, projects of students as well as faculties; joint sponsored projects from different funding agencies as well as joint consultancy works with sound revenue sharing model, joint publications and faculty and staff development programmes etc.

Smt. Kashibai Navale College of Engineering, Vadgaon(Bk.) Pune-41.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41.

2. PURPOSE

The purpose of this agreement is to enter into a formal agreement under which both the parties will work together for better outcomes that are mutually beneficial.

3. ARTICLES OF ASSOCIATION

a) PARTY 1 shall conduct training programmes designed mutually for students from PARTY 2 to impart hands-on training to them.

   i. Party 1 will conduct Two Days Workshop on real time industrial projects on relevant design/simulation software.

   ii. Party 1 will conduct 60 Hr Training Course on Vehicle Interior/Exterior Part design/simulation on relevant software on mutual agreed commercials which will be **Party 1 have to pay 20% of total revenue generated to Party 2 as rent for using facilities of Party 2**

b) To organise industry visits for students to the facilities of PARTY 1 with mutually decided schedule.

c) PARTY 1 to facilitate in-plant training to students as per mutual convenience and prior approval from both the parties as required.

d) PARTY 1 to facilitate and share engineering problem statements with students and work in association with PARTY 2 in solving them.

e) PARTY 1 to impart required skills to students to enhance their employability.

f) Both the parties to organize Seminars, Workshops, Conferences, STTPs and other technical activities of mutual interest jointly.

g) Both the parties to undertake consultancy work in common areas for mutual benefits.

h) Both the parties to share their resources to the maximum possible extent for mutual benefit.

Assistant Professor & Head
Dept. of Mech. Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

4. AGREEMENT OF COLLOBORATIVE PROGRAMMES

a) Each collaborative effort undertaken by the parties shall describe in details the following

   i. The nature, scope and time of the collaborative effort in the format as discussed in articles of association above.

   ii. Any other specific information deemed necessary by any of the parties.

b) Each collaborative effort shall be backed by a mutually discussed and finalised action plan and schedule.

5. NODAL AUTHORITY

The nodal authority from PARTY 1 shall be the Managing Director or his/her nominee and the nodal authority from PARTY 2 shall be the Principal or his/her nominee for any concurrence and decision making on matters of mutual interest under this agreement.

6. ACTION PLAN AND IMPLEMENTATION

Both the parties shall endeavour towards finalization of the detailed action plan and the implementation thereof for the collaborative efforts and success of this MoU during the year 2018-19 and there onwards.

This MoU shall be effective from the date of signing by both the parties and shall remain in force unless and until it is discontinued by mutual consent.

In witness whereof, the two parties have entered into this agreement on the day, date and year mentioned first herein above.\

Collaboration Partner Agreement

Memorandum of Understanding (MoU)

Dated: 5 March 2019

1. We 'Simulation Lab Pvt. Ltd.' incorporate under MSME having registered office at Pune, Maharashtra and UAN MH26D0058527 agree to partner 'Department of Mechanical Engineering, Smt. Kashibai Navale College of Engineering, Vadgaon Budruk, Pune' as 'Collaboration Partner' for accelerating and excelling the quality of research works across India.

2. 'Collaboration Partner Agreement' enables the partnered college's projects undertaken *'Online Research and Analysis Center'* service to automatically enroll in 'Private Investor Manufacturing Plan' which will facilitate with funding for manufacturing of product (project) on industrial scale; if found adequate by private investors.

3. 'Collaboration Partner' terms include participating of at least one professor willing to guide the progress of *'Product Development Center'* team. The agreement is based on 'Self-Volunteering' and holds true that we are not dealing with any kind of financial demand to-or-fro or transaction with each other. The sole intension of this collaboration is to help and support the scientific researcher and development.

4. The agreement purely intended to synchronize knowledge between professor and *'Product Development Center'* team without sharing any infrastructure or property that belongs to college or institute or university. Therefore, the liability of this agreement executively depends on the 'Department'.

5. The agreement also includes showcasing of *'Environment and Energy Center'* banner on departmental notice board and electronically sending 'United We Stand' eMagazine to all the students.

We Design Careers

About DesignTech Systems Ltd.

DesignTech Systems is a leading CAD / CAM / CAE / PLM / RPT Solutions, Additive Manufacturing technologies, and Engineering Services provider from India. With more than 15 years of experience we have been working with companies from cross vertical domains from India and overseas to support them in their most complex and challenging engineering initiatives while helping them derive best returns on their investments. With one of the largest customer satisfaction ratios, we are a company that believes in forging partnerships with our clients thus making them our partners in success and strive to make every dealing with them a delightful experience.

We are the largest distributors in India for Siemens Industry Software products like NX, Teamcenter and Technomatics. We are also exclusive distributors in India for Altair HyperWorks product suite. Besides that, we also provide mechanical engineering design and analysis services including CAD & CAE, FEA, CFD, Moldflow and many more on all the latest software platforms. As the recipients of some of the prestigious awards including Maharashtra IT award in 2010 for Engineering Services, being adjudged among the top 50 emerging companies of India by NASCCOM in 2010 followed by NASCCOM Emerged 50 company in 2011 and having gained such many more laurels, with the sole objective of delivering engineering excellence, we are a company that works with highest standards of integrity, commitment and passion.

About DesignTech CAD Academy

DesignTech CAD Academy is an initiative of DesignTech Systems Ltd. Designed to bridge the gap between academics and industry and enabling working professional with higher skills, DesignTech CAD Academy has become an ideal catalyst in product design industry. We have put in all our experience and knowledge into formulating a courseware that is an ideal blend of theoretical knowledge as well as practical applications in the industry through empirical training methodology that will help get students and fresh graduates' job ready and prove their potential in the company right from the day one of joining. We also have special tailor made training courses for corporate professionals who want to master a CAD and/or CAE software to meet their job requirements that will thus help them contribute significantly in attaining their company's engineering objectives and their personal growth goals. Few highlights of DesignTech CAD Academy are as below:

- Authorized training partner of **Siemens** for CAD and PLM, Dassault **Systemes** for their CAD and Altair for their CAE solutions.
- ISO 9001:2015 certified dedicated CAD and CAE training facility.
- We impart training only on licensed software.
- Software application and practical knowledge imparted through working on live-scenario projects.
- Training with real parts/products in hand.
- Industry oriented training with guidance from industry experts.

DesignTech CAD ACADEMY

We Design Careers

Current Challenges:

- Authorized licenses not available with the college for training
- Regular upgrading of the software to keep it latest is a challenge
- In-depth knowledge about the software features, functionality and applications
- Imparting training on software by an expert trainer with industry experience
- Students not aware about latest trends and technologies thus hampering their employability
- Finding dependable training partner that provides industry oriented certified trainings at reasonable cost is a challenge

Under this agreement, the benefits derived by each of the stake holder is as follows:

To Students:

- Get certified training programs at college itself thus saving them time
- Become employable with these added skills
- Receive project guidance from industry experts
- Get certified at much lower cost than market rates
- Get trained on Authorized licenses on latest versions and industry trends

To DesignTech:

- Promotion of DesignTech CAD Academy
- Additional training revenue (if training is conducted in college)
- Create more NX, CATIA and HyperMesh trained manpower available in the market creating bigger opportunities for license sales in commercial segment
- Reach out to more and more students under our 'Skill Enablement Initiative'

Benefits to COLLEGE:

- College will get all the CAD Academy offerings on their premises without any additional investment
- College will earn an additional income on their existing infrastructure by conducting training programs through DesignTech
- This additional income comes without recruiting new staff or developing new skill set or any additional investment from college
- Project assistance from industry experts will be available on campus
- Value additions like this will attract good students to the college
- Footfall to the college will increase thus enabling **COLLEGE** to display their other offerings to a larger set of people
- Increase the employability of students thus attracting more companies for campus recruitments

ISO 9001:2015 Certified

DesignTech CAD ACADEMY

We Design Careers

Under this agreement DesignTech and COLLEGE will do and abide to following activities:

1. **Faculty Development Program**
   - DesignTech will provide 5 NX CAD Training Coupons (priced at **Rs. 1,25,000/-** in retail market) to the college for giving them to Faculties
   - By submitting this coupon, Faculties can undergo NX CAD training program at any of the DesignTech CAD Academy centers across India
   - A separate Faculty Development Program can also be designed based on mutual discussion between college and DesignTech. The costing of this program will be decided based on the number of participants and contents of the program

2. **Project Assistance**
   - DesignTech will provide free project assistance to all the students who know the software that they will be using to do the project
   - For students who do not know any software but want project assistance, DesignTech will provide them free project assistance too and only charge a subsidized fee for software training.

3. **Industry Institute Interaction / Industry Visit**
   - DesignTech will arrange one industry institute interactions in a year or Industry Visit based on location of college
   - College will fix up a timeslot and DesignTech will get in industry speakers to interact with the students
   - College should tell the schedule of this interaction to DesignTech atleast 1 month in advance
   - DesignTech will take care of the cost of travel and charges of the speaker.
   - For Industry Visit cost of travel of students to be taken care by college
   - For this seminar attendance for third year and final year students will be mandatory as industry experts will come to address students
   - At the end of the session, DesignTech will collect feedback forms from the students

Smt. Kashibai Navale College of Engineering

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College

ISO 9001:2015 Certified

DesignTech CAD ACADEMY

We Design Careers

4. **Technology workshop and seminars**

   - DesignTech will do atleast one technology workshop/seminar for Mechanical engineering students
   - The workshop/seminar will give students an exposure to advanced technologies that are available in the market and used by the industry
   - For the workshop, the nature will be half day presentation or hands-on depending upon the topic

5. Training

   - Under this agreement DesignTech CAD Academy will be the preferred partner of college for conducting CAD, CAD, CAE and PLM trainings in their college
   - Cost of the training will be mutually discussed and agreed upon by the college and DesignTech
   - DesignTech will submit a detailed techno-commercial proposal to the college before every training
   - Every enrolled student will get exclusive access to DesignTech CAD Academy Learning Management Systems (LMS)

6. Placement assistance

   - After successfully completion of NX certification from Siemens, CATIA certification from Dassault Systems / HyperMesh training through DesignTech CAD Academy, students will be eligible to get enrolled in DesignTech CAD Academy placement cell
   - All the students will have to strictly abide to the Placement Rules and Regulations of DesignTech CAD Academy
   - DesignTech Systems may also choose to come for a pool campus activity if the college is participating in the same. Atleast 3 colleges should be part of pool campus activity

Subject: Introduction & MoU proposal for - Youthcon Student Development Program (YC-SDP)

Youthcon Creative Solutions, provides platform to 'Develop and Empower Youth' into Industry Ready Professionals and Entrepreneurs

Every professional and academician appreciates following necessities

There is radical increase from industry to enhance application oriented skillset of science/technology students to ensure that they are fit for the future by meeting the current needs of industry.

Application orientated (mind-set) towards technology & scientific Research, is required to foster culture of innovation and entrepreneurship in institute campus.

Youthcon is committed to support institute to achieve above goals, through following activities

- Youthcon - Student Development Program (SDP)
- Youthcon - Projects and Entrepreneurial Incubation Centre

Intent of MoU with your institute is to engage with your academicians and students **to encourage industry** orientation & **support research/innovation efforts.**

MEMORANDUM OF UNDERSTANDING (MoU)

This MoU is entered into on 17th day of July 2018, by Youthcon Creative Solutions (henceforth will be called as YCS) situated at 21 Ishadan Society, Paud Road, Kothrud, Pune, Maharashtra 411038

and

Smt. Kashibai Navale College of Engineering(Mechanical Engineering Department) ,Sr no 44/1 ,Vadgaon Bk ,Off Sinhgad Road ,Pune -41

Youthcon Creative Solutions key contributions under MoU:

- Based on Youthcon Core teams extended **association with SME's & academicians** working across industries, YCS has **developed** proprietary series of sessions known as **YCS- Student Development Program (SDP)**
- Intent of these sessions is to **support student to understand and navigate** following journey successfully
  - **Student → Professional→ Intraprenuer →** Entrepreneur
- Youthcon will ensure delivery of **four sessions per year free of cost,** these sessions would be chosen by **students/institute** from pre-identified list of titles (List is provided in annexure)
- Youthcon through its **network of SME industry** and professionals will provide extended support for **getting industrial internships** & projects to second last and last year students
- Youthcon will facilitate support in arrangement of industrial visits based on Institutes Requirements
- Youthcon ensures support in setting up at least one Demo lab through industry participation

Other Support areas from Youthcon Creative Solutions:-

- If required and requested by institute YCS shall represent and /or arrange for industry professionals to represent – Industry Advisory Committee of the institute
- The YCS shall utilize its strength to align with various skill development programmes/workshops and initiatives to meet the Industry orientation objectives of the colleges. It shall accordingly design and deliver various workshops within the overall scope of MoU.
- The quality delivery is the responsibility of the YCS and the YCS would have to have in-house or engage the required manpower and the faculty as per the requirement, in conjunction with the colleges.
- On demand the YCS could arrange for Industry oriented skill based trainings to the students - relevant to implementation of their academic projects related work or as per subjects requested by institute or students

Support required from Institute:-

- The Institute shall provide their available infrastructure & basic amenities such as electricity, Overhead projector, etc. for delivering the sessions and other relevant activities.
- Support to propagate the YCS Student Development Program (SDP) awareness message among interested department to reach self-motivated candidates
- The College shall nominate a coordinator as a point of contact (POC) for YCS for effective implementation of the sessions/workshops/or other mutually identified programs.
- The College department will ensure necessary support to students from their department who are attending weekend or summer internships or SDP Program

Confidentiality & other general terms

- The institute agrees and confirms that all Intellectual Training Material delivered by YCS or its representative and associates shall at all-time vest in and remains with and belong to the YCS.

MEMORANDUM OF UNDERSTANDING
Between
SKN College of Engineering, Pune - 41
And
ELEATION
TERMS OF SERIVCES AGREEMENT

The following terms of service (the "Agreement") will be effective from **02nd August 2018**.

BETWEEN : ELEATION – ELEMENT SIMULATION ACADEMY
307, 3rd Floor, Kamla Arcade, In Front of Bal Gandharv, J.M. Road, Pune, Maharashtra – 411005.
(the "Service Provider")

AND : Department Of Mechanical Engineering,
SKN College of Engineering, Pune - 41.
S. No. 44/1, Off. Sinhgad Road, Vadgaon Budruk, Pune, Maharashtra 411041.

WHEREAS, the service provider is in the business of development, supply and operation of products and services related to technical education and training in the field of CAE / FEA /FEM; and

WHEREAS, the service provider is setting up Value Addition Program in which it has approached the client to participate on mutually beneficial basis; and

WHEREAS, the client has expressed its interest in running the Value Addition Program at its premises and is committed to working towards making it success; and

WHEREAS, this Agreement contains the Service Provider's terms of Agreement.

Now, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the partied hereto, intending, to be legally bound, agree as follows:

1. SERVICE PROVIDED
   In order to meeting the increasing demand of technical students and engineering educational institutes about providing quality technical education the service provider has come out with a proactive program to share its knowledge with the students at the Client's location. The Service Provider has agreed to manage and run the Value Addition Program at the Client's premises.

2. GENERAL TERMS OF SERVICE
   a. The Service provider will manage and run course on CAE softwares' at Client's premises.
   b. All correspondence between the Service Provider and the Client will be done in writing. The Client will nominate an authorized person who will be the figurehead for all future correspondence.
   c. A program schedule will be provided by the Service Provider to the Client within 7 days of signing of this agreement. This schedule will be designed in close coordination with the Client's authorized person.
   d. Detailed schedule and content for each module will be provided to participating students in advance. The timetable of the course will be displayed well in advance and will be strictly followed. In case the schedule conflicts with any internal exams / test, the matter has to be resolved between mutual understandings. At the end of module, examination to evaluate performance of student will be conducted. The results are to be displayed.

Smt. Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

e. At the end of module, Service Provider is supposed to take the Exam of every student on the basis of entire course content.
f. All items related to course schedule, fee and payment schedule are present in Annexure A of this document.
g. The Service Provider will provide the Certificate to Students depending upon their grades earned by the students in the test he has conducted.

3. OBLIGATIONS OF THE SERVICE PROVIDER

a. The Service Provider will run a course on CAE Softwares' at the Client's premises. All resources required in terms of course delivery, trainers, content required, hands-on training kits and courseware will be brought in by the Service Provider.
b. The Service Provider should provide the faculty which came in the institute for demonstration. The client will be taking the feedback from students as well as from the authorized person.

4. OBLIGATIONS OF THE CLIENT

a. The Client will take proactive steps towards promotion of the Value Addition Program. In this regards the Client will nominate one authorized person who will be direct communication link between Service Provider and Client.
b. After the MOD1.1 the enrolment for next module is the responsibility of both client and Service Provider and is based on the feedback received from enrolled students during MOD1.1. The Client will provide at no cost to the Service Provider relevant publicity measures in order to meet the minimum requirements of students for the program.
c. The client shall also provide the necessary infrastructure required for the program. These include necessary classrooms and other reasonable infrastructure required for the commencement of the course itself. Lodging and Boarding cost shall be borne by Client for the duration of training program. Nominal facilities will be offered by Client.
d. Detailed Schedule and content of each module will be provided to participating students well in advance. The timetable of the course will be displayed well in advance and will be strictly followed. In case the schedule conflicts with any internal exams / test, the matter is to be resolved with mutual understanding. At the end of each module, examination to evaluate performance of student will be conducted. The results are to be displayed.
e. The Client will undertake all measures towards effective collection of fees for the program conducted by the Service Provider, Details of fees structure are documented in Annexure A.

5. TERM OF THE CONTRACT

The service agreement will be valid for a term of one year from the date of signing of the agreement and can be extended on mutual consent.

6. TERMINATION BY CLIENT

Client may terminate this agreement if any deficiency in the quality; by giving proper intimation to the Service Provider.
However, the Client will consider the recommended students till the date of termination of the contract and will be liable to the above obligations for the recommended set of students.

7. TERMINATION BY THE SERVICE PROVIDER

Service provider may terminate this agreement and stop acting for the client if;
a. The Client doesn't comply with the agreement; or
b. Service Provider forms the opinion, on reasonable grounds, that mutual confidence and trust do not exist between both parties; or

Smt. Kashibai Navale College of Engineering Vadgaon(BK) Pune-41.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

c. Service Provider believes on reasonable grounds that, by continuing to act for the Client, it may breach the professional conduct rules which are binding upon professionals in the education industry.

8. MUTUAL SUPPORT AND COOPERATION

Each of the Service Provide and Client agrees that it will take all steps reasonably necessary, at its own expense, to;

a. To designated key individuals to perform its obligations here under.
b. The conduct periodic meetings of all such key individuals and others as necessary.
c. To fully cooperate with all reasonable requests for assistance.

The parties will make diligent efforts through their respective key individuals to identify the causes of any problem in the services and to make adjustments, in and equitable fashion, in order to address and resolve such problems.

9. NON EXCLUSIVE NATURE

Both parties agree that this agreement represents a non-exclusive relationship between the parties and nothing contained herein shall preclude either party from participating/initiating similar relationship with the third party. However, the Client shall not engage another Service Provider in similar domain conducting similar activities for the period of association, provided Service Provider satisfies interest of Client and Students.

10. NON DISCLOSURE

a. The Client undertakes not to Disclose or allow to Disclosed or copy or allow to be copied any material, collateral, training guides, books or manuals, strategies etc provided by the Service Provider to any other third party or institute.
b. Neither party shall issue any press release, public announcement or other such disclosure concerning this Agreement without the other party's prior consent as to such release or announcement.

11. NON SOLICITATION

The Service Provider and the Client recognize that their individual employees, consultants and other resource personnel are invaluable assets for the respective organizations and undertake that they will not recruit, attempt to recruit, employ, or offer any work or consulting to any employee, consultant or resource person from each other's organisations either directly or indirectly for a period of a year after the termination of the contract.

12. ARBITRATION

Differences of opinions, if any arising during the period of agreement, will be settled on the basis of mutual consultation by the signatories or their designated nominees. In the event of any question, dispute or differences arising under these conditions with this agreement, except as to any matters the decision of which is specially provided for by these or their special conditions, the same shall be referred to the sole arbitration of two signatories of this agreement. The award of the arbitrator shall be final and binding on the parties to this contract.
The venue of the Arbitration will be finalizes later on in such case.

13. FORCE MAJEURE

Any failure or delay in the performance of the Service Provider of its obligations hereunder shall not be a breach of this Agreement if such failure or delay arises out of or results primarily from fire, storm, flood, or other acts of God, explosions, wars, insurrections, strikes, work stoppages

Smt. Kashibai Navale College of Engineering, Pune - 41.

or slowdowns, epidemics or quarantine restrictions, unforeseen equipment failure or inability to access essential raw materials despite commercially reasonable best efforts to do so.

14. INDEMNITY CLAUSE

Each of the parties shall defend, indemnify and hold the other party harmless from and against any claim, liability, loss, costs or expenses (including reasonable Attorney's Fees) arising out of or resulting from the breach of the provisions herein.

15. NOTICES

All notices, requests, demands and other communications under this agreement or in connection herewith shall be given to or made upon the respective parties as follows:

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

ANNEXURE A

Based on the current demand of CAE in industry, we have best in class training modules in ANSYS and HyperWorks, covering from basic to advance and theory to practical on industrial problem based on different domains.

We have 3 levels for Sinhgad Students covering from basic to advance as per industry requirements. All the 3 level will have

- Theory Classes and Hands On training at Sinhgad Institutes.
- Certificate of Training (Certificate of Participation) – All the students will get training certificate.
- Certificate of Appreciation – Students solving the industrial projects will get Certificate of Appreciation.
- Joined Certificate by ELEATION and Sinhgad Institute.
- Access to Online Training videos, Theory PDF, 300+ mini projects.
- License version of ANSYS Software and Altair HyperWorks Software.

Level – 1: For 2nd Year Mechanical, Civil & Production Engineering students.

- Covering Theory of FEM and CAE, Geometry Editing, Meshing
- Course Fees : INR 3000/- per students all inclusive
- Course Duration : 30 Hours

Level – 2: For 3rd Year Mechanical, Civil & Production Engineering students.

- Covering Structural Simulation Techniques
- Course Fees : INR 3000/- per students all inclusive
- Course Duration : 30 Hours

Level – 3: For 4th Year Mechanical, Civil & Production Engineering students.

- Covering CFD, Optimization, Fatigue and Dynamic Simulation techniques
- Course Fees : INR 3000/- per students all inclusive
- Course Duration : 30 Hours

Note : Based on the current demand of CAE Engineers, Service provider will run a fast track batch for 2019 and 2020 batch students covering all levels. Course Duration will be 50 Hours and Course Fees will be INR 5000/- in which service provider will conduct In-House Training on ANSYS and HyperWorks Software.

MEMORANDUM OF UNDERSTANDING

between

Cirkitect, Pune

and

Sinhgad Institutes', Smt. Kashibai Navale College of Engineering, Pune

Department of Computer Engineering

Sinhgad Institutes

The Memorandum of Understanding (MoU) is between **Cirkitect, Pune** and Sinhgad Institutes', **Smt. Kashibai Navale College of Engineering, Pune Department of Computer Engineering, Pune** (herein after referred to as SKNCOE) for the purpose of providing the industrial exposure and enhancing the quality of engineering education with Internet of Things (IoT) technology. It is being signed on 07 February 2018.

Head
Department of Computer Engineering
SKNCOE, Pune 411041

Scanned by CamScanner

About Cirkitect:

Cirkitect is IoT solution development, consultancy and training firm. Along with the best designed products to satisfy innovation needs, Cirkitect offers curriculum, training & online tutorials to help tech enthusiasts and makers of all ages to explore amazing world of IoT, Application Development, embedded, robotics and electronics.

1. Scope of the MoU

The purpose of this MoU is to reach an understanding between both the parties in relation to conduction of workshop & training in the area of Internet of Things (IoT), FDP (Advance IoT) as well as Internet of Things technology Awareness Program, organized by "SKNCOE Department of Computer Engineering, PUNE" and delivered by Cirkitect.

2. Workshop Dates & MoU Validity

This MoU is for a period of 2 years and may be modified by mutual consent of authorized officials from **Cirkitect** or/and **"SKNCOE Department of Computer Engineering, PUNE".** This MoU shall become effective upon signature by the authorized officials from the **Cirkitect** and **"SKNCOE Department of Computer Engineering, PUNE"** and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from **Cirkitect** and/or **"SKNCOE Department of Computer Engineering, PUNE"** this MoU shall end on **06/02/2020.**

Both the parties can decide the workshop(s), training(s) and Internet of Things technology awareness programs(s) dates mutually.

3. Duties of the Company

- The company contracts to support the student throughout the training session, offering the student suitable opportunities to gain experience and skills through hands on learning sessions.
- The student shall receive a written certificate indicating the dates for the training period.
- Provide necessary study material and kits for hands on practices during the training period.
- Company will help for developing Center of Excellence at college premises.

Head
Department of Computer Engineering
SKNCOE, Pune 411041

Scanned by CamScanner

4. Duties of the College

- Setting up, operating & maintaining the infrastructure required for training.
- Promotion of the Cirkitect, IoT training program among the students
- The costs for the same to be collected from the student.
- Supporting Cirkitect in conducting training for students in the college.

5. Financial Details

- Both the parties can also decide the workshop & training fee mutually (if yet not decided).

- "**Cirkitect**" will collect the total workshop fee/amount (by cash, cheque, demand draft) from all the students and workshop participants or from the "**SKNCOE Department of Computer Engineering, PUNE**".

- The revenue shares for IoT training will be __:__ (i.e. __% to **Cirkitect** and __% to **SKNCOE Department of Computer Engineering**).

6. Confidentiality

- Any information, whether written, oral or in any other form, furnished hereunder by one Party to the other or its employees, representatives or agents shall be considered confidential by the receiving Party, which shall take all necessary precautions to keep the confidential information, secret and confidential.

PROPOSAL FOR CAMPUS CONNECT

To bridge the gap between industry and colleges SEED INFOTECH LIMITED (SEED Infotech) has come up with an initiative of "Campus Connect" under which Smt. Kashibai Nawale College of Engineering – Computer Dept., Pune. Can avail below services from SEED Infotech, which will help students to gain knowledge and prepare themselves for IT opportunity as per latest industry requirements:-

Free Services under Campus Connect:-

- 4 seminars on any technology
- 2 workshops of 5 hours on any technology
- Campus Recruitment Drive (CRP)
- FDP - Advanced Technology 2hrs. workshop.
- SEED IT IDOL. (Affiliated with University of Pune)

As there is a need of different technology knowledge for technical graduates ,we deliver seminars on technologies which is demanding in IT sector.

As in-depth knowledge is required for few technologies the college can avail workshop of 5 hours.

Willing to do Job, SEED can shortlist the final year students willing to do Job through Campus Recruitment Drive.

To prepare students to clear interviews, college can avail our Interview skill session of 5 hours, which is designed as per current industry demand.

FDP will be based on advanced technology.

With all these, extracurricular activity is also required for students which help them to put those activities on their resume, so we come up with SEED IT IDOL in collaboration with Pune University where every student will be awarded with a certificate.

College will support us to do our pool campus and other academic activity in form of Infra and resources if required.

NOTE : - This proposal is valid from 1st Oct 2017 to 30th Sep 2018

STRATEGIC TALENT ACQUISITION ASSOCIATE CERTIFICATION

Advance your business through a holistic approach to attracting, assessing, and acquiring talent.

Become a true influencer with new approach to talent acquisition. With certification, you'll learn to identify quality talent, increase diversity, and enable winning teams. Presented through a lens of customer centricity, you will gain an actionable framework and end-to-end strategy to win the war for great talent—and drive your business forward.

A Industry-Centric Approach

Rather than taking orders and recruiting on a position-by-position basis, talent acquisition professionals need a new set of competencies to meet the talent needs of the organization today and provide the agility it will need for tomorrow. Transparency, communication, and relationship-building with business leaders, hiring managers and internal and external candidates form the foundation of the strategist's approach.

The Marketer's Advantage

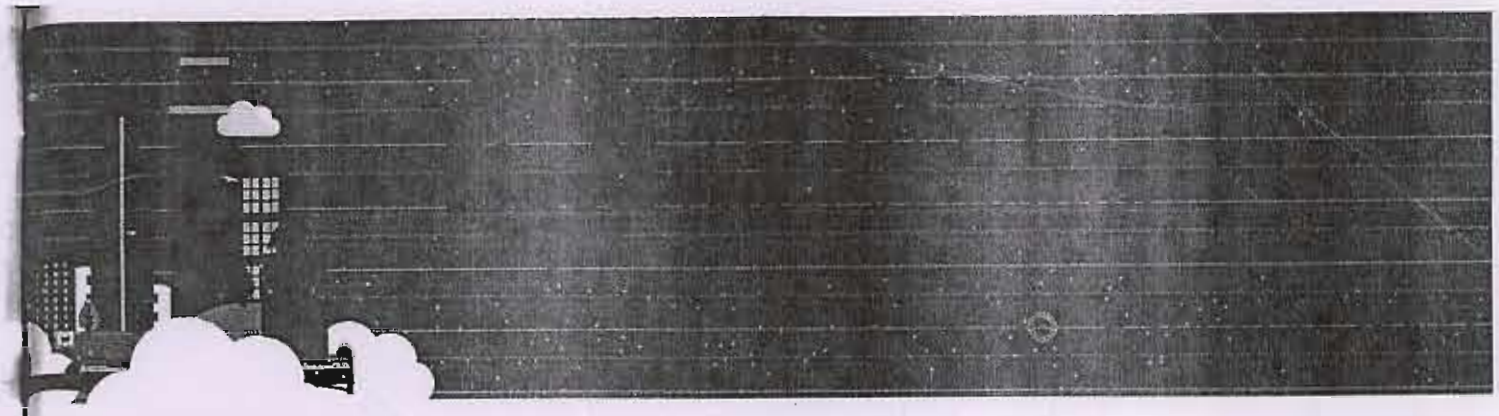

The rise of social and consumer technologies has changed candidate expectations. They have the same high expectations that your clients and customers do—personalized experiences, relevant messaging, transparency, and honesty. The right marketing strategies driven by relevant data and analytics will help you attract the best candidates and make the best hires. This goal-driven approach will help you connect hiring to the entire employee lifecycle, ensuring long-term organizational success.

OVERTURE

Global Training & Certification Program

For Graduation & Post Graduation Institutions

PROPOSAL

Respected authorities,

We Wish to Announce That Your College Can now attain Global Accreditation from Google as a Google For Education Partner for Universities Colleges and Student Benefits. Your Campus Can Also Be Entitled to Host Leading Global Curriculum Program in Its Premises Which Will Benefit the Students by Transforming Them Into Industry Ready Professionals Before They Finish Their Academics And Having Offer / Appointment Letter In Hand. Also Increasing the Individual Placement Graph of Your College.

THE PERKS OF BEING AN ACADEMIC PARTNER

Being Google Education Partner Is Quiet A Boon Within Itself. Google's Value Addition Training & Certification Is One Of Most Important Segments & Smart Curriculum Model Which Can Be Incorporated Within All Faculty Syllabus. Your College Being Affiliated Asa Education Partner Obtains Global Technology Brand Association. Google Inc. Education Services Will Sanction Educational Institutions Affiliation When The College Initiates This Global Certification Program For Students.

FUTURE ENDEAVOUR

College Curriculum Plays an Important Role in Enhancing Students, Understanding the Need Of Advanced Knowledge In Industry, Our Awe-Inspiring Curriculum When Merged With The College Syllabus At Early Level Motivates Students Into Professionalism And Also Reduces Per Capita Cost To Students. The Positive Outputs Have Been Experienced from Multiple Renown Universities as University of Malaysia, Loyola University Also By The Govt. University & Colleges Of Telangana.

Smt. Kashibai Navale College of Engg. * Dept. of Management Studies * Vadgaon (Bk.), Pune - 41.

ADVANTAGES TO COLLEGES & UNIVERSITIES

- Partnership with Leading Brands – Google, Red hat, Cisco, Amazon With No Investment.
- Enables to Conduct Global Examinations.
- Beneficial For Accreditation Such as NAAC | NBA | UC.
- College / University Name & Logo on Adisa-Google's Site Under Partner Listing Globally.
- Google's Memento of Affiliation to the College / University.
- Connectivity with International Universities.
- Remuneration to College for Utilized Resources.
- Enterprise Software's For IT-Labs at No Cost.
- Enhance Training & Certification For College Faculty.
- Easy Access to Students Global Training & Certifications Within Campus.
- Online Study Portal Offered by Google, For Self-Paced Learning Can Access Any Device.
- Industry Visits & Expert Talks to Keep in Pace With Industry.
- Experts Available In College To Deliver Training With Real Time Practical Implementation.
- Entrepreneurship Skill Development Sessions & Opportunities.
- Internship Program Offered Communication | Interview Preparation | Resume Writing | Job Portals Use | Resume Uploading | Campus Drive | Mock Interviews | Interview Cracking Skills.
- Prepare Students for Domestic & Abroad Internship on the Base of Chosen Specialty.
- Guaranteed Increase in Campus Placements.

Kindly go through Subordinate Enclosure for your further information.
Let us know if in need of any other assistance.

Positive Reply Awaited,
Thanks & Regards

Sinhgad Institutes

ASIAN INSTITUTE of MANAGEMENT

SHORT-TERM STUDY ABROAD AGREEMENT

between

Sinhgad Technical Education Society

and

Asian Institute of Management – W. SyCip Graduate School of Business

This is a Short-term Study Abroad Program Agreement between the **Sinhgad Technical Education Society (STES)** and the **Asian Institute of Management (AIM)**. The purpose of this Agreement is to establish the terms and conditions under which the mobility of students from STES and AIM shall take place. The agreement shall commence after the date when the last signature is affixed on this document and will last for a period of 1-year.

SPECIFIC PROVISIONS

I. Activity

In this agreement, the activity refers to a short-term Study Program where graduate students from the Sinhgad Technical Education Society (STES) will take graduate-level management courses at the Asian Institute of Management (AIM) for a period of 1-month during the Fall Term (September – December 2017) of school year 2017-18.

II. Numbers

STES may send up to five (5) study abroad students to AIM for one month during Fall Term of the 2017-18 academic year, unless this number is varied by mutual understanding. STES and AIM will review the program and the provisions of this MOA annually and adjust the number of STES students to be hosted in AIM as necessary.

III. Selection of Participants

STES will screen applicants from its institution for the program. AIM will reserve the right of making final judgment on the admissibility of each student nominated for the program. The following guidelines apply to all study abroad students:

a. STES students may apply to the W. SyCip Graduate School of Business as full-time non-degree students. The host institution reserves the right to exclude students from restricted enrollment courses. Any academic credit earned at AIM may be transferred to STES in accordance with procedures determined by the latter.

b. The study abroad students must have completed at least one year of continuous study in the home institution before the exchange year. They must possess a bachelor's degree.

c. Upon completion of their studies at AIM, the study abroad students must return to the STES. Any extension of stay must be approved by both cooperating universities.
d. The Study Abroad students must abide by all rules and regulations of AIM

IV. Tuition

Upon submission of the Student Information Sheet, AIM will issue students with an assessment of program fees due them based on the following:

a. Registration and Administrative fee of 100 USD per student
b. Basic tuition fee of 600 USD per course registered per student

This must be settled in full at the AIM Cashier immediately upon the student's arrival.

V. Courses

AIM shall offer the following courses to STES students:

Course Title	Sessions
Casemanship	6
B2B Marketing	10
Private Equity	10
Investment Banking	10
Behavioral Economics	10
Implementing Lean Operations	10

Each session shall be for 80 minutes. The course, Casemanship, shall be offered for **free** to the students enrolled in the program.

VI. Attendance

As with the full-time AIM students, STES students participating in the program are expected to attend at least 80% of the total number of sessions per course.

Students who fulfill the attendance and academic requirements of all the courses they registered for will receive a Certificate of Attendance at the end of the program.

VII. Insurance

Students who are participating in the program must be covered by a valid health/travel insurance upon their arrival in the Philippines.

Sinhgad Institutes

VIII. Housing

Throughout the duration of the program, students may stay at the AIM Conference Center Manila, which is located on campus. Accommodation is at PhP 2750 (approximately 55 USD) per night for a Standard Room (single or twin) or PhP 3410 (approximately 69 USD) per night for a Deluxe Room (single or twin). Reservations may be done in advance through WSGSB but the payment must be directly settled with ACCM upon their arrival.

IX. Summary of Responsibilities between STES and AIM

STES agrees to send the prescribed number of study abroad students to AIM, to register them as full-time, non-degree students under the W. SyCip Graduate School of Business for 1-month of the 2017-18 academic year. STES will be responsible for screening and facilitating the application process of their students to the short term Study Abroad program.

AIM agrees to accept the prescribed number of study abroad students from STES, to register them as full-time, non-degree students under the W. SyCip Graduate School of Business for 1-month of the 2017-18 academic year. AIM will provide STES with copies of the course outline and schedule of the courses available during the study abroad period. AIM will also provide appropriate counseling and other assistance to STES students and will assist in reserving accommodations at the ACCM (to assure availability, accommodation requests must be received by July 1, 2017). At the end of the program, AIM will send to STES a certificate of attendance for each STES study abroad student who studied in AIM.

X. Renewable, Termination and Amendment

This Agreement shall remain in force for one (1) year from the date of the last signature, with the understanding that it may be terminated by either party giving notice to the other in writing. The agreement may be extended by mutual consent of two parties.

This agreement may be amended by the exchange of letters between the two institutions. Such amendments, once approved by both institutions, will become part of the Study Abroad Agreement.

Sinhgad Institutes

GENERAL PROVISIONS

Amendment. No revision of nor amendment to this Agreement shall be binding upon either party hereto unless the same is in writing and mutually agreed to and signed by the parties hereto.

Severability. If any of the provision of this Agreement is declared invalid, illegal or unenforceable by a court/competent jurisdiction, such declaration shall nor affect the validity, legality or enforceability of the other provisions hereof.

Waiver. No waiver of any provision hereunder and no consent by either party to any departure therefrom shall be effective unless the same be in writing and such waiver or consent shall be effective only in the specific instance and for the purpose for which it was given. No failure or delay on the part of the Asian Institute of Management in exercising any right, power or remedy accruing to it upon any breach of Globe under this Agreement shall impair any such right, power or remedy nor shall it be construed as a waiver of any such breach thereafter occurring, nor shall a waiver of any single breach be deemed a waiver of any other breach theretofore or thereafter occurring, nor shall any single or partial exercise of any such right, remedy or option preclude any other or further exercise thereof or the exercise of any other right or power hereunder.

Notices. All notices permitted or required under this Agreement shall be in writing and shall be sent by personal delivery, registered mail, or facsimile (followed by the hard copy) at the address set forth at the beginning of this Agreement, unless notification in writing of change of address is received by the other party.

Governing Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the Philippines. In the event any action is maintained or initiated by either party to this Agreement against the other to enforce or interpret any of the terms of this Agreement or to seek any relief for any breach hereof, the prevailing party shall be entitled to recover reasonable attorney's fees and other costs and expenses.

MEMORANDUM OF UNDERSTANDING

"Innovation&Startup Tour @ Lisbon"

This memorandum of understanding (MOU) is made on January 18, 2017 between

EasyPass International situated at 12/F San Toi Building 137-139 Connaught Road Central HONG KONG, establish in the year 2012

And

Sinhgad Technical Education Society (STES) situated at S.No. 44/1, Vadgaon (Budruk), Off Sinhgad Road, Pune 411041, establish in the year 1993.

1) Term –

This MOU is valid for a term of two year, unless terminated earlier with 90 days notice or extended by mutual agreement of parties at least 60 days prior to expiry.

2) Objectives –

1. This MOU is to establish collaboration between above two mentioned parties with the purpose of introducing young Engineering and Management students of STES to International environment through International tour focused on Innovation and Startups.
2. The parties agree that EasyPass International will provide the program and necessary facilities in consultation with STES to students coming from STES under "Innovation&Startup Tour @ Lisbon".
3. EasyPass International would provide Airport – Pickup, Lodging & Boarding facilities to the students of STES at Lisbon, Portugal under terms and conditions of the program.

   Mutually approved program details "Innovation&Startup Tour @ Lisbon V01.01" are attached with this MOU (Annexure A). Same could be updated after mutual agreement of both the parties.
4. The said program will be offered to STES students at the subsidized Fees agreed by mutual discussion with EasyPass International.
5. EasyPass International will provide Certificate of Acknowledgement to each student participating and successfully completing "Innovation&Startup Tour @ Lisbon"

Scanned by CamScanner

3) Jurisdiction -

This MOU shall be governed by and interpreted in accordance with the Portuguese laws and shall be subject to the local jurisdiction. For any dispute or difference arising under this MOU, the parties shall endeavor to resolve the same in good faith through mutual dialogue / discussions / negotiations. In the event of failure of such dialogue / discussions / negotiations, the matter shall be referred to a binding arbitration under the rules of Portuguese Law. The arbitration shall be in English language and the venue of arbitration shall be Lisbon, Portugal. The costs of such arbitration shall be borne on the basis of the award passed by the arbitrators.

4) Publicity -

1. All publications whether through print or any other media connected with the activities pertaining to this MOU will be done after review and express approval of the STES and EasyPass International.
2. Any release and use of the publications referred to above shall be done only upon express written approval of the STES and EasyPass International.

Authorized signatories of STES and EasyPass International have executed this MOU on January 18, 2017.

Memorandum of Understanding (M.O.U.) made on the Second day of Sept. 2013 Revised on First Day of April 2017

Between

Sinhgad Technical Education Society
Pune
Hereinafter referred to as "STES"

&

Asian Management Training Centre
having its office at 95-96-97 K.K. Market, Fifth Floor, G-Wing,
Pune-Satara Road, Pune – 411043.
Hereinafter referred to as "AMTC"

Following are the points of reference on which the undersigned have solemnly agreed as under:

1. Value-added courses such as Lean Six Sigma Green Belt Certification Course, Diploma in ISO 9001:2015 Quality Management System Course and Certified Lean Manager Course will be conducted on the campuses of all Sinhgad Management Institutes as a **joint collaborative activity.**

2. The courses will be conducted by experienced and expert faculty, arranged by AMTC, at the Sinhgad Colleges located in Vadgaon, Ambegaon, Narhe, Warje, Kondhwa, Erandwane and Lonavla as per the requirements from time to time.

3. All communications and coordination in respect of these courses will be done by AMTC representatives with Single Point of Contact i.e. Dept. of Management Studies, Sinhgad College of Engineering.

4. The course-durations, timings, number of batches, batch-sizes and fees for the courses during the currency of this MOU shall apply as listed in Annexure – I

Sinhgad College of Engineering Pune-41

5. Responsibilities of STES include:

A) Announcing the different courses for students and faculty of Sinhgad Colleges and other Management / Engineering Colleges in and around Pune.

B) Enrolling minimum agreed number of students / participants after making such announcements for each respective batch.

C) Providing the Classroom, Mike, LCD Projector, Xeroxing & Binding of course material, etc. for conducting the courses.

D) Providing hospitality for students / participants as applicable.

E) Ensuring that payment is collected from students / participants and paid to AMTC at least one week before start of each course.

F) Ensuring that the students / participants submit their details (in Standard Registration Form) and soft copy (jpeg only) of their passport size photograph, well in advance, in cases where the students / participants want the option of photo-id card from ASCB (E) – UK + web-listing on www.iraqo.org

6. Responsibilities of AMTC include:

A) Deputing experienced and expert faculty for conducting the courses accredited by ASCB (E) – UK.

B) Providing master copy of course material to STES for Xeroxing and binding the required sets for students / participants.

C) Providing the question papers for conducting examinations after the courses. (Supervision during the examination may be done by STES or AMTC personnel or both, as per mutual convenience.

D) Assessment of the answered papers, declaring mark-lists and issuing certificates to the students who qualify.

E) Conducting re-examinations and assessment for students who do not qualify, for which extra fees is to be charged to the students as per details in Annexure – I.

7. STES will arrange for students / participants as well as schedule the courses and organize the courses at their various premises on dates mutually suitable and AMTC will ensure effective conduct of the training programs and certification of the successful students.

8. One contact person-coordinator, each to have smooth coordination between the two organizations is to be nominated by the respective Managements.

9. This MOU was entered into for initial period of 1st Sept 2013 to 31st March 2016. The period was extended for next one more year up to 31st March 2017. The period is further extended for next Two More Years and MOU will continue up to 31 March 2019.

10. In case either party wishes to discontinue this arrangement, same may be done by a written notice of 90 days from either side. Both STES and AMTC will ensure that no inconvenience is caused to any of the students / participants due to such discontinuation of arrangement.

11. Confidentiality:

Both STES and AMTC shall not disclose to any third party without each other's prior consent nor use for any purpose, other than the performance of the obligation under this MOU, any confidential information concerning the courses, which they receive directly / indirectly from each other.

12. Jurisdiction and Governing Law

This MOU is subject to Pune Jurisdiction and shall be governed by and construed in accordance with the Indian Laws. In case of dispute the matter shall be resolved through appointing a mutually acceptable Arbitrator.

IN WITNESS WHEREOF, the parties hereto have authorized this Agreement to be executed by their duly authorized representatives.

Date :

Notes:

1. All courses in Sinhgad Group will be coordinated / conducted through Sinhgad College of Engineering (Dept. of Management Studies), irrespective of the location.
2. STES expects to run 3 number of batches of Lean Six Sigma Green Belt Course with approximately 50 students in each batch per year. However, effort will be to run more than 3 batches, every year.
3. The courses "Diploma in ISO 9001:2015 Quality Management System" and "Certified Kaizen Lean Manager" will be offered on trial-basis in first year and continuity will depend on popularity / response.
4. Alumni of STES will be paying same fees as per 'STES faculty' category and offered same facility of "lunch on all days" as offered to faculty.
5. Payment Terms:
   - STES will collect payment from students / participants and pay to same to AMTC at least one week before start of each course.
   - AMTC will pay "Margin of Fees" amount for each course (Price to students MINUS Price to STES) on date of completion of each course by local cheque by deducting 10%TDS if annual figure crosses Rs. 30000/- . AMTC will provide Form 16 to STES at the end of every Financial year
6. In case of re-examination, a fees of Rs.700/- per student is to be charged by STES to student. Amount payable to AMTC will be Rs.550/- per student.
7. Extra Fees payable to AMTC, if any student or faculty wants 'Non-Expiring' Photo-id card and listing on UK website of Quality Professionals will be as under:
   - For Lean Six Sigma Green Belt – Rs.3000/- per head.
   - For Diploma in ISO 9001 and Certified Kaizen Lean Manager – Rs.1500/- per head.

HARVARD BUSINESS PUBLISHING

India Site License Agreement (Usage Based)
2017

This Agreement establishes the relationship between Sinhgad Technical Education Society ('STES') and Harvard Business School Publishing (HBSP) regarding membership in the India Site License Program and the terms associated with it.

Harvard Business School Publishing publishes cases, reprints, and book chapters. STES is a qualified institution of higher learning in India that wishes to use HBSP materials in its management degree, diploma and/or Executive Education programs. Accordingly, HBSP hereby licenses Institution on a non- exclusive basis to use the HBSP Materials specified according to the terms and conditions of this Agreement.

Term and Territory

1. This Agreement shall be effective from January 1, 2017 until June 31, 2017
2. This Agreement is effective in India only, at the following associate institutions
   - Sinhgad Technical Education Society
   - Shri Yashwantrao Chavan Shikshan Prasarak Mandal

   It excludes programs that the Institution operates at campuses or other locations outside India.
3. Upon the termination of this Agreement, all rights revert to HBSP and Institution shall immediately thereafter discontinue reproduction and sale of the Materials. Within six months after the termination or expiration of the Agreement, a final accounting shall be made.

Access to Materials

Institution will obtain electronic access to master copies of and/or links to HBSP materials through HBSP's single click service, and will in turn distribute these copies to its duly enrolled students in print format. Electronic distribution of SingleClick links is not permitted, unless provided for under Schedule W. Unlicensed use of the Materials will result in immediate termination of the Agreement. Institution agrees to the following terms and conditions:

1. Institution is responsible for diligently enforcing the terms of this Agreement, and in particular for seeing that only authorized users can access the products, that only genuine HBSP licensed content is used, and that all information, including the number of actual users, is fully and accurately reported to HBSP. Failure to adhere to these requirements is grounds for immediate termination of this Agreement.
2. Institution will not share its username identification and password beyond those authorized by HBSP policies, and shall not disclose the identity or location of the links from which it accesses Materials.
3. Institution may use electronic masters only for production of course materials during the term of this agreement. Whether protected or unprotected, the content files which contain the electronic masters remain the property of Harvard Business School Publishing, and are authorized for use only by those staff members of Institution involved in course pack production for students. Electronic redistribution of protected or unprotected content files is not permitted. The masters themselves must not be stored, saved, emailed, shared, or posted on any course site. Doing so is in direct violation of the agreement and the school will be held liable for copyright violation.
4. Institution will assign no more than two administrators to be the designated people responsible for downloading master copies and reporting activities. Institution will provide contact information for the administrators to HBSP by emailing HBPSalesandMarketingOperations@hbsp.harvard.edu
5. Institution will report to HBSP any violations of these terms, and any unauthorized access to, or unauthorized use of, HBSP materials, and will assist HBSP as requested in any subsequent investigation.

SINHGAD TECHNICAL EDUCATION SOCIETY * Regd. No. MAH. 7199-93/ Pune, F-8252(Pune) * KRANDWANE, PUNE-411 004.

Sinhgad College of Engineering

HARVARD BUSINESS PUBLISHING

If HBSP notifies Institution of any cases withdrawn Institution agrees to remove such cases from any filing system -- print or electronic -- immediately and to cease the production of these items. Institution shall remove all masters from any filing system within 6 months of use.

Institution agrees not to use any HBSP materials that have not been supplied by HBSP without prior written approval, nor to permit sale or distribution of unapproved versions of HBSP materials. This license supersedes any right and any reporting mechanism of any Reproduction Rights Organization (RRO) or other collective copyright management organization for which Institution might otherwise be eligible.

Reporting and Payment

This license covers three payment models:

Flat fee license:

- For Schedule A materials used in the degree-granting programs listed in Schedule K, the fee for this license during the Contract Term is a flat fee calculated as follows:
    - USD $34.35 for each full time 2 year degree / diploma (MBA- PG Semester II) student enrolled during the Contract Term or any part of the term.
    - USD $13.74 for each full time 3 year degree/diploma (BBA-UG Semester II) student enrolled during the Contract term or any part of the term.
    - USD $9.16 for each full time 2 year degree / diploma (BBA- UG Semester IV) student enrolled during the Contract Term or any part of the term.

- The account number for these programs will be: 18324250
- HBSP will bill Institution in advance installment and will send the invoice upon contract signing. At the end of the contract term, HBSP will issue an additional invoice incorporating any adjustments necessary due to discrepancies between estimated enrollment and actual reported enrollment.

Usage-based payment for open enrolment programs:

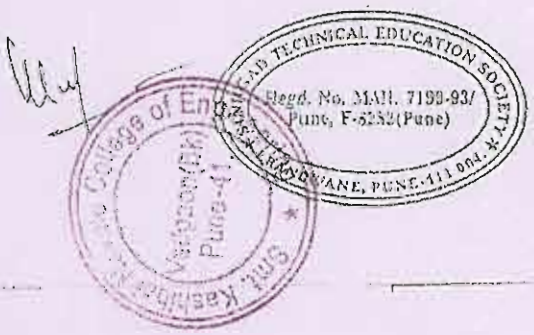

- Fees for the following materials used in programs will be based on usage, at a discount of 42% off of current published U.S. academic list prices:
    - All electronic materials used in programs not listed in Schedule K
    - Electronic Materials used in Schedule K programs but not listed in Schedule A.
- The account number for these programs will be: 19028032
- HBSP will send Institution invoices after each usage report has been processed.

Usage-based payment for Custom Corporate programs:

- Fees for the materials used in "in-company" or company-specific custom executive Education programs will be based on usage, at a discount of 20% off regular academic list prices
- The account number for these programs will be: 19028037
- HBSP will send Institution invoices after each usage report has been processed.

Institution will report each period's usage to the HBSP Sales Coordinator based on the schedule below, using the reporting template provided by HBSP:

- Apr 15, 2017 (covering usage between Jan, 2017 and Mar, 2017)
- July 15, 2017 (covering usage between Apr, 2017 and Jun, 2017)

HARVARD BUSINESS PUBLISHING

Institution will make every reasonable effort to capture the status of product usage in Executive Education non-degree programs and will accurately report the results thereof. Usage for non-degree Executive Education programs must be reported separately from other orders. Each reporting period will include all days since the last submitted report. A report must be submitted via email even if there was no activity in the period.

Institution will pay invoices generated by HBSP in a timely manner, in accordance with HBSP's terms and conditions as stated on each invoice.

Tax Indemnity:

The payments to be made under the contract are net of all taxes and the Institution shall be responsible for any Sn income tax and Indian indirect taxes like service tax, value added tax, goods and services tax, and other similar taxes, as may be applicable, attributable to the payments made or to be made under this contract to HBSP. The licensee hereby agrees to indemnify, hold harmless from against any and all fines, penalties, taxes (including interest thereon) (collectively "Liabilities") that may arise in India, asserted against HBSP to the extent that such Liabilities result from the default in payment of taxes attributable to the payments made or to be made to HBSP in India.

Copyright and Trademarks

All materials are copyrighted by HBSP or President and Fellows of Harvard College. This license conveys no right, title or interest in the intellectual property comprising the materials other than as specifically provided herein. Institution shall ensure that a printed copyright notice appears on each reproduced copy of the Materials in the format noted in Schedule T. Institution acknowledges that the names, marks, graphics and designs listed in Schedule U are the exclusive property of HBSP and/or President and Fellows of Harvard College. All names, marks, shields, graphics and designs to which this paragraph refers are collectively referred to herein as "trademarks", whether or not registered as trademarks in India.

Institution will promptly notify HBSP if it becomes aware of any piracy, counterfeiting, or other unauthorized use of trademarks or copyrighted material, and shall cooperate with HBSP in responding to such unauthorized use.

Right of Inspection

Institution will maintain books and records to document all copies of the materials accessed by Institution users for a period of not less than two years. HBSP and/or its authorized representatives shall have the right during normal business hours to inspect, at its own expense, Institution books and records insofar as they pertain to the distribution of the materials pursuant to this Agreement. If any inspection discloses inaccurate reporting of past usage, and that inaccurate reporting resulted in over- or under- estimation of the license fee to which HBSP is entitled hereunder, the appropriate amount shall be immediately paid or refunded to the party entitled thereto. Should such audit uncover errors or omissions greater than 10% of what was reported for the period examined, Institution shall reimburse HBSP for the cost of the audit.

Notices

All notices under this license agreement will be sent to:

Rules for Use of Harvard Business School Publishing Names, Trademarks and Logos

All customers and distributors must adhere to the following rules for the use and display of Harvard Business School Publishing names, trademarks and logos. These rules are binding on you, and failure to adhere to them is grounds for termination of the relationship.

1. You are authorized to use the name HARVARD BUSINESS SCHOOL PUBLISHING, HARVARD BUSINESS PUBLISHING, the initials HBSP, and the Harvard Business School shield when accompanied by the HBSP name or initials.

2. With the exoeption of Paragraph 3, you are not authorized to use the Harvard Business School shield standing alone; nor the names HARVARD, HARVARD BUSINESS SCHOOL, HBS; nor any other variation of the names or shields of Harvard University or Harvard Business School. For example, you may use HARVARD BUSINESS Press, NOT Harvard Business School eLearning.

3. You may use the name HARVARD BUSINESS SCHOOL CASES when referring to those cases.

4. You may use only logo files that we provide to you.

5. You may not register any trademark that contains the word HARVARD, any Harvard shield or logo, the initials HBS or HBSP or any other reference to Harvard, nor any words or marks similar to these.

6. If you have any questions or uncertainty as to these rules, contact us and we will advise you on proper compliance.

7. Harvard Business School Publishing reserves the right to change or amend these rules at any time. If we do, we will notify you and advise you on proper compliance.

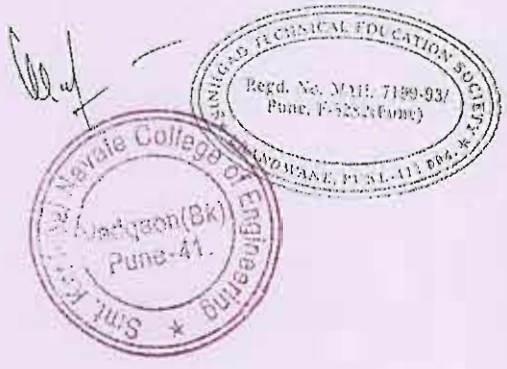

8. Advertising copy, marketing materials, or press releases (print or online) referencing the above-mentioned trademarks or using the above mentioned logos must receive prior approval in writing from HBSP.

Harvard Business School Publishing Boilerplate
The following text may be used at your discretion to acquaint users with HBSP:

About Harvard Business Publishing
Harvard Business Publishing was founded in 1994 with a mission to improve the practice of management in a changing world. As part of that mission, the HBP Higher Education group serves the finest learning institutions worldwide with a collection of more than 7500 case studies, journal articles, books, and eLearning programs, including online courses and simulations. Through its Educator's Web Site and regional teaching seminars, Harvard Business Publishing provides teachers and students with the tools to create courses and classrooms that foster transformative business education. For more information, please visit our website at www.hbsp.harvard.edu/educators.

Endorsements
Publication of endorsements from HBSP customers and/or HBSP staff must be fact-checked with the source prior to publication. HBSP staff quotes must be attributed to the individual with their full name, job title, and HBSP included with the quote.

URLs
The URL for the Harvard Business Higher Education Web site is: www.hbsp.harvard.edu/educators

Products Involved:

Cubez Technocrats Pvt. Ltd. (Pune)

Company was established in August' 13 founded by young and agile entrepreneur. Today Cubez Technocrats Pvt. Ltd. has emerged as a combination of multiple technologies in the field of Robotics, Automation, Embedded Systems, Information Technology and Training. Cubez Technocrats Pvt. Ltd. provides some variety of Robotics and Automation services as well as products.

The company currently has a good dedicated team of Engineers with the good knowledge of Robotics (Designing and assembly), Embedded Systems (Designing and Development), Automation (Sensor based Domestic and Industrial Applications), Prototype Modeling (Designing, Fabricating and Development) and Software Development (Desktop and Embedded Applications).

Smt. Kashibai Navale College of Engineering (SKNCOE, Pune)

Smt. Kashibai Navale College of Engineering (SKNCOE) is a technical institution in the locality of Vadgaon Budruk in the city Pune, India. It is affiliated with the Savitribai Phule Pune University, and managed by the Sinhgad Technical Education Society. It has been accredited by the National Board of Accreditation and recognized by the AICTE. The institute has also been awarded an "A" Grade by The Directorate of Technical Education (DTE), Maharashtra state, Mumbai.

Smt. Kashibai Navale College of Engineering Vadgaon(BK) Pune-41.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41.

Deliverables

From SKNCOE, Vadgaon (Bk.) to Cubez Technocrats Pvt. Ltd.

1. **Cubez Technocrats Pvt. Ltd.** Will conduct a Seminar / Guest Lectures in **Dept. of Mechanical Engineering, SKNCOE, Vadgaon (Bk.), Pune**
2. College infrastructure and the participation of Student community
3. Any reference made to the Guest Lecture / Seminar will be made in the manner of **IIIS, Dept. of Mechanical Engineering, SKNCOE, Vadgaon (Bk.), Pune** and **Cubez Technocrats Pvt. Ltd.**

From Cubez Technocrats Pvt. Ltd. To SKNCOE, Vadgaon (Bk.)

1. Research as well as corporate Internship opportunities for students
2. Discounts on all future workshops and Training programs from Cubez Technocrats Pvt. Ltd.
3. Guest Lecture / Seminar / Workshop requirements (like Softwares, Datasheets, etc.) in the form of CDs to participants (if necessary)

Terms and Conditions

Cubez Technocrats Pvt. Ltd. assures you about the quality of the Kit and components that will be provided in the course. All the components are generally pre-tested by our quality inspector. In case any component is still found to be having any manufacturing defect it will be immediately replaced during the Workshop / Guest Lecture / Seminar

Internship will be provided to students is for the period of from 2 months to 6 months, on the basis of requirement and interaction between institute and company.

Dispute:

1. Should **Cubez Technocrats Pvt. Ltd.** fail to provide the promised deliverables or default on its payments, Team **SKNCOE, Vadgaon (Bk.)** reserves the right to terminate any number of deliverables promised by it to **Cubez Technocrats Pvt. Ltd.** with prior notice
2. Should **SKNCOE, Vadgaon (Bk.)** fail to provide the promised deliverables, **Cubez Technocrats Pvt. Ltd.** reserves the right to terminate any of its deliverables promised by it to **SKNCOE, Vadgaon (Bk.)** with prior notice
3. Financial Transactions once completed will not be refunded
4. Any dispute arising will be settled amicably and if not in court of law

Techfest 2017-18

IIT BOMBAY

Memorandum of Understanding between Techfest-IIT Bombay and Smt. Kashibai Navale College of Engineering, Pune

Techfest, the annual Science & Technology Festival of IIT Bombay was founded in 1998 and since then it has come across a long way realizing its dreams and climbing steps and overcoming obstacles to be one the most reputed and best conglomeration of students across India for the exchange of ideas, innovation and learning. This edition of Techfest will be held from 29-31 December 2017.

This year we are launching the '***Nirbhaya***' **initiative** with a vision to enable women in being self dependent. Our initiative aims to redress the low self confidence of women in society, in general, due to safety concern in going/participating in various field/places at various point of time during day/night. The social initiative aims at **training them physically** and **Mentally,** and equipping them with some basic techniques by self defense masters. This workshop will be **free of cost for all the participants.** A self dependent women/girl, we believe, can contribute immensely to our progress as a society.

These workshops are planned to be held across the whole India,

Following shall be the guidelines of the association that both parties shall follow:

- **All Logo mentions, advertisements, website mention/link and branding will be done as mutually decided by teams of both parties on an operational basis, with Techfest team's decision being final.**
- **Any use, mention or placement of IIT Bombay Logo or IIT-Bombay name (electronic or physical media) on any advertisement, event, notices, brochures, mailers or branding material will be done only after written approval from IIT Bombay authorities and as per institute norms. This policy applies in perpetuity.**
- **The other terms of this MoU will be applicable till the culmination of the event or upon a request for withdrawal by either party, whereby any commitments till such date will be honoured. Further, in addition to the terms of this MoU, the participant will adhere to the Institute's existing norms/rules, that are applicable to such events and their conduct.**
- **Both parties will work together in good faith to make the event a grand success and each party agrees that, except in the eventuality of gross negligence or flouting of norms by the participant or its representatives/staff, neither will be liable to the other for any kind of eventuality or losses that are caused due to or associated with holding such kind of events.**

Smt. Kashibai Navale College of Engineering Pune-41

Deliverables from Techfest :

- All colleges supporting Techfest, IIT Bombay will be *College Partners* for '*Nirbhaya*' initiative of Techfest. College Partners will be mentioned in media articles and publicity material.
- Names of colleges will be listed in our website for College Campaign and photographs of College Campaign will be uploaded on our website which received **2.5** Million Hits the last year. Pictures would also be posted from **Facebook** Page of Techfest which has **4 lakh+** likes.
- Recognition Certificate to college from Techfest, IIT Bombay for contributing to this noble cause.

Techfest will provide following requirements for '*Nirbhaya*' Campaign Activity in College:

1. Mentors / Trainers for the workshop
2. Techfest ID Cards for organisers.
3. Techfest, IIT Bombay Certificates for Event Organizers
4. Posters for Publicity of *Nirbhaya* Workshop.

Deliverables from Smt. Kashibai Navale College of Engineering, Pune:

Smt. Kashibai Navale College of Engineering, Pune, along with their students are expected to:

- hold this event for Techfest, IIT Bombay with Peace and Harmony for social good
- ensure availability of following infrastructure requirements in their college

Also, **Smt. Kashibai Navale College of Engineering, Pune,** should

1. A properly closed hall/foyer inside college campus with area to be able to perform training moves, we should be able to clear out area of chairs and furniture to make room for workshop training. A capacity of at least 50 seats and students can attend the workshop with permission from college authorities.
2. The venue must be available to use for 1 complete day, from 9AM to 5PM on the date **proposed** by Techfest and the college mutually.
3. Lunch to be provided by the college for *Defence Mentors*.
4. Pre-inform the college students about the *Nirbhaya* Campaign via e-mail and publicity posters.
5. 1 basic microphone setup with amplifier.
6. Table, movable chairs.(will require to clear out hall for training)
7. Permissions to put up posters and standees in college campus and hall/foyer.
8. Permission to wear casual lowers/T-Shirt to be able to participate in workshops.

Smt. Kashibai Navale College of Engineering, Pune, has to ensure availability of following organisational requirements in their college.

1. 4 - 6 volunteers as Event Organizers, who have had previous experience of such event organisation
2. 1 camera from the side of Volunteers and ensure that proper photos are taken of the event.

   Proper here means at least 10 pictures which include venue, posters, branding, attendees, teacher, a group photo, a picture in action during session.

MEMORANDUM OF UNDERSTANDING (MOU)

SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING (here after referred as "SKNCOE")situated at S.No. 44/1, Off Sinhgad Road, Vadgaon Budruk, Pune, Maharashtra- 411041.

EDUCATE TO AUTOMATE (herein after referred as "ETA") with its office at Shree Apartments, Flat No. 1, 107/24, Pradhikaran, Nigdi, Pune – 411044 is one of the leading Automation Training company specialized in Automation Sales, Services & Training.

The design of Automation Workshop & detailed training course is based on today's requirements as well as specific need for students to gain basics knowledge, improve practical skills &knowledge in the field of Industrial Automation.

ETA and SKNCOE hereby sign the Memorandum of Understanding (MoU) as per the following points.

Objectives/Purpose of this MoU:

(i) To improve the skill set of engineering students in Industrial Automation domain.

(ii) To bridge the gap between college education and industrial requirements.

(iii) To facilitate knowledge transfer.

(iv) To provide training to students on Industrial Automation by conducting onsite workshop at college.

(v) Conduct detailed training course for interested candidates who intend to pursue career in Industrial Automation. Objective of detailed training is to increase employability.

(vi) ETA has got tie-up with technology companies to get students engaged with projects through ETA. Provide support to college in student projects for BE. ETA will work with technology companies to facilitate Industrial projects for students. Project consultancy will be provided by ETA and Technology Company. Technology Company will provide free automation hardware to students on returnable basis. Students will have to pay for training and consultancy and any other additional hardware.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41.

ROLES AND RESPONSIBILITIES OF the MoU signing company (ETA):

(i) To organize workshop/seminar at college, to Mechanical Engineering students of college to enlighten them on Industrial Automation domain.

(ii) Free seminar on Industrial Automation twice a year (Duration = 2 Hrs) as per the free slot available or convenience of the department, for all the divisions.

(iii) Workshops on chargeable basis as per the mutually agreed fees by both parties.

TE (Sem I and Sem II):

- One Day Workshop - Rs. 300 for more than 70 Candidates &
  Rs. 350 for less than or equal to 70 Candidates

- Two Days Workshop – Rs. 550 for more than 70 Candidates &
  Rs. 750 for less than or equal to 70 Candidates

(Note: 10% of the total amount collected from the workshop is to be shared with the college)

(iv) The workshop duration for third year will be 1 day (Sem I)& 1 or 2 days (Sem II) on mutually agreed fees. ETA to provide certificates to all participants after successful completion of the workshop.

(v) Provide support to students on Projects in terms of consultancy and automation hardware support on discounted charges.

(vi) Conduct higher level technical workshop for college faculty once a year(duration 1 or 2 days) on chargeable basis as per mutual agreement by both parties.

One or More Non-Chargeable one day trainings will be organized for Faculty subject to the corporate policies & Schedule of ETA or Companies which invite Faculty Nomination.

(vii) Detailed training fees for group of students coming from SKNCOE will be at discounted rate.

Kashibai Navale College of Engineering Vadgaon(Bk) Pune-41

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

ROLES AND RESPONSIBILITIES OF THE COLLEGE (SKNCOE):

(i) To create the awareness among the students about the Industrial Automation opportunities based on programs conducted by the first part.

(ii) To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training at college by the first part.

(iii) To promote ETA courses via any media available to college.

(iv) Nominate Students for the Projects as per associated discussions.

TIME FRAME:

This MoU is valid for one year (1st July, 2017 to 30th June, 2019) from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

GENERAL:

In event of any issue to be resolved which is beyond the control of the nominated persons of both parties, the HOD who are signatories to this MoU can discuss directly and resolve them, else MoU stands to be cancelled.

In witness whereof the parties hereto have affixed their signatures to this agreement on **21st Sept,2017.**

AALBORG UNIVERSITY

Copenhagen, Denmark.

Smt. Kashibai Navale College of Engineering ★ Pune-41.

In order to promote academic perfection, project/problem oriented study, research and educational exchanges at International level for the multifaceted development of students, the two institutions agree to formalize a MoU as follows:

Within arenas that are mutually suitable and acceptable, the following general forms of support will be followed:

- *Academics and Courses:*
  - Planning and handling of courses to promote cross cultural education.
  - Organization of seminars/ workshops to gain practical and international exposure by sharing experiences, and teaching.
  - Explore possibilities of recent interdisciplinary areas of specialization of high relevance to institutions such as the areas of Problem Based Learning (PBL), Security, Privacy, Cloud Computing, Internet of Things (IoT), and Business models.

- *Establishing strong business relationships between both parties.*

- *Students Internships Terms:*
  - The Internship programme details are made available to the graduate students. Interested students can apply for projects / Courses of their choice and can prepare well for a rigorous selection procedure.
  - Selected student for internship program will be subject to the admission requirements, tuition fees & accommodation fees of the CMI, Aalborg University.
  - The student internship program will run with the minimum of 20 students and the maximum of 30 students per duration. Any variation in the number of students needs to be agreed by both the parties.

Smt. Kashibai Navale College of Engineering Pune-41.

Smt. Kashibai Navale College of Engineering Pune-41.

- The period of Internship in Nov/Dec will be around 3 weeks and for summer intake it can possibly be 4 weeks.
- The CMI should provide training/technical guidance to the students. CMI will organize the activities as a domain specific course of 5 ECTS. Groups of students will study recent issue/problems under CMI appointed supervisor.
- Internship completion certificate will be issued to the students by the CMI, Aalborg University.

- *Financial Terms:*
  - This MoU imposes financial obligations allied with knowledge transfer, conduction of sessions for students, accommodation, food and travels.
  - For each intern, financial requirements were agreed for a period of 3 to 4 weeks and these are:
    - Internship Fee (Session, Course, etc): 6500 DKK
    - STES will be financially responsible for Accommodation, Food, Travels including local transportation and CMI will assist with local arrangements.
    - STES will be a common window to deal with financial obligations.

The CMI will evaluate the students and determine their acceptability for admission as intern student. The CMI reserves the right to reject the home university's nominated students. The home university may appeal the rejection.

This MoU will become effective on the final date of signing and will have duration of five years. This MoU may be terminated by either party by giving prior twelve months written notice, unless an earlier termination is mutually agreed upon.

Both Parties agrees that all information and materials disclosed by the them regarding the proposed model, including the terms and conditions of this Agreement and the existence of the discussion between the them, will be considered and referred to collectively in this Agreement as "Confidential Information".

Each Party shall not disclose, publish, or otherwise disseminate Confidential Information to anyone other than those of its employees and trusted subcontractors with a need to know, and shall take reasonable precautions to prevent any unauthorized use, disclosure, publication, or dissemination of Confidential Information.

PROPOSAL FOR CAMPUS *CONNECT*

Memorandum Of Understanding

To bridge the gap between industry and colleges **SEED INFOTECH ltd.** Come up with an initiative campus connect under which **Smt. Kashibai Navale College of Engineering - IT Dept.** can avail below services from SEEDINFOTECLI, which helps student to gain knowledge and prepare themselves for IT opportunity as per industry requirements: -

Free Services under Campus Connect: -

- 4 **seminars on any technology**
- 2 workshops of 5 hours on any technology
- Campus Recruitment Drive (CRP)
- FDP - Advanced **Technology 2hrs. Workshop.**
- **SEED IT IDOL.** affiliated **by University** of **Pune)**

As there is a need of different technology knowledge for technical graduates so we can deliver seminar on technologies which is demanding in IT sector.

Deep knowledge of few technologies is also required so college can avail workshop of 5 hours.

For final year students who are ready for Jobs we can shortlist them through Campus Recruitment Drive.

To prepare students to clear interviews college can avail Interview skill session of 5 hours, which is designed as per industry demand currently.

FDP will be based on advanced technology.

With all these, extracurricular activity is also required for student which helps them to put those activities on their resume, so we come up with SEED IT IDOL in collaboration with 9une University where every student will be awarded with a certificate.

College will support us to do our pool campus and other academic activity in form of Infra and resources if required.

NDTE: - This Proposal is valid from 1st Oct 2017

MEMORANDUM OF UNDERSTANDING

BETWEEN

M/s. Sofcon India Pvt. Ltd., Pune

AND

STES's Smt.Kashibai Navale College of Engg.(E&TC Dept), Pune.

ON DAY OF 2nd April 2016

This MOU is made and executed at Pune between M/s. Sofcon India Pvt. Ltd., having its office at 706-707, Northex Tower, GD-ITL, Netaji Shubhash Marg, Pitampura, Delhi-110 034 (hereinafter referred as Sofcon India) represented by Mr. Nilesh Dighe, Branch Manager, Sofcon India Pvt. Ltd., Pune.

AND

Smt.Kashibai Navale College of Engineering(E&TC Dept)Pune, represented by **Mrs S.K.Sahasrabudhe**, Assistant Professor,Smt.Kashibai Navale College of Engineering, Pune having its campus office at Vadgaon(BK), Pune, Maharashtra-411041 and the institute at same place, hereinafter referred to as "SKNCOE".

This expression shall mean and include its successors and legal representatives of both the party.

NOW THE PARTIES HEREBY MUTUALLY AGREE AND THIS AGREEMENT WITNESSED AS UNDER:

Roles and Responsibilities:

(A).1 Sofcon India **(Workshops)**:

- Will provide workshops (number & subjects will be decided from time to time as mutually agreed upon) to students of relevant engineering background (eg. Electrical, electronics, Instrumentation etc.) in the field of rapidly growing technology to passing engineers and perpetual need to keep abreast with latest developments in the field of Industrial Automation (PLC/SCADA) system Technology/Building Automation/ Embedded System (8051/AVR/ARM/PIC/AURDINO/RASPBERRY PI/RTOS etc).

- Sofcon India will bring devices suitable for such free workshop. Expenses incurred in setting up the devices will be borne by Sofcon India and all the hardware, Software and accessories required for establishing this lab will remain sole property of Sofcon India.

- The schedule of workshop, branch, year/semester duration, course and fee per participant (If Applicable) will be mutually agreed.

(A).2 Sofcon India **(Short Term Training programs)**:

- Will provide (40 Hrs / 80 hrs or 5 day / 8 days as decided) hands-on training in the field of rapidly growing technology to passing engineers and perpetual need to keep abreast with latest developments in the field of Industrial Automation system Technology (PLC / SCADA / HMI/ VFD/ PLC Networking / Process Instrumentation/ Control Panels etc),

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411041

Integrated Building Management System / Embedded Systems (8051/AVR/ARM/PIC/AURDINO/RASPBERRY PI/RTOS etc).

- Sofcon India has agreed to setup necessary training devices (Details of which will be discussed & documented from case to case basis depending upon technology & number of participants). for training duration at the premises of SKNCOE, Pune. Expenses incurred in setting up the lab
- will be borne by Sofcon India and all the hardware, Software and accessories required for establishing this lab will remain sole property of Sofcon India.
- The training program, branch, year/semester duration, course and fee per participant will be mutually agreed upon from time to time..

(A).3 Sofcon India (Other Support):

- Will provide technical support to the students of SKNCOE undergoing the Sofcon India training programs for carrying out their projects.
- It is understood by both the parties that Sofcon India will not commercially sponsor the projects nor the students will get a ready project from Sofcon India.
- It is further understood by both parties that the student will be supported exclusively for those academic projects which are cleared by respective Head Of Departments/ Concerned authorities in written.
- Sofcon India will allow to the students of SKNCOE undergoing the Sofcon India training programs to use the facilities available at Sofcon India –Pune office for carrying out their academic project under guidance & supervision of experts from Sofcon India. All material / components required for the project will be procured by the students at their own cost. Sofcon India takes no responsibility for availability of such material & components. Sofcon India will not procure it on behalf of students or sell the same to students.
- Will make available to the students of SKNCOE undergoing the Sofcon India training programs hardware such as PLC for presenting their project subject to nominal security deposit & procedure mutually agreed upon by SKNCOE.
- Will conduct training program for faculties (Free / Chargeable basis depending upon duration, technologies involved & infrastructure required).
- In event of short term free workshop on particular technology not possible within SKNCOE premises, Sofcon India will try to conduct the same at it's premises (at address mentioned) in smaller groups (size will be mutually agreed upon from time to time)

(B) SKNCOE:-

- SKNCOE has agreed to provide Labs, Infrastructure Covering Training space, Lighting, Furniture, Computer hardware, projector, UPS supply, training aids such as board, markers , duster etc. required for training.
- SKNCOE will arrange for necessary manpower support for mobilizing the devices at your campus.
- SKNCOE will designate a single point contact for smooth execution of the free workshops.
-

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

- SKNCOE will arrange for the food & accommodation of Sofcon India representatives at your own cost.
- SKNCOE will permit SOFCON to use transport facility provided by SKNCOE for material transport & travel (If available from nearest location).
- SKNCOE will not hire Engineers employed by Sofcon India.

Terms and Conditions:

(1) Both parties affirm their commitment to implement the activities and achieve the objectives mutually agreed upon.

(2) Any conflict between the parties shall always be decided by mutual consultation without any recourse to arbitration or other kind of legal remedy including resort to a court of law

(3) Both parties shall use such material, name, logo, information as pre-approved and provided by each party, for any of its advertisements for promotional material on their web-sites.

(4) New assignments can be added during the course of implementation of MOU, if mutually agreed by both the parties.

(5) Financial terms and conditions will be decided mutually as per need.

Validity of the MOU:

This MOU shall remain in force and effect for Sixty (60) months. Either party can revoke this MOU by giving one month notice.

Sofcon has over Two decades of rich experience in providing turnkey automation solutions to applications like Cement Plants, Power Plants, Food Processing Plant, Chemical Process Automation, Plastic, Pharma Machineries, Oil Refineries, Water Treatment Plants, DG Automation, Energy Monitoring, Load Management, Material Handling, Coal Plant, SCADA Systems, Aluminum, Picture Tube, Automobile, Ash Handling etc.

We impart hands-on training on Industrial Automation, Embedded Systems, VLSI, MATLAB, Building Automation System, Mechanical Training to II/III/Final/Passed Engineering Graduates/Diploma, Working Professionals, Technicians. We have trained more than 50,000, Engineers, Technicians and Working Professionals.

We have dedicated placement teams at our 11 centers/offices (Noida sec. 2&6, Pune, Delhi, Gurgaon, Jaipur, Lucknow, Bhopal, Ahmedabad, Rajkot & Baroda) to route our trained engineers to untapped opportunities across various Industries in Project, Maintenance, R & D, Design, Service, Application Engineering Segments.

India's No. 1, Training Company

- Trained 50,000+ Engineers & experts, 150+ In-plant Training/Corporate batches & 250+ In-campus Training/College batches at Engineering/Diploma/ITI colleges.
- 100% Placement Assistance to Sofcon IAE,ESE,IBASE, IME.
- Placed 20,000+ freshers / Experienced Engineers in industries.
- Placement tie-up with leading automation/ embedded service providers, process/manufacturing, Electronics Mechanical industries.
- Fully equipped facility/labs across India.
- Well qualified Faculties having rich industry background.

- It is understood by both the parties that **Qualitat** will not commercially sponsor the projects nor the students will get a ready project from **Qualitat.**

- It is further understood by both parties that the student will be supported exclusively for those academic projects which are cleared by respective Head Of Departments/ Concerned authorities in written.

- **Qualitat** will allow to the students of SKNCOE undergoing the **Qualitat** training programs to use the facilities available at Qualitat –Pune office for carrying out their academic project under guidance & supervision of experts from **Qualitat** . All material / components required for the project will be procured by the students at their own cost. Qualitat Systems India takes no responsibility for availability of such material & components nor Qualitat will procure it on behalf of students or sell the same to students.

- **Qualitat** will conduct training program for faculties (Free / Chargeable basis depending upon duration, technologies involved & infrastructure required).

- In event of short term free workshop on particular technology not possible within SKNCOE premises, **Qualitat** will try to conduct the same at it's premises (at address mentioned) in smaller groups (size will be mutually agreed upon from time to time)

(B) SKNCOE:-

- **SKNCOE** has agreed to provide Labs, Infrastructure Covering Training space, Lighting, Furniture, Computer hardware, projector, UPS supply, training aids such as board, markers, duster etc. required for training.
- **SKNCOE** will arrange for necessary manpower support for mobilizing the devices at your campus.
- **SKNCOE** will designate a single point contact for smooth execution of the free workshops.
- **SKNCOE** will arrange for the food & accommodation of **Qualitat** representatives at your own cost.
- **SKNCOE** will not hire Engineers employed by **Qualitat**.

Terms and Conditions:

(1) Both parties affirm their commitment to implement the activities and achieve the objectives mutually agreed upon.

(2) Any conflict between the parties shall always be decided by mutual consultation without any recourse to arbitration or other kind of legal remedy including resort to a court of law.

(3) Both parties shall use such material, name, and logo, information as pre-approved and provided by each party, for any of its advertisements for promotional material on their web-sites.

(4) New assignments can be added during the course of implementation of MOU, if mutually agreed by both the parties.

(5) Financial terms and conditions will be decided mutually as per need.

Validity of the MOU:

This MOU shall remain in force and effect for Sixty (60) months. Either party can revoke this MOU by giving one month notice.

MEMORANDUM OF UNDERSTANDING (MOU)

SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING (here after referred as "SKNCOE") situated at S.No. 44/1, Off Sinhgad Road, Vadgaon Budruk, Pune, Maharashtra 411041.

EDUCATE TO AUTOMATE (herein after referred as "ETA") with its office at Shree Apartments, Flat No. 1, 107/24, Pradhikaran, Nigdi, Pune – 411 044 is one of the leading Automation Training company specialized in Automation Sales, Services & Training.

The design of Automation Workshop & detailed training course is based on today's requirements as well as specific need for students to gain basics knowledge, improve practical skills &knowledge in the field of Industrial Automation.

ETA and SKNCOE here by sign the Memorandum of Understanding (MoU) as per the following points.

Objectives/Purpose of this MoU:

(i) To improve the skill set of engineering students in Industrial Automation.

(ii) To bridge the gap between college education and industrial requirements.

(iii) To facilitate knowledge transfer.

(iv) To provide training to students on Industrial Automation by conducting onsite workshop at college.

(v) Conduct detailed training of interested candidates to make the students more employable.

(vi) As per Requirement Create Industrial Automation lab at college for student training. ETA to extend support to SKNCOE in creating lab by getting support from automation Industries. Software related to PLC & HMI will be free of cost and hardware will be on chargeable basis as per the discounted prices from automation Industries.

ROLES AND RESPONSIBILITIES OF the MoU signing company (ETA):

(i) To organize workshop/seminar at college, once in six months to Mechanical Engineering, Electrical & E&TC / Diploma students of college to enlighten them on Industrial Automation domain.

(ii) Free seminar on Industrial Automation twice a year.

(iii) Workshops on chargeable basis as per the mutually agreed fees by both parties.

(iv) The workshop duration for second year will be 1 day, for third year will be 2 days and for final year will be 3 day on mutually agreed fees.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

(v) Provide support to students on Projects in terms of consultancy and automation hardware support on discounted charges.

(vi) To identify and help the college in developing training laboratory on Industrial Automation platform.

Installation of Programming and Configuration software (PLC & HMI) at college facility at free of cost, this will facilitate students to test the project work without actual use of hardware and increase hands-on skills, conduct various experiments related to Industrial Automation Domain.

Actual hardware setup will be created as per the knowledge students should possess when they are approaching Industries.

(vii) Conduct higher level technical workshop for college faculty once a year on chargeable basis as per mutual agreement by both parties.

(viii) Detailed training fees for group of students coming from SKNCOE will be at discounted rate.

ROLES AND RESPONSIBILITIES OF THE COLLEGE (SKNCOE):

(i) To create the awareness among the students about the Industrial Automation opportunities based on programs conducted by the first part.

(ii) To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training at college by the first part.

(iii) To promote ETA courses via any media available to college.

(iv) Automation hardware charges for creating lab will borne by Institute.

(v) College to provide Contacts of TPO and Students so that ETA can pass on information to them about MNC Project Competitions, Walk in Job Opportunities, on-going skill development activities etc.

Head

Subject : Supply of free demo kit

Sir,

This is with reference to the MoU signed with your college for conducting various activities to enhance Industrial automation skills of students.

As a token of appreciation ETA would like to provide your college a 'Terminals training kit' as a free issue item. This will benefit students in identifying various terminal needs in the industry.

This kit is developed with support from **Weidmueller Electronics India Pvt. Ltd. (A German MNC).**

We urge you to use this kit to the fullest so that students get hands on experience on various technologies related to Terminals used in Industrial Automation.

Thank you !

Yours Sincerely,

Sangram Deshmukh
Director

Project Execution Plan

BECKHOFF

Note :

1) This is a Industry Based project and Students are expected to follow highest level of discipline in terms of behavior, tasks and timelines

2) Project group will be provided with Beckhoff Software and Beckhoff Hardware for the execution of project. All other devices are in Students' scope and not included in the Fees.

3) Attendance sheet with signatures of Beckhoff, ETA, Students & Faculty along with Schedule as prepared by Beckhoff Trainer should be maintained at all times with the project groups.

Memorandum of Understanding (MOU)

Between

Samruddhi Enterprises
Sr. No. 50, Ambegaon Khurdh,
Katraj, Pune 411 046

AND

Smt. KashibaiNavale College of Engineering,
Department of E&TC Engineering
Vadgaon (Bk.), Pune 411 041
On DAY OF 01st July 2016

Duration of MOU: 01st July 2016 to 30th June 2019

The ***Department of E&TC Engineering,***Smt. KashibaiNavale College of Engineering (SKNCOE), Pune and ***Samruddhi Enterprises, Pune*** are intended to facilitate the process of close Industry Institute Interaction (I-I-I) and actively promoting fresh avenues for the same. This MOU shall strive to enhance interaction with students, faculty and bridge the gap between Academia, Industry and Corporate World. This will have a positive impact on the engineering curriculum, exposure of industrial atmosphere to engineering students and subsequent placement in industries across the globe.

Vision: To create avenues for the students to have greater exposure for industrial environment and establish preferred institute for recruitment and research.

Mission: To create SKNCOE as a hub in industrial research, consultancy and continuing education and to create an environment to synchronize the skills of students with the needs of industry.

The Institute can:

- Encourage, enhance, and create avenues and environment for greater involvement of faculty and staff with industry for R&D and consultancy
- Arrange workshops and training programmes for Industries to adopt latest technologies

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

- Provide representation for or invite representatives from Industries on Board of Studies, Faculties, Academic Councils, and Governing Body etc.
- Provide testing and certification facilities

  Single point of contact(SPOC): Mrs. Sujata. M. Mali (E&TC Dept)
  (Contact:9373777091 e-mail:smmali.skncoe@sinhgad.edu)

The Industry can:

- Extend help and give constructive suggestions while designing the curriculum
- Assist faculty while developing skills with specific technology to the students
- Allow to use available sophisticated and costly equipment to the faculty and students
- Provide complete financial support/equipment/material/guidance for innovative projects of students
- Give live projects to the students and guide them in professional way
- Enrich teaching programmes/technical competitions by giving awards

During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.

MEMORANDUM OF UNDERSTANDING (MOU)

Duration of MoU: 01st July 2016 to 30th June 2019

Smt. Kashibai Navale College of Engineering (hereafter referred as "SKNCOE") situated at S. No. 44/1, Off Sinhgad Road, Vadgaon(Budruk), Pune-411041.

Cubix Automation Pvt. Ltd. (hereinafter referred as "CUBIX") with its office at S.No.26/6, Hingne Khurd, Near Mahesh Sahakari Bank, Sinhagad Road, Pune - 411051 provides superior consulting services for system integration and providing automation solution for all types of industries with manufacturing setup of panel. Serving both the domestic and international sectors.

The design of Automation Workshop & detailed training course is based on today's requirements as well as specific need for students to gain basics knowledge, improve practical skills & knowledge in the field of Industrial Automation.

CUBIX and SKNCOE hereby sign the Memorandum of Understanding (MoU) as per the following points.

Objectives/Purpose of this MoU:

(i) To improve the skill set of engineering students in Industrial Automation.

(ii) To bridge the gap between college education and industrial requirements.

(iii) To facilitate knowledge transfer.

(iv) To provide training to students on Industrial Automation by conducting onsite workshop at college.

(v) Conduct detailed training of interested candidates to make the students more employable.

(vi) As per Requirement Create Industrial Automation lab at college for student training. CUBIX to extend support to SKNCOE in creating lab by getting support from automation Industries. Software related to PLC & HMI will be free of cost and hardware will be on chargeable basis as per the discounted prices from automation Industries.

Jetking™
Better Life

1. Jetking can conduct different kinds of workshops based on networking as listed below for your students to make them industry ready with 100% confidence and knowledge Institutional Alliance with the college in a **"revenue-sharing"** basis as mutually agreed.

   Topics for the Workshop

   i. Network Management – Routing & Switching
   ii. Windows server 2012 & Configuration
   iii. Redhat Linux & Virtualizations
   iv. Cloud Computing
   v. Basics of Networking & Wireless Network
   vi. DBDA Test & Career Guidance
   vii. How to be employable – Corporate Etiquettes & Interview Skills.

2. Jetking can conduct various guest lecturers based on networking for college students.
3. Special workshops in the college in **grooming** the final and pre-final year students for the job market. The workshops will focus on the following areas :
   a. Effective resume building techniques
   b. Do's-and-Don't tips for a successful interview
   c. Scoring high in group discussions
4. Industry visit and campus interviews for final year students
5. Also Jetking will contribute to conduct national or international level technical conference and workshop which college has organized

MEMORANDUM OF UNDERSTANDING

THIS AGREEMENT made and entered into on this 22nd day of December 2015 between **SINHGAD TECHNICAL EDUCATION SOCIETY** (hereinafter called THE INSTITUTE) situated (S.No. 44/1, Off Sinhgad Road, Vadgaon Budruk, Pune, Maharashtra 411041)

and

BROSE INDIA AUTOMOTIVE SYSTEMS PRIVATE LIMITED

(Hereinafter called "BROSE" which expression shall include its successors and permitted assignees) with its registered office at 202 Panchshil Tech Park, Survey No-19/20,2nd Floor, Hinjewadi, Pune-411057,

1. OBJECTIVES OF THE MOU

The objective of this Memorandum of Understanding is:

a. to promote interaction between THE INSTITUTE and BROSE in mutually beneficial areas.
b. to provide a formal basis for initiating interaction between THE INSTITUTE and BROSE.

2. PROPOSED MODES OF COLLABORATION

THE INSTITUTE and BROSE propose to collaborate for the following as enlisted below

1- Guest lectures,
2- Technical seminars
3- Campus interviews
4- Various corporate meets
5- Job fairs
6- BE & ME project with Brose India
7- Exchange of new technology updates from either party
8- Industrial visit to Brose office & plant for students
9- Short and long term internships
10- Nomination of Brose employees for ME course

Each of the above modes of interaction will be initiated by entering into a separate agreement between the two parties.

3. FORMS OF RESEARCH AND DEVELOPMENT PROGRAMS

The form of any of the said Research and Development Program (hereinafter referred to as "Research Program") will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

a. **In their own existing facilities** - The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
b. **In a separate research and development facility** - The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party.
c. **Third parties** - The performance of research by the Parties together with one or more third parties.

4. AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

a. the nature, scope and schedule of the research collaboration.
b. the form of the research collaboration.
c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

5. CONFIDENTIALITY

a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
   - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
   - is already known or become known to the receiving party
   - is received from a third party having no obligations of confidentiality to the disclosing party,
   - is independently developed by the receiving party; or
   - is required to be disclosed by law or court order.

6. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

7. TERMS AND TERMINATION

This MOU, unless extended by mutual written agreement of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any such termination.

8. RELATIONSHIP

Nothing in this MOU shall be construed to make party a partner, an agent or legal representative of the other for any purpose. It is agreed that Brose India Automotive Systems Pvt. Ltd, Pune and Sinhgad Technical Education Society, Pune will be have a central co-ordination committee to take care of various activities.

Smt. Kashibai Navale College of Engineering

9. ASSIGNMENT

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

10. SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

Memorandum of Understanding

1. Purpose

The purpose is to create a partnership between ECTA, P.O. Box 3450, Kigali, Rwanda, which is registered in Rwanda, Trade License Code number 100461576, and SINHGAD TECHNICAL EDUCATION SOCIETY, 44/1, VADGAON BK, PUNE – 41, MAHARASHTRA, INDIA.

ECTA which is specialized in Construction and Architecture want participate to the development of Rwanda through an Educational Institute in Technology with good quality of teaching with international level in order to promote Industries in Rwanda, created jobs and maintain the quality of work , ECTA propose to STES which has rich experience in education field ,to be a partner in this project.

2. Program Description

a) ECTA is going to prepare all required for an Educational Institution according to Rwandan bylaws and infrastructures to accommodate the institute as standard required as guided by STES.

b) Sinhgad STES is interested to work with ECTA in this project and is going to provide teachers according to international level and in respect of Rwandans bylaws without any income from the project only the institute will provide transport, accommodation and salaries to the Director, Teacher Tech. Assistant, and other supporting staff from India according to Indian or Rwandan salaries.

c) Once all preparation with respect to Infrastructure, Lab, classroom, workshop, library are ready then STES will immediately send the requested teaching and non teaching faculty.

3. Operating Procedure

a) The educational institute will have her own management system but if required Sinhgad Will come as a consultant for supervision and execution of the institute and if STES doesn't have qualified teachers in any course, the institute will negotiate with others Educational institution.

b) STES accepts to give all information's required for the preparation for program, library, equipment and others for starting the Institute.

c) STES accept in order to prepare future Rwandese teachers, to train students recommended by ECTA in India with same cost as a local.

4. Liability

ECTA and STES are liable in order to maintain the quality of education for that ECTA will represent, STES in Rwanda and shall avoid others African Countries in order to avoid conflicts.

5. Use of Confidential Information

The parties understand the importance of the protection of intellectual property. The parties agree to:

(a) Receive and maintain the confidential information in confidence;

(b) Not reproduce the confidential information or any part thereof without the express written consent of disclosing party;

(c) Not, directly or indirectly, make known, divulge, publish or communicate the confidential information to any person, firm or corporation without the express written consent of disclosing party;

(d) limit the internal dissemination of the confidential information and the internal disclosure of the confidential information received from the disclosing party to those officers and employees, if any, of

SINHGAD TECHNICAL EDUCATION SOCIETY Regd. No. MAH/7199-93/ Pune, F - 8282 (Pune) VADGAON (BK.), PUNE-411 041.

SINHGAD TECHNICAL EDUCATION SOCIETY

FOUNDER SECRETARY

the receiving party who have a need to know and an obligation to protect it;

(e) Not use or utilize the confidential information without the express written consent of disclosing party;

(f) not use the confidential information or any part there of as a basis for the design or creation of any method, system, apparatus or device similar to any method, system, apparatus or device embodied in the confidential information unless expressly authorized in writing by disclosing party;

(g) Utilize the best efforts possible to protect and safeguard the confidential information from loss, theft, destruction, or the like.

(h)All information provided by the disclosing party shall remain the property of the disclosing party.

6. Dispute resolution

The parties agree to try to resolve policy or practice disputes at the lowest level possible. If issues cannot be resolved at this level, a third party may be called in to help mediate any dispute. Informal mediation services, however, shall be explored prior to any other formal or legal process. Each party agrees to be responsible for its own financial obligation in this matter.

7. Duration and Modification of the MOU

Initial period of MOU shall be binding in both parties for 5 years. The parties understand that implementation of the MOU is dependent on both parties working together in good faith. The partners agree that the terms of the MOU will take effect upon signature of both parties when project start and will continue in effect as long as the parties choose to work together.

Termination of the MOU will be effective in either of two situations:

1. All partners agree in writing to its termination; or

2. One of the parties receives written notification of termination from the other party. In the event that it becomes necessary for one party to cease being a party to this MOU that said party shall notify the other party, in writing, ninety (90) days in advance of that intention. However, Sinhgad cannot terminate the MOU during an ongoing project before one course degree to avoiding a void in education.

This MOU may be reviewed and renewed annually and modified, altered, or revised, as necessary, by mutual consent of both parties, through the issuance of a written amendment, signed and dated by all parties

Each party enters into this Agreement in a spirit of cooperation and collaboration for the purposes described above.

SIGNATURES

In WITNESS THEREOF, the parties to this MOU execute this agreement.

Smt. Kashibai Navale College of Engineering
Vadgaon (BK), Pune-41

Preamble

Whereas, International Institute for Innovations in ICT (I4CT) will be established for the purpose of advancing the research, development and the technical reputation of India by the joint effort and work with its European university partners to lead the next revolution in engineering and Technology by the simultaneous focus given on the education, research and the marketplace,

And whereas I4CT will combine the best of the Indian, Danish and International top level skills in education, research and entrepreneurship and provide its partners an opportunity to enter into huge market of India for mutual benefits,

Whereas, Global ICT Standardization Forum for India, (GISFI), to be registered under Public Trust Act in India, is an Indian standardization body active in the area of Information and Communication Technologies (ICT) and related application areas, such as energy, telemedicine, wireless robotics, biotechnology, and whereas GISFI addresses the research and product development of ICT in India and provides a bridge towards the globalization of the Indian achievements; the issues of technology, governance, and development; and a platform for raising an awareness of the importance and the internationalization of the higher education in the field are supported by the joint partnership with the Government of India,

Whereas, Sinhgad Technical Education System (STES) is a registered trust / society involved in education in India and, known for its academic excellence, especially in Western India and whereas is willing to collaborate for the cause of I4CT and involve into the creation of I4CT,

Whereas, AAU is a national university in Denmark, hosting Center for TeleInfrastruktur (CTIF) which is an academic and research center with a significant experience in the area of teleinfrastructure, mobile, wireless and wired communications, an industry-oriented M.Sc. and Ph. D. programme for the previously mentioned areas, also based on the AAU-specific problem-based learning (PBL) methodology.

Now, therefore, the Parties have agreed to enter into cooperation as described in this Cooperation Agreement (hereinafter referred to as the 'Cooperation') – as follows:

The purpose of the Cooperation

The purpose of the Cooperation is to unite forces to enable I4CT to become a strong and a flourishing high-tech research and development centre and an academic institute with global excellence providing space for Indian, European and other international institutions to collaborate. Internationally acclaimed infrastructure will be created. Faculty from all over world will be involved to create excellent learning experience to the student community world wide.

Research will be focused for direct usefulness to consumer and user industry in India and global market. The Global partners will receive an opportunity to understand entre and work with the huge Indian market for mutual benefits.

I4CT will conduct PhD education/ programs in cooperation with AAU CTIF and postgraduate and undergraduate programs in cooperation with STES and AAU CTIF. PhD programs will be collaborative involving industry in accordance with the regulations of AAU CTIF and the legislation in Denmark/India.

Smt. Kashibai Navale College of Engineering Vadgaon(BK) Pune-41.

The goal of I4CT is to:

1. Initiate patent based research in engineering & Technology in India.

2. Create systems, platform for Indian academic institutes and industry for commercialization of Research outcome of the scholars working in I4CT.

3. Create academic model of excellence (With PBL methodology) for UG/PG courses in engineering with enrollment of 360 UG students and 100 PG students in various disciplines of engineering, and

4. Offer help/assistance/guidance/consultancy and other services to global user industry in the area of engineering and technology and PBL methodology to academic institutes in south Asia.

The purpose of the Cooperation seen from CTIF AAU's point of view is to conduct academic and research acitivities, with a focus on Ph.D. education, to broaden the application of PBL methodology, and to expand the AAU's educational programme abroad, to disseminate the Danish effort in the area of teleinfrastructure research with the purpose of integrating on-going research in India, with the Danish effort.

2. The Parties background for entering into the Cooperation

I4CT

I4CT i.e. International Institute for Innovations in ICT is to be established as an independent and private legal entity governed by GISFI under the laws of India. It will have initially five research groups, namely; Basic Telecommunications, Bioinformatics, Biotechnology, Telehealth /Telemedicine, Chemoinformatics, Nanoinformatics and Technology Evolution & Applications. Basic Telecommunications will consist of four research sub-groups, namely; Network and Security, Navigation and Communication (NavCom), Radio Access Technology and Cognitive and Software Defined Radio, Artificial Intelligence and Computer Engineering, Information Technology, and Physical Science. The Research area will be broaden from time to time as per need of the user industry.

I4CT distinguishes itself from other Research and Development (R&D) initiatives by the expected impact of a joint Indian-European development of world-leading technology solutions with the primary objective of advancing education by using the PBL model, commercialization of IPR out of research and techno entrepreneurship promotion at the level of Masters and innovation at PhD level.

With I4CT's new form of education (Problem Based Learning -PBL), the education system in India which is mainly targeted towards achieving a job will move to the domain of innovative research leading to commercialization.

Innovative research projects will lead to Intellectual Property Rights (IPRs). I4CT aims that the commercialization of technology will give birth to a number of start-up companies based on future technologies leading towards a long term shift of R&D in India. I4CT will have a holding company of its own which will provide self-sufficiency to the institute. All the start-up companies will have shares in the institute's holding company; in turn the holding company will provide funding to the institute to carry out further basic researches in thrust areas of I4CT.

I4CT will work in the larger interest of the complete world and specifically for improvement in Academic and Corporate life of India as a whole. I4CT may be supported by the government of India, the government

Smt. Kashibai Navale College of Engineering, Vadgaon (BK), Pune-41.

of Denmark, Aalborg University, European Commission and any other industry / institution who wish to contribute to the objectives of I4CT.

GISFI will create a platform to facilitate discussions between bodies like major industrial countries or regions of the world and proactively interact in international forums such as, ITU, IEEE, ETSI, etc. GISFI will be a platform for discussions on standardization of telecom products and services intended primarily for the Indian market which would also be implementable globally. The forum has the following scope:

a. Unifying standardization efforts in India
b. Creating standards addressing the specificity of the Indian market
c. Creating an information centre on Indian activities in ICT and then in other areas.
d. Promoting Indian initiatives to develop into global standards
e. Create institutions/facilities for technical man power development in India for usefulness to global society.

STES, after its establishment in 1993, has intensely involved into education in Western India and is one of the respected group in academics and research, has silent features as follows:-

a. Administers more than 70 Units in 06 Campuses in Pune, Mumbai and Lonavala.
b. Involved in education in faculties ranging from School, Engineering, Architecture, Management, Computer Science, Law, Medicine, Dentistry, Mass Communication, Pharmacy etc., through its UG/PG/Doctoral Courses.
c. More than 40,000 students, 2800 Teaching Faculty, 5000 supporting staff, 350 acres of land in possession, 27 lakhs sq. ft. built up area, 250 crores of turn over.
d. Infrastructural facilities and academic attitude, built to match global standards.
e. Excellent Teaching-Learning environment, Research culture.
f. Strong Industry Interface, Extremely well trainings, Projects and placements for students.

CTIF AAU has established cooperation with STES in the area of PhD education and wishes to continue this cooperation, to extend the number of PhD students that can obtain a Ph.D. degree from AAU, to broaden the application of the PBL methodology, to integrate the Danish and Indian effort in the area of teleinfrastructure research, to generate knowledge based upon up-to-date research, education, training of researchers, engineers and other skilled personnel, while fostering mobility across borders by providing for the timely information about relevant events and opportunities for both Denmark and India.

3. Organization and staff

I4CT will be established as an independent and private legal entity under Public Private Partnership (PPP) Model. I4CT will work on the objectives initially as follows:-

1. to register at least 100 PhD students in the identified areas in engineering technology and conduct research useful /suitable to user industry.

2. to register at least 50% patents out of the work done by the PhD students under the guidance of the eminent researchers all over the world.

3. Offer help/assistance/guidance/consultancy and other services to user industry in engineering technology.

Smt. Kashibai Navale College of Engineering, Vadgaon(BK), Pune-41.

Regarding I4CT, the stake holders (i. e. GISFI, STES, CTIF AAU) will be involved in line with the Principle of 'proportionate ownership on the investment they are doing' for fulfillment of these objectives.

Following organization structure will be adopted for fulfillment of the goals and objectives already defined:

1. GISFI will develop and control the vision, activities and functioning style and all other operative matters for I4CT.

2. The ownership of this I4CT will be with GISFI, however a Governing body of 11 members ensuring appropriate involvement of all stake holders, will be created.

3. The Governing body will consists of five members from GISFI (Registered trust), two from STES and other four will be decided from time to time, depending upon the involvement and investment made by other institutes / industry.

4. An organization structure will be evolved as per existing styles in a world class academic / research institute for fulfillment of the vision of I4CT.

The establishment and the running of I4CT will be absolutely no responsibility of STES and CTIF AAU or any other stake holder except GISFI.

4. Facilities

STES will make available 15 acres (60702.84 mtr. sq.) of land for I4CT. On this land, I4CT will build a research facility in the domains as decided by the Governing body.

The time duration for setting up the I4CT is set to be 7.5 years and failure to this will automatically return the acquired 15 acres land back to STES.

During the first phase of I4CT defined in project proposal, STES will provide research facilities of about 10,000 square feet to cover the need of research facilities the duration of which shall not exceed three years after the opening of I4CT.

I4CT education and research activities will shift into the building constructed in Phase I. I4CT management and GISFI shall, as stated below, be solely and fully responsible for managing and maintaining the research facility, hereunder for the maintenance of buildings, offices and laboratories and shall cover any and all running costs for the facility. STES and CTIF AAU shall not in any way be responsible for such matters unless otherwise has been explicitly agreed in writing in advance, by the parties of agreement.

5. Responsibilities of I4CT

In addition to the responsibilities mentioned under Articles 3 & 4 above, I4CT shall be responsible for the following:

I4CT will conduct PhD programs in collaboration with CTIF AAU, GISFI and other industrial parties in accordance with the laws and regulations applicable for the Doctoral School of CTIF AAU .

Smt. Kashibai Navale College of Engineering, Vadgaon(Bk), Pune-41.

I4CT will conduct postgraduate and undergraduate programs in cooperation with STES and CTIF AAU, provided always that the relevant and necessary approvals and permissions are granted under national legislation, both in Denmark and in India.

Up to 100 PhD candidates will be registered per year under the supervision of competent professors and practitioners from Europe and India.

6. Responsibilities of GISFI

In addition to the responsibilities mentioned under Articles 3 & 4 above, GISFI shall be responsible for the following:

GISFI shall be the ownership for I4CT. GISFI will develop and control the vision, activities and functioning style and all other operative matters for I4CT.

7. Responsibilities of STES

In addition to the responsibilities mentioned under Articles 3 & 4 above, STES will, if necessary, provide assistance in arrangement of hostel facility to all PhD students of I4CT for a period of three years.

The charges/fees for the hostel facility will be according to the usual practice of STES for other students staying in the Lonavala campus in the existing STES institutes. The staff quarters will also be made available to employees, faculty, PhD students, postgraduate and undergraduate Students of I4CT on rent decided as per the prevailing norms, depending upon availability. All the centralized facilities such as guest house, recreation, canteen/messes, banking etc will be made available to I4CT in sharing basis on mutually decided charges in line with existing norms.

In addition, STES may offer teaching assignments to the faculty and PhD-students of I4CT on remuneration (Work Scholarships) based on exiting practices of STES. The eligible faculty of STES may be involved in Teaching, Research activities of I4CT on remunerative basis based on prevailing norms.

Furthermore, STES will establish center for PBL studies to improve the academic quality of interested Engineering Colleges amongst around 1500 Engineering Colleges in India. The PBL centre of excellence may offer its services to institutions all over south Asia. STES will invite CTIF AAU to cooperate in this initiative on mutually agreed terms and conditions.

Finally, STES will provide its expertise to all stake holders for exploring possibilities of their expansion in the huge market of India in education, consultancy within the legal boundary of Indian Judiciary system.

STES and CTIF AAU have entered into a cooperation regarding the education of PhD students. The General Principles for this cooperation are enclosed as Appendix 1 to this Agreement. These General Principles will be replaced by a more detailed agreement to be entered into by CTIF AAU and STES.

8. Responsibilities of CTIF AAU

AAU shall provide information regarding existing PhD programs available under the Doctoral School o f AAU CTIF. AAU will provide sufficient information regarding requirements, terms and conditions for enrolling PhD students in the Doctoral School as well as regarding the PhD studies and completion.

A proactive initiative is expected from AAUCTIF AAU for administering programs like GISFI PhD progra ms in Denmark in existing facilities in organization. CTIF AAU is also expected to engage in faculty exch ange, administrative / study tours of STES faculty and students etc, to be agreed by the involved Parties.

CTIF AAU will award Ph. D. degree to the Ph.D. candidates successfully recommended by the appointed for this purpose Assessment Committees in five batches, where each batch has a duration of three academic years.

Fee structure for PhD courses will be set by CTIF AAU in accordance with applicable rules and regulations of CTIF AAU.

Fee structure for undergraduate and postgraduate programs is to be agreed by the involved Parties once it has been decided that it is possible to offer/receive these programs in Denmark and India and subject to national legislation.

STES and CTIF AAU have entered into a cooperation regarding the education of PhD students. The Gene ral Principles for this cooperation are enclosed as Appendix 1 to this Agreement. These General Principles will be replaced by a more detailed agreement to be entered into by CTIF AAU and STES.

9. Undergraduate and postgraduate programs

The legislation in Denmark is unclear, at the time, when this Cooperation Agreement is made with reference to the possibilities of offering undergraduate and postgraduate programs abroad.

's the situation in India seems to be the same, CTIF AAU and STES will have to investigate this issue further and await clearance from their respective relevant national authorities, before entering into cooperation regarding CTIF AAU programs in India or joint programs. The terms and conditions for running of such undergraduate and postgraduate programs will be decided separately as and when desired, after the law / norms are declared by Government of India and the Government of Denmark.

10. Financial issues

There is no money to be paid between the Parties under this Cooperation Agreement.

11. Compliance

I4CT and GISFI are obliged to ensure that this Cooperation Agreement is in compliance with relevant and mandatory laws of India. STES and/or CTIF AAU shall not in any way be held responsible or liable for any kind of act performed by I4CT and/or GISFI, which violates the laws and rules and regulations of Government of India, and all competent authorities concerned.

Furthermore, I4CT shall ensure that any activity which is launched or performed under this Cooperation is in compliance with the relevant and mandatory laws and regulations applicable for the Parties concerned.

12. Duration

This Cooperation Agreement shall enter into force by the date of the last signature added to this document by the Parties and shall be in force until next 7.5 years. The Parties may agree to prolong the duration of this Cooperation Agreement. Such agreement shall be made in writing

13. Termination

This Cooperation Agreement expires automatically per 28 July, 2018 unless an addendum has been made, cf. Article 12 above and unless it has been terminated cf. this Article.

Each Party is entitled to terminate this Cooperation Agreement in the event of substantial breach by another Party of its obligations under this Cooperation Agreement. Termination should be made in writing with a 2 (two) months notice.

Furthermore, each Party is entitled to terminate their participation under is Agreement without stating any specific cause, in writing with a 6 (six) months notice.

In the event that this Agreement is terminated with reference to any of the two paragraphs above, the Parties involved shall make their best efforts to ensure that such termination shall not have significant consequences for the PhD students already enrolled at CTIF AAU, provided always that General Principles or other agreements to be entered into by the Parties are respected.

14. Choice of law and venue

This Cooperation Agreement shall be governed by the laws of India, however, with the exception of International private law and rules concerning choice of law, to the extent that such rules would lead to the application of another country's law.

Any dispute between the Parties arising from this Cooperation Agreement, including interpretation and application of the Cooperation Agreement, and which cannot be settled amicably by the Parties, shall be tried by the defendants' appropriate court of law.

MEMORANDUM OF UNDERSTANDING BETWEEN

"ExpertsHub"
&
"Smt. Kashibai Navale College of Engineering,Pune, India."

Date: 23/03/2016

The memorandum of understanding may be treated as an official agreement to the terms and conditions understood between **Experts Hub** (Herein known as "Party of the first Part") and **"Smt. Kashibai Navale College of Engineering,Pune, India".** Herein known as "Party of the second part"). As per the negotiations held between the two parties, the following things are agreed upon:

I. Party of the first part shall conduct a 60/70 hours long Seven/eight day long certificate course on **"Automotive Technologies (AISI)"**association with Party of the second part.

II. The course shall be held from **14th June 2016** to **21st June 2016.**

III. The charges for the Course shall beRs.4000 to 6000/-per participant (Various Group discount options are given to participants). Party of the first part liable to give any special discount to group of student participants this will be intimated to party of second part at the time of account settlement.

IV. The calculated payment of the Internship if collected by Party of the second part shall be submitted to Party of the first part on the 1st day and/or before the Internship. The Modeof money transfer will be by cash/NEFT.

V. Party of the second part shall appoint **Prof. Sameer Agrawal** of Department of **Mechanical Engineering** as a faculty coordinator and in-charge of "SKNCOE-Expertshub Industry Skill Development Centre, under the guidance of Head of Department **Dr. Amar P. Pandhare.**

VI. Party of the second part shall provide required number of AC seminar hall for conducting the course with a minimum seating capacity of 150 students each equipped with 1 Projector and Sound System with one wireless, cordless mike & White board, Marker, laser pointer.

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MoU) is made on 01/08/2016 at Pune between **Gofigito Educorp LLP**, located at C-27, Swapnashilpa Society, Gulwani Maharaj Road, Pune, 411038 hereafter referred to as *Gofigito*.

And

Sinhgad Technical Education Society situated at 19/15, Erandwane, Smt. Khilare Marg, off Karve Road, Pune, India, 411041 hereafter referred to as *STES*.

The purpose of this MoU is to facilitate the provision of a 30 hour training program on following modules:

Module 1: Quantitative Aptitude and Logical Reasoning – 20 hours
Module 2: Group Discussion and Interview Preparation – 10 hours

Validity: This MoU is valid for a period of 3 years from the date of signing. Either party can terminate this agreement during the period of the agreement by issuing a written notice of 3 months.

Deliverables: Gofigito will facilitate the delivery of the training modules, Module 1 and Module 2, as following manner.

- 10 hour training on Quantitative Aptitude to be provided in the Semester I of the Third Year of the Engineering program
- 10 hour training on Logical Reasoning to be provided in the Semester II of the Third Year of the Engineering program
- 10 hour training on Group Discussion and Interview Preparation to be provided in the Semester I of the Final Year of the Engineering program

Terms & Conditions

1. For the entire 30 hour training program, the Institute will pay Rs. 850 (inclusive of all taxes) per student to *Gofigito*.
2. While actual number of students attending the training will form the basis of the net payment made to *Gofigito*, the *STES* assures of minimum 4000 students attending the training program.
3. Advance payment amounting to 50 % will be made to *Gofigito* before the commencement of the training program. The advance payment, to be made in the month of July with a grace period of one month, will consider 4000 students to be attending the training program.
4. Out of the remaining 50 % payment, 25 % payment will be made in the month of November with a grace period of one month. The final 25 % payment, to be made in the month of April with a grace period of one month, will include the arrears (student attending the training program to have exceeded 4000) if any.

Smt. Kashibai Navale College of Engineering * Pune-41.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College
of Engineering, Pune - 41.

5. *Goffigito* will be responsible for the arrangement of quality trainers to deliver the training program, travel needs of the respective trainers and the training material (soft and / hard copy).
6. Selection of trainers will be mutually agreed upon by both *Goffigito* and the *STES*.
7. If a particular trainer receives a below average feedback, he will be replaced by a competent trainer and the training program will start fresh.
8. *Goffigito* will design an online feedback mechanism to ascertain quality implementation of the training program. The design as well as the feedback taken will be shared with the personnel, designated by the *STES*, as and when required.
9. The *STES* will provide the necessary infrastructure, class room with LCD facility, as well as ground level support for the conduction of the training program.
10. The training program will be conducted at the following campuses of the *STES*: Vadgaon-Ambegaon, Kondhwa, Narhe, Warje and Lonavala.

Mersion Membership Letter

For

Sinhgad Technical Education Society, Pune
Address: 19/15, Smt. Khilare Marg, Off Karve Road, Erandwane, Pune.
Maharashtra, 411004.

This is to confirm the membership of Sinhgad Technical Education Society

At Mersion. (An Entity of SkillTree Knowledge Consortium Pvt. Ltd.)

Assistant Professor & Head
Dept. of
Smt.

SkillTree

mersion

MersionSchool is a global consortium for exchange & experiential education in academic collaboration with world's top 1% universities. Mersion runs an in depth and stimulating programme/courses that gives students a chance to increase their academic standing in few of the most vibrant and culturally enriched cities in the world.

Mersion courses are designed with a goal that created modules that are delivered in intensive or extensive mode & cutting edge thinking across a range of disciplines delivered over a period of two to three weeks mostly at the host university campus followed by a certification in the area like engineering, management, media, design, medicine & entrepreneurship etc. for UG & PG students combined with extracurricular activities. The course is delivered in a variety of ways, and is flexible enough to meet the needs of the students. They are usually residential and the programmes are specially designed and taught by the globally renowned faculties to meet the challenges accordingly.

Having membership of mersion school, university/college will get below mentioned benefits:-

1) Brand Benefits: by becoming a member of mersion, institution will be entitled to use official mersion logo in the communication collaterals, digital or print which represents access to the consortium of world's top 1% universities and colleges and provides brand confidence to the stakeholders and partners of the institution.
2) Learning Experience: mersion provides unique opportunities to different stakeholders of the member institutions to experience and learn from the world's top universities, add the sheen and expand the horizons of an individual profile with internal exposure.
3) Membership: mersion offers support and help to the stakeholders of participating institutions to collaborate on different initiatives in future..

In order to reap the maximum benefits of International linkage programs, members will have following responsibilities to meet as mentioned below:-

1) Mersion member are required to abide by branding guidelines set forth by Mersion School.
2) The membership is valid from November 2016 to November 2017.

Mersion School is committed to work strenuously to expand the horizons of opportunities for the members and we expect the same zeal and energy for participation from our members.

Attach Annexure A: (To be attached on Institutions Letter Head)

1) Please state all collaborations with other foreign institution/ companies/ association, institution is holding on the date of signing the membership form with mersion along with the nature of collaboration. Based on this Annexure, the membership profile will be created by mersion for internal use and for reference for Host institution.

Assistant Professor
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering

mersion

2) Please mention accomplishments, awards and accolades won by the institution in last three years. This will also include accomplishments by individuals part of institution i.e. Students, faculties and Leadership team.

Terms and Conditions

1. All programs conducted through mersion are part of SkillTree Knowledge Consortium.
2. Mersion reserves the right to modify / change the content of the program in consideration with member institute, in the case of creating a specific program for member institute, wherein the member institute is required to respond to any changes advices within two working days, or mersion will have the authority to take appropriate decision for the best interest of both the parties.
3. Programmes and certifications under Mersion do not provide the individual with the alumni status. They are certificates of attendance unless specified.
4. The program fee, which varies with country, is inclusive of tuition fees, accommodation and meals. Air Fare, Visa processing fee and any other expenses are to be borne by the student separately. All financials needs to be cleared well in advance so to facilitate the reservations of seats and accommodations. Late clearance of financials will attract late fees or may result in cancellation of participation. No seats will be reserved without financial clearances.
5. Overseas program requires a valid visa and passport; Mersion may provide assistance only in visa processing through a proper channel, in this case it is advisable that all the attendees from member mersion should apply for the visa atleast 45 days in advance from the day of commencement of the program. But in either of the situations Mersion or SkillTree cannot be held responsible if visa processing is delayed or denied to the applicant and refund is only applicable as per the refund policy. SkillTree and mersion takes no responsibility for the matters related to visa or travel.
6. In the case of cancellation of the application and students seeking refund of the fee deposited, will have to submit the request to manu@mersion.org and the request will be processed within 30 working days as mentioned in Annexure 1 (1.0).
7. In case of visa rejection, the applicant will receive a refund of the total amount paid to Mersion minus a processing fee, which is between 3000-5000 rupees depending on the country.
8. Mersion policies govern the rules to market the program and accepting the application of participants to it programme.
9. Mersion programs are for the participants from the industry/institutions/organizations. All the participants, industry/institutions/organizations are required to strictly adhere to the mersion branding guidelines, and the participants are restricted to use any of the host university logos but can use their name as strictly mentioned in the branding guidelines. SkillTree or its subsidiary mersion may take legal action for any kind of wrong information passed or put forward by the institution in public domain, and hence jeopardizing the brand mersion.
10. Mersion or SkillTree takes no responsibility of the individual taking part in the program. Individuals are expected to abide by all the rules and regulations of the host institution and the country. Mersion or SkillTree during or its partners cannot be held responsible for any action taken against them for misconduct.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered on 15th July 2016 at Pune, India.

BY AND BETWEEN

The Scribbled Stories, registered in India hereinafter referred to as the FIRST PARTY (which expression shall unless repugnant to the context or meaning thereof mean and include its agents, directors, officers, executors, administrators, attorney and assignees).

PARTY OF THE FIRST PART

AND

Entrepreneurship Cell (E-Cell), Dept of Computer Engineering, Smt. Kashibai Navale College of Engineering, an institution registered in India with its registered office at Office # 44/1, Vadgaon (Bk.), Off. Sinhgad Road, Pune - 411041 hereinafter referred to as the SECOND PARTY, (which expression shall unless repugnant to the context or meaning thereof shall mean and include its agents, directors, officers, executors, administrators, attorney and assignees)

PARTY OF THE SECOND PART

INTRODUCTION:

The Scribbled Stories is a social media company.

Smt. Kashibai Navale College Pune-41

Head
Department of Computer Engineering
SKNCOE, Pune 411041

AND whereas Smt. Kashibai Navale College of Engineering (STES), the Second Party herein is a engineering college affiliated to the Pune University. It has the Entrepreneurship cell of Computer Dept. that builds the student through the Internship program and organising various events.

Titles:

The titles of the sections of this MOU are for convenience only and will not in any way affect the interpretation of any section or of the MOU itself.

1. E-Cell will pay the travel expenses of the co-founders.
2. E-Cell will provide materials such as a laptop, projector etc during the course of the workshop.
3. The Scribbled Stories will promote E-Conclave 2K16 on their social media pages.

Independent Contractors:

First party and second party shall perform their duties pursuant to this MOU as independent contractors. Neither party shall have the ability to incur any obligation on behalf of the other party.

Force Majeure:

Neither party shall be responsible for any failure to perform due to unforeseen, non-commercial circumstances beyond its reasonable control, including but not limited to acts of God, war, riot, and embargo, acts of civil or military authorities, fire, flood, earthquake, accident, strike, or shortage of fuel or energy. In the event of any such delay, any applicable period of time for action by said party may be deferred for a period equal to the time of such delay.

Contract Interpretation:

Ambiguities, inconsistencies or conflicts in this MOU shall not be strictly construed against the drafter of the language but will be resolved by applying the most reasonable interpretation under the circumstances, giving full consideration to the parties' intentions at the time this MOU is entered into.

Smt. Kashibai Navale College of Engineering Pune-41

Head
Department of Computer Engineering
SKNCOE, Pune 411041

GENERAL:

This MoU will set the board terms of collaboration between The Scribbled Stories and E-Cell, SKNCOE. Detailed agreement with activity plan/schedule, wherever called for, will be worked out separately between the two parties within the parameters of the MoU.

VALIDITY PERIOD OF MOU

1. This MoU shall be initially signed for 1 year from the date of signing of MoU. The duration of MoU may be extended as mutually agreed by both the parties.

2. The detailed timeframe of the project work shall be submitted by E-Cell Department of Computer Engineering, SKNCOE for different activities. It shall chalk down an exhaustive schedule for all the work that comes under the scope of the MoU and give the tentative expenditure for each of these activities.

CONFIDENTIALITY OF INFORMATION AND SECRECY:

1. The Parties undertake that during the terms of this Agreement and any subsequent agreement, it shall keep in confidence proprietary information received from the other Party and shall not disclose it to any third party, excepting their authorized agents, representatives unless such disclosure of use is specifically authorized in writing.

2. Neither party shall use proprietary information received from the other Party for any purpose other than the objective and task agreed between the Parties.

PUBLICITY AND PUBLIC INFORMATION:

Any news release, public announcement, advertisement of publicity proposed to be released by Consultant concerning this Agreement shall be subject to the prior written approval .

AMENDMENTS:

Modifications or alterations to this Agreement can only be made by means of a written amendment executed by an authorized representative of each Party.

TERMINATION:

In case Consultant fails to proceed with the work as per the time schedule herein above and / or fail to complete the assignment, or there is a breach of any of the terms & conditions of this Agreement, shall have the right to terminate this agreement after giving thirty (30) days notice in writing

Sinhgad Technical Education Society's Sinhgad Institute of Technology, Kashibai Navale College of Engineering, Pune-41

Head
Department of Computer Engineering
SKNCOE, Pune 411041

and in such an event, However, the termination shall survive the obligation of confidentiality & publicity as referred above.

Arbitration:

All and any disputes and claims arising out of or relating in any manner to this Agreement or the breach, termination, non-performance, interpretation or validity thereof, shall first be discussed in good faith by officers duly nominated for the purpose by each party with a view to resolving the same.

If the dispute or difference as aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as foresaid, shall at the request of either party be referred to Arbitration. In such a case, a joint request by party of First Part and Second Part will be made to an eligible and competent person to act as a Sole Arbitrator.

The appointment and proceeding of including its jurisdiction clause and arbitration clause shall be governed and will be interpreted in accordance with the laws of India. The Arbitration award shall be final and binding on the Parties herein.

Governing Law and Jurisdiction:

These Terms and Conditions of this MOU (including its jurisdiction clause and arbitration clause) shall be governed and will be interpreted in accordance with the Indian Laws and the courts of India shall have the exclusive Jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this MOU to be executed by their respective duly authorized persons on the day and date mentioned hereinabove.

2. Neither party shall use proprietary information received from the other Party for any purpose other than the objective and task agreed between the Parties.

PUBLICITY AND PUBLIC INFORMATION:

Any news release, public announcement, advertisement of publicity proposed to be released by Consultant concerning this Agreement shall be subject to the prior written approval .

AMENDMENTS:

Modifications or alterations to this Agreement can only be made by means of a written amendment executed by an authorised representative of each Party.

TERMINATION:

In case Consultant fails to proceed with the work as per the time schedule herein above and / or fail to complete the assignment, or there is a breach of any of the terms & conditions of this Agreement, shall have the right to terminate this agreement after giving thirty (30) days notice in writing and in such an event, However, the termination shall survive the obligation of confidentiality & publicity as referred above.

Arbitration:

All and any disputes and claims arising out of or relating in any manner to this Agreement or the breach, termination, non-performance, interpretation or validity thereof, shall first be discussed in good faith by officers duly nominated for the purpose by each party with a view to resolving the same.

Smt. Kashibai Navale College of Engineering Pune-41

Head
Department of Computer Engineering
SKNCOE, Pune 411041

If the dispute or difference as aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as foresaid, shall at the request of either party be referred to Arbitration. In such a case, a joint request by party of First Part and Second Part will be made to an eligible and competent person to act as a Sole Arbitrator.

The appointment and proceeding of including its jurisdiction clause and arbitration clause shall be governed and will be interpreted in accordance with the laws of India. The Arbitration award shall be final and binding on the Parties herein.

Governing Law and Jurisdiction:

These Terms and Conditions of this MOU (including its jurisdiction clause and arbitration clause) shall be governed and will be interpreted in accordance with the Indian Laws and the courts of India shall have the exclusive Jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this MOU to be executed by their respective duly authorized persons on the day and date mentioned hereinabove.

MEMORANDUM OF UNDERSTANDING

Between

Geekslab Technologies Pvt. Ltd., New Delhi

GeeksLAB

And

Smt Kashibai Navale College of Engineering, Pune

Sinhgad Institutes

SKN COLLEGE OF ENGINEERING
VADGAON, PUNE

The Memorandum of Understanding (MOU) made and entered into on 18th day of April, 2016 is between **Geekslab Technologies Pvt. Ltd.**, having its corporate office at C-7/223, Sector-7, Rohini, New Delhi-110085(herein after referred to as GeeksLAB) and **Smt. Kashibai Navale College of Engineering**, having its campus at Survey No. 44/1, Off Sinhgad Road, Vadgaon Bk. Pune, Maharashtra – 411041. (herein after referred to as

Smt. Kashibai Navale College of Engineering Pune-41

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

SKNCOE) for the purpose of providing the industrial exposure and enhancing the quality of engineering education being imparted to the students.

PREAMBLE:

Geekslab Technologies Pvt. Ltd., an integrated solution provider, is working with a motive to provide IT services and solutions as well as to spread awareness about latest technological trends amongst students all over the world. GeeksLAB being a knowledge platform believe in sharing our domain expertise through our workshop programs. GeeksLAB is engaged in Technical Education, IT Solutions, System Integration, Application Development and Out-Of-Home technology solutions. GeeksLAB has a strong foundation of intellectual capital and result-orientation. The team is a strategic mix of professionals from technology, consulting, business management and client servicing domains. GeeksLAB felt the need to expose students to the emerging technologies on a continuous basis. GeeksLAB proposes to do so by conducting workshops and training programs in the academia on different emerging technologies.

Smt. Kashibai Navale College of Engineering (SKNCOE) is part of the Sinhgad Institutes Vadgaon (Bk) campus. The college believe in and work for Holistic development of students and teachers. They strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant Society.

The college offers a plethora of courses including Undergraduate Engineering Programs, Postgraduate Engineering Program, Postgraduate Management Programs and PHD Programs. The institute is affiliated with the University of Pune and managed by the Sinhgad Technical Education Society (STES). The college takes its name from the nearby Maratha fort. It has been accredited by the National Board of Accreditation and recognized by the AICTE.

Head,
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

OBJECTIVES:

A. MOU is for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education being imparted to the students.

B. MOU is to provide the industrial exposure and trending technologies for students to enable them to meet the industry needs and to be recognized globally.

C. **As per MOU**

(Geekslab Technologies Pvt. Ltd., New Delhi) will help the Institute by granting the permission for

1. Provide support for projects of the students & Industrial Project training/assistance to the Students.
2. Conduct Research, development and training in Science, Technology and Design relevant to the field of Information Technology and all engineering domains.
3. Conduct Professional, Vocational and Certificate Courses in engineering related budding technologies.
4. Organize other professional activities like workshops, on-line trainings, special lectures, seminars, boot camp, in-house and summer/winter training at campus and; allow all the students and staff to attend the same.
5. Increase employability by providing technical training programs.
6. Strengthen relationship and assist support with other Universities/Colleges.(with whom GeeksLAB shared healthy relation)
7. Work with educational bodies/universities to align the industry requirements into the college curriculum Sharing Industry oriented-courseware and Technology.
8. Technical Guidance for Lab Developments & Setups.
9. Provide a platform for academicians for research and consultancy work at their premises or in industries.
10. Assist latest research projects to teaching faculties to enhance quality of education

Smt. Kashibai Navale College of Engineering Pune-41

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

11. Sharing Industry oriented-courseware and Technology.
12. Create an industrial awareness among students / teaching faculties.
13. Organize joint programs between industry and academicians to enhance quality of education.

(SKNCOE Pune) will help GeeksLAB by providing

1. Research/Computer Lab/Seminar Hall facility.
2. Full infrastructure and facilities support in arranging Campus events, on-line trainings and technical training programs.
3. Information about the students and passed out students looking for projects, training opportunities, technology awareness, change in service.
4. Organizing Career Counseling lectures for the students in college premises.
5. SKNCOE Pune will always give the preference to GeeksLAB for providing consultancy and training; if training on any domain/at any time is not provided by GeeksLAB than only SKNCOE will prefer other resources.
6. Research & Consultancy services.
7. Technical Support and Knowledge sharing.
9. Joint efforts and work opportunity for Technology Incubation Centre (TBI)/ Entrepreneurship Development (ED) Cell if required.

BUDGET:

1. SKNCOE will provide all infrastructure support to the training programs, R&D, projects and other activities – For Education, training and Research of latest technological trends.
2. The revenue shares for research, education, professional training, recurring expenditure and other activities would be defined from time to time and will be governed by separate agreements.

TERMS AND CONDITIONS:

1. RELATIONSHIP :

1.1 MOU is the collaboration between two parties for mutual benefit.

1.2 MOU stands valid for **three years** from the date of agreement. The collaboration can be terminated from either side with a notice period of one month.

1.3 Both parties shall work in synchronism to ensure the successful completion of collaboration.

1.4 The parties to this letter of intent may, by mutual consent, add, modify, amend, delete, review or revise any term(s) and condition(s) of this agreement.

1.5 Both the parties shall provide adequate facilities to the students undergoing training with mutual understanding.

2. OBLIGATION :

2.1 Each party shall meet the expenses as mutually agreed.

2.2 Each party shall respect the others intellectual property (I.P.) rights.

2.3 Both parties undertake to treat as CONFIDENTIAL AND PRIVILEGED information of each other, which is so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable terms.

2.4 The details for the efficacious implementation of the MOU shall be jointly worked out on mutually acceptable terms within the parameters of the policies, rules and regulations of both the parties.

3. LIMITATION :

3.1 Each party represents that they have full power and authority to enter into this MOU.

3.2 Each party shall ensure to work together with maturity.

4. DEFAULTS AND TERMINATION:

4.1 The MOU can be terminated by either of the party with one month notice.

Memorandum of Understanding

Between

e-Maestro, Pune

203,Rsquare, Warje Highway,Pune-58

And

STES's Smt. Kashibai Navale College of Engineering (E&TC Dept.), Pune-41

ON DAY OF 2nd May 2016

1.1 Context

This MOU is hereby entered into by & between e-Maestro, Pune hereafter referred to as the "Learning partner" & the Smt. Kashibai Navale College of Engineering, Pune hereinafter referred to as SKNCOE (E&TC Dept.), Pune . Collectively all signatories of this MOU will be known as cooperators.

1.2 Purpose

The Purpose of this MOU is to formalize a relationship between the aforementioned institute & e-Maestro, Pune for the purpose of cooperating in providing training & educational information to facilitate student's development towards industry readiness.

1.3 Objective

The objective of this MOU is to collaborate for following activities with SKNCOE, Pune

- ✓ To provide guest lectures on new technologies from Industry resources
- ✓ To conduct workshops in college campus for out of curriculum skills
- ✓ To conduct Soft skill enhancement workshops
- ✓ To provide Summer training certification courses to enhance software skills

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

1.4 e-Maestro, Pune & SKNCOE, Pune agree to:

It is mutually agreed and understood by both the Parties that

a) SKNCOE(E&TC Dept.),Pune shall provide the infrastructure, software & hardware for delivering the classroom sessions & lab sessions in their campus
b) Learning Partner shall provide competent trainers for theory & lab sessions.
c) Commencement of any course will be based on student's availability.
d) The students will be divided into batches, depending on the total strength.
e) The Learning Partner should follow the course content and Time Table provided by SKNCOE (E&TC Dept.), Pune.
f) Feedback of the Learning Partner will be taken after 5 sessions of training and then depending on feedback the training will be continued otherwise the contract will be terminated.

1.5 Activities Conducted

Sr. No	Course Name	Tentative Duration
1	Guest lectures on Recent Industry trends like IOT, Big Data Analytics etc.	1-2 hrs
2	Workshop on Soft Skills & Interview skills development	4 hrs
3	Workshops on technical skills out of syllabus • Manufacturing IT, • Industrial Automation, • Software Testing, • Microsoft technologies, • IOT, • Hadoop, • Android programming*	4 hrs
4.	Certification Programs	30Hrs

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041.

- Software testing,

- Social Media &Digital Marketing,
- IOT Platform
- Web development technologies.net and PHP
- Big Data Analytics

1.6 Commencement /Expiration/Termination

This MOU takes effect upon the signature of the Learning Partner & SKNCOE (E&TC Dept.),Pune shall remain in effect for one year. This MOU may be extended or amended upon written request of the Learning Partner & subsequent with concurrence of the others. Any of the agencies may terminate this MOU with 30 days written notice to the others.

1.7 Methodology

- **Feedback:**

  The Learning Partner may take feedback of the participants as & when they feel necessary. SKNCOE (E&TC),Pune will take feedback from students on regular basis & will inform the Learning Partners about the outcome of the feedback. The suggestions evolved out of this feedback will be taken as inputs for further session as a part of process improvement.

- **Project**

  During the training the Learning Partner must assign project work in the group of (3-4) students. It is the responsibility of Learning Partner to look after progress of project status and to get projects completed from students.

Head
Dept. of Electronics & Telecommunication Engineering
Smt. Kashibai Navale College of Engineering, Pune - 411 041

Sinhgad Institutes

e-Maestro

- **Course Material**

  The Learning Partner must provide softcopy of the training course material to the students

- **Certificates & Awards**

  Successful candidates will receive a "Certificate of Participation". The Certificates are issued by e-Maestro.

- **Payment Terms**

  Payment terms can be mutually decided by Learning Partner and SKNCOE (E&TC Dept.), Puneaccording to the type of activity.

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN
DISHANT GHAI OF ZOODIFY
AND
SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING

THIS MEMORANDUM OF UNDERSTANDING (hereinafter referred to as MOU) is by and between Zoodify, Bangalore a Propriety Firm and a Startup (hereinafter referred to as "ZOODIFY") and SMT. KASHIBAI NAVALE COLLEGE OF ENGINEERING, PUNE, a Private Education Institution in Pune, Maharashtra- 41 (hereinafter referred to as "SKNCOE-IT"). This MOU is effective on the date of the last signature by the authorized officials of the two parties.

1. BASIC UNDERSTANDING AND OBJECTIVES:

1.1 The objective of this MOU is to express the willingness of both parties to engage in an effort to successfully implement Pilot Runs for the Zoodify Mobile Application developed by Dishant Ghai (Alumni Student of SKNCOE IT- 2009 batch) in SKNCOE-IT and other departments of SKNCOE.

1.2 SKNCOE-IT is getting into this MOU for the sole purpose of promoting Entrepreneurship among its students by supporting its Alumni Student Dishant Ghai, Founder of Zoodify, so that more of its students turn to Entrepreneurship and bring about positive change in the society with their innovations.

1.3 Zoodify, which is a Mobile Communication App Startup, Founded by Dishant Ghai (Alumni Student of SKNCOE IT- 2009 batch) is getting into this MOU to be able to Test the Scaling and Functional issues in the Zoodify App in a real world like scenario as a Private Beta Test, so that such issues can be uncovered before this App is made publically available.

2. OTHER PROVISIONS

2.1 SKNCOE-IT agrees to provide the necessary support in appointing the Teacher Coordinators and Student Ambassadors who can oversee the Mobile App Download and usage among Teachers, Students and other college officials for their internal communication.

2.2 The appointed Student Ambassadors and Teacher coordinators will be required to report any Issues in App Usage / App Crashes or bugs to Zoodify so that the latter can rectify them.

2.3 Zoodify agrees to help the appointed Teacher Coordinators and Student Ambassadors to understand the Zoodify App in detail so that they are able to make the best of the App in various scenarios.

2.4 Zoodify further agrees that post successful beta testing of Zoodify App in SKNCOE, will provide the Zoodify App to students of SKNCOE-IT Free of Cost for at least 2 years.

MEMORANDUM OF UNDERSTANDING

BETWEEN

HOUSE OF SCIENCE, AHMEDABAD

&

SKN COLLEGE OF ENGINEERING, PUNE

This MOU is entered into on this 10th day of Jan, 2017, by and between HOUSE OF SCIENCE, a company incorporated under the Companies Act, 1956 and having its registered office at A-401,Govind plaza, Nr VijayNagar, Ahmedabad, Gujarat, 380009 (herein after referred to as "House of Science" which expression shall include its authorized representative) and SKN college of Engineering, PUNE-41 (herein after referred to as "SKNCOE" which expression shall include its authorized representative).

Memorandum of Understanding:

Areas of Co-Operation:

HOUSE OF SCIENCE will facilitate SKNCOE for:

1. House of Science will conduct SWIFT course for interested students in 1st & 2nd year students of all branches. SWIFT is course based on Project-Based-Learning (PBL) model, where students get hands-on practical experience on the subjects that they study each semester.

2. SKNCOE students enrolled in SWIFT will get 10 sessions each semester covering major subjects in the syllabus. Each session will be 2 hours long with total duration of the course upto 20 hours each semester.

3. SWIFT course will be delivered to SKNCOE students on-campus with kits and material provided by the House of Science only during the session.

4. Fees per students per semester for 10 sessions is 1799/- INR out of which House of Science will share 20% (360/- INR per student) with the college management for their hospitality and support.

5. SKNCOE students enrolled in SWIFT will receive certification each semester upon successful completion of the course.

6. All SWIFT students will get online and offline technical support and mentorship from our experts for their individual innovative projects.

SKNCOE will help HOUSE OF SCIENCE in following areas:

1. SKNCOE shall provide one computer lab equipped with Audio/Video System for students enrolled in SWIFT during the sessions.

2. Schedule for conducting SWIFT sessions will be decided based on mutual consent and lab availability.

In Continuation to above, any other areas of co-operation that may emerge from time to time would be taken into consideration with mutual consent. This understanding will be revised every 1 years and will revise in case of necessity of mutual parties.

For ensuring the proper conduction of above activities, there needs to be one Coordinator from both the parties. We nominate _____ from SKNCOE and Mr. Pratik Bhatt from HOUSE OF SCIENCE for carrying out these activities.

It is agreed between the parties that whatever information is shares between two, shall be treated as strictly confidential.

Employability Quantified

SCOPE OF WORK

1. The scope of this Work Order is **valid for 14000 candidates from any department from** the STES and will cover the following program conducted by ASPRING MINDS:

PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM

2. The objectives of the PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM will be to:

- Determine the training needs of the employee
- Determine the Employment Potential of the students related to HR & Generic skill area
- Benchmark the students in terms of Industry specific recruitment standards
- Provide Psychometric-based behavioral attributes profiling and mapping
- Expose the students to a real life complete recruitment process used by companies in terms of fresher or campus recruitment.

3. Candidates will get:

- **Feedback & Diagnostic Report:** - Every assessed candidate will get a feedback report reflecting his/her performance in the assessment test. The report will highlight their strengths and employability across various sectors. **Students will be given National & College Percentile based on their AMCAT scores and will be ranked accordingly.**

- **AMPI Report:** - Aspiring Minds Personality Inventory is based on FFM: Five Factor Model. FFM is the widely accepted model for personality assessment.

- **Counseling session:-** The Aspiring Minds Campus team will conduct a session with the candidates to explain the candidates the method of analyzing the reports and understanding the analysis.

4. Management will get:

- **Campus Performance Report:** - Aspiring Minds has prepared a unique report for Management that gives an in-depth analysis of the candidate performance based on the test. The report is highly useful for the management as a tool to further improve the educational system through the results shared in the report. As a part of the tie-up, Aspiring Minds shall be preparing a 35 to 60 page report for the management & forwarding the same to the concerned people in the management (communicated by STES). **This will be provided for all the campuses put together, for individual campuses as well as for individual institutions.**

- **Campus Training Need Analysis:** - This is an excel file that has been divided into various parts, this file will give you the idea about the candidates who require training in English, Quantitative ability, Logical reasoning. It also tells you the candidates who have performed well. It has a color coding of the student marks in comparison to the national percentile. Based on this report, we help you understand about the students that are ready to be placed, which can be placed with the help of training and which is the bottom quota of your students.

- **Sector Fitment Analysis**: - This is an excel file, this sheet will tell you the students who can be placed in various sectors, this sheet gives you the name of the students and [illegible] are they best suited for helping the Training and Placement office to reduce their work load at the time of campus drives.

5. The STES will provide the required infrastructure support to conduct the program on the scheduled days at our premises. For further & detailed planning related to the event & logistic management, please get in touch with the authorized representative(s) mentioned above.

PLACEMENT (CAMPUS) SUPPORT INITIATIVE

6. ASPIRINGMINDS works towards bridging the gap between India Inc. & fresh Indian talent by providing a **NEUTRAL & PROFESSIONAL PLATFORM** to both the corporate & the institutes (fresh candidates).

7. Apart from the PRE-EMPLOYMENT SKILL ASSESSMENT PROGRAM, as **a special additional value added support**, ASPIRINGMINDS will also undertake **PLACEMENT (CAMPUS) SUPPORT INITIATIVE** for the students considered under this work order.

8. **The PLACEMENT (CAMPUS) SUPPORT INITIATIVE** will be a joint initiative of ASPIRINGMINDS & the STES with the final objective / aim at bridging the gap between potential employer's intake requirements (across India & abroad) and the fresh talent pool passing out of the STES.

9. Aspiring Minds will be sharing the database of AMCAT assessed students with its client list. Students shortlisted by the clients for internships/final recruitment may be interviewed through multiple modes like joint campus drives, telephonic interviews, and interviews at central locations, company office or any other means decided by the company.

10. We agree to the fact that the PLACEMENT (CAMPUS) SUPPORT INITIATIVE will only be applicable:

A. For the students who will be attending & completing the complete assessment program.

FINANCIALS

11. The **one-time** fee for AMCAT assessment for 14000 Candidates is **Rs. 23.8 Lacs, i.e. net effective price of Rs 170/ student. STES will be testing a minimum of 14000 students.**

12. Each batch year Candidate shall be provided the opportunity to a one re-assessment. **Re-assessment will be free of charge.**

13. The STES shall not be charged any other fee apart from the one-time AMCAT fee as mentioned in clause 11. Hence all transportation cost of Aspiring Minds Testing Team, event management cost or any other operational cost will not be levied to the STES.

14. The assessment for all the 14000 Candidates should be over by the end of October 2016 else revised rates will be applicable.

15. The above agreement will be valid only when all the 14000 Candidates are reassessed before March, 2017.

MEMORANDUM OF UNDERSTANDING

This agreement is entered into to provide placement preparation to students of Shrimati Kashibai Navale College of Engineering,Pune (hereafter referred to as Institute) by Pariksha.Co (hereafter referred to as Pariksha).

Article 1: Purpose and scope of the agreement

The purpose of this agreement is to establish a placement preparation programme for undergraduate (bachelor) and graduate (master) students of the Institute who will be graduating in the year 2017, 2018, 2019 and 2020. The service will be free for the aforementioned sessions with Pariksha.Co being the exclusive online placement preparation partner of the Institute. This Agreement is limited to students of the Institute only.

Article 2: Institute's responsibilities

1. Institute shall undertake all necessary measures in order to facilitate conduction of tests.
2. Institute is required to register and create an account (if already not created) on Pariksha.co using their official credentials (Name, Email, Phone no., Place etc.)
3. On successful activation, Institute can upload the list of email-addresses of the authorized students and they will be automatically approved on successful registration.
4. Institute will assign a point man to coordinate, help, and resolve any logistic issue with Pariksha.
5. The arrangements of this agreement are confidential and Institute should not disclose these arrangements to anyone, except as demanded by court of law.

Article 3. Pariksha's Obligation

1. Pariksha shall provide test-series of Aptitude, Software Development and Coding tests
2. on its own platform.
3. Pariksha's turnaround time on any issue raised by Institute will be 48 hours. Pariksha will not misuse any student information.
4. Pariksha will provide with streamlined tests and assistance in conducting the tests.

Article 4:Applicable Law and Resolution of Disputes

All disputes arising out of or in connection with this Agreement shall be settled under the Rules of the Arbitration of India by one or more arbitrators appointed in terms of such rules. All costs of any arbitration will be paid as directed by the arbitrator or umpire as the case may be. The arbitration proceedings shall be conducted in Pune, Maharashtra, India, in English.

Article 5: Signatures

The Agreement exists in two originals, one for each Party.

Startup and Innovation Cell

Smt. Kashibai Navale College of Engineering Vadgaon

Pune -41

The following are expected from both parties:

Deliverables expected from Navayuvak Entrepreneurs:

1. Assist Startup and Innovation Cell in Mentoring startups by bringing in sector-specific mentors from its network.
2. Conduct workshops, bootcamps for development of students.
3. Act as a non-monetary partner for all the relevant events (startup festival, Hackathon, etc.) and facilitate the participation of Industry partners in the same.
4. Co-create any new initiatives that would mutually benefits engaging partners.

Deliverables promised from Startup and Innovation Cell , Smt.Kashibai Navale College of Engineering Vadgaon College:

1. Will work with Navayuvak entrepreneurs to bring in sector specific mentors to Startup and Innovation Cell.
2. Conduct workshops, bootcamps for development of students.
3. Promote Navayuvak Entrepreneurs as a non-monetary partner for all the relevant events (startup festival, Hackathon etc.) at your college.
4. Co-create any new initiatives that would mutually benefits engaging partners.

It is an honor to be associated with you and we look forward to a successful and an impactful year.

General:

1. The term of this MoU will be applicable for a period of two years, whereby commitments till such date will be honored by both parties.
2. Both parties will work to make the partnership a successful one and both parties agree to adhere to the internal norms of their respective organizations.

3. All Logo Mentions, advertisements, website mentions/Links and branding in 'Smt.Kashibai Navale College of Engineering Vadgaon' website/relevant events will be done on the basis of mutual consent.
4. The MoU can be terminated on mutual consent with a notice of three weeks.

Memorandum of Understanding

This **MOU** is being executed on 31st March 2016 between M/s **NAIP Education Pvt. Ltd.** having its Registered office at **256, 2nd Floor, Satra Plaza, Sector No. 19D, Vashi, Navi Mumbai, 400 703** and represented by **Mr. Nayaz Qazi (Chairman) herein referred to as "NAIP"** and **Sinhgad Technical Education Society, Pune represented** by **Prof. M.N. Navale (Founder -President. STES)** herein referred to "**STES**"

1. As agreed as per this Memorandum of Understanding, NAIP and STES will jointly certify the students that successfully complete the National Academy of India Payroll Professional programmes in Payroll and Labour Law compliance.

2. It is the sole responsibility of NAIP to market, recruit and enroll the students onto the Payroll and Labour Law compliance programmes of study. It is also the responsibility of NAIP to deliver the programmes by using its own faculty, course material and learning portal and to assess and examine the students as per the programme specifications.

3. NAIP will deliver the programmes pan-India either through its tutor supported online learning or through its classroom delivery.

4. STES will as per the mutually agreed design and format between NAIP and STES, jointly certify and badge the NAIP programme certifications, as issued by NAIP.

5. Both NAIP and STES will meet twice a year to discuss and share best practice in relation to this collaboration.

6. NAIP will share on a bi-monthly basis a list of the students enrolled on to the programmes to STES against which STES will issue an invoice for its remuneration as confirmed in the financials clause in this MOU.

7. STES is not required to provide faculty, neither is STES required to deliver the programmes, both of which as above mentioned is the responsibility of NAIP.

8. NAIP will provide the foundation certificate course in Payroll and Compliance to STES students at a concessional fees of Rs.3000/- only. It is agreed that STES reserves the right to set the fee for its students and can change the fee each year of the duration of this

9. agreement as will be mutually discussed.

10. The Financials:

i) NAIP will pay STES 15% of the gross fees (for its support and infrastructure and facilitation) it receives from all enrolments onto the Programmes. For purposes of clarification this 15% gross would be paid for students recruited either by STES and directly by NAIP.
The course fees from which the 15% will be paid by NAIP to STES are detailed in the annex to this agreement.

ii) NAIP will pay STES 50,000 INR (fifty thousand rupees) on the signing of this MOU to cover the costs of establishing this collaboration.

11. The students would make the payment directly in the name of NAIP Education Pvt Ltd in cash/ cheque or bank transfer, however if at any point STES collects the payment it will handover to authorized representatives of the NAIP.

12. The course material, ID's, online support, monthly magazine and other materials shall be made available to the students once the payment is received by NAIP from the student.

13. STES will when required by NAIP, provide infrastructure for the delivery of classroom learning.

14. STES will be part of the moderation committee with NAIP which will sit 3 times a year.

15. The certificates as mentioned in the above-mentioned clause 5 will be issued to the student on successful completion of the training & evaluation process by NAIP.

16. STES will at its discretion participate along with NAIP to conduct awareness about certification programmes organized in the campus & shall also grant permission to display materials related to the same.

17. NAIP is authorized to utilize the STES logo as "its educational certifying partner" in the NAIP marketing and promotion of the programmes. STES can utilise the NAIP logo to promote this collaboration.

18. NAIP owns the copyright to the NAIP programmes and its course materials, learning portal and remains the property of NAIP.

Respected Sir,

Recently a MoU was signed between Sinhgad Technical Education Society and Truecopy. PFA a scanned pdf of the said MoU.

On behalf of Truecopy, the SPoC is Ms. Sonia Soman, CEO, Truecopy Credentials (Mobile 9822314668).

Brief about the MoU:

- At STES, we issue transcripts to our students who desire to apply to Universities, overseas. Truecopy facilitates sending these transcripts electronically to receiving universities. This ensures speedy delivery, acknowledgement of receipt and also lesser cost, which benefit the student.
- Also, Truecopy provides a cloud-based system for students to record their co-curricular activities that are approved by authorized approvers in the Institute or by verified external approvers. Students can obtain the digitally signed copy of their co-curricular transcript that lists all the approved activities. T360 will be a valuable credential for the student in addition to their academic credentials in their effort towards further education or employment.

For your kind attention as well as execution.

Thank You

Sincerely

Jayesh

MEMORANDUM OF UNDERSTANDING

This memorandum of understanding (MOU) is made on 5th October, 2015 at Pune between **Truecopy Credentials Pvt Ltd located at 102, Supreme Ikon, Baner Road, Pune, India, 411007 hereafter referred to as Truecopy.**

And

Sinhgad Technical Education Society situated at 19/15, Erandwane, Smt. Khilare Marg, off Karve Road, Pune, India, 411041 hereafter referred to as Institute.

Background:

Institute issues transcripts to its students who desire to apply to Universities, overseas. Truecopy facilitates sending these transcripts electronically to receiving universities. *This ensures speedy delivery, acknowledgement of receipt and also lesser cost, which benefit the student.*

Also, Truecopy provides a cloud-based system for students to record their co-curricular activities that are approved by authorized approvers in the Institute or by verified external approvers. Students can obtain the digitally signed copy of their co-curricular transcript that lists all the approved activities. *T360 will be a valuable credential for the student in addition to their academic credentials in their effort towards further education or employment.*

The purpose of this MOU is to:

Establish the terms of collaboration between Institute and Truecopy to provide electronic transcript support (generation & delivery) to the students of the Institute.

AND

Establish the terms of collaboration between Institute and Truecopy to provide the T360 System-co-curricular transcript support (generation & delivery) to the students of the Institute.

Validity:

This MOU is valid for 3 years from the date of signing. Either party can terminate this agreement during the period of the agreement by issuing a written notice of 3 months.

Terms & Conditions for Generation and Delivery of Academic Transcript

1. Truecopy will provide an online system to enable the students of Institute to apply for transcripts and send transcripts electronically to Universities in the US/UK/Canada/Finland over the Truecopy Transcript Network.
2. The system provided by Truecopy will include:
    a. Transcripts application link on Institute website
    b. Online Transcript application form to be filled by students including ability to specify receiving universities
    c. Online Approval of Transcript applications by competent authority of the Institute within 2 working days.
    d. Online payment gateway for students to pay the transcript delivery charges
    e. Delivery of secure transcripts to the US University

Navale College of Engineering Pune-41

f. Email acknowledgement of delivery to student

3. For Universities that are not in the network, Truecopy will get paper transcripts approved and attested from the competent authority of the Institute and will post the sealed envelope to the student. The application process will be same as points 2) a to d outlined above.
4. Institute agrees to facilitate digitally signed electronic transcripts based on its student records, and Truecopy agrees to provide support to enable this.
5. Institute agrees to publicize the Truecopy service to its students who wish to apply to universities in US.
6. There are no subscription charges to the Institute.
7. Truecopy will charge an application fee of INR 300 directly to the student. This fee will include the approved soft copy of the transcript.
8. Truecopy will charge per electronic transcript delivery directly to the student @ INR 800/University.
9. Truecopy will charge for paper transcript delivery directly to the students @ INR 400/University. These fees include printing, attestation of transcripts. Delivery via DHL to the overseas University or by DTDC to a local address will be charged at actual rates.
10. Truecopy will pay the Institute a sum of INR 100 per student as application fee and INR 200/University.

Terms & Conditions for T360 System

1. Truecopy will provide an online system to enable the students of Institute to record their co-curricular activities and submit them for approval to authorized approvers in the Institute or verified external approvers.
2. The system provided by Truecopy will include:
    a. T360 application link on Institute website
    b. Online T360 application form to be filled by students
    c. Online Approval of activities by competent authority of the Institute or by verified external approvers
    d. Online payment gateway for students to pay the T360 charges
    e. Delivery of secure digitally signed co-curricular transcripts via email
3. Institute agrees to facilitate the T360 system and Truecopy agrees to provide support to enable this.
4. Institute agrees to publicize the Truecopy service to its students who wish to receive their certified co-curricular transcript.
5. There are no subscription charges to the Institute.
6. Truecopy will charge a fee of INR 1500 directly to the student only when the student chooses to receive the certified co-curricular transcript.
7. Truecopy will pay the Institute a sum of INR 300 per student on emailing his/her co-curricular transcript.

Sub: Renewal of Campus Connect Program MoU

Dear Sir,

We are pleased to inform you that your esteemed institution has met or exceeded the expectations in the Campus Connect Program partnership. In this regard, we are pleased to extend the Campus Connect Program MOU for a further period of 2 years.

Please find enclosed the Renewal of Memorandum of Understanding (RMOU) of Campus Connect Program between Infosys Limited and Smt. Kashibai Navale College of Engineering.

With regards,

Satheesha B. Nanjappa

Memorandum of Understanding

This Memorandum of Understanding ("MOU") is between Infosys Ltd, a company incorporated under the laws of India with its registered office at Electronics City, Hosur Road, Bangalore – 560 100, India (hereafter referred to as "Infosys"); and

Smt. Kashibai Navale College of Engineering, an engineering college committed to educational excellence having its office **44/1, Vadgaon(Budruk) off Sinhgad Road, Pune-411041** Hereafter referred to as "Partner").

RECITALS:

A. WHEREAS Partner has been established for the purpose of enriching the technical education process and to jointly work for enhancing the quality of education imparted to students of all the engineering disciplines in the field of Information Technology (IT).

B. AND WHEREAS Infosys wishes to collaborate with the Partner for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education imparted to students of all the Information Technology ("IT") disciplines.

C. AND WHEREAS Partner with assistance from Infosys has goals for enhancing the quality of the technical education for students thereby enabling them to meet the industry needs and to be recognized globally.

Navale College of Engineering Pune-41

NOW THEREFORE THE PARTIES HEREBY ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. This MOU is for collaboration between both parties, for mutual benefit, to enhance the quality of the educational experience of students of the Partner and for the specific purposes detailed in Annexure I of this MOU

2. Infosys shall be responsible for providing the requisite course material, publicity material such as handouts, information brochures and posters and conducting faculty enablement programmes as agreed between the parties.

3. The Partner shall be responsible for providing the requisite infrastructure, network and internet access and any other facility required for the education and training.

4. It is agreed that the terms and conditions of any agreed cooperative project (s) as outlined in Annexure 1 of this MOU shall be the subject matter of separate definitive agreements to be negotiated and agreed upon by the Parties and/or any third parties, wherever applicable, provided always the decision whether to initiate and/or implement any proposed cooperative projects shall be subject to the availability of funds and human resources on the part of each Party.

5. The parties, their representatives, and/or assignees, following the execution of this MOU, desire to maintain close contacts with each other to achieve the goals and objectives of, and to develop the ideas acknowledged in this MOU.

6. Both parties hereby agree to designate a representative from its side who will be the primary point of contact on behalf of that party.

7. Any expenses incurred by the parties for the purpose of this MOU shall be agreed upon and shall be borne as per the mutual agreement.

8. Notwithstanding any other provision of this MOU, neither party shall have any right to use any trademarks or trade name of the other party, nor to refer to this MOU or the obligations performed hereunder directly or indirectly, in connection with any product, promotion, or publication without the prior written approval of the other party

9. All information which has been disclosed to or obtained by either party at any time during the implementation of this MOU, is confidential information. For this purpose the parties agree to sign the binding non-disclosure agreement in Annexure II.

10. The terms and conditions mentioned herein shall commence on the execution of this MOU and shall continue for a period of two (2) years from the date thereof or for such

period as may be determined or extended by the parties from time to time by written notice, unless terminated by either party in accordance with this MOU. Either party may terminate this MOU at any time by providing three (3) months written notice to the other party.

11. Any notice required to be given hereunder shall be in writing and shall be deemed to be sufficiently served on the party if sent by hand or by registered post to the addresses of the party as stated in this MOU. Notices shall be deemed received:-

(i) If sent by registered mail, three (3) days after posting;
(ii) If by hand, on the day of delivery; and
(iii) If sent by telex or facsimile to the correct number or designated address within seventy-two (72) working hours.

12. Both parties agree to take all reasonable steps to ensure the successful completion of the collaboration, and co-operate with each other in duly carrying out the obligation agreed upon.

13. The expiration and termination of this MOU will not affect the terms of those activities, which are in progress at the time of notification of expiry or termination of the MOU.

14. On the termination or expiry of this MOU or when requested by Infosys, the Partner undertakes to return all materials to Infosys without any delay.

15. Each party shall ensure that they do not actively solicit the faculty of the other party who is involved in the implementation of this MOU during the period of such faculty's involvement with the program and for six (6) months thereafter.

16. Both the parties agree that Infosys is not obliged on account of this MOU to recruit any fixed number of students from the Partner.

17. This MOU is an indication of good faith and intent on the part of both parties and does not create any legal obligations between them. In the event of any differences or disputes arising from the implementation of the provisions of this MOU, the parties shall as far as possible settle such differences or disputes in good faith by consultation or negotiation between the parties.

18. Save and except for Clause 6, Clause 7 and Clause 8, this MOU is not a legally binding contract and under no circumstances does this MOU subject either of the parties to liability for breach, whether material or minor, of contract or any other liability under international law or the laws of the country of the respective parties or any other applicable law.

Sinhgad College of Engineering
Pune-41

19. The parties hereby agree that they are not bound exclusively by this MOU and are at liberty to enter into any separate agreements or arrangements with any third party without reference to the other party.

In written whereof both parties put their hard seal on the day, month and year herein mentioned.

Infotech

Date: 13/ 07/2015

Prof. R. H. Borhade,

Head of Department, Smt. Kashibai Navale College of Engineering, Pune.

MEMORANDUM OF UNDERSTANDING (MOU)

Between

Confluence Infotech, Pune

And

Smt. Kashibai Navale College of Engineering, Pune.

This is an agreement beween *"Confluence Infotech, Pune"*, hereinafter called *PARTY A* and *"Smt. Kashibai Navale College of Engineering, Pune"* hereinafter called *PARTY B.*

I. PURPOSE & SCOPE

Cooperation and Promotion of education and training in areas of mutual interest. In particular, this MOU is intended to:

- Build up personality development
- Amplify Intellectual Skills
- Placement Counseling
- Enhance Future Vision

Navale College

II. [PARTY A] RESPONSIBILITIES UNDER THIS MOU

[PARTY A] Shall undertake the following activities:

- To collaborate, share information and technology to develop the required skill and intend to create a center of excellence to support this collaborative efforts.

To support the institute in following activities.

- Systematize Mock Aptitude Test
- Equip over GD, Interview etc.
- Convention on Placement Guidance

III. [PARTY B] RESPONSIBILITIES UNDER THIS MOU

[PARTY B] Shall undertake the following activities:

- Agree to invite for test, mock interview and Placement guidance sessions.
- Usage of academic infrastructure can be allowed for limited period, approval of Head of Department.
- Cost/Fees of test, mock interview and Placement guidance sessions at SKNCOE, Pune should be given by [PARTY B].

IV. IT IS MUTUALLY UNDERSTOOD, AGREED BY AND BETWEEN THE PARTIES THAT:

- Modification - Any Modification to this Agreement shall be made by mutual consent of the parties, by the issuance of a written modification, signed and dated by authorized officials, prior to any changes being performed.
- Termination - Either party, upon thirty (30) days written notice, may terminated the agreement in whole, or in part, at time before the listed date of expiration.

III. EFFECTIVE DATE AND SIGNATURE

This MOU shall be effective upon the signature of Parties A and B authorized officials. It shall be in force from 13 / 07 / 2015 to 12 / 07 / 2025.

Agreement between
Sinhgad Technical Education Society's Sinhgad Institutes
and
Foundation for Innovation and Collaborative Education
for
Delivery of Training Programs to students

The Parties	Foundation for Innovation and Collaborative Education with its principal office at F-2, LXY Aura, 99D, KHB Colony, Koramangala 5th Block, Bangalore 560095 hereinafter called "FICE", and Sinhgad Technical Education Society's Sinhgad Institutes with its office at 19/15, Khilare Marg, Off Karve Road, Erandwane, Pune, 411004 hereinafter called "Institute" have agreed to jointly deliver training programs on technology, innovation, entrepreneurship and/or other domains to students of the Institute.
Effective Date	This Agreement is effective from 1st August, 2014 day of 1st August, 2017.
The Programs	FICE and the Institute are working together to deliver the following: 1. Intel Intelligent Systems Certification delivered in close cooperation with the Institute as follows: a. 3-day onsite program delivered by FICE and Institution personnel in close cooperation with each other. b. 4-6 week project work at the lab within the Institution premises, mentored by Institution personnel. c. 1-2 day final evaluation and certification conducted by FICE and Institution. 2. Other programs, as may be mutually identified from time to time and communicated in writing or over emails between Authorized Persons.
Exclusivity	FICE will be the Institute's exclusive partner for the delivery of the programs/courses specified under this term sheet for the duration of validity of this Agreement.
Term of this Agreement	This Agreement shall be valid for a period of 3 years from the Effective Date. At the end of this 3 year period, the Parties will have the option to renew this Agreement for a further period of 3 years.
Ownership of materials,	1. FICE and/or its partners shall be sole owners of the materials, [illegible] certification and awards under the terms of the [illegible]

Scanned by CamScanner

copyright, trade marks, logos, certification	Understanding. The Institute shall have no current or future claim on any and all materials, brands, logos, courseware, certification or other material. 2. Any infringement of FICE's intellectual property rights shall be communicated promptly to FICE by the Institute and remedial actions shall be taken immediately to correct these infringements. 3. The Parties may use each other's names, logos and trademarks only after prior explicit written approval from the other Party.
Student recruitment, management, fee collection	1. Student recruitment, as per standards laid down by FICE for each program, shall be the sole responsibility of the Institute. 2. The Institute shall put up promotional materials including banners, sign boards, brochures, internet pages etc at its own premises as per formats approved by FICE from time to time. 3. Institute will send periodic reports, typically monthly unless otherwise agreed, to FICE on students enrolled for each program and will include all relevant details in such reports. 4. All Program Fees MUST be collected by the Institute from Program Participants prior to the delivery of the Program. 5. The Program Fees may be collected either in the Institute's name or by DD favoring "Foundation for Innovation and Collaborative Education" 6. The Institute shall pay 50% of the program fees due to FICE at least 1 week before the start of program delivery and the remaining 50% after the course commences
Courseware management and program delivery	1. FICE and/or its partners shall be responsible for the management and update of the courseware from time to time. 2. FICE and/or its partners shall deliver the certificate to the program participants, typically students at the Institute and the neighboring areas, with the appropriate branding. 3. FICE shall work with the Institute and its personnel including members of the Faculty, to deliver the training programs, workshops and evaluations to the students. 4. The Institute and its faculty group shall work with FICE personnel on

<table>
<tr><td></td><td>delivery of the Program to the participants.</td></tr>
<tr><td>Certification</td><td>1. Certification of the participants shall be handled by FICE and/or its partners and the Institute shall have no say in the certification process except as is explicitly communicated by FICE for each specific program from time to time.

2. FICE and/or its partners shall be at liberty to administer tests, evaluations, project work and any other evaluation mechanism to participating students prior to their certification.</td></tr>
<tr><td>Logistics and hospitality</td><td>1. FICE shall be responsible for all backend activities at its end for successful delivery of the program including scheduling, making travel arrangements and ensuring that schedules are kept from its end.

2. The Institute shall be responsible for all location specific logistics including but not limited to appropriate local conveyance and accommodation arrangement for visiting FICE personnel; program venue management; local printing of all program materials, handouts, and formats; food and beverage service for participants at the venue; and, management of local calendar so that program schedules are met.</td></tr>
<tr><td>Finances</td><td>Each party shall be responsible for its own costs in the primary responsible tasks outlined above.</td></tr>
<tr><td>Fees, class size and Revenue Sharing</td><td>The suggested program fees for participants shall be as follows:

<table>
<tr><th>Program</th><th>Programs Fees payable by participants (INR)</th><th>Suggested class size</th><th>Revenue share (% of net Revenue (Gross revenue minus taxes if any minus deductions if any)</th></tr>
<tr><td rowspan="3">Intel Intelligent Systems Certification Program</td><td>2500</td><td>100+</td><td rowspan="3">NA</td></tr>
<tr><td>3000</td><td>76-100</td></tr>
<tr><td>4000</td><td>51-75</td></tr>
</table>
The Parties may amend the fees and the revenue share percentages based on</td></tr>
</table>

MEMORANDUM OF UNDERSTANDING

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is made on this **26th** day of **May 2014** BY AND BETWEEN

ZENSAR TECHNOLOGIES LIMITED, a company incorporated under the provisions of the Companies Act, 1956, having its registered office at Zensar Knowledge park, Plot # 4, MIDC, Kharadi, Off Nagar Road, Pune – 411014 (hereinafter referred to as **"Zensar"** which expression shall mean and include unless repugnant to the context or meaning thereof, its successors and permitted assigns) of the One Part

AND

Smt. Kashibai Navale College Of Engineering ,Vadgaon Bk, Pune an entity incorporated/registered under the provisions of the UGC act 1956, having its registered office at ***Smt. Kashibai Navale College Of Engineering , Sr no : 44/1, Sinhgad Road , Vadgaon Bk, Pune-41.***(hereinafter referred to as "***SKNCOE***" which expression shall mean and include unless repugnant to the context or meaning thereof, its successors and permitted assigns) of the Other Part.

Zensar and ***SKNCOE*** are hereafter referred to individually as "Party" and collectively as "Parties".

1. PREAMBLE

WHEREAS Zensar is engaged in providing software solution and IT services globally.

WHEREAS ***SKNCOE*** is a leading educational institute affiliated to and approved by AICTE , India, offering courses in Engineering/Graduation.

WHEREAS Zensar as a part of its Corporate Social Responsibilities (CSR) activities desires to collaborate with ***SKNCOE*** for promoting special education and employment enhancing vocation skills (hereinafter referred to as "Programme")among children undergoing under graduation courses in engineering or any other discipline so as to attain them a level as expected by IT industry for job functioning.

WHEREAS ***SKNCOE*** has shown readiness to collaborate with Zensar for promoting the Programme and to provide all required infrastructure and its faculties as well for running and conduct of the Programme.

NOW THEREFORE in consideration of the foregoing and the mutual covenants and promises contained herein and other good and valuable consideration the receipt and adequacy of which is hereby acknowledged, the Parties intending to be bound legally and agree as follows:

ZENSAR TECHNOLOGIES LIMITED PUNE 411014

Smt. Kashibai Navale College of Engineering Pune-41

1. It is agreed between the parties that Zensar and ***SKNCOE*** shall work together on non-exclusive basis for the Programme mentioned hereof.

2. Role and responsibilities of each party will be as under:

   Role and Responsibilities of Zensar:

   A. Deciding criteria for selection of the students for undergoing the Programme in consultation with ***SKNCOE***.
   B. Deciding the strength of students in one batch of the Programme.
   C. Informing duration of the Programme with start and end date to ***SKNCOE***.
   D. Providing courseware to the students.
   E. Arrange faculties to impart Technical as well as soft skill training to the students.
   F. To train the students so as to give them exposure on core software skills and thereby improve their basic concepts through real-time case studies and assignments in technologies viz Java, .NET, SQL, Testing, IM etc.
   G. Impart training to the students through mix of virtual and physical classroom setup as per the program design.
   H. Conduct periodic evaluations at various phases of the program as decided by Zensar and providing feedback to the participating student and ***SKNCOE*** Issue certificates to each participating student on successful completion of the Programme.
   I. To provide a Single Point of Contact for mentoring and conducting the Programme.
   J. To provide one time trainingto a group of selected faculty members from ***SKNCOE*** for conduct of the Programme and to guide the students during the tenure of the program.

   Role and Responsibilities of ***SKNCOE***:

   A. Allow students of ***SKNCOE*** and other colleges as agreed with ***SKNCOE*** to attend the Programme.
   B. To organize events/competition as suggested by Zensar for successful conduct of the Programme.
   C. To render all required support to Zensar in section of the students to undergo the Programme.
   D. To arrange and provide infrastructural facilities as enumerated in Annexure "A".
   E. To nominate primary and secondary faculties from the institute who would dedicate pre-decided hours towards mentoring, reviews and feedback sessions with students and Zensar

3. This program is intended to give students the opportunity to work in an industry-like environment under the guidance of experts during their final year of the academic tenure. No placements, internships or project support are promised by Zensar under

Smt. Kashibai Navale College of Engineering * Pune-41
ZENSAR TECHNOLOGIES LIMITED PUNE 411014.

the said program other than the pre-agreed training for the students under the Programme. Zensar makes no commitment to offer employment to the participating students in the Programme or any placement help or to provide any additional support by way of trainings, project guidance or mentoring that the students may need to meet the Academic requirements apart from the agreed Training program

4. CONFIDENTIALITY

5.1 Each Party, and its officers, directors, employees, representatives, and agents shall hold in confidence all Confidential Information (as defined below) obtained from or received from the other Party in strict confidence and shall not disclose, disseminate, publish or otherwise provide, either orally or in writing, to any third party without a prior written consent of the other Party.

5.2 **"Confidential Information"**: Both Parties agree to regard and preserve as confidential all Confidential Information provided by each to the other or which may be disclosed, received or granted access to by either Party or come to the knowledge of either Party in any manner in connection with the negotiations for the possible business relationship. Confidential Information shall also include all information and data relating to the purpose; which is obtained whether in writing, pictorially, in machine readable form, on disc, mail or orally (unless reduced into writing within 7 days of oral disclosure) in connection with the discussions (including but without limitation, financial information, know-how, processes, ideas, (whether patentable or not), schematics, trade secrets, technology, customer lists (potential or actual) and other customer-related information, supplier information, sales statistics, market intelligence, marketing, business working, operations, parent, subsidiaries, affiliates and other business strategies and other commercial information of a confidential nature and other technical financial and business information concerning a Party, or any such information of clients, customers, parents, affiliates, subsidiaries or agents of a Party, which is disclosed by such Party (**the "Disclosing Party"**), whether directly in oral or material form to the other Party (**the "Receiving Party"**). Further, Confidential Information of the Disclosing Party shall also include the analyses, business plans, compilations, data, studies or other documents prepared by the Receiving Party based on the information disclosed or derived therefrom. It shall not be necessary for the Disclosing Party to mark the information as "confidential" at the time of disclosing the same. The non-marking of the same shall not mean that the information ceases to be Confidential Information.

5.3 In maintaining the confidentiality of Confidential Information hereunder both Parties agree that they shall not, without first obtaining the written consent of the other, disclose or make available to any person (including all natural and legal persons {whether incorporated or not}), firm or enterprise, reproduce or transmit, or use (directly or indirectly) for its own benefit or the benefit of others, any Confidential Information save and except both Parties may disclose any Confidential Information to its Directors, officers, employees or advisors on a "need to know" basis to enable them to evaluate such "Confidential Information" in connection with the MOU.

5.4 Both Parties shall ensure that the said employee(s) and /or the said person(s)shall maintain confidentiality with regard to the disclosed Confidential Information, if any being disclosed to them, and shall issue suitable instructions and/or get suitable written undertakings or agreements executed to bind its employees and / or the said person(s) to the same obligations of confidence and safeguarding as the Parties hereto and to adhere to the confidentiality / non disclosure terms contained in this MOU. Provided that the execution of such an agreement shall not absolve the responsibility of the Receiving Party to confidentiality and in the event of any breach by the employees of their obligations of confidentiality, it shall always be construed to be a breach of the obligations of the Receiving Party under this MOU.

5.5 Save and except for the purposes mentioned in clause (a) above both Parties further agree that neither Party will part with/disclose any "Confidential Information" received by it to any other person directly or indirectly and such written material /documents will be retained under strict confidentiality by the receiving Party nor make copy(s) or reproduce in any way (including without limitation store in any computer or electronic system any written material/documents) such Confidential Information. Both Parties further agree that the Confidential Information which may pertain to or touch upon any regulatory aspects and /or dealings of either Party with any statutory /government/ related agencies / bodies, whether the said information is received verbally or in writing, will not be disclosed in any manner, either directly or indirectly, to any other persons. Both Parties further agree to use the same degree of care that it uses to protect its own Confidential Information of a like nature from unauthorized disclosure, but in no event less than a reasonable degree of care.

5.6 It is mutually acknowledged and agreed that information shall not be considered "Confidential Information" and the receiving Party shall have no confidentiality obligations under this MOU with regard to that information to the extent, that such information:

a) at the time of disclosure was in the public domain; or

b) is already known to the Receiving Party free of any confidentiality obligation at the time it is obtained from the Disclosing Party or a third Party on the Disclosing Party's behalf: or

c) after disclosure is or becomes publicly known or available through no wrongful act of the Receiving Party; or

d) rightfully received from a third party without restriction or

e) is required to be disclosed pursuant to a requirement of a governmental agency or law so long as the Parties provide each other with timely prior written notice of such requirement; or

f) the Disclosing Party has given its prior written approval to disclose; provided, however that any information consisting of a combination of non-confidential information and Confidential Information will only be considered by the Receiving

ZENSAR TECHNOLOGIES LIMITED PUNE 411014

Party as non-confidential information if the combination itself is in the public domain or the prior possession of the Receiving Party, or is received by the Receiving Party without obligation of confidence, is independently developed, or is approved for disclosure as described above; or

g) has been disclosed in written graphic or other tangible form unless clearly designated in writing as "confidential". Provided that the burden of proving the existence of any such exceptions shall always be on the Party claiming the same.

5.7 Both Parties further agree and undertake not to disclose the Confidential Information of the other to their agents or contractors without prior written approval from the other and without having first obtained from each agent or contractor a separate written agreement or undertaking binding them to the same obligations of confidence and safeguarding. Further in the event of a business relationship being agreed to, whether a contractor or agent can be appointed at all would be dependent on the terms and conditions governing the business relationship Both Parties further agree to indemnify and keep indemnified each other against all actual loss and damage which the Disclosing Party may suffer as a result of any breach of this MOU by the Receiving Party.

5.8 Both Parties further agree that upon termination/expiry of the MOU or at any time during its currency, at the request of the Disclosing Party, the Receiving Party shall promptly deliver to the Disclosing Party all copies of the Confidential Information in its possession or under its direct or indirect control, and shall destroy all memoranda, notes and other writings prepared by the Receiving Party or its Directors, officers, employees or advisors based on the Confidential Information, provided that the obligations of this Clause 5 shall always survive the completion/termination/expiry of this MOU. Notwithstanding the expiration or early termination of this MOU, the obligations of confidentiality set forth in this MOU will survive such expiration or earlier termination for a period of three (3) years, and will be binding on agents, successors and assigns of the other Party including its past and/or present employees to whom the Confidential Information was disclosed in terms of this MOU.

5. INTELLECTUAL PROPERTY

6.1 Any intellectual property rights owned by the Parties before the date of this MOU and during the term of this MOU will remain the property of that respective Party. Nothing contained in this MOU will affect the absolute ownership rights of any Party in such Party's intellectual property rights. For the avoidance of doubt, no licenses are granted under thin MOU.

6.2 In the event that either Party wished to use name and/or logo of the other Party for any purposes, including without limitation for the objectives of this MOU or any other purposes, such Party shall obtain written consent of the other Party in advance of such use.

6.3 Each of the Parties shall not publish any marketing material relating to this MOU without the prior written consent of the other Party and undertake that the wording for

Smt. Kashibai Navale College of Engineering Pune-41
ZENSAR TECHNOLOGIES LIMITED PUNE 411014

any marketing materials shall be jointly agreed in writing between the Parties prior to its use.

6. WARRANTIES

Each Party warrants and undertakes to the other Party that

a) it has the right to enter into this MOU and perform its Role and Responsibilities in this MOU.

b) it shall comply with all applicable laws and regulations in the performance of its obligations in this MOU;

c) it has all necessary rights, authorizations, or licenses to perform its obligations under this MOU;

7. TERM AND TERMINATION

This MOU comes into force from the day of signing by the last Party. The term of this MOU is three (3) years from the last Party signing hereof. This MOU will terminate if either Party defaults in performance of its obligations and responsibilities stated herein above. Either Party may terminate this MOU by giving thirty (90) days prior written notice to the other Party.

8. LIMITATION OF LIABILITY

Neither Party shall be liable for any special, indirect, incidental, punitive, contingent nor consequential loss or damages suffered out of or in connection with the aforesaid MOU whether as a result of a breach of this MOU or otherwise and whether such liability arises from any claim based upon contract, warranty, tort, product liability or otherwise, and whether or not the Parties have been advised of the possibility of such loss or damage, except in case where such loss or damage has been the result of gross negligence, fraudulent and/or willful acts of the Parties.

9. DISPUTE RESOLUTION

10.1 Informal Dispute Resolution: The Parties recognize that a bona fide dispute as to certain matters may from time to time arise during the term of this MOU, which relates to either Party's rights or obligations hereunder. In the event of the occurrence of such dispute, either Party may, by written notice to the other Party, have such dispute referred jointly to the authorized officer of the Parties, or their successors or counterparts, for resolution by good faith negotiations within 30 days after such notice is received in respect of such dispute.

10.2 Arbitration: If the Parties are unable to reach agreement with respect to such referred dispute pursuant to Clause above, then such dispute shall be resolved as described in Clause below.

Smt. Kashibai Navale College of Engineering Pune-41

ZENSAR TECHNOLOGIES LIMITED PUNE 411014

10.3 If any disputes, controversies or differences arise between the Parties hereto out of, or in relation to or in connection with this MOU, or for any breach thereof, the same shall be if possible settled amicably and promptly by mutual consent of the Parties. If such disputes, controversies or differences cannot be settled between the Parties, they shall be finally settled by arbitration in accordance with the arbitration laws and rules prevailing in India. The award rendered by the arbitrator(s) shall be final and binding upon all the Parties. Any such arbitration proceeding shall be held in Pune. This MOU shall be subjected to the exclusive territorial jurisdiction of Pune courts.

10. GENERAL

10.1 Third Party Right: No person who is not a party to this MOU shall have any right to enforce any terms of this MOU.

10.2 Notice: Notices and other communications required or permitted pursuant to this MOU, shall be in writing and shall be delivered personally, or by prepaid registers mail, or sent by confirmed facsimile transmission to the other Party, or by use of professional overnight courier service, at the addresses set forth above.

10.3 Amendment: This MOU contain the entire agreement and understanding between the Parties. No amendments or modifications to this MOU shall be effective unless made in writing and signed by authorized representatives of the Parties.

10.4 Severability: If any provision of this MOU (or any portion thereof) is determined to be invalid or unenforceable the remaining provisions of this MOU shall not be affected thereby and shall be binding upon the Parties and shall be enforceable as though said invalid or unenforceable provision (or portion thereof) were not contained in this MOU.

10.5 No Waiver: The failure by either Party to insist upon strict performance of any of the provisions contained in this MOU shall in no way constitute a waiver of its rights as set forth in this MOU, at law or in equity, or a waiver of any other provisions or subsequent default by the other Party in the performance of or compliance with any of the terms and conditions set forth in this MOU.

10.6 Assignment: This MOU shall be binding upon and inure to the benefit of the Parties hereto and their successors and assigns. The MOU shall not be assigned by either Party without the prior written consent of the other Party.

10.7 This MOU including the exhibits annexed hereto supersede all prior agreements, representations and understandings, written or oral, between the Parties and constitute the complete agreement and understanding between the Parties unless modified in writing, signed by both Parties.

10.8 The headings of this MOU are intended solely for convenience of reference and shall be given no effect in the interpretation or construction of this MOU.

10.9 This MOU is governed by Indian law. The Parties hereby submit to the exclusive jurisdiction of the Pune courts.

IN WITNESS WHEREOF, the Parties hereto, each acting under due and proper authority, have executed this MOU as of the date written above

Smt. Kashibai Navale College of Engineering Pune-41

ZENSAR TECHNOLOGIES LIMITED Pune 411014

IN WITNESS WHEREOF, the Parties hereto, each acting under due and proper authority, have executed this MOU as of the date written above

ANNEXURE "A"

Infrastructure Requirements:

Guidelines for the 30 seat IT Employability Skills Development Centre

Physical Space: At the rate of 80 sq ft per individual, the space required for 30 students would be 2400 sq ft inclusive of common areas and faculty cubicles.

Connectivity/Bandwidth: Zensar suggests min. 1Mbps dedicated bandwidth for all 30 users.

Telephone and Networking arrangements: One small EPABX – which can be connected to Primary Rate Interface (PRI) with Direct Inward Dialing (DID) facility which would provide 24 extensions, (24 instruments + wiring) . Speaker Phone with outgoing call facility need to be installed.

Hardware Specification: The computers must meet a minimum hardware specification, which is described below: **(30 M/c) with the given configuration, along with Webcam, Headphones and speakers.**

- CPU: Intel PIV or equivalent 2.8+ Ghz
- Memory: 8 GB RAM
- HDD: 40 GB
- Network: 10/100 Mbps connected to the Internet
- Monitor: 15 inches
- Keyboard and Mouse

Each computer must be networked and connected to the Internet via a firewall or a proxy server.

In addition to the 30 M/c, one Server would be required (one with Windows Operating System or with Linux). The configuration is as follows:

- CPU: Intel PIV or equivalent 2.8+ Ghz.
- Memory: 8 GB RAM
- HDD: 80 GB
- Network: 10/100 Mbps connected to The college backbone
- Monitor: 15 inches
- Keyboard and Mouse
- Backup Device (DVD ReWriter)

Software requirements: This model would support both Linux and Windows Operating Systems and would use web-based connectivity using the industry recognized Internet browsers. The basic software requirement is mentioned below:

- Windows 7/8
- Windows Server 2010

- .Net Development Environment
- J2EE Development Environment
- Office Productivity Suite (MS Office, Star Office, Open Office etc.)
- Antivirus (McAfee, Norton Antivirus etc.)
- Compression Utility (Winzip, Winrar etc.)
- Adobe Acrobat Reader 9.0
- Internet Browser (Internet Explorer 6.0, FireFox etc.)

UPS Specification: as appropriate for the H/W infrastructure.

Air Conditioner specification: as appropriate for the facility utilized.

Furniture & Fittings: Work stations with side cupboards, projection arrangement (screen + stand), white board, lighting etc.

Power and Back-up: as appropriate for lighting, air conditioning and UPS

Network Security: It would be in the common interest of SKNCOE and Zensar to protect their computers and authors' work against unauthorized access.

To achieve at least minimum level of network security, Zensar recommends the following components:

- Appliance based firewall (Cisco PIX etc.)
- Internet Proxy Server (Squid, Microsoft ISA Server)
- Antivirus

Other facilities required: Server Placements: The servers and network equipments to be placed in secured enclosure prevent unauthorized access.

Proxy/ Firewall: A firewall must be placed between the internet and the SKNCOE LAN to allow only legitimate traffic into the SKNCOE. An appliance based firewall is recommended but SKNCOE may also opt for software based firewalls, if the number of computers is less.

In case of a large number of users accessing the internet, a proxy server should be used to increase internet performance by caching and also putting in controls required to access the internet.

Printer: Institutions should install at least one printer per batch of 30 students. A network laser printer is most suitable for large networks.

Projector + Screen: A portable LCD projector may be required by the students to discuss and conduct presentations. It should preferably be placed in a discussion room.

Video Conference facility: College/Institute shall provide access to VC facility to the students for planned VC sessions.

Maintenance & Support: An annual maintenance and upgrade contract should be signed with the software & hardware vendor to cater for maintenance requirements and upgrades.

Subject: Signed copy of NASSCOM MoU by Sinhgad Technical Education Society, Pune

Dear Madam,

We sincerely thank you for considering Sinhgad Institutes for participating in FSIPD program as the early adopters & we are very much keen for going ahead with this excellent program.

We feel very proud to inform you that there are ten engineering colleges under the umbrella of Sinhgad Technical Education Society and we would like to launch this pilot program for the three engineering colleges at our Vadgaon campus.

Herewith we are sending 2 copies of MoUs printed on plain paper, each page signed and stamped by us for IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM) and Sinhgad Technical Education Society, Pune for Pilot project for the conduct of EPP and FSIPD program for your kind consideration.

Also we are sending two faculty members for attending FSIPD TTT from 18th to 22nd November 2013 at SRM University, Chennai.

We look forward for your reply.

Thanks & Regards,

Yours truly,

Prof. M. N. Navale
Founder President,
Sinhgad Technical Education Society,

Memorandum of Understanding (MoU)

Between

IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM)

And

Sinhgad Technical Education Society, Pune, Maharashtra

For

Pilot project for the conduct of EPP and FSIPD program

Smt. Kashibai Navale College of Engineering Pune-41

SINHGAD TECHNICAL EDUCATION SOCIETY
Regd. No. ...
Pune, ... (Pune)
ERANDWANE, PUNE-411 004.

This Memorandum of Understanding (MoU) entered into on the **14th** day of the month of **November** in the year 2013

Between

National Association of Software and Service Companies (NASSCOM) having its head office at the International Youth Center, Teen Murti Marg, Chanakyapuri, New Delhi – 110021, India (hereinafter called "NASSCOM"), 'represented by its President / Executive Director IT-ITeS Sector Skills Council NASSCOM, which expression shall, where the context so admits, be deemed to include its successors, executors and administrators of the OTHER PART

And

Sinhgad Technical Education Society, having its official address at **19/15, Erandwane, Smt. Khilare Marg, Off Karve Road, Pune - 411004, Maharashtra**, affiliated to **Pune** University (if applicable) (hereinafter referred to as **STES** which expression shall include its representatives, successors and assignees)

Whereas

Whereas IT-ITeS Sector Skills Council NASSCOM (SSC NASSCOM / NASSCOM) is an integral part of NASSCOM, the skill standard setting body of the IT-ITeS Industry and is the education & skill development initiative of NASSCOM; SSC NASSCOM works with its industry members and select academic and skill development institutions to help improve the quality and quantity of the employable workforce available to this industry;

The Project here is the "Foundation Skills in Integrated Product Development"(FSIPD) Program, which is a part of The "Engineering Proficiency Program" (EPP) for scaling quality capacity.

STES and SSC NASSCOM / NASSCOM will herein be referred to as 'Party', and together referred to as 'Parties'.

THE MoU WITNESSED AND THE PARTIES HERETO AGREE AS FOLLOWS:

1. **Objective of the MoU**

To introduce the Foundation Skills in Integrated Product Development (FSIPD) in the university / college through SSC NASSCOM / NASSCOM in the first phase, and subsequently, other modules

that are a part of the EPP Program in the second phase, by SSC NASSCOM / NASSCOM and its member companies

2. **Period of MoU**

This MoU shall come into force on **14th, November, 2013** and will be valid for 3 years and is open to mutual revision and renewal, annually.

3. **Scope of Work**

- Universities and colleges agree to collaborate with, and support SSC NASSCOM / NASSCOM in the overall design and development of FSIPD and other modules of EPP Programs (as mentioned) in select areas of mutual interest to enhance student employability.
- The programs thus developed shall be used by the college to train students to enhance their skills.

4. **Responsibility of SSC NASSCOM / NASSCOM**

- SSC NASSCOM, through the member companies constituting the Engineering Skill development Council (referred to as the 'Council'), shall facilitate the design and development of add-on program called Foundation Skills in Integrated Product Development (FSIPD), both curricula and content. Each of the modules for the FSIPD program shall be developed by Council members. The IP for the program content lie with SSC NASSCOM / NASSCOM.
- SSC NASSCOM / NASSCOM shall have the right to review and audit the conduct of training sessions, primarily for feedback on the quality of training sessions, and alteration to program design, and also to track the number of students undergoing the program.
- FSIPD structure in its delivery model, may scope multiple modes of content dissemination, not limited to hard copy, digital content, e-content etc.
- SSC NASSCOM / NASSCOM shall conduct 'Train-the-Trainer' programs for colleges involved in the pilot project for the FSIPD Program. The faculty thus trained shall then train students on the FSIPD program, starting January 2014.

5. **Responsibility of STES**

- **STES** shall contribute to the design and development of add-on program called FSIPD, wherever possible, and shall mobilize trainers to undergo the 'Train-The-Trainer' program for its faculty.
- **STES** shall facilitate teaching-learning support for pursuance of the said courses to enhance student employability.
- **STES** shall facilitate the assessment of students having undergone the said course(s), as suggested by SSC NASSCOM / NASSCOM and its Council members, to measure the skill gaps, both pre and post training given to students under various program(s).
- The college shall not use the course material shared with any other third party, except for its intended use, as defined above.
- **STES** along with the Engineering Skill Development Council members will have the right to review and audit the conduct and content of training session primarily for feedback on the quality of training sessions, and alteration to program design purposes and also to track the number of

Navale College of Engineering Pune-41

SINHGAD TECHNICAL EDUCATION SOCIETY ★ ERANDWANE, PUNE-411 004. ★

students undergoing the program. The scope of this project shall be further expandable to other such programs offered / to be offered under SSC NASSCOM / NASSCOM.

- The contents of this MOU shall be governed by the laws of India and that any dispute arising under this Agreement shall be resolved amicably through mutual discussions held between the senior officials designated respectively by the Parties.

This MoU is made in two originals (one for SSC NASSCOM / NASSCOM and one for **STES** and comes into force on the day written above.

MEMORANDUM OF UNDERSTANDING

BETWEEN

M/s. Sofcon India Pvt. Ltd., Pune

AND

Smt. Kashibai Navale College of Engineering

his MOU is made and executed at Pune between **M/s. Sofcon India Pvt. Ltd.**, having its office at 706-707, Northex Tower, GD-ITL, Netaji Shubhash Marg, Pitampura, Delhi-110 034 (hereinafter referred as Sofcon India) represented by Mr. Ashok More, Branch Manager, Sofcon India Pvt. Ltd., Pune.

AND

Smt. Kashibai Navale College of Engineering
represented by Head of Department Dr . Mr . A. P. Pandhare. having its campus office at Survey No. 44/1, Vadgaon Budruk, Off. Sinhgad Road, Pune, Maharashtra 411041

his expression shall mean and include its successors and legal representatives of both the party.
IOW THE PARTIES HEREBY MUTUALLY AGREE AND THIS AGREEMENT WITNESSED AS UNDER:

Smt. Kashibai Navale College of Engineering * Vadgaon(Bk.) Pune-41

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41

Roles and Responsibilities:

(A).1 **Sofcon India (Free Seminar):**

(1) Will provide free Seminar* (number & subjects will be mentioned as mutually agreed upon) to students of relevant engineering background (eg. Electrical, electronics, Instrumentation,Mechanical etc.) in the field of rapidly growing technology to passing engineers and perpetual need to keep abreast with latest developments in the field of Industrial Automation (PLC/SCADA) system Technology/Building Automation/HVAC/ Embedded System (8051/AVR/ARM/PIC/AURDINO/RASPBERRY PI/RTOS etc).

(2) Sofcon India will bring devices suitable for such free Seminar. Expenses incurred in setting up the devices will be borne by Sofcon India and all the hardware, Software and accessories required for establishing this lab will remain sole property of Sofcon India.

(3) The schedule of Workshop, branch, year/semester duration, course and fee per participant (If Applicable) will be mutually agreed.

(A).2 **Sofcon India** (Short Term Training programs):

(1) Will provide (40 Hrs / 80 hrs or 5 day / 8 days as decided) hands-on training in the field of rapidly growing technology to passing engineers and perpetual need to keep abreast with latest developments in the field of Industrial Automation system Technology (PLC / SCADA / HMI/ VFD/ PLC Networking / Process Instrumentation/ Control Panels etc), Integrated Building Management System / Embedded Systems (8051/AVR/ARM/PIC/AURDINO/RASPBERRY PI/RTOS etc).

(2) Sofcon India has agreed to setup necessary training devices (Details of which will be discussed & documented from case to case basis depending upon technology & number of participants). for training duration at college premises, Pune. Expenses incurred in setting up the lab will be borne by Sofcon India and all the hardware, Software and accessories required for establishing this lab will remain sole property of Sofcon India.

(3) The training program, branch, year/semester duration, course and fee per participant will be mutually agreed.

(4) Sofcon India will conduct a placement drive after successful completion of the program. Details of placement support will be documented separately on case to case basis depending upon technology, number of participants & duration of training program & training charges.

(A).3 Sofcon India (Other Support):

1) Will provide technical support to the students of **Smt. Kashibai Navale College of Engineering** undergoing theSofcon India training programs for carrying out their projects

It is understood by both the parties that Sofcon India will not commercially sponsor the projects nor the students will get a ready project from Sofcon India.

It is further understood by both parties that the student will be supported exclusively for those academic projects which are cleared by respective Head Of Departments/ Concerned authorities in written.

Sofcon India will allow to the students of **Smt. Kashibai Navale College of Engineering** undergoing the Sofcon India training programs to use the facilities available at Sofcon India –Pune office for carrying out their academic project under guidance & supervision of experts from Sofcon India. All material / components required for the project will be procured by the students at their own cost. Sofcon India takes no responsibility for availability of such material & neither components nor Sofcon India will procure it on behalf of students or sell the same to students.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale

2) Will make available to the students of **Smt. Kashibai Navale College of Engineering** undergoing the Sofcon India training programs hardware such as PLC for presenting their project subject to nominal security deposit & procedure mutually agreed upon by Pune District Education Association's College of Engineering pune.

3) Will help / support / consult Pune **Smt. Kashibai Navale College of Engineering** (Within best possible limits of Sofcon India) in setting up labs / selecting equipments.In event of short term free workshop on particular technology not possible within **Smt. Kashibai Navale College of Engineering** premises, Sofcon India will try to conduct the same at its premises (at address mentioned) in smaller groups (size will be mutually agreed upon from time to time)

(B) **Smt. Kashibai Navale College of Engineering**

(1) **Smt. Kashibai Navale College of Engineering** has agreed to provide Labs, Infrastructure Covering Training space, Lighting, Furniture, Computer hardware, projector, UPS supply, training aids such as board , markers , duster etc. required for training.

Smt. Kashibai Navale College of Engineering will arrange for necessary manpower support for mobilizing the devices at your campus.

(3) **Smt. Kashibai Navale College of Engineering** will designate a single point contact for smooth execution of the free workshops.

(4) **Smt. Kashibai Navale College of Engineering** will arrange for the food & accommodation of Sofcon India representatives at your own cost.

(5) **Smt. Kashibai Navale College of Engineering** will not hire Engineers employed by Sofcon India.

Terms and Conditions:

(1) Both parties affirm their commitment to implement the activities and achieve the objectives mutually agreed upon.
(2) Any conflict between the parties shall always be decided by mutual consultation without any recourse to arbitration or other kind of legal remedy including resort to a court of law
Both parties shall use such material, name, logo, information as pre-approved and provided by each party, for any of its advertisements for promotional material on their web-sites.
(4) New assignments can be added during the course of implementation of MOU, if mutually agreed by both the parties.
(5) Financial terms and conditions will be decided mutually as per need.

lidity of the MOU: This MOU shall remain in force and effect for Sixty (60) months. Either party can revoke this MOU by giving one month notice.

deAsra

Sinhgad Institutes

Memorandum of Understanding

The Memorandum of Understanding (MOU) is made on this ___ day of February 2015.

BETWEEN

Sinhgad Technical Education Society having its registered office at Karve Road, (herein after referred to as "STES" which expression shall, unless it be repugnant to the context or meaning thereof be deemed to mean and include its trustees, successors and permitted assigns) OF THE PARTY.

(Both hereinafter referred to individually as "Party" or together as "Parties")

AND

deAsra Foundation, a not for profit company registered under Section 25 of the Companies Act, 1956, having it's registered office at 101, Vanashree Apartment, 94/20 Erandwane, Prabhat Road, Lane No. 11, Pune – 411004 represented by its Founder, Dr. Anand Deshpande, hereinafter referred to as deAsra (which expression shall unless repugnant, include its assigns and authorized representatives). ....Party of the second part

Objectives: In accordance with the mutual desire to promote cooperation between STES and deAsra, parties are entering into a formal agreement in the form of MOU with the objective of promoting entrepreneurship.

The main objectives of the association are,

1. building entrepreneurial culture
2. promoting entrepreneurship
3. identifying and selecting those who can be developed into entrepreneurs;
4. developing their entrepreneurial capabilities, domain & business skills;
5. ensuring that each potential entrepreneur has a viable project;
6. equipping them with basic managerial understanding; and
7. helping them to secure financial, infrastructural and related assistance to expedite the launch of an industrial venture.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering, Pune - 41.

It is found that lack of co-ordination between various stake holders responsible for sustainable enterprise creation like Government, Entrepreneurship Development Institutes & Financial Institutions etc. is a major hurdle in the smooth entrepreneur's development process.

deAsra Foundation:

Dr. Anand Deshpande, a Founder of deAsra Foundation well-recognised this gap in the collective effort and necessity to join all the control points which may in-turn result in establishing an ecosystem to promote entrepreneurial culture, develop entrepreneurs & help them to nourish their sustainable enterprises. To address this gap Dr. Deshpande promoted a not for profit company registered under Section 25 namely deAsra Foundation to contribute to social welfare by enabling entrepreneurship, which would in turn create employment opportunities. deAsra's target is to generate 1,00,000 jobs in the next five years (2014-2015 to 2019-2020) by facilitating the creation of 25000 enterprises grouped into 250 Business types, with 100 Businesses of each type, each employing an average of 4 people per Business. Partnerships with financial institutions, skill development & training institutes, is a main component of the strategy of deAsra to achieve this target. As per this strategy, deAsra Foundation proposed, Sinhagad Institutes, Pune to join hands to achieve their target.

Sinhgad Technical Education Society

August 1993 heralded a new era in the field of education. Sinhgad Technical Education Society (STES) was founded by Prof. M. N. Navale. STES has grown over the last two decades from being a single institute, Sou.Venutai Chavan Polytechnic, to having a PAN Maharashtra presence in 12 Campuses and 117 Institutes. STES provides quality education in various fields like Engineering, Management, Pharmacy, Dental, Medical, Architecture, Computer Applications, Law, Science, Arts et al.

Equipped with state of the art infrastructure, Industry participation and a vast in-house intellectual capital, STES has provided exemplary education to students from all over India and abroad over the years. STES symbolizes one of the flag bearers of change in the field of education, developing a "Can-do" entrepreneurial spirit and helping the young generation to contribute and shape the destiny of modern India.

Global Engagement is a new Mantra tastes today. World has become a global village with the help of technology. It has made education competitive. Constant upgradation and in-depth research are the order of the day. STES is working with 11 European Universities where 42 Indian Scholars have been offered fellowships. 22 Academicians of Sinhgad are pursuing their Ph.D. studies under this program in these Universities. Foreign student – exchange programmes, signing MOUs with Foreign Universities and partnerships with 19 Asian & European Universities are few steps towards a global future.

On this background Mr. SR Joshi and Mr. Pathak had a meeting with Mr. Khurjekar to get associated for this endeavor by signing a Memorandum of Understanding ("MOU") between deAsra & STES. Accordingly this Memorandum of Understanding is executed at Pune on February 4, 2015. ("Effective Date").

Smt. Kashibai Navale College of Engineering Pune-41.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering

Following are the terms and conditions of the agreement:

1. Responsibilities of STES:

- STES will exchange ideas, training material, feedback, experience etc. with the members of deAsra
- STES will give access to the members of deAsra to STES's premises for meetings with prior intimation and approval.
- STES will give permission to the members of deAsra to attend concluding sessions of entrepreneurship based training program.
- STES will facilitate the meeting of the members of deAsra with STES team
- STES will provide list of trained trainees of entrepreneurship based training programmes who are interested to get help for setting up of their business to deAsra
- STES will develop & implement the training programmes in consultation with the academic expert / representative from deAsra
- STES will contribute in the periodic publication published by deAsra
- STES will setup Business Guidance Cell for providing guidance to the potential entrepreneurs for successful startup.
- STES will provide infrastructure, administrative support, physical monitoring support & manpower support for the joint projects.
- STES will act as an extended arm of deAsra working in the field for achieving the target of deAsra mentioned above.
- STES will contribute in achieving the target of deAsra Foundation by selecting, parenting, mentoring potential entrepreneurs for successful startup.
- STES will have a designated officer to coordinate with deAsra.

Responsibilities of deAsra: Subject to evaluation of each proposal on its individual merits

- deAsra will provide post training support to the trained participants of STES for successful startups
- deAsra will provide STES the list of candidates trained by STES to whom deAsra will select for providing services.
- deAsra will provide STES the list of candidates who will directly approach deAsra, to whom STES will approach for training
- deAsra will provide sponsorship (partially or fully) for the training fees to the eligible candidates who want to participate in the training organized by STES
- deAsra will provide funds to STES for preparing/publishing course material, project reports etc.
- deAsra will provide funds to STES for setting up training centre, hostel or laboratory, purchasing training equipments, machinery, reference books or other necessary item as required for entrepreneurship & skill development.
- deAsra will provide funds to STES for the specific entrepreneurship development project aligned with the objectives of the MOU.
- deAsra may support STES to use the new technology to make the process effective.
- deAsra will have a designated officer to coordinate with STES

2. Each party would bear its own expenses and cost incurred in connection with all the activities relating to the MOU. Any exception to this clause would be based on prior written consent of both the parties.

Assistant Professor & Head
Dept. of Mechanical Engg.
Smt. Kashibai Navale College of Engineering

3. Confidentiality: In terms of this MOU, either party will acquire or develop confidential and proprietary information concerning the other's customer and its dealings and methods of dealings with its existing and prospective customers and will develop relationships of special trust and confidence with existing and prospective customers and employees of the other (collectively "Confidential Matter"). Parties agree that such Confidential Matter is for the other party's exclusive benefit and that, either party will not directly or indirectly use or disclose any Confidential Matter, except for specified purpose. Receiving party shall use the Confidential Matter of the other party only to its employees, directors and advisors on a "need to know" basis. Disclosing party does not give any warranty for accuracy or completeness of Confidential Matter. Upon the termination of this MOU, receiving party will promptly return all the Confidential Matter to the disclosing party. The confidentiality obligations stated herein shall survive for two (2) years after termination of this MOU. The obligations contained in this Clause shall not apply to information in public domain or to information received from a third party without restrictions or to information developed independently or is in possession of the receiving party.

4. Relationship of parties: Relationship between the parties to this MOU is that of an independent contractor, and nothing in this MOU will be construed to create a joint partnership, agency, or employer-employee relationship. Parties have the sole obligation to (i) comply with applicable laws and (ii) supervise, manage, contract, direct, procure, perform or cause to be performed its obligations set forth in this MOU, except as otherwise agreed upon by the parties. Neither party has an authority to make any commitment or representation for and on behalf of the other party under this MOU.

5. Subcontract/Assignment: Neither party shall assign, subcontract or otherwise transfer its rights or obligations under this MOU without prior written consent of the other party, which will not be unreasonably withheld.

6. Limitation Of Liability: NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES HOWEVER CAUSED, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE TOTAL LIABILITY OF EITHER PARTY ARISING UNDER THIS MOU SHALL NOT EXCEED RUPEES TEN THOUSAND EQUIVALENT.

7. Governing Laws and Arbitration: This MOU shall be construed and governed by the laws of India. Any controversy or claim arising out of or related to this MOU, or breach thereof, shall be settled by arbitration, to be held in Pune, India in accordance with the rules of the Arbitration and Conciliation Act, 1996 and the decision of the arbitrator shall be binding on the parties.

8. The initial term of this MOU shall commence on the Effective Date and shall continue until March 31, 2019. This agreement will have to be renewed as per need basis. Either party may terminate this MOU by giving thirty (30) days written notice to the other party.

9. Parties agree that the relationship contemplated herein shall be non-exclusive. This MOU may not be extended, amended, or superseded except in writing between the parties. This MOU may be executed in one or more counterparts (including scanned copies), which taken together shall constitute single MOU.

IN WITNESS THEREOF, the parties hereto have caused this MOU to be duly executed as of the day and year first written above.

"DUNĂREA DE JOS" University of GALAȚI
Doctoral school of Mechanical and Industrial Engineering
The Modelling & Simulation Laboratory (MSlab)

DOCTORAL RESEARCH COLLABORATION AGREEMENT

"Dunărea de Jos" University of Galați, represented by Rector, Prof. Dr. ing. Iulian Gabriel Birsan and Sinhgad Institutes Pune India represented by Founder President, Hon. Prof. M. N. Navale express their consent in signing this agreement for the scientific collaboration in the field of: *Artificial Intelligence and Machine Learning in Healthcare*

At "Dunărea de Jos" University of Galați, the research activities will be conducted in the laboratory (lab name) of: The Modelling & Simulation Laboratory (MS lab), Faculty of Science and Environment.

The scientific coordinator shall be Ms. Professor Dr. Luminita MORARU.

At the Sinhgad Institues, the research activities will be conducted in the Department of Engineering and Technology.

The scientific coordinator shall be Mr. Professor Dr. Parikshit N. Mahalle

Art. 1. The two scientific coordinators are committed to jointly act as such for the PhD students.

Art. 2. Argument of the necessity of research collaboration

Artificial Intelligence and Machine Learning in Healthcare provide deep insights and advanced analytics that could radically transform and revolutionise healthcare into a new digital age. Potential benefits could include predictive and prescriptive analytics, driven by rules-based and structured algorithms that are designed to deliver improved patient care.

Art. 3. A common plan for the exploitation and dissemination of results and concrete actions related to the protection, dissemination and exploitation of the research results shall be establish based on the intellectual property regulations in force in both partner institutions.

Art. 4. This Convention shall enter into force with effect from the date of signature by the legal representatives of both higher education institutions. This Agreement may be terminated by parties' mutual consent.

Made in three original copies on 23 August 2018

Erasmus+

Key Action 1
– Mobility for learners and staff –
Higher Education Student and Staff Mobility

Inter-Institutional agreement
2018/2019-2020/2021
between institutions from
Programme and Partner Countries

The institutions named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects of the organisation and management of the mobility, in particular the recognition of the credits (or equivalent) awarded to students by the partner institution. The institutions also commit to sound and transparent management of funds allocated to them through Erasmus+.

MEMORANDUM OF UNDERSTANDING

Preamble:

The role of entrepreneurship as the driving force of economic growth is well respected world over. Entrepreneurs shape economic destiny of nations by creating wealth and employment, offering products and services and generating taxes for governments. Most of the studies on the role of entrepreneurship in economic growth suggest that there is a strong relationship between the level of entrepreneurial activities in a region and its rate of economic growth (Carree and Thurik, 1998 and 2002). 'The Global Entrepreneurship Monitor' has also showed in their report of 2002, that the national level of entrepreneurial activity has a statistically significant association with subsequent level of economic growth. The role of entrepreneurship is not limited only to creation of enterprises, but also results in augmenting wealth, jobs and income, whichare the most direct indicators of economic development.

While there always is an autonomous supply of entrepreneurs in all parts of the world, however, in India, it falls short of the quantity that is necessary to adequately exploit resources to generate wealth and employment. A business friendly environment and easy entry encourage potential entrepreneurs to take firm steps towards setting up their enterprises. One survey done in year 2012 revealed that, India ranks 132nd in terms of 'ease of doing business' in the world. Though, several initiatives are in place to promote entrepreneurship, the efforts are disjointed.

Many researches were done by different scholars to identify the mechanism to develop entrepreneurs systematically. Dr. David McClelland has proved in his famous 'Kakinada Experiment' that the suitable training can provide the necessary motivation, exposure & skills to the potential entrepreneurs to get succeed in the business activity (McClelland and Winter, 1969).
