About Institute

Sinhgad Technical Education Society's (STES) Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune was established in 2001 and has become synonymous with high quality engineering education. STES was established in the year 1993 by Prof. M. N. Navale with the aim of imparting Quality Education. More than 70 model institutions under the society, catering to multifarious disciplines, bear shining testimony to the magnitude of Prof. M. N. Navale's vision and relentless pursuit of excellence. The college offers under graduate programs in Electronics and Telecommunication, Mechanical, Information Technology and Computer Engineering and post graduate programs in Computer Network and Business Administration (MBA) and PhD in Computer Engineering Department.

About Conference

The 5th International Conference on Ideas, Innovations, Impact in Sciences and Technology was being organized by Department of Mechanical Engineering and Electronics & Telecommunication Engineering, SKNCOE, Pune in Online Mode to provide a forum for academia and researchers, industries and research organization to come together and share experiences, discuss research findings and acquire the desired knowledge in the field of Science and Technology from around the world. It helped in covering the gap between academic, research and industry which is most important need of the day. Acceptance of the manuscripts was done on the basis of significant and innovative content, originality and unpublished quality work.

The conference proceedings received the papers in the following domains /tracks:

Track I	:	Mechanical Design and Development
Track II	:	Energy conservation
Track III	:	I. C. Engine
Track IV	:	HVAC&R
Track 1_A	:	Power and ML
Track 2_A	:	Image Processing and AIML
Track 3_A	:	Data Science

Detailed Inaugural Schedule is as follow

5th International Conference on Ideas, Innovations, Impact in Science & Technology (ICIIST 2022) inauguration function is hosted by Prof. T. D. Jadhav. Prof. T. D. Jadhav welcomed all the dignitaries, organizing committee and participants in the inauguration function. Function was started by worshipping Goddess of Knowledge Sarswati by Saraswati Poojan. Introductory speech is given by Prof. Dr. A. R. Attar. He gave detailed information about the conference.

Prof. T. S. Sargar, Head, Mechanical Engineering department gave detailed information about the Mechanical Department. He talked about purpose of organizing the conference. Also he welcomed all the dignitaries and Keynote Speakers in the inaugural function.

Dr. S.K. Jgatap, Head, E&TC department gave detailed information about the Electronics and Telecommunication Department. She talked about conference organization process and paper selection process. Also Dr. S.K. Jgatap madam welcomed all the dignitaries and Keynote Speakers in the inaugural function.

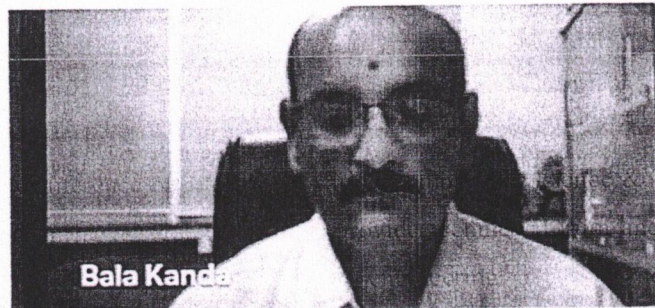

Dr. K.R. Borole, Vice Principal, SKNCOE, Pune talked about need of innovation and conferences. He gave detailed information about Smt. Kashibai Navale College of Engineering Pune. He welcomed all the dignitaries and Keynote Speakers.

Dr. A. V. Deshpande, Principal, and SKNCOE Pune talked about motive behind organizing this conference. He congratulated all the organizing committees of the conference. Also He welcomed all the dignitaries and Keynote Speakers in the conference.

Key note speaker Dr. Bala Subramanian K. addressed the conference on "Challenges, Opportunities, Responsibilities for Electronics and Mechanical Engineers in the aftermath of Covid-19".

Inauguration function was concluded with vote of thanks conveyed by Dr. H. A. Deore.

Keynote Speaker

Dr. Bala Subramanian K.

In 5th International Conference on Ideas, Innovations, Impact in Science & Technology (ICIIST 2021) Dr. Bala Subramanian K. addressed on **“Challenges, Opportunities, Responsibilities for Electronics and Mechanical Engineers in the aftermath of Covid-19”**

In his keynote address of conference, he turn up on challenges for engineers in ongoing scenario. With his expertise interpretation, he conversed about engineering challenges in transition to alternative energy and challenges in green energy. He put a light on opportunities for Mechatronics engineers in Wind Power.

Looking at current scenario of Covid-19 pandemics, Dr. Bala Subramanian K. addresses the engineers about their role and responsibilities in this pandemic. He end up by guiding about mask in this Covid-19 pandemics.

The address of Dr. Bala Subramanian K. is a guiding light to Electronics and Mechanical Engineers in Covid-19 pandemics.

5th International Conference on Ideas, Innovations, Impact in Science & Technology (ICIIST 2022) focuses on emerging technologies to provide technical forum and research discussion related to electronics & telecommunication engineering, science and management. The Conference is aimed to bring researchers, academicians, scientists, students, engineers and practitioners together to participate and present their latest research finding, developments and applications related to the various aspects of electronics & telecommunication engineering, science and management. The conference has 7 tracks traversing across different areas. The key 7 tracks of conference are split into subtracks with separate review process and special external and internal chairs.

Report

TITLE OF THE ACTIVITY: WEBINAR ON- "INTELLECTUAL PROPERTY RIGHTS"

Date:: 25/03/2022

Organized Under: Department Activity

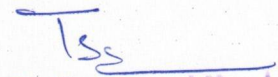

Level: Department

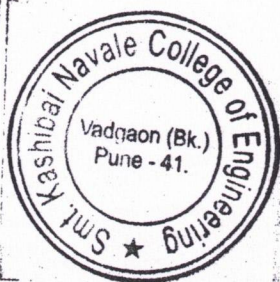

Faculty coordinator: Prof. V. H. Waghmare

Summary Report: Initially the introduction of the speaker Mrs. Dip Bhavsar-Nalawade done by Prof. Mrs. Sana Shaikh speaker Mrs. Dip Bhavsar-Nalawade madam delivered the knowledge regarding intellectual property Right and its importance. Dozens of industries across our economy rely on the adequate enforcement of their patents, trademarks, and copyrights, while consumers use IP to ensure they are purchasing safe, guaranteed products. Strong IP rights help consumers make an educated choice about the safety, reliability, and effectiveness of their purchases. Enforced IP rights ensure products are authentic, and of the high-quality that consumers recognize and expect.

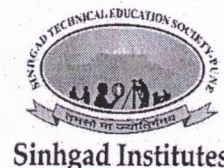

Outcome:

1. Understanding of IPR
2. Importance of IPR
3. Types of protection comes under IPR
- 4 Understanding of patents, trademarks, and copyrights
- 5 Understanding about the safety, reliability, and effectiveness of purchases.
