#### **Clean Hills Pune Campaign and Tree Plantation**

The cleanliness drive would promote the values of cleanliness, discipline and respect for the environment in the children and educate and sensitize them about the importance of cleanliness for a healthy, socially responsible, economically dynamic and progressive nation. This activity was organized by Making India Drought Resistant Foundation in all over the Pune. Near our Sinhgad Institute Campus also this drive was organized on Taljai Hills. From NSS SKNCOE there will be 32 Volunteers were present for this activity. The handgloves and all prerequisites were provided by this foundation.

Clean Hills Pune Campaign are organized on 5<sup>th</sup> June 2022 in all over Pune city Hills. Tree plantation is significant because it is linked to our basic need for good food to eat and clean air to breathe. A side from these necessities, they preserve biodiversity, conserve water, preserve soil, and control climate, among other things. Trees contribute to environment by providing oxygen, improving air quality, climate, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. Thus it is important to be able to take part in a Tree plantation Activity effectively and confidently. And NSS SKNCOE gives this chance to their volunteers to participate in Tree plantation activity. The total count of volunteers participated were 32. The Program Officer of the unit Prof.S.P.Pingat Sir also guided the volunteers, who filled them with an enthusiasm and hence, the activity was concluded successfully.

### **Har Ghar Tiranga Mission 2022**

The Tri-colour flag is a symbol of pride for every Indian. It represents national integrity and signifies the hopes and aspirations of the Indian people. 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75<sup>th</sup> year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75<sup>th</sup> year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

NSS SKNCOE organized Har Ghar Tiranga Activity from 11<sup>th</sup> Aug to 14<sup>th</sup> Aug 2022 at Sinhgad Institute Vadgaon Campus. The happiness of forming 'Water Feeder' was seen on their faces, as it really feels great to do even a little positive thing in the contribution of nature.
