Majhi Vasundhara E-pledge 2021-22 report

Tree plantation is significant because it is linked to our basic need for good food to eat and clean air to breathe. A side from these necessities, they preserve biodiversity, conserve water, preserve soil, and control climate, among other things. Trees contribute to environment by providing oxygen, improving air quality, climate, conserving water, preserving soil, and supporting wildlife. During the process of photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe. Thus it is important to be able to take part in a Tree plantation Activity effectively and confidently. And NSS SKNCOE gives this chance to their volunteers to participate in Tree plantation activity.

NSS SKNCOE organized an online 'Tree plantation Activity' for the NSS volunteers from 30th October to 1st November 2021 . The total count of volunteers participated were 150 plus. In this manner activity was completed successfully.

All of us also know, the whole world is facing the problem of 'Global Warming'. So as the climate is getting warmer day by day, along with us birds and animals also need to stay hydrated.

SKNCOE's NSS unit organized a 'Water Feeder for Birds' activity on 16 April 2022, realizing its responsibility to save the diversity on the earth. The activity took place in the campus premises of Sinhgad Institute.

Under the guidance of program officer S.P.Pingat sir, more than 40 water feeders were formed by the 60 volunteers, following all the safety guidelines during the pandemic. Also each and every volunteer holds the responsibility to fill water in hanged 'Water Feeder'.

All the volunteers had definitely felt happy and had a proud movement for them. Great efforts were made by all the volunteers to make activity successful. Discipline was very well maintained by complete unit. The happiness of forming 'Water Feeder' was seen on their faces, as it really feels great to do even a little

positive thing in the contribution of nature. Youth empowerment was clearly illustrated by the NSS volunteers by their work. Hence the activity came to successful end. The NSS SKNCOE unit achieved the motto of NSS 'NOT ME BUT YOU.' The whole event received great success and inspired others to serve the humanity.
