FEED THE STRAYS ...

The NSS unit of Smt. Kashibai Navale College of Engineering, Pune organized a activity on 'Feed The Strays' from 4 th Sept to 9th sept 2021. As we know, some people are treating animals badly. So, in order to create awareness about this, the activity was organized for the volunteers. Our aim was to feed poor voiceless

souls In this tough pandemic time, wherein it becomes difficult for stray animals to find food and shelter. We encourage everyone to take a step forward by feeding/helping stray animals and contribute in this noble cause.

In total 20 volunteers attended the activity. The activity was so meaningful and interesting. The activity was conducted online by shearing photos on whatsapp and our social media sites by tagged feed the strays. Now a days there is a need to listen/read aspects related to animal awareness. The most important point is, our aim is to provide them food, love and care. Which type of food is suitable for them is also important point. So that's why our volunteers collect the do's and dont's which would help us in feeding.

The Program Officer of the unit Prof.S.P.Pingat Sir also guided the volunteers, who filled them with an enthusiasm and hence, the activity was concluded successfully.
