**Fees and funding:** This offer is made on the understanding that you have adequate funds to meet the cost of your tuition fees and living expenses for the duration of your programme. For the 2022/3 academic year the tuition fee is £24500.

Fees quoted are for one year of study only and are subject to increase in subsequent years but this increase will be set at a maximum of 2% in each year for continuing students. We recommend you visit the course page for further information on any additional costs that apply to your chosen course. Please visit

<http://york.ac.uk/study/postgraduate-taught/courses/msc-engineering-management#fees>

**Living costs:** The University recommends that you have access to sufficient funds to cover your living expenses. Examples of comprehensive student budgets can be found on our [Living Costs](#) web page.

Note that these figures may be subject to increase in subsequent years, and we recommend that you should allow for an estimated increase in living expenses of 2% each year.

For students on a study visa studying outside of London, you will have to show £1,023 for each month of your course, up to £9,207 for a course lasting nine months or more. This is to cover living expenses whilst you are studying. The amount quoted may be subject to change and you should check the [UKCISA](#) web page for the current rate before making a visa appointment.

**Funding advice:** For further details of funding available please see our [Postgraduate fees and funding](#) web page.

If you are in receipt of sponsorship please upload your sponsorship confirmation letter via the 'You@York' applicant portal within the 'Finance' tab.

**Applicants with a disability, long term health condition or learning difficulty:** If you have any additional support requirements to help you complete your studies at York, the University is generally able to assist you and we would encourage you to contact our Disability Services team as soon as possible. Advanced disclosure allows the University to better understand your needs and to arrange appropriate support and/or make reasonable adjustments where appropriate. For further information please visit our [Disability Support](#) web pages.

As highlighted in our Admissions Policy, certain disabilities may preclude entry to certain programmes, and where the adjustments needed to provide the required support are not considered reasonable, we will undertake to support you in considering an alternative programme where appropriate.

**Mitigating circumstances:** If you believe you have mitigating circumstances that will affect your ability to meet the academic conditions of this offer you can let us know about these on the form available on our [mitigating circumstances](#) web page at any time.

**Accommodation:** For information about accommodation options, colleges, and costs please see our [Postgraduate accommodation](#) web page.

We have a limited number of rooms available so you're encouraged to accept your offer, apply early and pay an accommodation advance payment of £200 to complete your application no later than 9 June 2022.

For Accommodation Terms and Conditions and Residential payment information please see our [contract, rent and payments](#) web page.

**Student Visa advice:** As an international student, you may need a Student Visa (formerly the Tier 4 Visa) to take up your place at York. Please consult the [Immigration advice](#) web pages for advice on which student visa you require.

**Head**

Department of Computer Engineering<sup>4</sup>  
SKNCOE, Pune - 411 041

If your offer included an English language condition, please also note that only English language tests taken in the last two and a half years relevant to your intended start date are valid for entrance purposes.

In accordance with UK immigration law, if you are applying for a new visa inside the UK, you must apply for the new visa before the course start date, or you will be required to leave the UK and defer your studies.

If you are applying for a visa within a different immigration category, e.g. Standard Visitor visa or dependant, you will be required to provide your visa when you enrol at the University. Further information is available on our [Immigration advice](#) web pages.

#### Confirmation of Acceptance for Studies (CAS):

**Deposits:** You may need to pay a £2,000 deposit as part of the CAS issuance process. For further information please see the [Tuition Fee Deposits Policy](#). If you require a student visa to study in the UK, you will need a Confirmation of Acceptance for Studies (CAS) in order to apply for your student visa. You can request your CAS after you have received, and firmly accepted your offer (unconditional or conditional). We cannot issue your CAS until your offer becomes unconditional and you have made your deposit payment if applicable.

The deadline to request your CAS is 11.59pm BST on Wednesday 14th September 2022.

We strongly encourage you to request your CAS as early as possible (from late April onwards). If you are applying for your CAS close to the request deadline this does reduce the amount of time you have by which to book such things as your visa appointment. It is important that you understand the risks involved as the University is not able to control or influence the process through which individual visas are issued by the UKVI and cannot guarantee that a visa will be issued by the last date of arrival for your chosen course.

These delays, which are beyond our control, may mean that you incur additional costs or you are unable to arrive in the UK by the last date of arrival for your chosen course. We strongly advise that you do not book a flight until you have confirmation that your visa has been granted. Further information is available on our [How to apply for a visa from outside the UK](#) web pages.

As part of your CAS request you will also be required to read and accept the [Student Visa Terms and Conditions](#).

**Immigration Health Surcharge:** Visas for more than six months include an Immigration Health Surcharge. Paying this will mean that you are entitled to receive certain free health services from the National Health Service (NHS) while you are in the UK, but please note that this is not private medical insurance. Further information is available at: [How to apply for a visa from outside the UK](#).

**Responding to your offer:** In order to help you make an informed decision we've provided copies of our Admissions Policy, University Ordinance and Regulations, and 'Terms and Conditions Relating to Your Offer' documents within You@York. Please let us know as soon as possible if you would like to accept or decline your offer. To notify us of your response please login to the 'You@York' applicant portal and select the 'Respond to this offer' link within the 'Application Status' tab.

In line with our Admissions Policy at the point of accepting your offer you will be asked to disclose any relevant unspent criminal convictions.

In advance of your enrolment you may also find our 'New Students - Welcome' information useful. For further information please see our [New Postgraduates](#) welcome page. You can also find useful welcome information available in your 'You@York' applicant portal within the 'What Next' tab.

We look forward to welcoming you to York as one of our students in September 2022. If you have any queries about your offer please don't hesitate to get in touch with us.

Yours sincerely

Dear Tejas Ramlal Jain,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2022. Your degree objective is the Master of Science. Please include your USC ID (3457-6882-47) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at [gradwelcome.usc.edu](http://gradwelcome.usc.edu), which includes specific information about registration and enrollment. You will also find a link to the portal at [you.usc.edu](http://you.usc.edu) when you click on the Statement of Intent button. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

## INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

## INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.
