P.O. Box No. 1075, Nagarbhavi,
Bengaluru- 560 072

Subject: Proofs of Metric No. 5.3.1

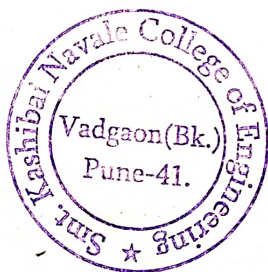

Reference: Metric No. 5.3.1: Number of awards/medals for outstanding performance in sports/cultural activities at university/state/national / international level (award for a team event should be counted as one) during the year.

Dear sir/Madam,

As per said subject kindly find below the index of File Descriptions/Documents for your valuable information.

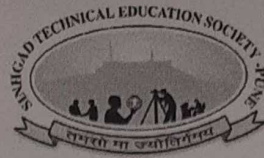

| INDEX | | | |
|---------|--|-------------------|----------|
| Sr. No. | Name of the award/ medal | Name of student | Page No. |
| 1 | First Prize | Mukund kute | 1-2 |
| 2 | Winner | Mukund kute | 3-3 |
| 3 | Jayram Hardikar Karandak(Best Experimental Play) | SKNCOE | 4-4 |
| 4 | Anant Narayan Award(Best Writing) | Hemant Patil | 4-4 |
| 5 | Kakaji Jogalekar Award(Consolation Award for Acting) | Hemant Patil | 5-6 |
| 6 | First Prize | Akshat Ayer | 7-7 |
| 7 | First Prize(Street Play) | Mulay Shah | 8-8 |
| 8 | First Prize(Street Play) | Abhijeet Fulari | 9-9 |
| 9 | First(Mens single open) | Siddhant Khairnar | 10-11 |
| 10 | Winner(Mens double open) | Siddhant Khairnar | 11-11 |
| 11 | Runner up(Mix double) | Siddhant Khairnar | 12-12 |
| 12 | Winner,Sinhgadad soccer League-2022 | Atharva Mohite | 13-15 |

| | | | |
|----|--|-------------------|-------|
| 13 | | Sagar Mohite | 16-16 |
| 14 | Best Play Award Jairam Hardikar Karandak | Tejas Ramdasi | 17-17 |
| 15 | | Saniya Nadaf | |
| 16 | | Rushikesh Gadve | |
| 17 | | Abhishek Badgular | |
| 18 | | Abhijeet Shinde | |
| 19 | | Gayatri Palsakar | |
| 20 | | Ajay Pawar | |
| 21 | | Atharva Kulkarni | |
| 22 | | Sanskruti Rane | |
| 23 | 1st Prize Play Competition | Chole Amol Ramesh | 18-18 |
| 24 | | Ankush Kharche | 19-19 |
| 25 | Medal, Completitio Cycle Ride-Indo Atheletic | Atharva Kadam | 20-21 |
| 26 | Kakaji Jogalekar Award (Consolation award for acting) | Ganesh Sodmise | 22-38 |
| 27 | Table Tennis | Gaurish Mundada | 39-41 |

Program description for Guest Lecture/Webinar/Seminar :

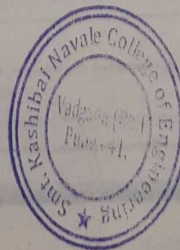

"India's No.1 Post Graduate Program (PGP) in Management" in association with World's No.1 ranked institute in highest salary growth- ISB.

The session will include the following points.

- 1- What is better PG or MBA or MS?
- 2- India's #No.1 PGP program in Management
- 3- Demystifying life at ISB
- 4- Young Leaders Program route to PGP
- 5- Life at ISB

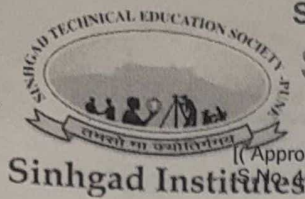

Program Outcome:

Students are benefitted through seminar by receiving complete knowledge about various India's No.1 Post Graduate Program (PGP) in Management.

Program description for Guest Lecture/Webinar/Seminar :

"How to choose the Best University in UK & Scholarships" in association with SI-UK giving complete knowledge about various options available to engineering students post studies.

The session will include the following points.

- 1-Key Facts about UK
- 2-Reasons to study in UK
- 3-UK Higher Education Systems
- 4-Popular Courses
- 5- UK University Scholarships
- 6-Work Opportunities
- 7- Financial Benefits
- 8- SI-UK Services
- 9- SI-UK Offices

Introduction

Smt. Kashibai Navale College of Engineering E&Tc department organized a webinar on the topic of **"Start-up and Internship Opportunities in Cyber Security"** on 11th February 2022 in order to create awareness of live projects, internship and placement opportunities in Cyber Security. Webinar was attended by third year and final year students of department. More than 138 students joined the session. The webinar was coordinated by faculty coordinator Prof. S. S. Savkare, under the guidance of Dr. S. K. Jagtap, HOD, E&TC.

Address by Guest

Mr. Sahil Gaikwad, Director and Founder at Secure Era Pvt.Ltd, was the spokesperson of the webinar. A detailed set of instructions and methods were provided by the guest to the students on various topics including what is cyber security and web-app security, android and windows hacking and their prevention. He also told about the very powerful open-source tool for performing phishing attacks i.e Black phishing and ways to prevent phishing attacks. He made the students aware about scammers and cyber bullying and taught how to deal with advance level malware.

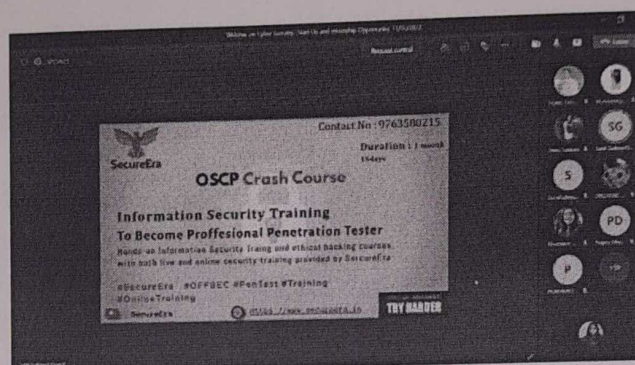

Jagtap

Head
Dept. of Electronics &
Telecommunication Engineering
Smt. Kashibai Navale College
of Engineering, Pune - 411 04.

Internship and Placement Opportunities in Cyber Security

The spokesperson gave a brief introduction about SecureEra which is a leading company in cyber security and cyber forensics Technologies and guided the audiences about different career paths and internship opportunities in the field of Cyber Security. He also discussed some ongoing projects for government.

Conclusion

Finally question and Answer session conducted, which was very interactive. All the queries of the participants were solved by the guest Webinar ends with vote of thanks given by student coordinator. The webinar was successfully executed and students gained a lot of information regarding Cyber Security.

| Total no. of Students: | 6 | | |
| Program Co-coordinator: | Mr. P.S. Kokare | | |

Program description:

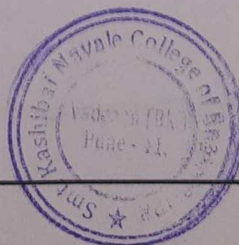

Studying abroad provides a variety of personal and educational benefits, but what are the career benefits of studying abroad? Whether you decide to study in Europe, USA or Australia, you will gain a wealth of career-enhancing skills and experiences that employers around the world will recognize and support. This webinar brief about it.

One of the most valued career benefits of studying abroad that students will develop is the ability to communicate across multiple language barriers. During your time abroad, you will meet, interact and become friends with students from around the globe - so students will be surrounded by a wealth of foreign languages and different language abilities.

Students will also improve other aspects of your communication skills, including presenting and public speaking, negotiating, academic writing and non-verbal communication.

Studying in an international environment will give you the opportunity to make lifelong friends and connections from an array of different backgrounds. You will meet students from across the world meaning you can create a global network of contacts.

The opportunity to diversify and interact with students, who will go on to work in a wealth of different international industries, allows you to create a worldwide contact base that comes with a number of advantages that can help you throughout life and your career.

The ability to plan and organize your time becomes even more important when in a new environment abroad. Not only will you be learning a new language or developing your language skills, you will have to adapt to a new culture and lifestyle.

One of the main pieces of advice you will be given before heading into a job interview is to be confident. Fortunately, one of the advantages of studying abroad is that it can enhance your career by helping to boost your self-confidence.

International study abroad will show employers that you had the confidence and bravery to go abroad to a foreign country, learn a new language, culture and lifestyle and have the passion to study for a degree.

Program description:

Studying abroad provides a variety of personal and educational benefits, but what are the career benefits of studying abroad? Whether you decide to study in Europe, USA or Australia, you will gain a wealth of career-enhancing skills and experiences that employers around the world will recognize and support. This webinar brief about it.

One of the most valued career benefits of studying abroad that students will develop is the ability to communicate across multiple language barriers. During your time abroad, you will meet, interact and become friends with students from around the globe - so students will be surrounded by a wealth of foreign languages and different language abilities.

Students will also improve other aspects of your communication skills, including presenting and public speaking, negotiating, academic writing and non-verbal communication. Studying in an international environment will give you the opportunity to make lifelong friends and connections from an array of different backgrounds. You will meet students from across the world meaning you can create a global network of contacts.

The opportunity to diversify and interact with students, who will go on to work in a wealth of different international industries, allows you to create a worldwide contact base that comes with a number of advantages that can help you throughout life and your career.

The ability to plan and organize your time becomes even more important when in a new environment abroad. Not only will you be learning a new language or developing your language skills, you will have to adapt to a new culture and lifestyle.

One of the main pieces of advice you will be given before heading into a job interview is to be confident. Fortunately, one of the advantages of studying abroad is that it can enhance your career by helping to boost your self-confidence.

International study abroad will show employers that you had the confidence and bravery to go abroad to a foreign country, learn a new language, culture and lifestyle and have the passion to study for a degree.

Program description for Guest Lecture/Webinar/Seminar

GATE is a reputed all India examination, administered and conducted jointly by the **Indian Institute of Science (IISc)** and seven of the **Indian Institutes of Technology (IITs)** on behalf of the National Coordination Board - GATE, Department of Higher Education, Ministry of Education (MOE) and the Government of India.

There is a never-ending loop when we try to figure what we want to do for the next step after the one that we are pursuing right now like after school, after graduation, after Post-graduation, and so on.

Many candidates look for the right direction about what are the best opportunities after clearing the GATE exam. This webinar gives idea about various programs, PSUs, and other categories where any GATE aspirants can fulfill their criteria. Thus in this article, we are with the list of some crucial opportunities after the GATE exam where aspirants can participate. GATE scorecard is valid for M.Tech admission for 3 years.

Some opportunities through GATE.

1. Postgraduate Entrance (M.tech)

2. Public sector units (PSU)

GATE exam became hype after various public-sector units (PSUs) signed a memorandum of understanding (MOU) with IITs for recruitment through GATE. So, clearing the GATE examination can also help you get government sector jobs. GATE Score Card is used by various PSUs for hiring candidates. PSUs like ONGC, GAIL, IOCL, PGCIL, NLC, NTPC, NLC hire through GATE Scores followed by Group Discussion, Personal Interview, and Group Task. Even DRDO sometimes recruits through GATE Scores else it will conduct its own written test. Some PSUs like SAIL, ISRO, VIZAG, BEL, BSNL

Some of the leading PSUs in India use GATE scores as their eligibility criteria:

- Mecon Limited (MECON)
- Power Grid India (PGCIL)
- Heavy Engineering Corporation Limited (HECL)
- Bharat Petroleum Corporation Limited (BPCL)
- Gas Authority of India Limited (GAIL)
- Hindustan Petroleum Corporation Limited (HPCL)
- Bharat Electronics Limited (BEL)
- National Thermal Power Corporation (NTPC)
- Bharat Heavy Electrical Limited (BHEL)

3. Ph.D. Entrance

Based on the GATE score, some of the foreign university (Like NTU, Singapore) offers Ph.D. position without any GRE score.

The recruitment process for the Ph.D. program includes a valid GATE score and then facing an interview panel based on the respective interest area.

4. Fellowship Program in Management (FPM)

It is a five-year program run at IIMs. This program has the following features:

- A monthly stipend is offered of Rs 29,000-30,000
- No tuition fees for almost four years and nine months

Department of Electronics and Telecommunication Engineering

- Students who live off-campus will get a house-rent allowance (HRA) of Rs 8,000 for a single student and Rs 13,000 for married students

5. Research Opportunities

GATE-qualified students are also eligible for the award of Junior Research Fellowship in CSIR Laboratories and CSIR sponsored projects.

There are some particular research positions available through GATE in Bhabha Atomic Research Center (BARC). However, BARC conducts its examination for recruitment. Also, industries like ISRO conduct their exams in a similar pattern as GATE.

Course Outcome:

After these webinar students able to know some crucial opportunities after the GATE exam where aspirants can participate.

Program description for Guest Lecture/Webinar/Seminar

GATE is a reputed all India examination, administered and conducted jointly by the **Indian Institute of Science (IISc)** and seven of the **Indian Institutes of Technology (IITs)** on behalf of the National Coordination Board - GATE, Department of Higher Education, Ministry of Education (MOE) and the Government of India. There is a never-ending loop when we try to figure what we want to do for the next step after the one that we are pursuing right now like after school, after graduation, after Post-graduation, and so on.

Many candidates look for the right direction about what are the best opportunities after clearing the GATE exam. This webinar gives idea about various programs, PSUs, and other categories where any GATE aspirants can fulfill their criteria. Thus in this article, we are with the list of some crucial opportunities after the GATE exam where aspirants can participate. GATE scorecard is valid for M.Tech admission for 3 years.

Some opportunities through GATE.

1. Postgraduate Entrance (M.tech)

2. Public sector units (PSU)

GATE exam became hype after various public-sector units (PSUs) signed a memorandum of understanding (MOU) with IITs for recruitment through GATE. So, clearing the GATE examination can also help you get government sector jobs. GATE Score Card is used by various PSUs for hiring candidates. PSUs like ONGC, GAIL, IOCL, PGCIL, NLC, NTPC, NLC hire through GATE Scores followed by Group Discussion, Personal Interview, and Group Task. Even DRDO sometimes recruits through GATE Scores else it will conduct its own written test. Some PSUs like SAIL, ISRO, VIZAG, BEL, BSNL

Some of the leading PSUs in India use GATE scores as their eligibility criteria:

- Mecon Limited (MECON)
- Power Grid India (PGCIL)
- Heavy Engineering Corporation Limited (HECL)
- Bharat Petroleum Corporation Limited (BPCL)
- Gas Authority of India Limited (GAIL)
- Hindustan Petroleum Corporation Limited (HPCL)
- Bharat Electronics Limited (BEL)
- National Thermal Power Corporation (NTPC)
- Bharat Heavy Electrical Limited (BHEL)

3. Ph.D. Entrance

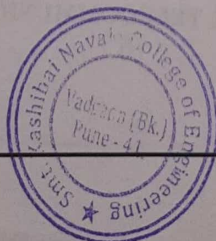

Based on the GATE score, some of the foreign university (Like NTU, Singapore) offers Ph.D. position without any GRE score.

The recruitment process for the Ph.D. program includes a valid GATE score and then facing an interview panel based on the respective interest area.

4. Fellowship Program in Management (FPM)

It is a five-year program run at IIMs. This program has the following features:

- A monthly stipend is offered of Rs 29,000-30,000
- No tuition fees for almost four years and nine months

Website : www.sinhgad.edu

Department of Electronics and Telecommunication Engineering

- Students who live off-campus will get a house-rent allowance (HRA) of Rs 8,000 for a single student and Rs 13,000 for married students

5. Research Opportunities

GATE-qualified students are also eligible for the award of Junior Research Fellowship in CSIR Laboratories and CSIR sponsored projects.

There are some particular research positions available through GATE in Bhabha Atomic Research Center (BARC). However, BARC conducts its examination for recruitment. Also, industries like ISRO conduct their exams in a similar pattern as GATE.

Course Outcome:

After these webinar students able to know some crucial opportunities after the GATE exam where aspirants can participate.

Introduction

Smt. Kashibai Navale College of Engineering, Electronics and Telecommunications department under team Elessa organised a webinar on "Pandemic digitization" on 15 December 2021 in order to make them understand some very basic of how Covid 19 has changed the approach to make a startup work, how covid 19 changed the approach towards startups, how to start a startups, pros and cons of starting it, what challenges you will phase. Around 90 students joined the session.

Welcome to the webinar

A cheerful welcome was given by anchor Suraj Kalwage and Spoke about what is going to be discussed in the webinar. Then he introduced the speaker to the participants. And handed over the webinar to the speaker Mr. Rachit Singh.

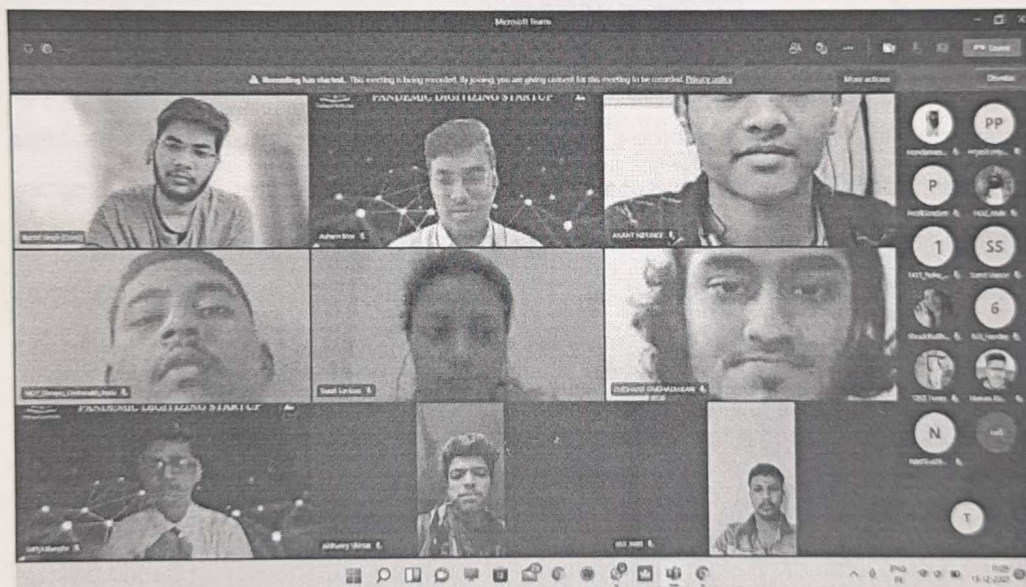

Webinar By Guest

As the session was handed over to Mr. Rachit Singh. He spoke to everyone on how the Covid has affected the way people live their lives and the way the economy was affected by it. Then he spoke about what all opportunities are being opened up because of covid in different domains and field of work. How the work from home culture has been a good thing for women. He explained about emotional intelligence and the importance of it while you are working in any field. And then he explained how you can start a business in a small locality. The session ends by Question answer of the participants.

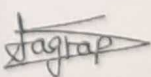

Vote of thanks

Vote of thanks was proposed by Ashwin More to the speaker, Head of department, teacher coordinator, and all the professors and the students. There was active participation of students in the question answer round and all the doubts were solved. The feedback given to guests by the students and professors was very positive and everyone found the session very useful.

About program:

Following points were covered in the Webinar:

- 1) Importance of Artificial intelligence and Machine Learning
- 2) Deep knowledge about the pathways in AI and ML
- 3) Different career opportunities for students in AI and ML.
- 4) Different certifications in the field.
- 6) Discussion on higher studies like Master's and MBA.

Ms. Shweta Chaudhari put the light on different pathways to develop the bright career in the amazing field in AI and ML. She gave the different ways of learning the AI and ML. She gave the complete description about the higher studies in this field. Webinar was worth attending, and participants got to know various aspects of preparing their career in the field. Question/ Answer session was interactive the Resource person solved all the doubts of participants at the end of the session.

About Institute

Sinhgad Technical Education Society's (STES) Smt. Kashibai Navale College of Engineering, Vadgaon (Bk.), Pune was established in 2001 and has become synonymous with high quality engineering education. STES was established in the year 1993 by Prof. M. N. Navale with the aim of imparting Quality Education. More than 70 model institutions under the society, catering to multifarious disciplines, bear shining testimony to the magnitude of Prof. M. N. Navale's vision and relentless pursuit of excellence. The college offers undergraduate programs in Electronics and Telecommunication, Mechanical, Information Technology and Computer Engineering and post graduate programs in Computer Network and Business Administration (MBA) and PhD in Computer Engineering Department.

About Webinar

Proficiency in industry requires creativity, knowledge, vision and desire in CYBER SECUTIRY. It also requires guidance on the resources and skills available for a career in in CYBER SECUTIRY. The acquisition of innovative skills requires the ability to think creatively, to solve problems, and to have functional and technical abilities in CYBER SECUTIRY. The main objective of the webinar was to inspire students about jobs, business opportunities in various fields like research and development, innovation, start-ups. With this goal, the webinar on Career Opportunities in in CYBER SECUTIRY Innovations and Entrepreneurship was organized by TECHNOLEDGE INFOTECH PVT LTD PUNE I and Department of E&TC Engineering, Smt. Kashibai Navale College of Engineering, Pune.

The guest of Honour, DR. HAROLD D'COSTA, has a tremendous work force and expertise. He is working as PRESIDENT - CYBER SECUTIRY CORPORATION , PUNE to energize the youth and divert their creativity towards the entrepreneurship since last 22 years. He has positioned lots of directorial posts and completed various projects with international and national ventures in this tenure. Dr. Harold D'Costa, is a leading professional in the field of Cyber Security. He is currently the president of Cyber Security Corporation, located in Pune. Through this firm, Dr. D'Costa has worked on more than 6,700 cyber-crime cases all over India & 7 other countries. He is also a isionary & advises Law Enforcement Agencies, Judicial Personnel & Corporates on various topics about best cyber security practices & digital evidence gathering and preservation. Dr. D'Costa has also been a part of 28 International Conferences & was also a part of Global Security Summit in India. By possessing in-depth knowledge about different concepts of the domain, Dr. Harold D'Costa has enlightened more than 500,000 individuals in India & abroad. With his knowledge and wisdom, the participants were ensured to get crisp guidelines and motivation towards their goal of to be in CYBER SECUTIRY.

The webinar was blessed by the support of theFounder President Prof. Maruti Navale and Founder Secretary Dr. Sunanda Navale, Vice President (Admin) Mrs. Rachna Navale – Ashtekar and Vice President (HR) Mr. Rohit Navale, Principal Dr. A. V.Deshpande, Vice Principal, Dr. K.R. Borole. Special guidance was given by Head of Electronics &Telecommunication Department Dr. S. K. Jagtap.

The webinar was coordinated by Prof. P. P. Rathod. The keynote address and vote of thanks were expressed by Prof. P. P. Rathod. More than 189 attendees took advantage of this program.

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

Lecture on Entrepreneurship and IP:

The speaker started the lecture by speaking about the importance of Entrepreneurship and IP in the current situation. Speaker mentioned, along with knowledge and a Degree, skills, hard work, and creativity are also important. It was advised in the lecture to follow a BOSS-like approach to reach a successful business. The main motive was to encourage the youth to make them self-employed and boost the GDP of the nation as well as help the society. The speaker used statistics to explain the need for self-employment, and also explained the process of setting up one's business. The lecturer also provided the audience with four key mantras for skill, effort, hard work, and talent. The session was ended by a speaker with words of motivation.

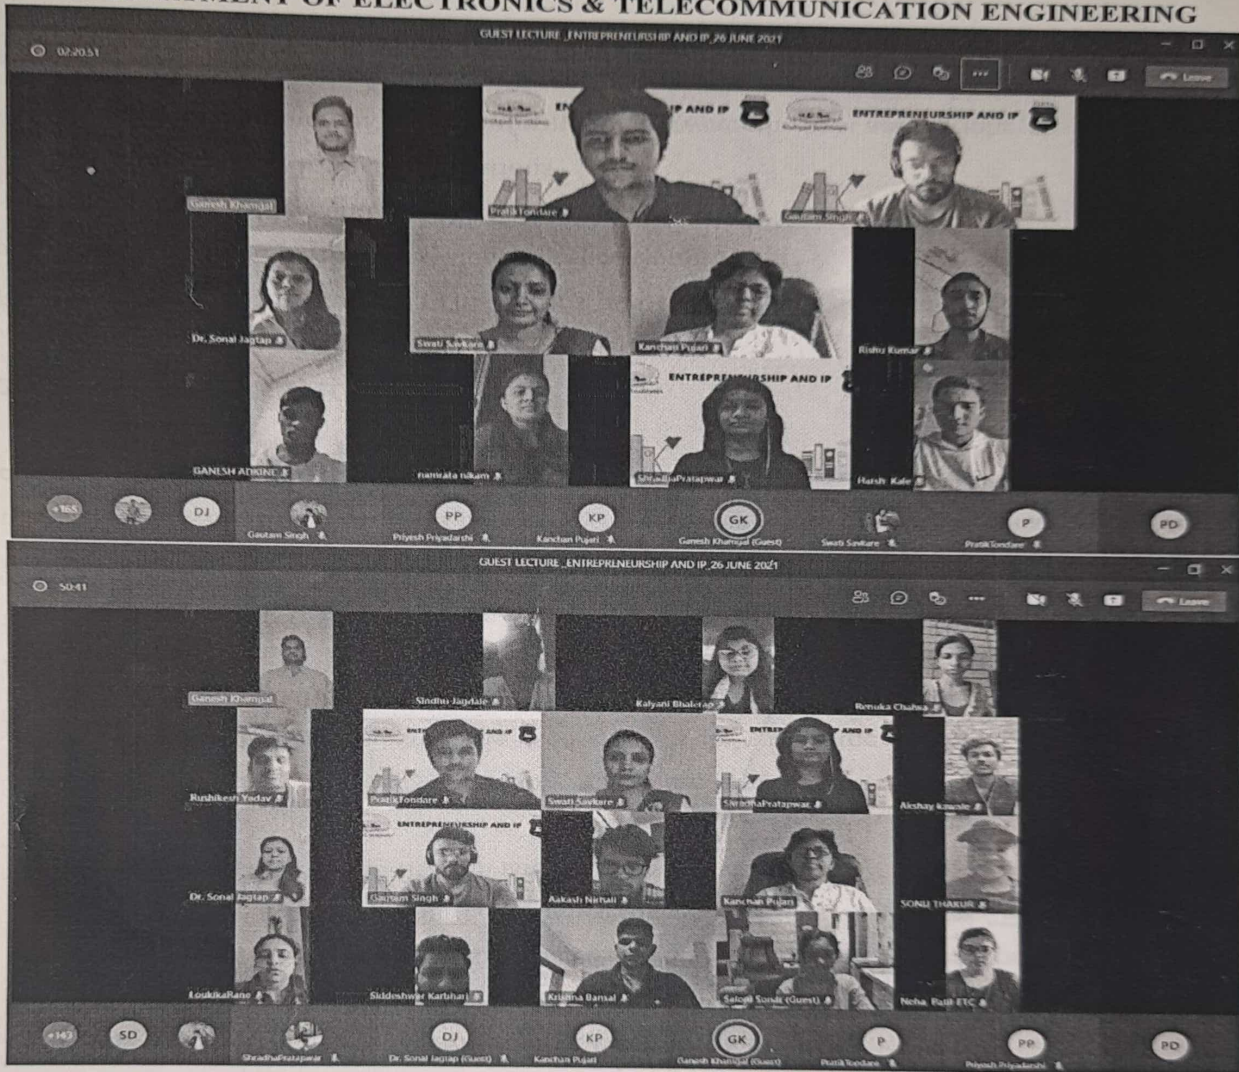

Conclusion:

The event concluded with a doubt-solving session in which there was humongous participation by the candidates. Total 179 participants attended session. Finally, Prof. S. S. Savkare gave a vote of thanks to all the dignitaries. And the session ended with a picture with the participants.

Webinar Report

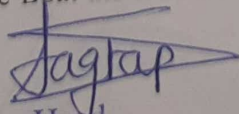

| | | | |
|--------------------------------|--|--------------|----------|
| Date: | 24/06/2021 | Time: | 4pm- 5pm |
| Venue: | Online | | |
| Title of Program: | Webinar on Importance of GATE Exam in higher studies and PSU's | | |
| Speaker/Guest: | Mr. Hitesh Choudhury , Mr. Abhinav Verma | | |
| Company Name: | GATE Solution Academy | | |
| Class: | SE(E&TC) | | |
| Total no. of Student: | 193 | | |
| Program Co-coordinator: | Prof. V.A. Yaduvanshi | | |

About program:

Following points were covered in the Webinar:

- 1) Importance of GATE Exam in Higher Studies and PSU's.
- 2) Introduction to GATE Exam.
- 3) Working on preparation for GATE Exam.
- 4) Discussion on PSU's.
- 6) Discussion on techniques for preparing for GATE exam.

Mr. Hitesh Choudhury expressed the importance of GATE Exam in higher studies and PSU's as well as in society during the inaugural address. Webinar was worth attending, and participants got to know various aspects of preparing GATE exam and their significance in PSU's. Question/ Answer session was interactive Both the Resource person solved all the doubts of participants at the end of the session.

Webinar Report

| | | | |
|--------------------------------|--|--------------|----------|
| Date: | 24/06/2021 | Time: | 4pm- 5pm |
| Venue: | Online | | |
| Title of Program: | Webinar on Importance of GATE Exam in higher studies and PSU's | | |
| Speaker/Guest: | Mr. Hitesh Choudhury , Mr. Abhinav Verma | | |
| Company Name: | GATE Solution Academy | | |
| Class: | SE(E&TC) | | |
| Total no. of Student: | 193 | | |
| Program Co-coordinator: | Prof. V.A. Yaduvanshi | | |

About program:

Following points were covered in the Webinar:

- 1) Importance of GATE Exam in Higher Studies and PSU's.
- 2) Introduction to GATE Exam.
- 3) Working on preparation for GATE Exam.
- 4) Discussion on PSU's.
- 6) Discussion on techniques for preparing for GATE exam.

Mr. Hitesh Choudhury expressed the importance of GATE Exam in higher studies and PSU's as well as in society during the inaugural address. Webinar was worth attending, and participants got to know various aspects of preparing GATE exam and their significance in PSU's. Question/ Answer session was interactive The Resource persons solved all the doubts of participants at the end of the session.

Report

Title of the Activity: Career Opportunity in Computer Aided Engineering.

Date:: 12/04/2022

Organized Under: Department Activity

Level: Department

Faculty coordinator: Prof. Virendra H Waghmare.

Summary Report: Initially the introduction of the guest Mr. Gaurav Navalpure done by Prof. V. H. Waghmare. and our Head of Department Prof. T.S. Sargar sir and other staff members also present in the session. Mr Gaurav Navalpure sir delivered the knowledge regarding Career Opportunity in Computer Aided Engineering and also explain the current situation of this field.

Outcome:

1. Understanding of Opportunity in Computer Aided Engineering.
2. Knowledge Excellent Job Opportunity in Mechanical Filed
3. Take a new culture
4. Knowledge for Different softwares
5. Find new interest
6. Boosting your resume

Faculty coordinator: Prof. Virendra H Waghmare.

Career Opportunity in Computer Aided Engineering Guest Lecture:

On Date 16/04/2022, at SKNCOE Vadgaon Online Platform -Pune we Department of Mechanical engineering had organized a Guest lecture on "Career Opportunity in Computer Aided Engineering, We had honoured **Mr. Gaurav Navalpure, Brigadier Academy**, who conducted the guest lecture, The workshop was co-ordinated by the faculty co-ordinator Prof. Virendra H Waghmare .

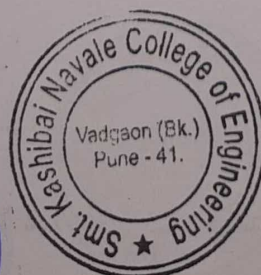

On event day, T.E Mechanical total No of students is 120 attended the guest lecture. All of them were satisfied with the content of the guest lecturer and Students experienced and gained the knowledge about Career Opportunity in Computer Aided Engineering.

During the guest lecture, the following content were discussed,

7. Introduction to Opportunity in Computer Aided Engineering.
8. Excellent Job Opportunity in Mechanical Field
9. Take a new culture
10. Find new interest in different Analysis Softwares
11. Boosting your resume

With that, the session was summarized to a conclusion.

Report

Title of the Activity: CAD/CAM/CAE And Tool Design Opportunities For Mechanical/Automobile//Production Engineering.

Date:: 09/04/2022

Organized Under: Department Activity

Level:: Department

Faculty coordinator: Prof. A.M.Dharme

Summary Report: Initially the introduction of the guest Mrs. Megha Soundankar

Done and our Head of Department Prof.T.S.Sargar sir Felicitated him and other staff members also present there, Mrs.Megha Soundankar Mam delivered the knowledge regarding CAD/CAM/CAE And Tool Design Opportunities For Mechanical/Automobile//Production Engineering.

Outcome:

1. Understanding of Opportunity in Abroad for Higher Education
2. Knowledge Excellent Job Opportunity in Mechanical Filed
3. Take a new culture
4. Find new interest
5. Boosting your resume
6. Experience new thinks

Career Opportunity in CAD/CAM/CAE And Tool Design Opportunities For Mechanical/Automobile//Production Engineering Guest Lecture:

On Date 09/04/2022, at SKNCOE Vadgaon-Pune we Department of Mechanical engineering had organized a Guest lecture on “CAD/CAM/CAE And Tool Design Opportunities For Mechanical/Automobile//Production Engineering. We had honoured Mrs.Megha Soundankar, Industry Engineer, IGTR Pune, who conducted the guest lecture, The workshop was co-ordinated by the faculty co-ordinator Prof.M.J.Naidu.

On event day, S.E,T.E & B.E Mechanical total No of students is 23 attended the guest lecture. All of them were satisfied with the content of the guest lecturer and Students experienced and gained the knowledge about “CAD/CAM/CAE And Tool Design Opportunities For Mechanical/Automobile//Production Engineering.During the guest lecture, the following content were discussed,

7. Introduction to Opportunity in CAD/CAM/CAE.
8. Excellent Job Opportunity in Mechanical Filed
9. Take a new culture
10. Find new interest
11. Boosting your resume

With that, the session was summarized to a conclusion that,
